| ★ Complete Cultural Diversity in the U.S. (C) AND Global Awareness (G) AND Historical Awareness (H) course(s). | | | |
| Term hours subtotal: | 15 | | |

- Statistics Focus Area courses are courses in related disciplines in the New College of Interdisciplinary Arts and Sciences. See advisor to select the proper courses for the desired related field.
- Students interested in graduate school should enroll in MAT 300, 371 and 472.
- For data science careers, complete ACO courses for focus area.
- LSC 388 is strongly recommended for students interested in graduate school.
- Use Handshake to research employment opportunities.
- Complete an in person or virtual practice interview.

| Term 7 90 - 105 Credit Hours Necessary course signified by ★ | Hours | Minimum Grade | Notes |
|---|---|---|---|
| ★ STP 421: Probability | 3 | C | |
| ★ STP 485: Statistics Capstone | 3 | C | |
| Upper Division Statistics Elective | 3 | C | |
| Statistics Focus Area Course | 3 | C | |
| Upper Division Humanities, Arts and Design (HU) OR Upper Division Social-Behavioral Sciences (SB) | 3 | | |
| Term hours subtotal: | 15 | | |

- STP 485 Statistics Capstone is offered in fall semesters only. Consult your academic advisor for course planning.
- Statistics Focus Area courses are courses in related disciplines in the New College of Interdisciplinary Arts and Sciences. See advisor to select the proper courses for the desired related field.
- Students interested in graduate school should enroll in MAT 300, 371 and 472.
- For data science careers, complete ACO courses for focus area.
- Gather professional references.

| Term 8 105 - 120 Credit Hours Necessary course signified by ★ | Hours | Minimum Grade | Notes |
|---|---|---|---|
| ★ STP 427: Mathematical Statistics | 3 | C | |
| Upper Division Statistics Elective | 3 | C | |
| Statistics Focus Area Course | 3 | C | |
| *Complete 2 courses:* Upper Division Elective | 6 | | |

- Statistics Focus Area courses are courses in related disciplines in the New College of Interdisciplinary Arts and Sciences. See advisor to select the proper courses for the desired related field.

| | | |
|---|---|---|
| Term hours subtotal: | 15 | • Students interested in graduate school should enroll in MAT 300, 371 and 472 for focus area.<br>• For data science careers, complete ACO courses for focus area.<br>• Apply for full-time career opportunities. |

- Upper-Division Statistics Electives
  - Complete 9 credit hours. STP 494 repeatable for different topics. STP 499 may only be taken once, up to 3 credits. Courses may only apply once to either the Upper-Division Statistics Electives or the Focus Area Requirement.

Statistics Focus Area

- Students should select and complete three courses (9-10 credit hours) from a single discipline. (i.e. three MAT courses or three CHM courses or three ACO courses) to complete the Focus Area requirement.
- Courses may only apply once to either the Upper-Division Statistics Electives or the Focus Area Requirement.
- Students interested in graduate school should enroll in MAT 300, 371 and 472 for the Statistics Focus area.
- For data science careers, complete Applied Computing (ACO) courses for the focus area.

Hide Course List(s)/Track Group(s)

| Upper Division Statistics Electives | Statistics Focus Area Course |

|---|---|---|---|
| ACT 435: Statistics for Risk Modeling | 3 | C | |

| | | | |
|---|---|---|---|
| ★ Upper Division Advanced Course | 3 | C | |
| ACT 440: Single Life Mortality OR ACT 450: Actuarial Models | 3 | C | |
| Upper Division Risk Management Course | 3 | C | |
| Elective | 3 | | |
| Maintain 3.00 GPA in Major Courses. | | | |
| Term hours subtotal: | 15 | | |

- Meet with your academic advisor to discuss post-graduation plans, e.g. graduate school, career preparation.
- Develop your professional online presence.
- Students seeking VEE accreditation should select an elective from the course list in the note at the bottom of the major map. For this term, FIN 300 counts towards the VEE requirement for Accounting and Finance.

| **Term 8** 105 - 120 Credit Hours Necessary course signified by ★ | Hours | Minimum Grade | Notes |
|---|---|---|---|
| ★ ACT 420: Ratemaking and Reserving | 3 | C | • Meet with your academic advisor for final degree check and apply for graduation through your My ASU. |
| ★ ACT 441: Long-Term Actuarial Mathematics OR ACT 451: Short-Term Actuarial Mathematics | 3 | C | |
| ★ Upper Division Advanced Course | 3 | C | |
| ACT 440: Single Life Mortality OR ACT 450: Actuarial Models | 3 | C | |
| Elective | 3 | | |
| Maintain 3.00 GPA in Major Courses. | | | |
| Term hours subtotal: | 15 | | |

- All students pursuing a BS or BSP degree in The College of Liberal Arts and Sciences must complete two courses from the Science and Society list found at https://thecollege.asu.edu/resources/science-society. At least one of the two courses must be upper-division and students must earn a C or better in the courses. Both Science and Society courses (i.e., all six credits) may count towards any major, minor, related fields, and ASU General Studies requirements.
- The object of the degree is to prepare students to sit for exams to gain certification as an actuary. One of the optional certifications that individuals may pursue is completion of the VEE requirements from the Society of Actuaries or the Casualty Actuarial Society. This certification requires additional experience not covered in the maximum credits allowed for the degree.

  However, students may decide to include these additional courses in their 12 hours of elective credit. ASU courses that meet VEE requirements include:

  - STP 427 - requirement for Mathematical Statistics (Prerequisite(s): ACT 415 or STP 421 with C or better; STP 281 or 420 with C or better). This class is required for the degree and will not satisfy an elective. However, it is still a part of the overall VEE curriculum for the purposes of this list.
  - ECN 211 and ECN 212 - sequence requirement for Economics
  - FIN 300 - requirement for Fundamentals of Finance (Prerequisite(s) with C or better: ACC 231, 232 or 261; ECN 212; ECN 221, ECN 231, IEE 380 or STP 280; MAT 210, 251, 265 or 270; Non-Business: min 2.50 GPA; min 56 hours; Pre- or corequisite(s): ACC 241, 242 or 271; Credit allowed for only FIN 300, 302 or 303)

Hide Course List(s)/Track Group(s)

| Risk Management Courses | Advanced Courses |
| --- | --- |
| ACT 302: Fundamentals of Enterprise Risk Management | ACT 430: Mathematics of Financial Derivatives |
| ACT 320: Property and Casualty Insurance | ACT 441: Long-Term Actuarial Mathematics |
| ACT 330: Life and Health Insurance | ACT 451: Short-Term Actuarial Mathematics |
| ACT 484: Internship | ACT 455: Quantitative Risk Management |
| ACT 490: Emerging Risks | ACT 494: Machine Learning in Risk Management Applications |
| ACT 491: Actuarial Exam Preparation Seminar | ACT 494: Regression Modeling in Insurance |
| ACT 494: Communications for Business | |
| ACT 494: Organizational Behavior | |
| ACT 494: Report Writing | |

**Notes:**

- 
  - First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
  - Mathematics Placement Assessment score determines placement in first mathematics course.
- Please keep in mind that the applicability of a specific transfer course toward an ASU degree program depends on the requirements of the department, division, college or school in which you are enrolled at ASU. Transfer agreements that guarantee the completion of university level requirements do not necessarily meet college and major requirements. Please consult with an advisor for more information.

**Notes:**

- First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
- Mathematics Placement Assessment score determines placement in first mathematics course.
- Please keep in mind that the applicability of a specific transfer course toward an ASU degree program depends on the requirements of the department, division, college or school in which you are enrolled at ASU. Transfer agreements that guarantee the completion of university level requirements do not necessarily meet college and major requirements. Please consult with an advisor for more information.

**Notes:**

- - First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
  - Mathematics Placement Assessment score determines placement in first mathematics course.
- Please keep in mind that the applicability of a specific transfer course toward an ASU degree program depends on the requirements of the department, division, college or school in which you are enrolled at ASU. Transfer agreements that guarantee the completion of university level requirements do not necessarily meet college and major requirements. Please consult with an advisor for more information.

- All students pursuing a BS or BSP degree in The College of Liberal Arts and Sciences must complete two courses from the Science and Society list found at https://thecollege.asu.edu/resources/science-society. At least one of the two courses must be upper-division and students must earn a C or better in the courses. Both Science and Society courses (i.e., all six credits) may count towards any major, minor, related fields, and ASU General Studies requirements.

- All students pursuing a BS or BSP degree in The College of Liberal Arts and Sciences must complete two courses from the Science and Society list found at https://thecollege.asu.edu/resources/science-society. At least one of the two courses must be upper-division and students must earn a C or better in the courses. Both Science and Society courses (i.e., all six credits) may count towards any major, minor, related fields, and ASU General Studies requirements.

Hide Course List(s)/Track Group(s)

**Notes:**

- - First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
  - Mathematics Placement Assessment score determines placement in first mathematics course.
- Please keep in mind that the applicability of a specific transfer course toward an ASU degree program depends on the requirements of the department, division, college or school in which you are enrolled at ASU. Transfer agreements that guarantee the completion of university level requirements do not necessarily meet college and major requirements. Please consult with an advisor for more information.

**Total Hours:** 120
**Upper Division Hours:** 45 minimum
**Major GPA:** 2.00 minimum
**Cumulative GPA:** 2.00 minimum
**Total hrs at ASU:** 30 minimum
**Hrs Resident Credit for Academic Recognition:** 56 minimum
**Total Community College Hrs:** 64 maximum
**Total College Residency Hrs:** 12 minimum

| ★ Upper Division Asia Track Elective | 3 | C | |
| *Complete 2 courses:* Upper Division Elective | 6 | | |
| Elective | 4-3 | | |
| Term hours subtotal: | 16-15 | | |

- For the Asia Track Electives, students may choose any combination of courses from six different track lists, so long as at least 24 hours are upper division. The six Asia tracks are: 1) China, 2) Japan, 3) Korea, 4) South Asia, 5) Southeast Asia, and 6) Asia in a Global World. Students who wish to specialize in a particular country or region are strongly encouraged to complete at least 12 credits from that track. The "Asia in a Global World" track is designed for students who wish to take a variety of courses from different regions without focusing on one particular country or region.
- Students choosing one of the specialized tracks are strongly encouraged to study a language that is highly relevant to that particular country or region. The following languages are encouraged for each specialized track focus area:

  China: Chinese, Portuguese, Japanese, Korean, Dutch (by proficiency exam)
  Japan: Japanese, Chinese, Portuguese, Korean, Dutch (by proficiency exam)
  Korea: Korean, Chinese, Portuguese, Japanese, Indonesian, Thai, Vietnamese
  South Asia: Hindi, Arabic, Portuguese, French, Urdu (by proficiency exam), Dutch (by proficiency exam)
  Southeast Asia: Indonesian, Thai, Vietnamese, French, Spanish, Portuguese, Chinese, Japanese, Dutch (by proficiency exam), Tagalog (by proficiency exam)

Asia Track Electives: Asia in a Global World

This track includes all courses on the China, Japan, Korea, South Asia, and Southeast Asia track elective lists. Students in this track do not focus on a specific region and may

select a broad combination of courses across the geographical region. At least 24 hours must be upper-divison.

**Notes:**

- First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
- Mathematics Placement Assessment score determines placement in first mathematics course.
- Please keep in mind that the applicability of a specific transfer course toward an ASU degree program depends on the requirements of the department, division, college or school in which you are enrolled at ASU. Transfer agreements that guarantee the completion of university level requirements do not necessarily meet college and major requirements. Please consult with an advisor for more information.
- At least 12 upper-division hours in the major must be in courses offered by The College of Liberal Arts and Sciences.

**Total Hours:** 120
**Upper Division Hours:** 45 minimum
**Major GPA:** 2.00 minimum
**Cumulative GPA:** 2.00 minimum
**Total hrs at ASU:** 30 minimum
**Hrs Resident Credit for Academic Recognition:** 56 minimum
**Total Community College Hrs:** 64 maximum
**Total College Residency Hrs:** 12 minimum

**General University Requirements Legend**

General Studies Core Requirements:

- Literacy and Critical Inquiry (L)
- Mathematical Studies (MA)
- Computer/Statistics/Quantitative Applications (CS)
- Humanities, Arts and Design (HU)
- Social-Behavioral Sciences (SB)
- Natural Science - Quantitative (SQ)
- Natural Science - General (SG)

General Studies Awareness Requirements:

- Cultural Diversity in the U.S. (C)
- Global Awareness (G)
- Historical Awareness (H)

First-Year Composition

General Studies designations listed on the major map are current for the 2023 - 2024 academic year.

REL 345: Asian Religious Traditions (HU & G)

REL 351: Buddhism ((L or HU) & G)

SLC 484: Internship

SLC 498: Pro-Seminar

**Notes:**

- - First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
  - Mathematics Placement Assessment score determines placement in first mathematics course.
- Please keep in mind that the applicability of a specific transfer course toward an ASU degree program depends on the requirements of the department, division, college or school in which you are enrolled at ASU. Transfer agreements that guarantee the completion of university level requirements do not necessarily meet college and major requirements. Please consult with an advisor for more information.

- All students pursuing a BS or BSP degree in The College of Liberal Arts and Sciences must complete two courses from the Science and Society list found at https://thecollege.asu.edu/student-resources/science-society. At least one of the two courses must be upper division and students must earn a C or better in the courses. Both Science and Society courses (i.e., all six credits) may count towards any major, minor, related fields, and ASU General Studies requirements.

**Notes:**

- - First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
  - Mathematics Placement Assessment score determines placement in first mathematics course.
- Please keep in mind that the applicability of a specific transfer course toward an ASU degree program depends on the requirements of the department, division, college or school in which you are enrolled at ASU. Transfer agreements that guarantee the completion of university level requirements do not necessarily meet college and major requirements. Please consult with an advisor for more information.

## Biochemistry, BA

School/College: The College of Liberal Arts and Sciences
Location: Online, ASU Local
LABCHBA

In order to complete the requirements of this program, some laboratory courses will be completed in-person at the Tempe Campus.

These laboratory courses will be offered during summer. This may impact your financial aid. Financial aid is available to those who apply and qualify, and students may receive funds to help cover costs for each semester of enrollment. The amount of financial aid that a student is eligible for varies depending on prior education experience and other individual factors. Learn more about summer financial aid and additional ways to cover summer costs.

- All students pursuing a BS or BSP degree in The College of Liberal Arts and Sciences must complete two courses from the Science and Society list found at https://thecollege.asu.edu/resources/science-society. At least one of the two courses must be upper-division and students must earn a C or better in the courses. Both Science and Society courses (i.e., all six credits) may count towards any major, minor, related fields, and ASU General Studies requirements.
- With prior approval of an academic advisor in the School of Molecular Sciences, other courses may be used to satisfy the Advanced BIO Elective requirement.

Hide Course List(s)/Track Group(s)

| Advanced BIO Elective |
|---|
| BIO 201: Human Anatomy and Physiology I (SG) |
| BIO 202: Human Anatomy and Physiology II (SG) |
| BIO 302: Cancer--Mother of All Diseases (L) |

| MIC 360: Bacterial Physiology |

MIC 379: Medical Bacteriology

MIC 461: Geomicrobiology

**Notes:**

- 
  - First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
  - Mathematics Placement Assessment score determines placement in first mathematics course.
- Please keep in mind that the applicability of a specific transfer course toward an ASU degree program depends on the requirements of the department, division, college or school in which you are enrolled at ASU. Transfer agreements that guarantee the completion of university level requirements do not necessarily meet college and major requirements. Please consult with an advisor for more information.

## Biochemistry, BS

School/College: The College of Liberal Arts and Sciences
Location: Online, ASU Local
LABCHBS

In order to complete the requirements of this program, some laboratory courses will be completed in-person at the Tempe Campus.

These laboratory courses will be offered during summer. This may impact your financial aid. Financial aid is available to those who apply and qualify, and students may receive funds to help cover costs for each semester of enrollment. The amount of financial aid that a student is eligible for varies depending on prior education experience and other individual factors. Learn more about summer financial aid and additional ways to cover summer costs.

- All students pursuing a BS or BSP degree in The College of Liberal Arts and Sciences must complete two courses from the Science and Society list found at https://thecollege.asu.edu/resources/science-society. At least one of the two courses must be upper-division and students must earn a C or better in the courses. Both Science and Society courses (i.e., all six credits) may count towards any major, minor, related fields, and ASU General Studies requirements.

Hide Course List(s)/Track Group(s)

**Notes:**

- 
  - First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
  - Mathematics Placement Assessment score determines placement in first mathematics course.
- Please keep in mind that the applicability of a specific transfer course toward an ASU degree program depends on the requirements of the department, division, college or school in which you are enrolled at ASU. Transfer agreements that guarantee the completion of university level requirements do not necessarily meet college and major requirements. Please consult with an advisor for more information.

**Total Hours:** 120
**Upper Division Hours:** 45 minimum
**Major GPA:** 2.00 minimum
**Cumulative GPA:** 2.00 minimum
**Total hrs at ASU:** 30 minimum
**Hrs Resident Credit for Academic Recognition:** 56 minimum
**Total Community College Hrs:** 64 maximum
**Total College Residency Hrs:** 12 minimum

**General University Requirements Legend**

General Studies Core Requirements:

- Literacy and Critical Inquiry (L)
- Mathematical Studies (MA)
- Computer/Statistics/Quantitative Applications (CS)
- Humanities, Arts and Design (HU)
- Social-Behavioral Sciences (SB)
- Natural Science - Quantitative (SQ)
- Natural Science - General (SG)

General Studies Awareness Requirements:

- Cultural Diversity in the U.S. (C)
- Global Awareness (G)
- Historical Awareness (H)

First-Year Composition

General Studies designations listed on the major map are current for the 2023 - 2024 academic year.

# 2023 - 2024 Major Map

## Biological Sciences, BS

School/College: The College of Liberal Arts and Sciences
Location: Tempe
LABSCBS

- All students pursuing a BS or BSP degree in The College of Liberal Arts and Sciences must complete two courses from the Science and Society list found at https://thecollege.asu.edu/resources/science-society. At least one of the two courses must be upper-division and students must earn a C or better in the courses. Both Science and Society courses (i.e., all six credits) may count towards any major, minor, related fields, and ASU General Studies requirements.

Hide Course List(s)/Track Group(s)

| Major Laboratory Research Course | Major Electives | Additional Major Requirements Courses |
|---|---|---|
| BCH 367: Elementary Biochemistry Laboratory | BCH 361: Advanced Principles of Biochemistry | **Ethics, History, and Philosophy of Science** |

| Upper Division Elective | 3 | |
| Elective | 3 | |
| Term hours subtotal: | 16-14 | |

- Courses from the Medicine in Society and Biomedical Research groups must include at least one course from each group and at least one lab course
- Some upper-division Medicine in Society and Biomedical Research Courses require prerequisites, which may be taken as electives
- Explore or apply for full-time career opportunities or graduate school
- Meet with your advisor to verify remaining degree requirements have been met prior to Term 8

| **Term 8 106 - 120 Credit Hours Necessary course signified by ★** | **Hours** | **Minimum Grade** | **Notes** |
|---|---|---|---|
| ★ BIO 351: Developmental Biology OR BIO 420: Immunology: Molecular and Cellular Foundations OR BIO 440: Functional Genomics OR BIO 462: Endocrine Physiology OR BIO 467: Neurobiology | 3 | C | • Courses from the Medicine in Society and Biomedical Research groups must include at least one course from each group and at least one lab course.<br>• Continue to apply for full-time career opportunities or graduate school |
| ★ Upper Division Biomedical Research Course OR Upper Division Medicine in Society Course | 2-4 | C | |
| *Complete 3 courses:* Elective | 9 | | |
| Term hours subtotal: | 14-16 | | |

- Students must take at least one course from the Medicine in Society group and at least one course from the Biomedical Research group, and at least one of those must be a lab course.
- Some upper-division Medicine in Society courses require lower-division prerequisites, which may be taken as electives. See list of Suggested Electives provided.
- All students pursuing a BS or BSP degree in The College of Liberal Arts and Sciences must complete two courses from the Science and Society list found at https://thecollege.asu.edu/resources/science-society. At least one of the two courses must be upper-division and students must earn a C or better in the courses. Both Science and Society courses (i.e., all six credits) may count towards any major, minor, related fields, and ASU General Studies requirements.

MBB 445: Techniques in Molecular Biology/Genetics or MIC 445: Techniques in Molecular Biology/Genetics

**Notes:**

- 
  - First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
  - Mathematics Placement Assessment score determines placement in first mathematics course.
- Please keep in mind that the applicability of a specific transfer course toward an ASU degree program depends on the requirements of the department, division, college or school in which you are enrolled at ASU. Transfer agreements that guarantee the completion of university level requirements do not necessarily meet college and major requirements. Please consult with an advisor for more information.

| Term 2 15 - 30 Credit Hours Critical course signified by | Hours | Minimum Grade | Notes |
|---|---|---|---|
| BIO 182: General Biology II (SG) | 4 | C | • Join a student organization<br>• Create a resume and Handshake account with the Career & Professional Development Center<br>• Explore extracurriculars (i.e. service learning, community service, internships, research, student involvement, shadowing, etc.)<br>• Attend a Pre-Health 101 Session<br>• Students transferring Calculus (MAT 270 or MAT 210) will fulfill MAT 251 requirement |
| CHM 116: General Chemistry II (SQ) | 4 | C | |
| ENG 101 or ENG 102: First-Year Composition OR ENG 105: Advanced First-Year Composition OR ENG 107 or ENG 108: First-Year Composition | 3 | C | |
| MAT 251: Calculus for Life Sciences (MA) | 3 | C | |
| Elective | 1 | | |
| Complete ENG 101 OR ENG 105 OR ENG 107 course(s). | | | |
| Term hours subtotal: | 15 | | |

| Term 3 30 - 45 Credit Hours Critical course signified by | Hours | Minimum Grade | Notes |
|---|---|---|---|
| BIO 320: Fundamentals of Ecology | 3 | C | • Pre-health students should take CHM 233 and CHM 237 as their Physical Science requirement course this term. See the pre-health website for more information<br>• If CHM 233 and 237 are taken, then CHM 234 and 238 must be taken the following semester<br>• It is not recommended to take more than two lab courses in a term.<br>• Explore extracurriculars (i.e. service learning, community service, internships, research, student involvement, shadowing, etc.)<br>• Attend a Study Abroad 101 Session |
| Physical Science Requirement Course | 3-4 | C | |
| Science and Society Elective | 3 | C | |
| Humanities, Arts and Design (HU) AND Historical Awareness (H) | 3 | | |
| Literacy and Critical Inquiry (L) | 3 | | |
| Complete First-Year Composition requirement. | | | |
| Complete Mathematics (MA) requirement. | | | |
| Term hours subtotal: | 15-16 | | |

- Explore minors or certificates

| Term 4 45 - 61 Credit Hours Critical course signified by | Hours | Minimum Grade | Notes |
|---|---|---|---|
| BIO 340: General Genetics | 4 | C | • Meet with the Career & Professional Development Center to learn how to develop professional skills<br>• Explore extracurriculars (i.e. service learning, community service, internships, research, student involvement, shadowing, etc.)<br>• Pre-health students should take CHM 234 and CHM 238 this term instead of an elective. See the pre-health website for more information<br>• If CHM 233 and 237 are taken, then CHM 234 and 238 must be taken the following semester |
| Humanities, Arts and Design (HU) AND Global Awareness (G) | 3 | | |
| Social-Behavioral Sciences (SB) | 3 | | |
| *Complete 2 courses:*<br>Elective | 6 | | |
| Term hours subtotal: | 16 | | |

| Term 5 61 - 76 Credit Hours Necessary course signified by | Hours | Minimum Grade | Notes |
|---|---|---|---|
| BIO 322: Conservation of Biodiversity | 3 | C | • BIO 322 will be used to satisfy the upper-division Science and Society requirement for The College<br>• Pre-health students should take PHY 111 and 113 instead of an elective this term. See the pre-health website for more information<br>• Meet with your advisor to discuss ways to maximize your remaining time at ASU (i.e. pre-health; 4+1 Masters Programs; study abroad) |
| BIO 345: Evolution | 3 | C | |
| Upper Division Human Dimensions of Conservation and Ecology Course | 3 | C | |
| Social-Behavioral Sciences (SB) AND Cultural Diversity in the U.S. (C) | 3 | | |
| Elective | 3 | | |
| Term hours subtotal: | 15 | | |

| Term 6 76 - 91 Credit Hours Necessary course signified by | Hours | Minimum Grade | Notes |
|---|---|---|---|
| Upper Division Conservation Biology and Ecology Field Methods Course | 3 | C | • Conservation Biology and Ecology courses teach students field (outdoor) and laboratory methods that are commonly used in conservation biology and ecology.<br>• Pre-health students should take PHY 112 and 114 instead of an elective this term. See the pre-health website for more information<br>• Use Handshake to research employment opportunities |
| Upper Division Humanities, Arts and Design (HU) OR Upper Division Social-Behavioral Sciences (SB) | 3 | | |
| *Complete 2 courses:*<br>Upper Division Elective | 6 | | |
| Elective | 3 | | |
| Complete Cultural Diversity in the U.S. (C) AND Global Awareness (G) AND Historical Awareness (H) course(s). | | | |
| Term hours subtotal: | 15 | | |

| Term 7 91 - 106 Credit Hours Necessary course signified by | Hours | Minimum Grade | Notes |
|---|---|---|---|
| Upper Division Advanced Ecology Course | 3 | C | • Explore or apply for full-time career opportunities or graduate school<br>• Meet with your advisor to verify remaining degree requirements have been met prior to Term 8. |
| Quantitative & Spatial Analysis Course | 3-4 | C | |
| Upper Division Literacy and Critical Inquiry (L) | 3 | | |
| *Complete 2 courses:*<br>Elective | 6 | | |
| Term hours subtotal: | 15-16 | | |

| Term 8 106 - 120 Credit Hours Necessary course signified by | Hours | Minimum Grade | Notes |
|---|---|---|---|

| | | | |
|---|---|---|---|
| ★ | Upper Division Advanced Ecology, Biodiversity, Field or Research Course | 3-4 | C |
| ★ | Upper Division Advanced Human Dimensions of Conservation and Ecology Course | 3 | C |
| | *Complete 2 courses:*<br>Upper Division Elective | 5 | |
| | Elective | 3 | |
| | Term hours subtotal: | 14-15 | |

- Continue to apply for full-time career opportunities or graduate school.

- All students pursuing a BS or BSP degree in The College of Liberal Arts and Sciences must complete two courses from the Science and Society list found at https://thecollege.asu.edu/resources/science-society. At least one of the two courses must be upper-division and students must earn a C or better in the courses. Both Science and Society courses (i.e., all six credits) may count towards any major, minor, related fields, and ASU General Studies requirements.

**Notes:**

- - First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
  - Mathematics Placement Assessment score determines placement in first mathematics course.
- Please keep in mind that the applicability of a specific transfer course toward an ASU degree program depends on the requirements of the department, division, college or school in which you are enrolled at ASU. Transfer agreements that guarantee the completion of university level requirements do not necessarily meet college and major requirements. Please consult with an advisor for more information.

**Total Hours:** 120
**Upper Division Hours:** 45 minimum
**Major GPA:** 2.00 minimum
**Cumulative GPA:** 2.00 minimum
**Total hrs at ASU:** 30 minimum
**Hrs Resident Credit for Academic Recognition:** 56 minimum
**Total Community College Hrs:** 64 maximum
**Total College Residency Hrs:** 12 minimum

**General University Requirements Legend**

General Studies Core Requirements:

- Literacy and Critical Inquiry (L)
- Mathematical Studies (MA)
- Computer/Statistics/Quantitative Applications (CS)
- Humanities, Arts and Design (HU)
- Social-Behavioral Sciences (SB)
- Natural Science - Quantitative (SQ)
- Natural Science - General (SG)

General Studies Awareness Requirements:

- Cultural Diversity in the U.S. (C)
- Global Awareness (G)
- Historical Awareness (H)

First-Year Composition

- All students pursuing a BS or BSP degree in The College of Liberal Arts and Sciences must complete two courses from the Science and Society list found at https://thecollege.asu.edu/resources/science-society. At least one of the two courses must be upper-division and students must earn a C or better in the courses. Both Science and Society courses (i.e., all six credits) may count towards any major, minor, related fields, and ASU General Studies requirements.

**Notes:**

- - First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
  - Mathematics Placement Assessment score determines placement in first mathematics course.
- Please keep in mind that the applicability of a specific transfer course toward an ASU degree program depends on the requirements of the department, division, college or school in which you are enrolled at ASU. Transfer agreements that guarantee the completion of university level requirements do not necessarily meet college and major requirements. Please consult with an advisor for more information.

# 2023 - 2024 Major Map

## Biological Sciences (Genetics, Cell and Developmental Biology), BS

School/College: The College of Liberal Arts and Sciences
Location: Online, ASU Local
LABSCGBS

In order to complete the requirements of this program, some laboratory courses will be completed in-person at the Tempe Campus.

These laboratory courses will be offered during summer. This may impact your financial aid. Financial aid is available to those who apply and qualify, and students may receive funds to help cover costs for each semester of enrollment. The amount of financial aid that a student is eligible for varies depending on prior education experience and other individual factors. Learn more about summer financial aid and additional ways to cover summer costs.

|---|---|---|---|
| ★ *Complete 2 courses:* Upper Division Major Electives | 6-8 | C | • Continue to apply for full-time career opportunities or graduate school |
| ★ Major Laboratory/Research Course | 1-4 | C | |
| Upper Division Social-Behavioral Sciences (SB) OR Upper Division Humanities, Arts and Design (HU) | 3 | | |
| Upper Division Elective | 3 | | |
| Term hours subtotal: | 13-18 | | |

- All students pursuing a BS or BSP degree in The College of Liberal Arts and Sciences must complete two courses from the Science and Society list found at https://thecollege.asu.edu/resources/science-society. At least one of the two courses must be upper-division and students must earn a C or better in the courses. Both Science and Society courses (i.e., all six credits) may count towards any major, minor, related fields, and ASU General Studies requirements.

| BIO OR MBB OR MIC 4** Elective |
| BMI 465: Introduction to Comparative Genomics |
| PSY 470: Psychopharmacology |

| |
|---|
| BIO 439: Computing for Research |
| BIO 451: Cell Biotechnology: Cell Culture, Immunocytochemistry and Bioimaging |
| BIO 475: Advanced Human Anatomy |
| BIO 492: Honors Directed Study or MBB 492: Honors Directed Study or MIC 492: Honors Directed Study |
| BIO 495: Undergraduate Research or MBB 495: Undergraduate Research or MIC 495: Undergraduate Research |
| MBB 446: Techniques in Molecular Biology/Genetics Lab or MIC 446: Techniques in Molecular Biology/Genetics Lab |
| MIC 421: Experimental Immunology |

**Notes:**

- 
  - First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
  - Mathematics Placement Assessment score determines placement in first mathematics course.
- Please keep in mind that the applicability of a specific transfer course toward an ASU degree program depends on the requirements of the department, division, college or school in which you are enrolled at ASU. Transfer agreements that guarantee the completion of university level requirements do not necessarily meet college and major requirements. Please consult with an advisor for more information.

**Total Hours:** 120
**Upper Division Hours:** 45 minimum
**Major GPA:** 2.00 minimum
**Cumulative GPA:** 2.00 minimum
**Total hrs at ASU:** 30 minimum
**Hrs Resident Credit for Academic Recognition:** 56 minimum
**Total Community College Hrs:** 64 maximum
**Total College Residency Hrs:** 12 minimum

**General University Requirements Legend**

General Studies Core Requirements:

- Literacy and Critical Inquiry (L)
- Mathematical Studies (MA)
- Computer/Statistics/Quantitative Applications (CS)
- Humanities, Arts and Design (HU)
- Social-Behavioral Sciences (SB)
- Natural Science - Quantitative (SQ)
- Natural Science - General (SG)

General Studies Awareness Requirements:

- Cultural Diversity in the U.S. (C)
- Global Awareness (G)
- Historical Awareness (H)

- Mathematics Placement Assessment score determines placement in first mathematics course.
- Please keep in mind that the applicability of a specific transfer course toward an ASU degree program depends on the requirements of the department, division, college or school in which you are enrolled at ASU. Transfer agreements that guarantee the completion of university level requirements do not necessarily meet college and major requirements. Please consult with an advisor for more information.

**Total Hours:** 120
**Upper Division Hours:** 45 minimum
**Major GPA:** 2.00 minimum
**Cumulative GPA:** 2.00 minimum
**Total hrs at ASU:** 30 minimum
**Hrs Resident Credit for Academic Recognition:** 56 minimum
**Total Community College Hrs:** 64 maximum
**Total College Residency Hrs:** 12 minimum

**General University Requirements Legend**

General Studies Core Requirements:

- Literacy and Critical Inquiry (L)
- Mathematical Studies (MA)
- Computer/Statistics/Quantitative Applications (CS)
- Humanities, Arts and Design (HU)
- Social-Behavioral Sciences (SB)
- Natural Science - Quantitative (SQ)
- Natural Science - General (SG)

General Studies Awareness Requirements:

- Cultural Diversity in the U.S. (C)
- Global Awareness (G)
- Historical Awareness (H)

First-Year Composition

## Chemistry, BA

School/College: The College of Liberal Arts and Sciences
Location: Online, ASU Local
LACHMBA

In order to complete the requirements of this program, some laboratory courses will be completed in-person at the Tempe Campus.

These laboratory courses will be offered during summer. This may impact your financial aid. Financial aid is available to those who apply and qualify, and students may receive funds to help cover costs for each semester of enrollment. The amount of financial aid that a student is eligible for varies depending on prior education experience and other individual factors. Learn more about summer financial aid and additional ways to cover summer costs.

| Term 1 - A 0 - 7 Credit Hours | Hours | Minimum Grade | Notes |
|---|---|---|---|
| ASU 101-LA: The ASU Experience | 1 | | • ASU 101 or college-specific equivalent First-Year Seminar required of all first-year students.<br>• Select your Career Interest Areas and play me3@ASU. |

- All students pursuing a BS or BSP degree in The College of Liberal Arts and Sciences must complete two courses from the Science and Society list found at https://thecollege.asu.edu/resources/science-society. At least one of the two courses must be upper-division and students must earn a C or better in the courses. Both Science and Society courses (i.e., all six credits) may count towards any major, minor, related fields, and ASU General Studies requirements.

**Notes:**

- First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
- Mathematics Placement Assessment score determines placement in first mathematics course.

- Please keep in mind that the applicability of a specific transfer course toward an ASU degree program depends on the requirements of the department, division, college or school in which you are enrolled at ASU. Transfer agreements that guarantee the completion of university level requirements do not necessarily meet college and major requirements. Please consult with an advisor for more information.

- All students pursuing a BS or BSP degree in The College of Liberal Arts and Sciences must complete two courses from the Science and Society list found at https://thecollege.asu.edu/resources/science-society. At least one of the two courses must be upper-division and students must earn a C or better in the courses. Both Science and Society courses (i.e., all six credits) may count towards any major, minor, related fields, and ASU General Studies requirements.

- 
  - Students will select two out of five Areas of Emphasis and complete both required courses in each of the two chosen areas. Emphasis areas include Communication and Healthy Relating; Workplace, Organizational, and Leadership Communication; Civility, Advocacy, and Engaging Publics; Communication, Creativity, and Performance; and Communication Across Cultures. The required course sequence for each area is listed at the top of each track list below. The elective courses in each Area of Emphasis are suggested for students who wish to direct their elective choices in any particular area. However, any COM course may be taken to satisfy COM electives.
  - In the Communication and Healthy Relating Area of Emphasis, students may complete COM 310 as an upper-division elective if not used toward the required courses in the area, but cannot be counted for both a required course and an elective.

**Notes:**

- First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
- Mathematics Placement Assessment score determines placement in first mathematics course.
- Please keep in mind that the applicability of a specific transfer course toward an ASU degree program depends on the requirements of the department, division, college or school in which you are enrolled at ASU. Transfer agreements that guarantee the completion of university level requirements do not necessarily meet college and major requirements. Please consult with an advisor for more information.

**Total Hours:** 120
**Upper Division Hours:** 45 minimum

**Notes:**

- 
  - First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
  - Mathematics Placement Assessment score determines placement in first mathematics course.
- Please keep in mind that the applicability of a specific transfer course toward an ASU degree program depends on the requirements of the department, division, college or school in which you are enrolled at ASU. Transfer agreements that guarantee the completion of university level requirements do not necessarily meet college and major requirements. Please consult with an advisor for more information.

| Term hours subtotal: | 12 | | |

- All students pursuing a BS or BSP degree in The College of Liberal Arts and Sciences must complete two courses from the Science and Society list found at https://thecollege.asu.edu/resources/science-society. At least one of the two courses must be upper-division and students must earn a C or better in the courses. Both Science and Society courses (i.e., all six credits) may count towards any major, minor, related fields, and ASU General Studies requirements.
- The Computational Mathematical Sciences degree requires students to select and complete two 1-year lecture and lab combinations. Upon advisor approval, two advanced courses for which the first 1-year science and lab sequence is a prerequisite may be substituted for the second 1-year science and lab sequence.

REL 381: Religion and Moral Issues (L or HU)

REL 388: Religion, Ethics, and International Politics

REL 480: Religion and Global Politics (L & G)

REL 483: Religion and Science

**Notes:**

- 
  - First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
  - Mathematics Placement Assessment score determines placement in first mathematics course.
- Please keep in mind that the applicability of a specific transfer course toward an ASU degree program depends on the requirements of the department, division, college or school in which you are enrolled at ASU. Transfer agreements that guarantee the completion of university level requirements do not necessarily meet college and major requirements. Please consult with an advisor for more information.

**Total Hours:** 120
**Upper Division Hours:** 45 minimum
**Major GPA:** 2.00 minimum
**Cumulative GPA:** 2.00 minimum
**Total hrs at ASU:** 30 minimum
**Hrs Resident Credit for Academic Recognition:** 56 minimum
**Total Community College Hrs:** 64 maximum
**Total College Residency Hrs:** 12 minimum

**General University Requirements Legend**

General Studies Core Requirements:

- Literacy and Critical Inquiry (L)
- Mathematical Studies (MA)
- Computer/Statistics/Quantitative Applications (CS)
- Humanities, Arts and Design (HU)
- Social-Behavioral Sciences (SB)
- Natural Science - Quantitative (SQ)
- Natural Science - General (SG)

General Studies Awareness Requirements:

- Cultural Diversity in the U.S. (C)
- Global Awareness (G)
- Historical Awareness (H)

First-Year Composition

General Studies designations listed on the major map are current for the 2023 - 2024 academic year.

# 2023 - 2024 Major Map

## Data Science, BS

School/College: The College of Liberal Arts and Sciences
Location: Tempe
LADATSCIBS

| Term 1 0 - 15 Credit Hours Critical course signified by | Hours | Minimum Grade | Notes |
|---|---|---|---|
| CSE 110: Principles of Programming (CS) | 3 | C | • ASU 101 or college-specific equivalent First-Year Seminar is required for all first-year students.<br>• Students who complete MAT 270 must also complete MAT 271 in Term 2. Students who complete MAT 265 must also complete MAT 266 in Term 2.<br>• It is highly recommended that students work with both an academic advisor from the School of Mathematical and Statistical Sciences and an assigned advisor affiliated with their chosen track.<br>• Select your career interest area and play me3@ASU. |
| LIA 101: Student Success in The College of Liberal Arts and Sciences | 1 | | |

|---|---|---|---|
| DAT 250: Data Science and Society | 3 | C | • Students must choose and complete a minimum of 21 credit hours in their selected track. Track options are Behavioral Sciences, Biosciences, |
| MAT 343: Applied Linear Algebra | 3 | C | |
| Natural Science - Quantitative (SQ) OR Natural Science - General (SG) | 4 | | |
| *Complete 2 courses:* | | | |

| | | |
|---|---|---|
| Elective | 5 | |
| Complete First-Year Composition requirement. | | |
| Complete Mathematics (MA) requirement. | | |
| Term hours subtotal: | 15 | |

Business Analytics, Computer Science, Mathematics, Social Sciences, or Spatial Sciences.

- Some track courses may require additional prerequisites, so students will work with an assigned academic advisor in their track as well as the School of Mathematical and Statistical Sciences to select electives to satisfy necessary prerequisites.

| Term 4 46 - 61 Credit Hours Critical course signified by | Hours | Minimum Grade | Notes |
|---|---|---|---|
| DAT 300: Mathematical Tools for Data Science | 3 | C | • Students pursuing the Computer Science track are advised to take CSE 220 this term due to prerequisite requirements in future terms.<br>• Explore an internship. |
| Required Track Courses | 3-4 | C | |
| *Complete 3 courses:*<br>Elective | 9 | | |
| Term hours subtotal: | 15-16 | | |

| Term 5 61 - 76 Credit Hours Necessary course signified by | Hours | Minimum Grade | Notes |
|---|---|---|---|
| DAT 301: Exploring Data in R and Python | 4 | C | • Students pursuing the Computer Science track are advised to take CSE 310 in this term due to prerequisite requirements in future terms.<br>• Develop your professional online presence. |
| Upper Division Required Track Courses | 3-4 | C | |
| Required Track Courses | 3 | C | |
| Humanities, Arts and Design (HU) AND Historical Awareness (H) | 3 | | |
| Elective | 2-3 | | |
| Term hours subtotal: | 15-17 | | |

| Term 6 76 - 91 Credit Hours Necessary course signified by | Hours | Minimum Grade | Notes |
|---|---|---|---|
| DAT 401: Statistical Modeling and Inference for Data Science | 3 | C | |
| *Complete 2 courses:*<br>Upper Division Required Track Courses | 6 | C | |
| Social-Behavioral Sciences (SB) AND Global Awareness (G) | 3 | | |
| Upper Division Elective OR DAT 484: Internship | 3 | | |
| Complete Cultural Diversity in the U.S. (C) AND Global Awareness (G) AND Historical Awareness (H) course(s). | | | |
| Term hours subtotal: | 15 | | |

| Term 7 91 - 106 Credit Hours Necessary course signified by | Hours | Minimum Grade | Notes |
|---|---|---|---|
| DAT 402: Machine Learning for Data Science OR CSE 475: Foundations of Machine Learning | 3 | C | • Students pursuing the Computer Science track are advised to enroll in CSE 475 rather than DAT 402. Students pursuing all other tracks are advised to enroll in DAT 402 in this term.<br>• Gather professional references. |
| Upper Division Required Track Courses | 3 | C | |
| Upper Division Science and Society Elective | 3 | C | |
| Upper Division Humanities, Arts and Design (HU) OR Upper Division Social-Behavioral Sciences (SB) | 3 | | |
| Literacy and Critical Inquiry (L) | 3 | | |
| Term hours subtotal: | 15 | | |

| Term 8 106 - 120 Credit Hours Necessary course signified by | Hours | Minimum Grade | Notes |
|---|---|---|---|
| DAT 490: Data Science Capstone (L) OR Disciplinary Capstone from selected track | 3-2 | C | |

| | |
|---|---|
| Upper Division Literacy and Critical Inquiry (L) | 3 |
| Social-Behavioral Sciences (SB) | 3 |
| *Complete 2 courses:*<br>Upper Division Elective | 5 |
| Term hours subtotal: | 14-13 |

- Students pursuing the Spatial Sciences track will complete a two credit hour capstone course; all other tracks require three credits of capstone coursework.
- Meet with your academic advisor for final degree check and apply for graduation through your My ASU.

- All students pursuing a BS or BSP degree in The College of Liberal Arts and Sciences must complete two courses from the Science and Society list found at https://thecollege.asu.edu/resources/science-society. At least one of the two courses must be upper-division and students must earn a C or better in the courses. Both Science and Society courses (i.e., all six credits) may count towards any major, minor, related fields, and ASU General Studies requirements.
- Behavioral Sciences Track: In cooperation with an assigned academic advisor, students must complete five required courses from the initial group of courses displayed in the track and one additional required course from the remaining list. Students must also complete three credit hours in DAT 490 or a 400-level disciplinary capstone course drawn from the CDE, FAS, or PSY subject areas.
- Biosciences Track: Students are required to complete BIO 439, BIO 440, a Bioethics related course from the provided list and three credit hours of DAT 490 Data Science Capstone. An additional three courses (minimum of nine credit hours) are chosen from the remaining track electives.
- Business Analytics Track: Students are to complete all courses in the track plus three credit hours of DAT 490 Data Science Capstone.
- Computer Science Track: In consultation with advisor, students must complete four required courses (12 credit hours) and pick two related courses (six credit hours). In addition, they must complete three credit hours of DAT 490 Data Science Capstone.
- Mathematics Track: Students are to complete MAT 267 and MAT 275. In cooperation with an academic advisor, students must also select four courses from the remaining courses in the track list below. In addition, students need to complete three credit hours in DAT 490 Data Science Capstone.
- Social Sciences Track: In consultation with an assigned academic advisor, students will select six courses for a minimum of 18 credit hours from the track list below, at least 12 credit hours of which must be upper division. In addition, students must complete three credit hours in DAT 490 Data Science Capstone or a disciplinary-specific capstone course.
- Spatial Sciences Track: Students must complete six courses listed in the track. In addition, they will complete two credit hours of DAT 490 Data Science Capstone or a 400-level GIS capstone course chosen in consultation with an assigned academic advisor.

| | | CIS 415: Big Data Analytics in Business |

PSY 498: Data Mining in the Behavioral Sciences or STP 450: Nonparametric Statistics or STP 452: Multivariate Statistics

SOC 390: Social Statistics I (CS)

**Choose one elective course from list below:**

CDE 312: Adolescence (SB)

CDE 337: Early Childhood Intervention

CDE 418: Aging and the Life Course (SB & H)

CDE 430: Infant and Toddler Development in the Family (SB)

CDE 450: Childhood Disorders and Family Functioning (L)

FAS 301: Introduction to Parenting

FAS 331: Modern Family Relationships (SB)

FAS 332: Human Sexuality (SB)

FAS 440: Fundamentals of Marriage and Family Therapy

LSC 325: Physiological Psychology or PSY 325: Physiological Psychology or PTX 325: Physiological Psychology

PSY 315: Personality Theory and Research (SB)

PSY 320: Learning and Motivation

PSY 324: Memory and Cognition

PSY 341: Developmental Psychology (SB)

PSY 350: Social Psychology (SB)

BIO 439: Computing for Research

BIO 440: Functional Genomics or MBB 440: Functional Genomics

**Choose three elective courses from list below:**

BIO 355: Introduction to Computational Molecular Biology (CS)

BIO 411: Quantitative Methods in Conservation and Ecology

BIO 415: Statistical Models for Biology (CS)

BIO 494: Data Analysis in Neuroscience

BIO 494: Microbiome Data Science

BIO 498: Genomics Research Experience

BIO 498: Programming for biologists

WPC 300: Problem Solving and Actionable Analytics

Computer Science Track

**Complete four courses from list below:**

CSE 220: Programming for Computer Engineering or CSE 240: Introduction to Programming Languages

CSE 310: Data Structures and Algorithms

CSE 365: Information Assurance

MAT 243: Discrete Mathematical Structures

**Choose two elective courses from list below:**

CSE 450: Design and Analysis of Algorithms

CSE 467: Data and Information Security

CSE 471: Introduction to Artificial Intelligence

Mathematics Track

**Complete both courses below:**

MAT 267: Calculus for Engineers III (MA)

MAT 275: Modern Differential Equations (MA)

**Choose four elective courses from list below:**

ACT 370: Software Tools for Business Analytics

ACT 435: Statistics for Risk Modeling

DAT 494: Bayesian Statistics

DAT 494: Exploration and Analysis of Environmental Data

DAT 494: Industry Tools for Data Science

Social Sciences Track

**Complete one course from list below:**

ECN 425: Introduction to Econometrics

POS 401: Political Statistics (CS) or SGS 401: Political Statistics (CS)

**Choose five elective courses from list below:**

ACO 100: All About Data: Design, Query, and Visualization (CS)

ALA 235: Introduction to Computer Modeling (CS)

AML 253: Introduction to Mathematical Tools and Modeling for the Life and Social Sciences

AML 441: Mathematical Concepts and Tools in Sustainability

CSE 476: Introduction to Natural Language Processing

MAT 300: Mathematical Structures (L)

MAT 353: Mathematics and Cancer

MAT 419: Introduction to Linear Optimization (CS)

MAT 420: Scientific Computing

MAT 421: Applied Computational Methods (CS)

MAT 423: Numerical Analysis I (CS)

MAT 425: Numerical Analysis II (CS)

MAT 429: Optimization

MAT 451: Mathematical Modeling (CS)

MAT 452: Introduction to Chaos and Nonlinear Dynamics

STP 310: Design and Analysis of Experiments

STP 311: Regression and Time Series Analyses

STP 420: Introductory Applied Statistics (CS) or STP 427: Mathematical Statistics

STP 421: Probability

STP 429: Applied Regression (CS)

ASB 230: Beginning Social Research (SB)

ASB 363: From Cells to Society: Understanding Complexity or BIO 363: From Cells to Society: Understanding Complexity

ASM 201: Epidemics and Outbreaks

ASM 494: Models in Social Evolution

BME 301: Numerical Methods in Biomedical Engineering

BMI 211: Modeling Biomedical Decisions

BMI 461: Advanced Topics in Biomedical Informatics I

BMI 462: Advanced Topics In Biomedical Informatics II

COM 308: Advanced Research Methods in Communication (L)

COM 407: Advanced Critical Methods in Communication

CRJ 303: Statistical Analysis (CS)

ECN 410: Applied Regression Analysis and Forecasting

ECN 416: Game Theory and Economic Behavior

ECN 441: Public Economics (SB)

ECN 445: Environmental Economics

ECN 470: Mathematical Economics

FAS 361: Applied Research Methods (L or SB)

FAS 498: Advanced Statistics for Social Sciences

FIS 335: Designing Knowledge (SB)

FIS 403: Governing Emerging Technologies (SB)

GCU 325: Geography of Europe (SB & G)

GCU 351: Population Geography (SB & G)

GCU 357: Social Geography (SB)

GCU 361: Urban Geography (SB)

GCU 364: Energy in the Global Arena (SB & G)

GCU 426: Geography of Russia and Surroundings (SB & G)

ISS 415: Knowledge Management (SB)

MKT 352: Marketing Research (L)

PAF 471: Public Policy Analysis

POS 331: Public Opinion (SB)

POS 434: Media and Politics (SB)

PUP 424: Planning Methods

PUP 481: Fundamentals of Spatial Optimization

SBS 302: Qualitative Methods

SBS 304: Social Statistics I (CS)

SBS 389: Ethnographic Field Lab

SBS 404: Social Statistics II: Multivariate Analysis (CS)

SGS 305: Empirical Political Inquiry (SB) or POS 301: Empirical Political Inquiry (SB)

SOS 212: Systems, Dynamics and Sustainability

SOS 424: Dynamic Modeling in Social and Ecological Systems

SOS 441: Mathematical Concepts and Tools in Sustainability or AML 441: Mathematical Concepts and Tools in Sustainability

STP 310: Design and Analysis of Experiments

STP 311: Regression and Time Series Analyses

STP 452: Multivariate Statistics

TWC 411: Principles of Visual Communication (L)

Spatial Sciences Track

**Complete all four courses below:**

GIS 205: Geographic Information Science I (CS)

GIS 211: Geographic Information Science II (CS)

GIS 311: Geographic Information Science III (CS)

GIS 322: Programming Principles in GIS II

**Complete one course below:**

GIS 469: Multivariate Statistics for Social Sciences

GIS 470: Advanced Statistics for Geography and Planning (CS)

GIS 471: Spatial Statistics for Geography and Planning

**Complete one course below:**

GIS 202: Drones to Satellites: Observing Earth from Above (CS)

GIS 451: Geodesign and Urban Planning

GIS 494: GIS and Public Health

GIS 494: GIS for Climate Change Science

GIS 494: Landscape Analysis Using GIS

**Notes:**

- 
  - First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. |---|---|---|
| Social-Behavioral Sciences (SB) AND Global Awareness (G) | 3 | |
| Term hours subtotal: | 9 | |

- Minimum grade of C required in all required classes in the major; grade of B or better strongly correlated with timely graduation.
- Develop your professional online presence.

| Term 6 - B 82 - 91 Credit Hours Necessary course signified by ★ | Hours | Minimum Grade | Notes |
|---|---|---|---|
| Upper Division Required Track Courses | 3 | C | |
| Upper Division Science and Society Elective | 3 | C | |
| Social-Behavioral Sciences (SB) | 3 | | |
| ★ Complete Cultural Diversity in the U.S. (C) AND Global Awareness (G) AND Historical Awareness (H) course(s). | | | |
| Term hours subtotal: | 9 | | |

| Term 7 - A 91 - 96 Credit Hours Necessary course signified by ★ | Hours | Minimum Grade | Notes |
|---|---|---|---|
| ★ DAT 402: Machine Learning for Data Science | 3 | C | |
| Upper Division Elective | 2 | | |
| Term hours subtotal: | 5 | | |

- Minimum grade of C required in all required courses; grade of B or better strongly correlated with timely graduation.
- Complete an in person or virtual practice interview.

| Term 7 - B 96 - 105 Credit Hours | Hours | Minimum Grade | Notes |
|---|---|---|---|
| Upper Division Required Track Courses | 3 | C | |
| Literacy and Critical Inquiry (L) | 3 | | |
| Elective | 3 | | |
| Term hours subtotal: | 9 | | |

| Term 8 - A 105 - 111 Credit Hours | Hours | Minimum Grade | Notes |
|---|---|---|---|
| Upper Division Elective OR DAT 484: Internship | 3 | | |
| Upper Division Literacy and Critical Inquiry (L) | 3 | | |
| Term hours subtotal: | 6 | | |

- Students pursuing the Spatial Sciences track will complete a two credit hour capstone course; all other tracks require three credits of capstone coursework.

| Term 8 - B 111 - 120 Credit Hours Necessary course signified by ★ | Hours | Minimum Grade | Notes |
|---|---|---|---|
| ★ DAT 490: Data Science Capstone (L) OR Disciplinary Capstone from selected track | 3-2 | C | |
| Upper Division Humanities, Arts and Design (HU) OR Upper Division Social-Behavioral Sciences (SB) | 3 | | |
| Elective | 3 | | |
| Term hours subtotal: | 9-8 | | |

- 
- All students pursuing a BS or BSP degree in The College of Liberal Arts and Sciences must complete two courses from the Science and Society list found at https://thecollege.asu.edu/resources/science-society. At least one of the two courses must be

upper-division and students must earn a C or better in the courses. Both Science and Society courses (i.e., all six credits) may count towards any major, minor, related fields, and ASU General Studies requirements.

- Behavioral Sciences Track: In cooperation with an assigned academic advisor, students must complete five required courses from the initial group of courses displayed in the track and one additional required course from the remaining list. Students must also complete three credit hours of DAT 490 or a 400-level disciplinary capstone course drawn from the CDE, FAS, or PSY subject areas.
- Biosciences Track: Students are required to complete BIO 439, BIO 440, a Bioethics related course from the provided list and three credit hours of DAT 490 Data Science Capstone. An additional three courses (minimum of 9 credit hours) are chosen from the remaining track electives.
- Business Analytics Track: Students are to complete all courses in the track plus three credit hours of DAT 490 Data Science Capstone.
- Social Sciences Track: In consultation with an assigned academic advisor, students will select six courses for a minimum of 18 credit hours from the track list below, at least 12 credit hours of which must be upper division. In addition, students must complete three credit hours of DAT 490 Data Science Capstone or a disciplinary-specific capstone course.
- Spatial Sciences Track: Students must complete six courses listed in the track. In addition, they will complete two credit hours of DAT 490 Data Science Capstone or a 400-level GIS capstone course chosen in consultation with an assigned academic advisor.

Hide Course List(s)/Track Group(s)

| Behavioral Sciences Track |
|---|
| **Complete five courses from list below:** |
| CDE 232: Human Development (SB) or FAS 101: Personal Growth and Relationships (SB) or PSY 101: Introduction to Psychology (SB) |
| PSY 290: Research Methods (L or SG) or FAS 361: Applied Research Methods (L or SB) |
| PSY 330: Statistical Methods (CS) |
| PSY 498: Data Mining in the Behavioral Sciences |
| SOC 390: Social Statistics I (CS) |
| **Choose one elective course from list below:** |
| CDE 312: Adolescence (SB) |
| CDE 418: Aging and the Life Course (SB & H) |
| CDE 430: Infant and Toddler Development in the Family (SB) |
| CDE 450: Childhood Disorders and Family Functioning (L) |
| FAS 301: Introduction to Parenting |
| FAS 331: Modern Family Relationships (SB) |
| FAS 332: Human Sexuality (SB) |
| PSY 315: Personality Theory and Research (SB) |
| PSY 320: Learning and Motivation |

| Biosciences Track |
|---|
| **Complete three courses from list below:** |
| BIO 312: Bioethics (HU) or PHI 320: Bioethics (HU) or BIO 316: History of Biology: Conflicts and Controversies (H) or HPS 330: History of Biology: Conflicts and Controversies (H) or BIO 317: History of Science II (HU & H) or HPS 323: History of Science II (HU & H) or BIO 318: History of Medicine (HU & H) or HPS 331: History of Medicine (HU & H) or BIO 416: Biomedical Research Ethics (L) or HPS 410: Biomedical Research Ethics (L) |
| BIO 439: Computing for Research |
| BIO 440: Functional Genomics or MBB 440: Functional Genomics |
| **Choose three elective courses from list below:** |
| BIO 355: Introduction to Computational Molecular Biology (CS) |
| BIO 411: Quantitative Methods in Conservation and Ecology |
| BIO 415: Statistical Models for Biology (CS) |
| BIO 494: Data Analysis in Neuroscience |
| BIO 498: Genomics Research Experience |

| Business Analytics Track |
|---|
| **Complete all courses below:** |
| CIS 235: Introduction to Information Systems |
| CIS 407: Business Database Systems Development |
| CIS 409: Business Data Warehouses and Dimensional Modeling |
| CIS 412: Business Data Mining |
| CIS 415: Big Data Analytics in Business |
| WPC 300: Problem Solving and Actionable Analytics |

PSY 324: Memory and Cognition

PSY 341: Developmental Psychology (SB)

PSY 350: Social Psychology (SB)

| Social Sciences Track | Spatial Sciences Track |
| --- | --- |
| **Complete one course from list below:** | **Complete all four courses below:** |
| POS 401: Political Statistics (CS) or SGS 401: Political Statistics (CS) | GIS 205: Geographic Information Science I (CS) |
| **Choose five elective courses from list below:** | GIS 211: Geographic Information Science II (CS) |
| ACO 100: All About Data: Design, Query, and Visualization (CS) | GIS 311: Geographic Information Science III (CS) |
| ASM 201: Epidemics and Outbreaks | GIS 322: Programming Principles in GIS II |
| COM 308: Advanced Research Methods in Communication (L) | **Complete one course below:** |
| COM 407: Advanced Critical Methods in Communication | GIS 469: Multivariate Statistics for Social Sciences |
| CRJ 303: Statistical Analysis (CS) | GIS 470: Advanced Statistics for Geography and Planning (CS) |
| ECN 410: Applied Regression Analysis and Forecasting | GIS 471: Spatial Statistics for Geography and Planning |
| ECN 441: Public Economics (SB) | **Complete one course below:** |
| FAS 361: Applied Research Methods (L or SB) | GIS 202: Drones to Satellites: Observing Earth from Above (CS) |
| GCU 325: Geography of Europe (SB & G) | GIS 451: Geodesign and Urban Planning |
| GCU 426: Geography of Russia and Surroundings (SB & G) | GIS 494: GIS and Public Health |
| MKT 352: Marketing Research (L) | GIS 494: GIS for Climate Change Science |
| PUP 424: Planning Methods | GIS 494: Landscape Analysis Using GIS |
| SGS 305: Empirical Political Inquiry (SB) or POS 301: Empirical Political Inquiry (SB) | |
| SOS 212: Systems, Dynamics and Sustainability | |
| TWC 411: Principles of Visual Communication (L) | |

**Notes:**

- First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
- Mathematics Placement Assessment score determines placement in first mathematics course.

- Please keep in mind that the applicability of a specific transfer course toward an ASU degree program depends on the requirements of the department, division, college or school in which you are enrolled at ASU. Transfer agreements that guarantee the completion of university level requirements do not necessarily meet college and major requirements. Please consult with an advisor for more information.

**Total Hours:** 120
**Upper Division Hours:** 45 minimum
**Major GPA:** 2.00 minimum
**Cumulative GPA:** 2.00 minimum
**Total hrs at ASU:** 30 minimum
**Hrs Resident Credit for Academic Recognition:** 56 minimum
**Total Community College Hrs:** 64 maximum
**Total College Residency Hrs:** 12 minimum

**General University Requirements Legend**

General Studies Core Requirements:

- Literacy and Critical Inquiry (L)
- Mathematical Studies (MA)
- Computer/Statistics/Quantitative Applications (CS)
- Humanities, Arts and Design (HU)
- Social-Behavioral Sciences (SB)
- Natural Science - Quantitative (SQ)
- Natural Science - General (SG)

General Studies Awareness Requirements:

- Cultural Diversity in the U.S. (C)
- Global Awareness (G)
- Historical Awareness (H)

First-Year Composition

General Studies designations listed on the major map are current for the 2023 - 2024 academic year.

# 2023 - 2024 Major Map

| Term 5 58 - 74 Credit Hours Necessary course signified by | Hours | Minimum Grade | Notes |
|---|---|---|---|
| GLG 325: Oceanography | 3 | C | • Students are strongly encouraged to meet with SESE faculty advisors to discuss career options. |
| Second Language: Requirement satisfied through the following:<br>* Completion of a language course at the intermediate level (202 or equivalent), including American Sign Language IV. | 4 | C | |
| Humanities, Arts and Design (HU) AND Cultural Diversity in the U.S. (C) | 3 | | |
| Upper Division Elective | 3 | | |
| Elective | 3 | | |
| Term hours subtotal: | 16 | | |

| Term 6 74 - 89 Credit Hours Necessary course signified by | Hours | Minimum Grade | Notes |
|---|---|---|---|
| GLG 305: Dynamic Earth | 3 | C | • Research career opportunities.<br>• The list of approved major track electives along with their prerequisites may be viewed on the SESE website. At least two of the major track electives must be 400-level.<br>• Students should meet with an advisor to do a graduation check. |
| *Complete 2 courses:*<br>Upper Division Earth and Environmental Studies (EES) Major Track Electives | 6 | C | |
| Humanities, Arts and Design (HU) | 3 | | |
| Upper Division Elective | 3 | | |
| Complete Cultural Diversity in the U.S. (C) AND Global Awareness (G) AND Historical Awareness (H) course(s). | | | |
| Term hours subtotal: | 15 | | |

| Term 7 89 - 104 Credit Hours Necessary course signified by | Hours | Minimum Grade | Notes |
|---|---|---|---|

| | | |
|---|---|---|
| ★ GLG 327: Earth's Critical Zone | 3 | C |
| *Complete 2 courses:*<br>Upper Division Earth and Environmental Studies (EES) Major Track Electives | 6 | C |
| Upper Division Literacy and Critical Inquiry (L) | 3 | |
| Upper Division Elective OR SES 484: Internship OR SES 499: Individualized Instruction | 3 | |
| Term hours subtotal: | 15 | |

- If not already completed, students should meet with an advisor to do a graduation check.
- Explore a research or internship opportunity. In order to earn credits for research or an internship, students should work with their SESE advisor for approval.
- Use Handshake to research employment opportunities.
- The list of approved major track electives along with their prerequisites may be viewed on the SESE website. At least two of the major track electives must be 400-level.

| **Term 8 104 - 120 Credit Hours Necessary course signified by ★** | **Hours** | **Minimum Grade** | **Notes** |
|---|---|---|---|
| ★ GLG 464: Solving Environmental Problems | 3 | C | • The list of approved major track electives along with their prerequisites may be viewed on the SESE website. At least two of the major track electives must be 400-level. |
| Upper Division Earth and Environmental Studies (EES) Major Track Electives | 3 | C | |
| Upper Division Humanities, Arts and Design (HU) OR Upper Division Social-Behavioral Sciences (SB) | 3 | | |
| Upper Division Elective | 3 | | |
| *Complete 2 courses:*<br>Elective | 4 | | |
| Term hours subtotal: | 16 | | |

- For the Earth and Environmental Studies Track Electives, students are encouraged to choose a track but they also have the option to choose any combination of courses across multiple tracks. Regardless of the chosen track, at least two of the Earth and Environmental Studies Track Electives must be 400-level.
- Each of the focused tracks has overlap with a related certificate program that students can choose to pursue along with the chosen track. Students should discuss this option and how to add a certificate with their academic advisor.

- All students pursuing a BS or BSP degree in The College of Liberal Arts and Sciences must complete two courses from the Science and Society list found at https://thecollege.asu.edu/student-resources/science-society. At least one of the two courses must be upper division and students must earn a C or better in the courses. Both Science and Society courses (i.e., all six credits) may count towards any major, minor, related fields, and ASU General Studies requirements.

| GLG 424: Petrology |
| GLG 471: Hydrology |
| GLG 481: Geochemistry |
| GLG 490: Remote Sensing |

SES 311: Essentials of Astrobiology: Exploration for Life in the Universe

SES 330: Practical Electronics and Instrumentation

SES 405: Exploration Systems Engineering

**Notes:**

- 
  - First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
  - Mathematics Placement Assessment score determines placement in first mathematics course.
- Please keep in mind that the applicability of a specific transfer course toward an ASU degree program depends on the requirements of the department, division, college or school in which you are enrolled at ASU. Transfer agreements that guarantee the completion of university level requirements do not necessarily meet college and major requirements. Please consult with an advisor for more information.

**Total Hours:** 120
**Upper Division Hours:** 45 minimum

- All students pursuing a BS or BSP degree in The College of Liberal Arts and Sciences must complete two courses from the Science and Society list found at https://thecollege.asu.edu/student-resources/science-society. At least one of the two courses must be upper division and students must earn a C or better in the courses. Both Science and Society courses (i.e., all six credits) may count towards any major, minor, related fields, and ASU General Studies requirements.
- The suggested list of electives are highly recommended but not required. Students who plan to take the physics GRE are encouraged to choose electives from the PHY options. There is also an option to choose an elective in other GLG, AST, SES, PHY or MAT areas as long as the subject is relevant to astrophysics and the course is upper division. Students should consult with a SESE advisor if they have questions about which courses would satisfy this requirement.

PHY 361: Introductory Modern Physics

PHY 441: Statistical and Thermal Physics

SES 311: Essentials of Astrobiology: Exploration for Life in the Universe

SES 350: Engineering Systems and Experimental Problem Solving

**Notes:**

- - First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
  - Mathematics Placement Assessment score determines placement in first mathematics course.
- Please keep in mind that the applicability of a specific transfer course toward an ASU degree program depends on the requirements of the department, division, college or school in which you are enrolled at ASU. Transfer agreements that guarantee the completion of university level requirements do not necessarily meet college and major requirements. Please consult with an advisor for more information.

**Total Hours:** 120
**Upper Division Hours:** 45 minimum
**Major GPA:** 2.00 minimum
**Cumulative GPA:** 2.00 minimum
**Total hrs at ASU:** 30 minimum
**Hrs Resident Credit for Academic Recognition:** 56 minimum
**Total Community College Hrs:** 64 maximum
**Total College Residency Hrs:** 12 minimum

**General University Requirements Legend**

General Studies Core Requirements:

- Literacy and Critical Inquiry (L)
- Mathematical Studies (MA)
- Computer/Statistics/Quantitative Applications (CS)
- Humanities, Arts and Design (HU)
- Social-Behavioral Sciences (SB)
- Natural Science - Quantitative (SQ)
- Natural Science - General (SG)

General Studies Awareness Requirements:

- Cultural Diversity in the U.S. (C)
- Global Awareness (G)
- Historical Awareness (H)

First-Year Composition

General Studies designations listed on the major map are current for the 2023 - 2024 academic year.

# 2023 - 2024 Major Map

## Earth and Space Exploration (Exploration Systems Design), BS

School/College: The College of Liberal Arts and Sciences
Location: Tempe
LASESESDBS

| Term 1 0 - 14 Credit Hours Critical course signified by | Hours | Minimum Grade | Notes |
|---|---|---|---|
| MAT 265: Calculus for Engineers I (MA) | 3 | C | • LIA 101 is mandatory for all incoming first-year students.<br>• SESE will accept Calculus with Analytic Geometry I, II and III (MAT 270/271/272) in place of MAT 265/266/267.<br>• SESE majors are strongly encouraged to meet with their faculty mentor at least once during their first and second year. Students can find their faculty mentor on the SESE advising website.<br>• Select your career interest area and play me3@ASU.<br>• Activate your Handshake account and build out your profile. |
| ENG 101 or ENG 102: First-Year Composition OR ENG 105: Advanced First-Year Composition OR ENG 107 or ENG 108: First-Year Composition | 3 | C | |
| LIA 101: Student Success in The College of Liberal Arts and Sciences | 1 | | |
| SES 100: Introduction to Exploration (CS) | 3 | C | |
| SES 121: Earth, Solar System and Universe (SQ) AND SES 123: Earth, Solar System and Universe Laboratory (SQ) | 4 | C | |
| Term hours subtotal: | 14 | | |

| Term 2 14 - 30 Credit Hours Critical course signified by | Hours | Minimum Grade | Notes |
|---|---|---|---|
| MAT 266: Calculus for Engineers II (MA) | 3 | C | • SESE will accept Calculus with Analytic Geometry I, II and III (MAT 270/271/272) in place of MAT 265/266/267.<br>• Students in this major have a choice between taking SES 122/SES 124 or SES 126/SES 128 in their second semester. SES 122/124 has an earth-based focus and SES 126/128 has a space-based focus. Students should take SES 122/SES 124 if they are interested in exploring the Earth and other objects in our solar system, or take SES 126/SES 128 if their interests are in exploration outside of the solar system.<br>• SESE majors are strongly encouraged to meet with their faculty mentor at least once during their first and second year. Students can find their faculty mentor on the SESE advising website.<br>• Join a student club or professional organization.<br>• Create a first draft resume. |
| PHY 121: University Physics I: Mechanics (SQ) AND PHY 122: University Physics Laboratory I (SQ) | 4 | C | |
| ENG 101 or ENG 102: First-Year Composition OR ENG 105: Advanced First-Year Composition OR ENG 107 or ENG 108: First-Year Composition | 3 | C | |
| SES 122: History of the Earth and Solar System AND SES 124: History of the Earth and Solar System Laboratory OR SES 126: Exploration of the Universe AND SES 128: Exploration of the Universe Lab | 4 | C | |
| Elective | 2 | | |
| Complete ENG 101 OR ENG 105 OR ENG 107 course(s). | | | |
| Milestone: Complete SESE faculty mentoring. | | | |
| Term hours subtotal: | 16 | | |

| Term 3 30 - 46 Credit Hours Critical course signified by | Hours | Minimum Grade | Notes |
|---|---|---|---|
| MAT 267: Calculus for Engineers III (MA) | 3 | C | • SESE will accept Calculus with Analytic Geometry I, II and III (MAT 270/271/272) in place of MAT 265/266/267.<br>• SESE majors are strongly encouraged to meet with their faculty mentor at least once during their first and second year. Students can find their faculty mentor on the SESE advising website.<br>• Develop your skills. |
| MAT 275: Modern Differential Equations (MA) | 3 | C | |
| PHY 131: University Physics II: Electricity and Magnetism (SQ) AND PHY 132: University Physics Laboratory II (SQ) | 4 | C | |
| Humanities, Arts and Design (HU) AND Historical Awareness (H) | 3 | | |
| Elective | 3 | | |
| Complete First-Year Composition requirement. | | | |
| Complete Mathematics (MA) requirement. | | | |
| Term hours subtotal: | 16 | | |

| Term 4 46 - 60 Credit Hours Critical course signified by | Hours | Minimum Grade | Notes |
|---|---|---|---|
| EEE 202: Circuits I | 4 | C | • SESE will accept CHM 114 or both CHM 113 and CHM 116 to meet the chemistry requirement.<br>• SESE majors are strongly encouraged to meet with their faculty mentor at least once during their first and second year. Students can find their faculty mentor on the SESE advising website.<br>• Explore an internship. |
| MAE 201: Mechanics of Particles and Rigid Bodies I: Statics | 3 | C | |
| CHM 114: General Chemistry for Engineers (SQ) | 4 | C | |
| Humanities, Arts and Design (HU) | 3 | | |
| Milestone: Complete SESE faculty mentoring. | | | |
| Term hours subtotal: | 14 | | |

| Term 5 60 - 76 Credit Hours Necessary course signified by | Hours | Minimum Grade | Notes |
|---|---|---|---|
| SES 330: Practical Electronics and Instrumentation | 4 | C | • Students should start meeting with their faculty advisor to discuss research opportunities. |
| SES 350: Engineering Systems and Experimental Problem Solving | 3 | C | |
| Science and Society Elective | 3 | C | |
| Literacy and Critical Inquiry (L) | 3 | | |
| Social-Behavioral Sciences (SB) AND Global Awareness (G) | 3 | | |
| Term hours subtotal: | 16 | | |

| Term 6 76 - 91 Credit Hours Necessary course signified by | Hours | Minimum Grade | Notes |
|---|---|---|---|
| SES 405: Exploration Systems Engineering | 3 | C | • Explore a research or internship opportunity. In order to earn credits for research or an internship, students should work with their SESE advisor for approval. Students who hope to go to graduate school should consider getting involved in research. Students can talk to faculty mentors about how to find research opportunities.<br>• Students interested in graduate school should be researching programs and preparing application materials. Continue to meet with faculty advisor for input along the way.<br>• Students should meet with an advisor to do a graduation check.<br>• Use Handshake to research employment opportunities. |
| Upper Division Exploration Systems Design Concentration Elective | 3 | C | |
| Upper Division Science and Society Elective | 3 | C | |
| Social-Behavioral Sciences (SB) AND Cultural Diversity in the U.S. (C) | 3 | | |
| Upper Division Elective OR SES 484: Internship OR SES 499: Individualized Instruction | 3 | | |
| Complete Cultural Diversity in the U.S. (C) AND Global Awareness (G) AND Historical Awareness (H) course(s). | | | |
| Term hours subtotal: | 15 | | |

| | | Minimum | |
|---|---|---|---|

| Term 7 91 - 106 Credit Hours Necessary course signified by | Hours | Grade | Notes |
|---|---|---|---|
| SES 410: Senior Exploration Project I | 3 | C | • Students interested in graduate school should be researching programs and preparing application materials. Continue to meet with faculty advisor for input along the way.<br>• If not already completed, students should meet with an advisor to do a graduation check.<br>• Apply for career opportunities. |
| Upper Division Humanities, Arts and Design (HU) OR Upper Division Social-Behavioral Sciences (SB) | 3 | | |
| Upper Division Literacy and Critical Inquiry (L) | 3 | | |
| *Complete 2 courses:*<br>Upper Division Elective | 6 | | |
| Term hours subtotal: | 15 | | |

| Term 8 106 - 120 Credit Hours Necessary course signified by | Hours | Minimum Grade | Notes |
|---|---|---|---|
| SES 411: Senior Exploration Project II | 3 | C | |
| *Complete 3 courses:*<br>Upper Division Elective | 8 | | |
| Elective | 3 | | |
| Term hours subtotal: | 14 | | |

- All students pursuing a BS or BSP degree in The College of Liberal Arts and Sciences must complete two courses from the Science and Society list found at https://thecollege.asu.edu/student-resources/science-society. At least one of the two courses must be upper division and students must earn a C or better in the courses. Both Science and Society courses (i.e., all six credits) may count towards any major, minor, related fields, and ASU General Studies requirements.

Hide Course List(s)/Track Group(s)

Upper Division Exploration Systems Design Concentration Elective

- AST 321: Introduction to Planetary and Stellar Astrophysics
- AST 322: Introduction to Galactic and Extragalactic Astrophysics
- GLG 321: Mineralogy
- GLG 404: Fundamentals of Planetary Geology
- GLG 424: Petrology
- GLG 471: Hydrology
- SES 307: Space Works I: Design, Build, Test
- SES 311: Essentials of Astrobiology: Exploration for Life in the Universe
- SES 407: Space Works II: Model, Fabricate, Test

**Notes:**

Hide Course List(s)/Track Group(s)

**Notes:**

- • First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
  - • Mathematics Placement Assessment score determines placement in first mathematics course.
- Please keep in mind that the applicability of a specific transfer course toward an ASU degree program depends on the requirements of the department, division, college or school in which you are enrolled at ASU. Transfer agreements that guarantee the completion of university level requirements do not necessarily meet college and major requirements. Please consult with an advisor for more information.

| ENG 472: Rhetorical Studies |

**Notes:**

- - First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
  - Mathematics Placement Assessment score determines placement in first mathematics course.
- Please keep in mind that the applicability of a specific transfer course toward an ASU degree program depends on the requirements of the department, division, college or school in which you are enrolled at ASU. Transfer agreements that guarantee the completion of university level requirements do not necessarily meet college and major requirements. Please consult with an advisor for more information.

**Total Hours:** 120
**Upper Division Hours:** 45 minimum
**Major GPA:** 2.00 minimum
**Cumulative GPA:** 2.00 minimum

- All students pursuing a BS or BSP degree in The College of Liberal Arts and Sciences must complete two courses from the Science and Society list found at https://thecollege.asu.edu/resources/science-society. At least one of the two courses must be upper-division and students must earn a C or better in the courses. Both Science and Society courses (i.e., all six credits) may count towards any major, minor, related fields, and ASU General Studies requirements.

FMS 365: Video Games and Narrative

FMS 374: Film and Media Visionaries

FMS 461: Film Theory and Criticism

**Notes:**

- First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
- Mathematics Placement Assessment score determines placement in first mathematics course.
- Please keep in mind that the applicability of a specific transfer course toward an ASU degree program depends on the requirements of the department, division, college or school in which you are enrolled at ASU. Transfer agreements that guarantee the completion of university level requirements do not necessarily meet college and major requirements. Please consult with an advisor for more information.

Women and Gender Studies Related Area Course

- AFR 375: Race, Gender and Sport (SB & C)
- AFR 460: Race, Gender, and Media (C)
- APA 330: Asian Pacific American Genders and Sexualities ((L or SB) & C)
- ARS 485: Women in the Visual Arts (L)
- COM 316: Gender and Communication (SB & C)
- CRJ 305: Gender, Crime, and Criminal Justice (C)

ENG 460: Ethnic Women Writers

FAS 331: Modern Family Relationships (SB)

FAS 332: Human Sexuality (SB)

HST 327: Women in U.S. History, 1600 to 1880 ((HU or SB) & C & H)

HST 328: Women in U.S. History, 1880-1980 ((HU or SB) & C & H)

JUS 329: Domestic Violence (SB)

POS 435: Women and Politics (SB & C)

PSY 385: Psychology of Gender (SB)

REL 390: Women, Gender and Religion (HU & G)

SOC 264: Sociology of Gender (SB & C)

SOC 315: Sociology of Dating, Relationships and Marriage (SB)

SOC 424: Women and Health (SB)

WST Upper Division Elective

**Notes:**

- 
  - First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
  - Mathematics Placement Assessment score determines placement in first mathematics course.
- Please keep in mind that the applicability of a specific transfer course toward an ASU degree program depends on the requirements of the department, division, college or school in which you are enrolled at ASU. Transfer agreements that guarantee the completion of university level requirements do not necessarily meet college and major requirements. Please consult with an advisor for more information.

**Total Hours:** 120
**Upper Division Hours:** 45 minimum
**Major GPA:** 2.00 minimum
**Cumulative GPA:** 2.00 minimum
**Total hrs at ASU:** 30 minimum
**Hrs Resident Credit for Academic Recognition:** 56 minimum
**Total Community College Hrs:** 64 maximum

**Notes:**

- 
  - First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
  - Mathematics Placement Assessment score determines placement in first mathematics course.
- Please keep in mind that the applicability of a specific transfer course toward an ASU degree program depends on the requirements of the department, division, college or school in which you are enrolled at ASU. Transfer agreements that guarantee the completion of university level requirements do not necessarily meet college and major requirements. Please consult with an advisor for more information.

**Notes:**

- 
  - First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
  - Mathematics Placement Assessment score determines placement in first mathematics course.
- Please keep in mind that the applicability of a specific transfer course toward an ASU degree program depends on the requirements of the department, division, college or school in which you are enrolled at ASU. Transfer agreements that guarantee the completion of university level requirements do not necessarily meet college and major requirements. Please consult with an advisor for more information.

- WST 440: Politics of Women's Health (SB & C)

**Notes:**

- First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
- Mathematics Placement Assessment score determines placement in first mathematics course.
- Please keep in mind that the applicability of a specific transfer course toward an ASU degree program depends on the requirements of the department, division, college or school in which you are enrolled at ASU. Transfer agreements that guarantee the completion of university level requirements do not necessarily meet college and major requirements. Please consult with an advisor for more information.
- All students pursuing a BS or BSP degree in The College of Liberal Arts and Sciences must complete two courses from the Science and Society list found at https://thecollege.asu.edu/resources/science-society. At least one of the two courses must be upper division and students must earn a C or better in the courses. Both Science and Society courses (i.e., all six credits) may count towards any major, minor, related fields, and ASU General Studies requirements.

**Notes:**

- First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
- Mathematics Placement Assessment score determines placement in first mathematics course.
- Please keep in mind that the applicability of a specific transfer course toward an ASU degree program depends on the requirements of the department, division, college or school in which you are enrolled at ASU. Transfer agreements that guarantee the completion of university level requirements do not necessarily meet college and major requirements. Please consult with an advisor for more information.

| ★ Maintain 2.25 GPA in HST. | | | |
| Term hours subtotal: | 14 | | |

- 
  - HST 302-307 are variable topics courses. Students may take these courses for credit multiple times, so long as the topics are different. Some topics carry one or more General Studies designations. Check the class schedule to confirm any General Studies designations for the specific course topic.
  - All students are required to take one course from HST 304 and HST 306, plus one course chosen from HST 303, HST 305, or HST 307. Students may select any topic within these course numbers for this requirement. However, for the Comparative History and History in the Wild requirements, students must choose only from the specific topics shown in the Comparative History and History in the Wild lists below. Any topic under HST 302 will count as a Comparative History course. Students must complete 33 total credit hours in history (HST), so any variable topics courses taken for Comparative History and History in the Wild will be in addition to the standard requirement for HST 304, HST 306, and (HST 303, 305, or 307).
  - Students must complete 12 credits of courses in Related Areas, at least six of which must be upper division.

**Notes:**

- 
    - First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
    - Mathematics Placement Assessment score determines placement in first mathematics course.
- Please keep in mind that the applicability of a specific transfer course toward an ASU degree program depends on the requirements of the department, division, college or school in which you are enrolled at ASU. Transfer agreements that guarantee the completion of university level requirements do not necessarily meet college and major requirements. Please consult with an advisor for more information.
- At least 12 upper-division hours in the major (HST) must be in courses offered by The College of Liberal Arts and Sciences.

**Total Hours:** 120
**Upper Division Hours:** 45 minimum
**Major GPA:** 2.25 minimum
**Cumulative GPA:** 2.00 minimum
**Total hrs at ASU:** 30 minimum
**Hrs Resident Credit for Academic Recognition:** 56 minimum
**Total Community College Hrs:** 64 maximum
**Total College Residency Hrs:** 12 minimum

**General University Requirements Legend**

General Studies Core Requirements:

- Literacy and Critical Inquiry (L)
- Mathematical Studies (MA)
- Computer/Statistics/Quantitative Applications (CS)
- Humanities, Arts and Design (HU)
- Social-Behavioral Sciences (SB)
- Natural Science - Quantitative (SQ)
- Natural Science - General (SG)

General Studies Awareness Requirements:

- Cultural Diversity in the U.S. (C)
- Global Awareness (G)
- Historical Awareness (H)

First-Year Composition

General Studies designations listed on the major map are current for the 2023 - 2024 academic year.

|---|---|---|---|
| Upper Division Elective | 3 | | • Take advantage of mock interview opportunities and assistance with writing resumes and cover letters. |
| Elective | 3 | | |
| Term hours subtotal: | 6 | | |

| Term 10 - A 114 - 120 Credit Hours Necessary course signified by ★ | Hours | Minimum Grade | Notes |
|---|---|---|---|
| *Complete 2 courses:*<br>Upper Division Elective | 6 | | • Apply for career opportunities. |
| ★ Maintain 2.25 GPA in HST. | | | |
| Term hours subtotal: | 6 | | |

- • HST 302-306 are variable topics courses. Students may take these courses for credit multiple times, so long as the topics are different. Some topics carry one or more General Studies designations. Check the class schedule to confirm any General Studies designations for the specific course topic.
  • All students are required to take one course from HST 303, HST 304 and HST 306. Students may select any topic within these course numbers for this requirement. However, for the Comparative History requirement, students must choose only from the specific topics shown in the Comparative History list below. All topics under HST 302 fulfill the Comparative History requirement. Students must complete 33 total credit hours in history (HST), so any variable topics course taken for Comparative History will be in addition to the standard requirement for HST 303, HST 304 and HST 306.
  • Students must complete 12 credits of Related Area courses, at least six of which must be upper division.

**Notes:**

- - First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
  - Mathematics Placement Assessment score determines placement in first mathematics course.
- Please keep in mind that the applicability of a specific transfer course toward an ASU degree program depends on the requirements of the department, division, college or school in which you are enrolled at ASU. Transfer agreements that guarantee the completion of university level requirements do not necessarily meet college and major requirements. Please consult with an advisor for more information.

## Integrated Studies, BA

School/College: The College of Liberal Arts and Sciences
Location: Tempe
LAISTBA

Students may not be admitted directly to the BA in Integrated Studies. This degree program is only for students who have earned at least 32 graded credit hours at ASU, who have a minimum cumulative GPA of 3.25, and whose study interests are not met by an already-existing major offered by Arizona State University. Students who meet the above qualifications and who have faculty mentors in their areas of interest are invited to meet with the Office of Student and Academic Programs in The College of Liberal Arts and Sciences to discuss the possibility of being allowed to pursue this opportunity. Appointments may be scheduled by calling (480) 965-6506.

- All students pursuing a BS or BSP degree in The College of Liberal Arts and Sciences must complete two courses from the Science and Society list found at https://thecollege.asu.edu/resources/science-society. At least one of the two courses must be upper-division and students must earn a C or better in the courses. Both Science and Society courses (i.e., all six credits) may count towards any major, minor, related fields, and ASU General Studies requirements.

Hide Course List(s)/Track Group(s)

**Notes:**

- 
  - First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
  - Mathematics Placement Assessment score determines placement in first mathematics course.
- Please keep in mind that the applicability of a specific transfer course toward an ASU degree program depends on the requirements of the department, division, college or school in which you are enrolled at ASU. Transfer agreements that guarantee the completion of university level requirements do not necessarily meet college and major requirements. Please consult with an advisor for more information.

- Attend a Career Services job fair or networking event.

- This degree program is intended for students who are already fairly competent in the language selected to study. The language selected by the student must be one offered by the School of International Letters and Cultures. Please see an academic advisor in SILC for approval of the language as well as the program of study which is tailored for individual students. Because of the nature of the degree program, students taking Romanian should be at least at the 313 level by the end of Term 1, and students taking Greek should be at least at the 301 level by the end of Term 1. Students in all other languages should be at the 201 level by the end of Term 1.

**Notes:**

- 
  - First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
  - Mathematics Placement Assessment score determines placement in first mathematics course.
- Please keep in mind that the applicability of a specific transfer course toward an ASU degree program depends on the requirements of the department, division, college or school in which you are enrolled at ASU. Transfer agreements that guarantee the completion of university level requirements do not necessarily meet college and major requirements. Please consult with an advisor for more information.

**Total Hours:** 120
**Upper Division Hours:** 45 minimum

REL 371: New Testament (HU)

REL 375: Lost Scriptures, Forgotten Gospels (HU)

**Notes:**

-

    - First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
    - Mathematics Placement Assessment score determines placement in first mathematics course.
- Please keep in mind that the applicability of a specific transfer course toward an ASU degree program depends on the requirements of the department, division, college or school in which you are enrolled at ASU. Transfer agreements that guarantee the completion of university level requirements do not necessarily meet college and major requirements. Please consult with an advisor for more information.

**Notes:**

- - First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
  - Mathematics Placement Assessment score determines placement in first mathematics course.
- Please keep in mind that the applicability of a specific transfer course toward an ASU degree program depends on the requirements of the department, division, college or school in which you are enrolled at ASU. Transfer agreements that guarantee the completion of university level requirements do not necessarily meet college and major requirements. Please consult with an advisor for more information.
- At least 12 upper-division hours in the major must be in courses offered by The College of Liberal Arts and Sciences.

**Total Hours:** 120
**Upper Division Hours:** 45 minimum
**Major GPA:** 2.50 minimum
**Cumulative GPA:** 2.00 minimum
**Total hrs at ASU:** 30 minimum
**Hrs Resident Credit for Academic Recognition:** 56 minimum
**Total Community College Hrs:** 64 maximum
**Total College Residency Hrs:** 12 minimum

**General University Requirements Legend**

General Studies Core Requirements:

- Literacy and Critical Inquiry (L)
- Mathematical Studies (MA)
- Computer/Statistics/Quantitative Applications (CS)
- Humanities, Arts and Design (HU)
- Social-Behavioral Sciences (SB)
- Natural Science - Quantitative (SQ)
- Natural Science - General (SG)

General Studies Awareness Requirements:

- Cultural Diversity in the U.S. (C)
- Global Awareness (G)
- Historical Awareness (H)

First-Year Composition

General Studies designations listed on the major map are current for the 2023 - 2024 academic year.

- All Justice Studies students must complete nine upper-division (300-499) credit hours in a related area other than JUS courses. Courses may be chosen from a variety of disciplines, as shown below. At least one course must be chosen from one of the disciplines in the School of Social Transformation (AFR, AMS, APA, SST or WST). The related area courses may not be used concurrently in the major. However, in order to facilitate and encourage the student's completion of a minor, approved courses for the related area may be used in the minor.

- All students pursuing a BS or BSP degree in The College of Liberal Arts and Sciences must complete two courses from the Science and Society list found at https://thecollege.asu.edu/resources/science-society. At least one of the two courses must be upper-division and students must earn a C or better in the courses. Both Science and Society courses (i.e., all six credits) may count towards any major, minor, related fields, and ASU General Studies requirements.
- All Justice Studies students must complete nine upper-division (300-499) credit hours in a related area other than JUS courses. Courses may be chosen from a variety of disciplines, as shown below. At least one course must be chosen from one of the disciplines in the School of Social Transformation (AFR, AMS, APA, SST or WST). The related area courses may not be used concurrently in the major. However, in order to facilitate and encourage the student's completion of a minor, approved courses for the related area may be used in the minor.

**Notes:**

- 
  - First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
  - Mathematics Placement Assessment score determines placement in first mathematics course.
- Please keep in mind that the applicability of a specific transfer course toward an ASU degree program depends on the requirements of the department, division, college or school in which you are enrolled at ASU. Transfer agreements that guarantee the completion of university level requirements do not necessarily meet college and major requirements. Please consult with an advisor for more information.

- Minimum grade of C required in all MAT and STP classes; grade of B or better strongly correlated with timely graduation.
- Upper-division MAT/STP courses should be taken through the Tempe campus unless approved by a SoMSS advisor.
- Meet with your academic advisor for final degree check and apply for graduation through your My ASU.

- All students pursuing a BS or BSP degree in The College of Liberal Arts and Sciences must complete two courses from the Science and Society list found at https://thecollege.asu.edu/resources/science-society. At least one of the two courses must be upper-division and students must earn a C or better in the courses. Both Science and Society courses (i.e., all six credits) may count towards any major, minor, related fields, and ASU General Studies requirements.

**Notes:**

- First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's

first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
    - Mathematics Placement Assessment score determines placement in first mathematics course.
- Please keep in mind that the applicability of a specific transfer course toward an ASU degree program depends on the requirements of the department, division, college or school in which you are enrolled at ASU. Transfer agreements that guarantee the completion of university level requirements do not necessarily meet college and major requirements. Please consult with an advisor for more information.

**Total Hours:** 120

**Notes:**

- 
  - First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
  - Mathematics Placement Assessment score determines placement in first mathematics course.
- Please keep in mind that the applicability of a specific transfer course toward an ASU degree program depends on the requirements of the department, division, college or school in which you are enrolled at ASU. Transfer agreements that guarantee the completion of university level requirements do not necessarily meet college and major requirements. Please consult with an advisor for more information.

- All students pursuing a BS or BSP degree in The College of Liberal Arts and Sciences must complete two courses from the Science and Society list found at https://thecollege.asu.edu/resources/science-society. At least one of the two courses must be upper-division and students must earn a C or better in the courses. Both Science and Society courses (i.e., all six credits) may count towards any major, minor, related fields, and ASU General Studies requirements.

| MIC 441: Bacterial Genetics AND MIC 442: Bacterial Genetics Laboratory |

**Notes:**

- - First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
  - Mathematics Placement Assessment score determines placement in first mathematics course.
- Please keep in mind that the applicability of a specific transfer course toward an ASU degree program depends on the requirements of the department, division, college or school in which you are enrolled at ASU. Transfer agreements that guarantee the completion of university level requirements do not necessarily meet college and major requirements. Please consult with an advisor for more information.

**Total Hours:** 120
**Upper Division Hours:** 45 minimum
**Major GPA:** 2.00 minimum
**Cumulative GPA:** 2.00 minimum
**Total hrs at ASU:** 30 minimum
**Hrs Resident Credit for Academic Recognition:** 56 minimum
**Total Community College Hrs:** 64 maximum
**Total College Residency Hrs:** 12 minimum

**General University Requirements Legend**

General Studies Core Requirements:

- Literacy and Critical Inquiry (L)
- Mathematical Studies (MA)
- Computer/Statistics/Quantitative Applications (CS)
- Humanities, Arts and Design (HU)
- Social-Behavioral Sciences (SB)
- Natural Science - Quantitative (SQ)
- Natural Science - General (SG)

General Studies Awareness Requirements:

- Cultural Diversity in the U.S. (C)
- Global Awareness (G)
- Historical Awareness (H)

First-Year Composition

General Studies designations listed on the major map are current for the 2023 - 2024 academic year.

PHI 408: Feminist Ethics (HU)

PHI 413: Advanced Symbolic Logic

PHI 420: Topics in Philosophy

PHI 452: Philosophy of Biology and Medicine

**Notes:**

- 
  - First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
  - Mathematics Placement Assessment score determines placement in first mathematics course.
- Please keep in mind that the applicability of a specific transfer course toward an ASU degree program depends on the requirements of the department, division, college or school in which you are enrolled at ASU. Transfer agreements that guarantee the completion of university level requirements do not necessarily meet college and major requirements. Please consult with an advisor for more information.
- At least 12 upper-division hours in the major must be in courses offered by The College of Liberal Arts and Sciences.

**Total Hours:** 120
**Upper Division Hours:** 45 minimum
**Major GPA:** 2.00 minimum
**Cumulative GPA:** 2.00 minimum
**Total hrs at ASU:** 30 minimum
**Hrs Resident Credit for Academic Recognition:** 56 minimum
**Total Community College Hrs:** 64 maximum
**Total College Residency Hrs:** 12 minimum

**General University Requirements Legend**

General Studies Core Requirements:

- Literacy and Critical Inquiry (L)
- Mathematical Studies (MA)
- Computer/Statistics/Quantitative Applications (CS)
- Humanities, Arts and Design (HU)
- Social-Behavioral Sciences (SB)
- Natural Science - Quantitative (SQ)
- Natural Science - General (SG)

General Studies Awareness Requirements:

- Cultural Diversity in the U.S. (C)
- Global Awareness (G)
- Historical Awareness (H)

First-Year Composition

General Studies designations listed on the major map are current for the 2023 - 2024 academic year.

| PHI 452: Philosophy of Biology and Medicine |

**Notes:**

- First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
- Mathematics Placement Assessment score determines placement in first mathematics course.

- Please keep in mind that the applicability of a specific transfer course toward an ASU degree program depends on the requirements of the department, division, college or school in which you are enrolled at ASU. Transfer agreements that guarantee the completion of university level requirements do not necessarily meet college and major requirements. Please consult with an advisor for more information.
- At least 12 upper-division hours in the major must be in courses offered by The College of Liberal Arts and Sciences.

**Total Hours:** 120
**Upper Division Hours:** 45 minimum
**Major GPA:** 2.00 minimum
**Cumulative GPA:** 2.00 minimum
**Total hrs at ASU:** 30 minimum
**Hrs Resident Credit for Academic Recognition:** 56 minimum
**Total Community College Hrs:** 64 maximum
**Total College Residency Hrs:** 12 minimum

**General University Requirements Legend**

General Studies Core Requirements:

- Literacy and Critical Inquiry (L)
- Mathematical Studies (MA)
- Computer/Statistics/Quantitative Applications (CS)
- Humanities, Arts and Design (HU)
- Social-Behavioral Sciences (SB)
- Natural Science - Quantitative (SQ)
- Natural Science - General (SG)

General Studies Awareness Requirements:

- Cultural Diversity in the U.S. (C)
- Global Awareness (G)
- Historical Awareness (H)

First-Year Composition

General Studies designations listed on the major map are current for the 2023 - 2024 academic year.

# 2023 - 2024 Major Map

## Physics, BA

School/College: The College of Liberal Arts and Sciences
Location: Tempe
LAPHYBA

| Term 1 0 - 14 Credit Hours Critical course signified by | Hours | Minimum Grade | Notes |
|---|---|---|---|
| MAT 270: Calculus with Analytic Geometry I (MA) OR MAT 265: Calculus for Engineers I (MA) | 3-4 | C | • ASU 101 or college-specific equivalent First-Year Seminar required of all first-year students.<br>• CHM 114 may be taken in place of CHM 113.<br>• Select your career interest communities and play me3@ASU. |
| CHM 113: General Chemistry I (SQ) | 4 | C | |
| ENG 101 or ENG 102: First-Year Composition OR ENG 105: Advanced First-Year Composition OR ENG 107 or ENG 108: First-Year Composition | 3 | C | |
| LIA 101: Student Success in The College of Liberal Arts and Sciences | 1 | C | |
| Humanities, Arts and Design (HU) AND Cultural Diversity in the U.S. (C) | 3 | | |
| Maintain 2.00 GPA in Critical Tracking Courses. | | | |
| Term hours subtotal: | 14-15 | | |

| Term 2 14 - 28 Credit Hours Critical course signified by | Hours | Minimum Grade | Notes |
|---|---|---|---|
| MAT 271: Calculus with Analytic Geometry II (MA) OR MAT 266: Calculus for Engineers II (MA) | 3-4 | C | • ASU Language Placement: Only true beginners are eligible for 101-level courses. All other students are required to take a placement exam, regardless of prior credit earned.<br>• Join a student club or professional organization. |
| PHY 150: Physics I (SQ) OR PHY 121: University Physics I: Mechanics (SQ) AND PHY 122: University Physics Laboratory I (SQ) | 4 | C | |
| ENG 101 or ENG 102: First-Year Composition OR ENG 105: Advanced First-Year Composition OR ENG 107 or ENG 108: First-Year Composition | 3 | C | |
| Second Language: Requirement satisfied through the following:<br>* Completion of a language course at the intermediate level (202 or equivalent), including American Sign Language IV. | 4 | C | |
| Complete ENG 101 OR ENG 105 OR ENG 107 course(s). | | | |
| Maintain 2.00 GPA in Critical Tracking Courses. | | | |
| Term hours subtotal: | 14-15 | | |

| Term 3 28 - 42 Credit Hours Critical course signified by | Hours | Minimum Grade | Notes |
|---|---|---|---|
| MAT 272: Calculus with Analytic Geometry III (MA) OR MAT 267: Calculus for Engineers III (MA) | 3-4 | C | • Look into internship opportunities. |

| | | |
|---|---|---|
| PHY 151: Physics II (SQ) OR PHY 131: University Physics II: Electricity and Magnetism (SQ) AND PHY 132: University Physics Laboratory II (SQ) | 4 | C |
| Second Language: Requirement satisfied through the following:<br>* Completion of a language course at the intermediate level (202 or equivalent), including American Sign Language IV. | 4 | C |
| Social-Behavioral Sciences (SB) AND Global Awareness (G) | 3 | |
| Maintain 2.00 GPA in Critical Tracking Courses. | | |
| Complete Mathematics (MA) requirement. | | |
| Term hours subtotal: | 14-15 | |

| **Term 4 42 - 59 Credit Hours Critical course signified by** | **Hours** | **Minimum Grade** | **Notes** |
|---|---|---|---|
| PHY 201: Mathematical Methods in Physics I (CS) | 3 | C | • Visit Career and Professional Development Services and meet with a career advisor for assistance with career planning and networking. |
| PHY 252: Physics III (SQ) OR PHY 241: University Physics III AND PHY 202: Programming for Physicists | 4 | C | |
| Second Language: Requirement satisfied through the following:<br>* Completion of a language course at the intermediate level (202 or equivalent), including American Sign Language IV. | 4 | C | |
| Humanities, Arts and Design (HU) AND Historical Awareness (H) | 3 | | |
| Social-Behavioral Sciences (SB) | 3 | | |
| Maintain 2.00 GPA in Critical Tracking Courses. | | | |
| Term hours subtotal: | 17 | | |

| **Term 5 59 - 75 Credit Hours Necessary course signified by** | **Hours** | **Minimum Grade** | **Notes** |
|---|---|---|---|
| PHY 302: Mathematical Methods in Physics II | 3 | C | • Develop your online professional presence. |
| PHY 310: Classical Particles, Fields, and Matter I | 3 | C | |
| PHY 314: Quantum Physics I | 3 | C | |
| Second Language: Requirement satisfied through the following:<br>* Completion of a language course at the intermediate level (202 or equivalent), including American Sign Language IV. | 4 | C | |
| Upper Division Humanities, Arts and Design (HU) OR Upper Division Social-Behavioral Sciences (SB) | 3 | | |
| Term hours subtotal: | 16 | | |

| **Term 6 75 - 90 Credit Hours Necessary course signified by** | **Hours** | **Minimum Grade** | **Notes** |
|---|---|---|---|
| PHY 311: Classical Particles, Fields, and Matter II | 3 | C | • Complete a practice interview. |
| Upper Division Physics Elective | 3 | C | |
| Literacy and Critical Inquiry (L) | 3 | | |
| Upper Division Elective OR PHY 484: Internship | 3 | | |
| Elective | 3 | | |
| Complete Cultural Diversity in the U.S. (C) AND Global Awareness (G) AND Historical Awareness (H) course(s). | | | |
| Term hours subtotal: | 15 | | |

| **Term 7 90 - 105 Credit Hours Necessary course signified by** | **Hours** | **Minimum Grade** | **Notes** |
|---|---|---|---|
| Upper Division Physics Elective | 3 | C | |

*Complete 4 courses:*

| | | |
|---|---|---|
| Upper Division Elective | 12 | |
| Term hours subtotal: | 15 | |

- Courses other than those in the track list below must be approved by the Department of Physics academic advisor.
- Meet with your academic advisor for a final degree check before registering for your final semester.
- Use Handshake to view career postings.

| **Term 8 105 - 120 Credit Hours Necessary course signified by** ★ | **Hours** | **Minimum Grade** | **Notes** |
|---|---|---|---|
| ★ Upper Division Literacy and Critical Inquiry (L) | 3 | | • Apply for graduation.<br>• Apply for full-time career opportunities. |
| *Complete 2 courses:*<br>Upper Division Elective | 6 | | |
| *Complete 2 courses:*<br>Elective | 6 | | |
| Term hours subtotal: | 15 | | |

|---|---|---|---|
| ★ PHY Upper Division Elective | 3 | C | • Apply for full-time careers |
| *Complete 3 courses:* Elective | 9 | | |
| Term hours subtotal: | 12 | | |

- All students pursuing a BS or BSP degree in The College of Liberal Arts and Sciences must complete two courses from the Science and Society list found at https://thecollege.asu.edu/resources/science-society. At least one of the two courses must be upper-division and students must earn a C or better in the courses. Both Science and Society courses (i.e., all six credits) may count towards any major, minor, related fields, and ASU General Studies requirements.

Hide Course List(s)/Track Group(s)

**Notes:**

- - First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
  - Mathematics Placement Assessment score determines placement in first mathematics course.
- Please keep in mind that the applicability of a specific transfer course toward an ASU degree program depends on the requirements of the department, division, college or school in which you are enrolled at ASU. Transfer agreements that guarantee the completion of university level requirements do not necessarily meet college and major requirements. Please consult with an advisor for more information.

- All students pursuing a BS or BSP degree in The College of Liberal Arts and Sciences must complete two courses from the Science and Society list found at https://thecollege.asu.edu/resources/science-society. At least one of the two courses must be upper-division and students must earn a C or better in the courses. Both Science and Society courses (i.e., all six credits) may count towards any major, minor, related fields, and ASU General Studies requirements.

Hide Course List(s)/Track Group(s)

**Notes:**

- 
  - First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
  - Mathematics Placement Assessment score determines placement in first mathematics course.

- Please keep in mind that the applicability of a specific transfer course toward an ASU degree program depends on the requirements of the department, division, college or school in which you are enrolled at ASU. Transfer agreements that guarantee the completion of university level requirements do not necessarily meet college and major requirements. Please consult with an advisor for more information.

**Notes:**

- First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
- Mathematics Placement Assessment score determines placement in first mathematics course.
- Please keep in mind that the applicability of a specific transfer course toward an ASU degree program depends on the requirements of the department, division, college or school in which you are enrolled at ASU. Transfer agreements that guarantee the completion of university level requirements do not necessarily meet college and major requirements. Please consult with an advisor for more information.

**Notes:**

- - First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
  - Mathematics Placement Assessment score determines placement in first mathematics course.
- Please keep in mind that the applicability of a specific transfer course toward an ASU degree program depends on the requirements of the department, division, college or school in which you are enrolled at ASU. Transfer agreements that guarantee the completion of university level requirements do not necessarily meet college and major requirements. Please consult with an advisor for more information.

| Term 3 30 - 46 Credit Hours Critical course signified by | Hours | Minimum Grade | Notes |
|---|---|---|---|

| | | |
|---|---|---|
| Related Area Course | 3 | C |
| REL Outside Concentration Course | 3 | C |
| Second Language: Requirement satisfied through the following:<br>* Completion of a language course at the intermediate level (202 or equivalent), including American Sign Language IV. | 4 | C |
| Computer/Statistics/Quantitative Applications (CS) | 3 | |
| Elective | 3 | |
| Complete First-Year Composition requirement. | | |
| Complete Mathematics (MA) requirement. | | |
| Maintain 2.50 GPA in REL. | | |
| Term hours subtotal: | 16 | |

- Outside Concentration courses include any REL courses that are not listed in the Religion, Culture and Public Life concentration. REL 100 and REL 321 may count as either Religion, Culture and Public Life concentration courses, or as Outside Concentration courses, but not both.
- Please see list of Related Area courses below.
- Some General Studies requirements can overlap with major courses, leaving more room for electives. Consult an academic advisor to select the best courses for your personal plan of study.
- Explore opportunities to study abroad.

| **Term 4 46 - 60 Credit Hours Critical course signified by** | **Hours** | **Minimum Grade** |
|---|---|---|
| Religion, Culture and Public Life Concentration Course | 3 | C |
| Second Language: Requirement satisfied through the following:<br>* Completion of a language course at the intermediate level (202 or equivalent), including American Sign Language IV. | 4 | C |
| Natural Science - Quantitative (SQ) OR Natural Science - General (SG) | 4 | |
| Social-Behavioral Sciences (SB) AND Cultural Diversity in the U.S. (C) | 3 | |
| Maintain 2.50 GPA in REL. | | |
| Term hours subtotal: | 14 | |

- Choosing a Social-Behavioral Sciences (SB) course that also satisfies the Cultural Diversity (C) requirement is recommended.
- Visit Career and Professional Development Services and meet with a career advisor for assistance with career planning and networking.
- If interested in law school, make an appointment with the pre-law advisor.

| **Term 5 60 - 75 Credit Hours Necessary course signified by** | **Hours** | **Minimum Grade** |
|---|---|---|
| REL 307: Religion: Theory and Practice (L or HU) | 3 | C |
| Upper Division Religion, Culture and Public Life Concentration Course | 3 | C |
| Related Area Course | 3 | C |
| Humanities, Arts and Design (HU) AND Historical Awareness (H) | 3 | |
| Upper Division Elective | 3 | |
| Maintain 2.50 GPA in REL. | | |
| Term hours subtotal: | 15 | |

- REL 307 is typically offered only in the Fall semester.
- Choosing a Humanities (HU) course that also satisfies Historical Awareness (H) is recommended if these requirements have not already been satisfied.
- Consider participating in an Undergraduate Research Experience through the School of Historical, Philosophical and Religious Studies or a research opportunity in the Humanities Lab.

| **Term 6 75 - 90 Credit Hours Necessary course signified by** | **Hours** | **Minimum Grade** |
|---|---|---|
| Upper Division Religion, Culture and Public Life Concentration Course | 3 | C |
| Upper Division Related Area Course | 3 | C |
| Upper Division REL Outside Concentration Course | 3 | C |
| Upper Division Humanities, Arts and Design (HU) OR Upper Division Social-Behavioral Sciences (SB) | 3 | |
| Upper Division Elective OR REL 484: Internship | 3 | |
| Complete Cultural Diversity in the U.S. (C) AND Global Awareness (G) AND Historical Awareness (H) course(s). | | |
| Maintain 2.50 GPA in REL. | | |

- Upper Division Outside Concentration courses include any upper-division REL courses that are not listed in the Religion, Culture and Public Life concentration. REL 321 may count as either a Religion, Culture and Public Life concentration course, or as an Outside Concentration course, but not both.
- Participate in an internship to gain valuable career experience and contacts. For help exploring internship opportunities related to your major, meet with an academic advisor.
- Explore graduate school opportunities.

| | | |
|---|---|---|
| Term hours subtotal: | 15 | |

- If planning on law school, prepare to take the LSAT.

| Term 7 90 - 105 Credit Hours Necessary course signified by ★ | Hours | Minimum Grade | Notes |
|---|---|---|---|
| ★ Upper Division Religion, Culture and Public Life Concentration Course | 3 | C | • Use Handshake to research employment opportunities.<br>• Attend career fairs, workshops and related events offered by Career and Professional Development Services. |
| Upper Division Related Area Course | 3 | C | |
| Literacy and Critical Inquiry (L) | 3 | | |
| Social-Behavioral Sciences (SB) | 3 | | |
| Elective | 3 | | |
| Maintain 2.50 GPA in REL. | | | |
| Term hours subtotal: | 15 | | |

| Term 8 105 - 120 Credit Hours Necessary course signified by ★ | Hours | Minimum Grade | Notes |
|---|---|---|---|
| ★ REL 405: Problems in Religious Studies OR REL 406: Religious Studies Capstone I AND REL 407: Religious Studies Capstone II | 3 | C | • REL 405 serves as the capstone course for this major and is typically offered only in the Spring semester. REL 405 is for on-campus students while REL 406 and 407 are for ASU Online students.<br>• Take advantage of mock interview opportunities and assistance with writing resumes and cover letters.<br>• Apply for full-time career opportunities. |
| Upper Division Related Area Course | 3 | C | |
| *Complete 3 courses:*<br>Upper Division Elective | 9 | | |
| ★ Maintain 2.50 GPA in REL. | | | |
| Term hours subtotal: | 15 | | |

- 
  - Students complete 15 credit hours in the Religion, Culture and Public Life concentration, at least nine of which must be upper-division.
  - Students complete six credits of Outside Concentration REL courses, at least three of which must be upper-division. The Outside Concentration courses are any REL courses NOT in the Religion, Culture and Public Life concentration list. Due to their broad content, REL 100 and REL 321 may count as either Religion, Culture and Public Life concentration courses, or as Outside Concentration courses, but each course will satisfy only ONE requirement, not both.
  - Students complete 15 credits of courses in Related Areas, at least nine of which must be upper-division.

**Notes:**

- First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
- Mathematics Placement Assessment score determines placement in first mathematics course.
- Please keep in mind that the applicability of a specific transfer course toward an ASU degree program depends on the requirements of the department, division, college or school in which you are enrolled at ASU. Transfer agreements that guarantee the completion of university level requirements do not necessarily meet college and major requirements. Please consult with an advisor for more information.
- At least 12 upper-division hours in the major (REL) must be in courses offered by The College of Liberal Arts and Sciences.

**Total Hours:** 120
**Upper Division Hours:** 45 minimum
**Major GPA:** 2.50 minimum
**Cumulative GPA:** 2.00 minimum
**Total hrs at ASU:** 30 minimum
**Hrs Resident Credit for Academic Recognition:** 56 minimum
**Total Community College Hrs:** 64 maximum
**Total College Residency Hrs:** 12 minimum

**General University Requirements Legend**

SPA 471: Civilization of the Indohispanomexicano Southwest ((L or HU) & C)

**Notes:**

- First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
- Mathematics Placement Assessment score determines placement in first mathematics course.
- Please keep in mind that the applicability of a specific transfer course toward an ASU degree program depends on the requirements of the department, division, college or school in which you are enrolled at ASU. Transfer agreements that guarantee the completion of university level requirements do not necessarily meet college and major requirements. Please consult with an advisor for more information.

**Total Hours:** 120
**Upper Division Hours:** 45 minimum
**Major GPA:** 2.50 minimum

| Elective | 3 | |
| Complete First-Year Composition requirement. | | |
| Complete Mathematics (MA) requirement. | | |
| Maintain 2.50 GPA in REL. | | |
| Term hours subtotal: | 16 | |

- Outside Concentration courses include any REL courses that are not listed in the Religion, Politics and Global Affairs concentration. REL 100 and REL 321 may count as either Religion, Politics and Global Affairs concentration courses, or as Outside Concentration courses, but not both.
- Please see list of Related Area courses below.
- Explore opportunities to study abroad.

| **Term 4 46 - 60 Credit Hours Critical course signified by** | **Hours** | **Minimum Grade** |
|---|---|---|
| Religion, Politics and Global Affairs Concentration Course | 3 | C |
| Second Language: Requirement satisfied through the following:<br>* Completion of a language course at the intermediate level (202 or equivalent), including American Sign Language IV. | 4 | C |
| Natural Science - Quantitative (SQ) OR Natural Science - General (SG) | 4 | |
| Social-Behavioral Sciences (SB) AND Cultural Diversity in the U.S. (C) | 3 | |
| Maintain 2.50 GPA in REL. | | |
| Term hours subtotal: | 14 | |

- Choosing a Social-Behavioral Sciences (SB) course that also satisfies the Cultural Diversity (C) requirement is recommended.
- Visit Career and Professional Development Services and meet with a career advisor for assistance with career planning and networking.
- If interested in law school, make an appointment with the pre-law advisor.

| **Term 5 60 - 75 Credit Hours Necessary course signified by** | **Hours** | **Minimum Grade** |
|---|---|---|
| REL 307: Religion: Theory and Practice (L or HU) | 3 | C |
| Upper Division Religion, Politics and Global Affairs Concentration Course | 3 | C |
| Related Area Course | 3 | C |
| Humanities, Arts and Design (HU) AND Historical Awareness (H) | 3 | |
| Elective | 3 | |
| Maintain 2.50 GPA in REL. | | |
| Term hours subtotal: | 15 | |

- REL 307 is typically offered only in the Fall semester.
- Choosing a Humanities (HU) course that also satisfies Historical Awareness (H) is recommended if these requirements have not already been satisfied.
- Consider participating in an Undergraduate Research Experience through the School of Historical, Philosophical and Religious Studies or a research opportunity in the Humanities Lab.

| **Term 6 75 - 90 Credit Hours Necessary course signified by** | **Hours** | **Minimum Grade** |
|---|---|---|
| Upper Division Religion, Politics and Global Affairs Concentration Course | 3 | C |
| Upper Division Related Area Course | 3 | C |
| Upper Division REL Outside Concentration Course | 3 | C |
| Upper Division Humanities, Arts and Design (HU) OR Upper Division Social-Behavioral Sciences (SB) | 3 | |
| Upper Division Elective OR REL 484: Internship | 3 | |
| Complete Cultural Diversity in the U.S. (C) AND Global Awareness (G) AND Historical Awareness (H) course(s). | | |
| Maintain 2.50 GPA in REL. | | |
| Term hours subtotal: | 15 | |

- Upper Division Outside Concentration courses include any upper-division REL courses that are not listed in the Religion, Politics and Global Affairs concentration. REL 321 may count as either a Religion, Politics and Global Affairs concentration course, or as an Outside Concentration course, but not both.
- Participate in an internship to gain valuable career experience and contacts. For help exploring internship opportunities related to your major, meet with an academic advisor.
- Explore graduate school opportunities.

- If planning on law school, prepare to take the LSAT.

| Term 7 90 - 105 Credit Hours Necessary course signified by ★ | Hours | Minimum Grade | Notes |
|---|---|---|---|
| ★ Upper Division Religion, Politics and Global Affairs Concentration Course | 3 | C | • Use Handshake to research employment opportunities.<br>• Attend career fairs, workshops and related events offered by Career and Professional Development Services. |
| Upper Division Related Area Course | 3 | C | |
| Literacy and Critical Inquiry (L) | 3 | | |
| Social-Behavioral Sciences (SB) | 3 | | |
| Upper Division Elective | 3 | | |
| Maintain 2.50 GPA in REL. | | | |

**Notes:**

- 
  - First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
  - Mathematics Placement Assessment score determines placement in first mathematics course.
- Please keep in mind that the applicability of a specific transfer course toward an ASU degree program depends on the requirements of the department, division, college or school in which you are enrolled at ASU. Transfer agreements that guarantee the completion of university level requirements do not necessarily meet college and major requirements. Please consult with an advisor for more information.

- 
  - Students complete 15 credit hours in the Religion, Politics and Global Affairs concentration, at least nine of which must be upper division.
  - Students complete six credits of Outside Concentration REL courses, at least three of which must be upper division. The Outside Concentration courses are any REL courses **not** in the Religion, Politics and Global Affairs concentration list. Due to their broad content, REL 100 and REL 321 may count as either Religion, Politics and Global Affairs concentration courses, or as Outside Concentration courses, but each course will satisfy only **one** requirement, not both.
  - Students complete 15 credits of courses in Related Areas, at least nine of which must be upper division.
  - At least 12 upper-division hours in the major (REL) must be in courses offered by The College of Liberal Arts and Sciences.

**Notes:**

- First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
- Mathematics Placement Assessment score determines placement in first mathematics course.
- Please keep in mind that the applicability of a specific transfer course toward an ASU degree program depends on the requirements of the department, division, college or school in which you are enrolled at ASU. Transfer agreements that guarantee the completion of university level requirements do not necessarily meet college and major requirements. Please consult with an advisor for more information.

- All students pursuing a BS or BSP degree in The College of Liberal Arts and Sciences must complete two courses from the Science and Society list found at https://thecollege.asu.edu/student-resources/science-society. At least one of the two courses must be upper division and students must earn a C or better in the courses. Both Science and Society courses (i.e., all six credits) may count towards any major, minor, related fields, and ASU General Studies requirements.

**Notes:**

- 
  - First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
  - Mathematics Placement Assessment score determines placement in first mathematics course.
- Please keep in mind that the applicability of a specific transfer course toward an ASU degree program depends on the requirements of the department, division, college or school in which you are enrolled at ASU. Transfer agreements that guarantee the completion of university level requirements do not necessarily meet college and major requirements. Please consult with an advisor for more information.

**Notes:**

- First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP

- Mathematics Placement Assessment score determines placement in first mathematics course.

- Please keep in mind that the applicability of a specific transfer course toward an ASU degree program depends on the requirements of the department, division, college or school in which you are enrolled at ASU. Transfer agreements that guarantee the completion of university level requirements do not necessarily meet college and major requirements. Please consult with an advisor for more information.

- 
  - All students pursuing a BS or BSP degree in The College of Liberal Arts and Sciences must complete two courses from the Science and Society list found at https://thecollege.asu.edu/resources/science-society. At least one of the two courses must be upper-division and students must earn a C or better in the courses. Both Science and Society courses (i.e., all six credits) may count towards any major, minor, related fields, and ASU General Studies requirements.
  - Selecting Making Electives:In consultation with an academic advisor, students must select and complete six lower division and 12 upper division "Making" course electives. Students interested in IPI 341 and IPI 441 should plan to enroll in MAT 265 or MAT 270.

Hide Course List(s)/Track Group(s)

Lower Division Making (choose 6 credits)

| | | |
|---|---|---|
| HDA 296: Creative Futures: Studio | Upper Division Making Electives (choose 12 credits) | Upper Division Leadership Electives (choose 9 credits) |
| IPI 241: Designing and Making (Electronics and Programming) | HDA 496: Creative Futures: Advanced Studio | FIS 432: Problem Solving Through Strategic Thinking |
| | IPI 341: Designing and Making (3D Printing and Fabrication) | LSE 305: Conceptualizing Learning: Theories in Practice |

| | | OGL 345: Organizational Ethics (HU) |
| | | PMG 320: Project Approaches |
| | | SOC 334: Technology and Society (L or SB) |
| | | WPC 300: Problem Solving and Actionable Analytics |

**Notes:**

- 
  - First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
  - Mathematics Placement Assessment score determines placement in first mathematics course.
- Please keep in mind that the applicability of a specific transfer course toward an ASU degree program depends on the requirements of the department, division, college or school in which you are enrolled at ASU. Transfer agreements that guarantee the completion of university level requirements do not necessarily meet college and major requirements. Please consult with an advisor for more information.

- All students pursuing a BS or BSP degree in The College of Liberal Arts and Sciences must complete two courses from the Science and Society list found at https://thecollege.asu.edu/resources/science-society. At least one of the two courses must be upper-division and students must earn a C or better in the courses. Both Science and Society courses (i.e., all six credits) may count towards any major, minor, related fields, and ASU General Studies requirements.

**Notes:**

- 
  - First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
  - Mathematics Placement Assessment score determines placement in first mathematics course.
- Please keep in mind that the applicability of a specific transfer course toward an ASU degree program depends on the requirements of the department, division, college or school in which you are enrolled at ASU. Transfer agreements that guarantee the completion of university level requirements do not necessarily meet college and major requirements. Please consult with an advisor for more information.

- The BS Integrative Health degree program provides opportunities for students to pursue two separate pathways.
- The Health Professional School track provides an opportunity for students interested in pursuing graduate study in the health professions. This track includes the core required courses for most graduate programs. Students pursuing a graduate program in health should consult with an advisor to review the complete curriculum for graduate school preparation in the health professions.
- The Nursing and General Health Interest track includes the prerequisites for the nursing program at Arizona State University. This track also provides options for students interested in health care.

School/College: Edson College of Nursing and Health Innovation
Location: Online, ASU Local
NUIHLTBS

In order to complete the requirements of this program, some laboratory courses will be completed in-person at the Tempe Campus.

These laboratory courses will be offered during summer. This may impact your financial aid. Financial aid is available to those who apply and qualify, and students may receive funds to help cover costs for each semester of enrollment. The amount of financial aid that a student is eligible for varies depending on prior education experience and other individual factors. Learn more about summer financial aid and additional ways to cover summer costs.

| NUR 402: Concept Integration Across the Lifespan: Accomplished | 3 | C | |
| Term hours subtotal: | 16 | | |

- Placement into the Accelerated BSN prelicensure clinical nursing program is based on clinical space availability. In addition to the application to ASU, there is a separate advancement process to be selected for placement.
- Prospective students should consult with the Edson College of Nursing and Health Innovation student academic services for the advancement requirements, including prerequisites, TEAS requirement, and immunization/background requirements.
- Students should view the Accelerated BSN Prelicensure Clinical Nursing Program Information Session.
- Completion of General Studies and composition requirements at a domestic institution accredited by an organization recognized by ASU as certified on the official transcript will fulfill lower-division General Studies and composition requirements. Certification of completed general studies may include completion of general education package (ex: AGEC, CSUGE, IGETC); an associate of arts degree or bachelor's degree; or comparable as documented on an official transcript. These students are still required to fulfill lower-division program requirements and prerequisites within their college and major and minor areas of study.
- Students must still take six upper-division credit hours (three for L and three for SB or HU) to complete the ASU university-level graduation requirements. These requirements are included in the required NUR prelicensure clinical nursing program courses.
- If students transfer from Arizona community colleges without completing the AGEC or from other accredited postsecondary institutions, they receive credit for General Studies based on course-by-course equivalency. Students should see the Arizona General Education Curriculum page.
- **All students must have first-year composition and lower-division general studies completed by the advancement application deadline.**

Hide Course List(s)/Track Group(s)

**Notes:**

- First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
- Mathematics Placement Assessment score determines placement in first mathematics course.

| Term hours subtotal: | 15 | |

**Notes**

- Study for the National Council Licensure Examination (NCLEX).
- Apply for full-time career opportunities.
- Connect with us as a member of our alumni community.

- Direct admit students must meet **Continuing Eligibility Criteria** each semester (Terms 1-4) to advance into the prelicensure clinical nursing program. Advisors in the Edson College of Nursing and Health Innovation review criteria each semester.

  **Continuing Eligibility Criteria:**

  - Full-time enrollment at ASU (at least 12 credit hours per term; some scholarships require at least 15 credit hours per term)
  - Enroll in courses following the published course sequence (according to term) on the major map in terms 1-4.
  - All courses must be completed at ASU unless approved by petition.
  - 3.50 minimum semester critical (prerequisite) course GPA in terms 1-4 (includes +/- in computation), with no grades lower than a C. Critical courses are marked with symbol on the major map. Electives and other general studies courses that are not marked with this symbol are not included in the calculation.
  - Successful completion of all screening items by the established deadlines

**Licensure / Certification Direct Disclosure Statement**

The Edson College of Nursing and Health Innovation prepares graduates for excellence upon entering the workplace. Certification and licensure requirements vary by profession and from state-to-state, students should review professional licensure information at ASU Professional Licensure to determine if a program meets educational requirements for licensure or certification in a specific state. State licensing contact information is available on the website.

- The online RN to BSN program includes options for pathway, non-pathway, and the Concurrent Enrollment Program (CEP). The prerequisites for each option vary and the number of courses needed to graduate from ASU with a BSN may vary. Students must see an RN to BSN academic advisor for more information about the prerequisites and the graduation requirements.

  **State Authorization Disclosure**

  As a participating National Council for State Authorization Reciprocity Agreements (NC-SARA) member, Arizona State University is authorized to offer distance education to persons located in individual SARA states in accordance with the Council's established policies and standards. California does not participate in SARA and the California Bureau of Private Postsecondary Education does not regulate out-of-state public institutions. ASU may offer educational activities in California. There are some exceptions for specific programs at Edson College. These exceptions are noted on the ASU State Authorizations website.

  Due to legislative regulations, Edson College of Nursing and Health Innovation cannot enroll students located in Tennessee, Rhode Island, and Washington for the *online* BSN nursing program. Clinical rotation, field experience, internship, or practicum components of either online and/or ground courses are not currently available to Edson College students in this state. Contact nursingandhealth@asu.edu with questions.

GCU 121: World Geography (SB & G)

GCU 241: The Global Economy in Transition (SB & G)

GIS 205: Geographic Information Science I (CS)

GPH 111: Introduction to Physical Geography (SQ)

GPH 112: Introduction to Physical Geography Lab (SQ)

GCU OR GPH OR GIS Elective

Content: Health

CHS 300: An Exploration of Well-Being (SB)

CHS 340: Health Theory

EXW 101: Foundations of Health and Fitness Science

EXW 215: Resistance Training and Recovery Techniques

EXW 217: Cardiorespiratory and Flexibility Training

EXW 302: Fundamentals of Wellness (L)

EXW 450: Social Determinants of Health and Health Behavior ((L or SB) & C)

HEP 303: Human Sexuality for Health Education

HEP 350: Substance Use and Addictive Behaviors

HEP 380: Body Image and Wellness

HSC 355: Eating for Lifelong Health (SB)

NTR 241: Human Nutrition

Content: History

HST 100: Global History to 1500 (HU & H & G)

HST 101: Global History Since 1500 (HU & H & G)

HST 109: United States to 1865 ((HU or SB) & H)

HST 110: United States Since 1865 (SB & H)

HST Elective

CHS OR EXW OR HEP OR HSC OR NTR Elective

| Content: Mathematics |
| --- |
| MAT 243: Discrete Mathematical Structures |
| MAT 270: Calculus with Analytic Geometry I (MA) |
| MAT 271: Calculus with Analytic Geometry II (MA) |

**Notes:**

- First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
- Mathematics Placement Assessment score determines placement in first mathematics course.

**Total Hours:** 120
**Upper Division Hours:** 45 minimum

**General University Requirements Legend**

**Major GPA:** 2.00 minimum
**Cumulative GPA:** 2.00 minimum
**Total hrs at ASU:** 30 minimum
**Hrs Resident Credit for Academic Recognition:** 56 minimum
**Total Community College Hrs:** 64 maximum

General Studies Core Requirements:

- Literacy and Critical Inquiry (L)
- Mathematical Studies (MA)
- Computer/Statistics/Quantitative Applications (CS)
- Humanities, Arts and Design (HU)
- Social-Behavioral Sciences (SB)
- Natural Science - Quantitative (SQ)
- Natural Science - General (SG)

General Studies Awareness Requirements:

- Cultural Diversity in the U.S. (C)
- Global Awareness (G)
- Historical Awareness (H)

First-Year Composition

General Studies designations listed on the major map are current for the 2023 - 2024 academic year.

**Total hrs at ASU:** 30 minimum
**Hrs Resident Credit for**
**Academic Recognition:** 56 minimum
**Total Community College Hrs:** 64 maximum

**General University Requirements Legend**

General Studies Core Requirements:

- Literacy and Critical Inquiry (L)
- Mathematical Studies (MA)
- Computer/Statistics/Quantitative Applications (CS)
- Humanities, Arts and Design (HU)
- Social-Behavioral Sciences (SB)
- Natural Science - Quantitative (SQ)
- Natural Science - General (SG)

General Studies Awareness Requirements:

- Cultural Diversity in the U.S. (C)
- Global Awareness (G)
- Historical Awareness (H)

First-Year Composition

General Studies designations listed on the major map are current for the 2023 - 2024 academic year.

# 2023 - 2024 Major Map

## Exploratory Math, Physical Sciences, Engineering and Technology

School/College: University College
Location: Online ASU Local
UCEMTPEXPL

| Term 1 - A 0 - 7 Credit Hours Critical course signified by | Hours | Minimum Grade | Notes |
|---|---|---|---|
| ASU 101-UC: The ASU Experience | 1 | | • ASU 101 or college-specific equivalent First Year Seminar required of all first-year students.<br>• Select your career interest communities and play me3@ASU. |
| ASU 230: Life by Design | 3 | | |
| ENG 101 or ENG 102: First-Year Composition OR ENG 105: Advanced First-Year Composition OR ENG 107 or ENG 108: First-Year Composition | 3 | C | |
| Term hours subtotal: | 7 | | |

| Term 1 - B 7 - 13 Credit Hours Critical course signified by | Hours | Minimum Grade | Notes |
|---|---|---|---|
| MAT 117: College Algebra (MA) OR MAT 170: Precalculus (MA) OR MAT 265: Calculus for Engineers I (MA) OR MAT 266: Calculus for Engineers II (MA) OR MAT 267: Calculus for Engineers III (MA) | 3 | C | • View ASU Online first-year student registration information here.<br>• Consult with your academic advisor on an elective course based on your interests. |
| ENG 101 or ENG 102: First-Year Composition OR ENG 105: Advanced First-Year Composition OR ENG 107 or ENG 108: First-Year Composition | 3 | C | |
| Term hours subtotal: | 6 | | |

| Term 2 - A 13 - 20 Credit Hours Critical course signified by | Hours | Minimum Grade | Notes |
|---|---|---|---|
| MAT 117: College Algebra (MA) OR MAT 170: Precalculus (MA) OR MAT 265: Calculus for Engineers I (MA) OR MAT 266: Calculus for Engineers II (MA) OR MAT 267: Calculus for Engineers III (MA) | 3 | C | • Join a student club or professional organization.<br>• Consider what experiential learningopportunitiesyou want to pursue. |
| UNI 250: ASU by Design: Choosing a Major | 1 | | |
| Social-Behavioral Sciences (SB) AND Global Awareness (G) | 3 | | |
| Term hours subtotal: | 7 | | |

| Term 2 - B 20 - 27 Credit Hours Critical course signified by | Hours | Minimum Grade | Notes |
|---|---|---|---|
| Natural Science - Quantitative (SQ) | 4 | | |
| Humanities, Arts and Design (HU) AND Historical Awareness (H) | 3 | | |
| Complete ENG 101 OR ENG 105 OR ENG 107 course(s). | | | |
| Term hours subtotal: | 7 | | |

| Term 3 - A 27 - 34 Credit Hours Critical course signified by | Hours | Minimum Grade | Notes |
|---|---|---|---|

| | | |
|---|---|---|
| MAT 117: College Algebra (MA) OR MAT 170: Precalculus (MA) OR MAT 265: Calculus for Engineers I (MA) OR MAT 266: Calculus for Engineers II (MA) OR MAT 267: Calculus for Engineers III (MA) | 3 | C |
| UNI 270: Work by Design: Preparing for a Career | 1 | |
| Social-Behavioral Sciences (SB) AND Cultural Diversity in the U.S. (C) | 3 | |
| Term hours subtotal: | 7 | |

| Term 3 - B 34 - 41 Credit Hours Critical course signified by | Hours | Minimum Grade | Notes |
|---|---|---|---|
| Natural Science - General (SG) OR Natural Science - Quantitative (SQ) | 4 | | • Secure a part-time job or volunteer experience. |
| Computer/Statistics/Quantitative Applications (CS) | 3 | | |
| Complete Mathematics (MA) requirement. | | | |
| Term hours subtotal: | 7 | | |

| Term 4 - A 41 - 47 Credit Hours | Hours | Minimum Grade | Notes |
|---|---|---|---|
| Literacy and Critical Inquiry (L) | 3 | | |
| Humanities, Arts and Design (HU) | 3 | | |
| Milestone: Selection of a major. | | | |
| Term hours subtotal: | 6 | | |

Hide Course List(s)/Track Group(s)

**Notes:**

- First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
- Mathematics Placement Assessment score determines placement in first mathematics course.
- Students considering ASU majors which require a second language may consult with an academic advisor to consider a second language course for any term.
- Students should consider completing Global, Historical, and Cultural Awareness requirements with their Social and Behavioral or Humanities and Fine Arts courses.

**Total Hours:** 47
**Upper Division Hours:** 45 minimum
**Major GPA:** 2.00 minimum
**Cumulative GPA:** 2.00 minimum
**Total hrs at ASU:** 30 minimum
**Hrs Resident Credit for Academic Recognition:** 56 minimum
**Total Community College Hrs:** 64 maximum
