Graphic Design / Albert L. Camasto

Production Coordination /

Document Production Services:

Stephanie Tyson, graphics specialist;

W. Jeanne Miller, buyer

Printing / Custom Printing Center, Owensville, Missouri

Special Thanks

When serving as chair of the General Studies Council, David Burstein initiated the project of having the catalog edited to make requirements clearer and saw it through to completion. He and Margee A. Greenfield created the original version of the "Graduation Requirements Venn Diagram" and text under "Overview of Graduation Requirements," page 69. Grant Smith undertook the bulk of the project as copyeditor.
