**Only count credit hours for each course once when used in more than one area.

Additional Electives																																													
Course Prefix																																													Sub-totals**
C																																													
NC																																													
UD																																													

Key: C = Courses completed NC = Courses not yet completed UD = Upper division courses (300 and above at ASU)

DARS = Degree Audit Reporting System. This column is for advisor's use only. / Check if the course is already articulated on the DARS report.

How to use this check sheet: List the course and prefix number that fulfills the corresponding requirement. In the appropriate column next to the course, write the number of semester credit hours. i.e. if you have completed the course, mark the number of hours under the C column. If it is a course that you have not earned a grade for yet, mark the number of semester credit hours under the NC column. If the course is an upper division course (Jr. or Sr. level, numbered 300-499 at ASU) also mark the number of credit hours in the UD column next to the course. Courses numbered 500 or above require special permission, ask for the petition form in the Graduation Office in SS111. When double counting courses (using the same class to fulfill two requirements) take extra care not to double count the credit hours. Write the number of hours under one of the requirements, and cross out the appropriate column under the double counted requirement.

***Double Counting Restrictions:**

You may not double count courses within the University General Studies Core requirements
You may not double count courses from the College Graduation requirements, including the Bridge course, with the University General Studies HU, SB, SG or SQ areas.
You may not double count courses within the College Graduation requirements, including the bridge course.

However, the L, MA and CS requirements *can* be double counted in the college and major areas.

Bridge Course Requirement:

A list of currently approved bridge courses is available at http://asu.edu/clas/bridgecourses. Unless otherwise noted only the main campus courses listed below will fulfill the bridge course requirement. When taking special topics courses numbered 294, 394, or 494 to meet the bridge course requirement, you may only use courses with the same course prefix, number, and title as those on the list.

‡**Major Requirements Minimum Grade Requirements:** A minimum grade of "C" required in all Communication classes. A 2.50 ASU cumulative GPA is required for enrollment in COM 207 and all upper division courses in Communication. A 2.25 ASU cumulative GPA or no ASU GPA is required for COM 110, 241, 250 and 263.

Student Notes:
