
Student Services

The university is committed to the belief that an education involves more than attending class. While the acquisition of knowledge is a central part of the university experience, learning about others, about independence and leadership, and about living in a complex society are equally important. Student Affairs' services and developmental programs reflect this philosophy.

UNDERGRADUATE ADMISSIONS

For many undergraduates, the first introduction to ASU is through the recruitment and admission programs of Undergraduate Admissions. Personal contact with prospective students through high school and community college visits and through student visits on campus are some of the approaches that provide information about the academic programs and support services available at ASU. A primary goal of Undergraduate Admissions is to identify, inform, motivate, recruit, and enroll students from ethnic groups underrepresented at ASU. Orientation programs ease the students' (and parents') transition to the ASU campus. For more information about undergraduate admissions, call 480/965-7788, or access the Web site at www.asu.edu/admissions.

STUDENT FINANCIAL ASSISTANCE

Pursuing a college education is an important life decision as well as a major financial investment. The cost of a college education can be a major concern for many students and their families. The ASU Student Financial Assistance Office is committed to helping students, within the limits of available funds, meet college costs. Options range from merit scholarships to financial aid awards—grants, loans, and employment.

Approximately two-thirds of ASU students rely on some form of financial assistance to meet their educational expenses. For more information, call 480/965-3355, or access the Web site at www.asu.edu/fa.

REGISTRAR

Management of the registration system and maintenance of academic records are the primary responsibilities of the Office of the Registrar. Registration is available through SunDial telephone system; on the Web at asu.edu/interactive; or in person at Records Information at ASU Main, Student Services (QUAD 2) site at ASU East, or Registration Services at ASU West. The Student Information System stores academic records and improves the quality of data used in academic advising. The Office of the Registrar coordinates applications for graduation and undergraduate readmission, course changes and scheduling, transcript services, applications for residency, and verification of enrollment. For more information, call 480/965-4747, or access the Web site at www.asu.edu/registrar.

Veterans Services

This office offers complete educational services for U.S. veterans and their eligible dependents. Counseling about admissions, registration, and veterans benefits is available. Veterans programs provide service by advising all interested veterans and dependents about educational benefits and their optimum use. Students must apply each semester to receive veterans benefits. The program also assists veteran students in obtaining suitable paid tutors, when needed, using their federal benefits. Students receiving veterans educational benefits are not eligible to receive pay for audited courses. Veterans must achieve satisfactory GPAs and semester hours progress toward their academic programs for continued educational benefits, as stated under "Satisfactory Academic Progress," page 84. The university must report this progress to the Department of Veterans Affairs each term. Failure to maintain the minimum GPA established by the university and/or the veteran's college may result in academic probation or disqualification. Although veterans may be eligible for educational benefits while on academic probation, benefits could be affected by a continuing probation status. The Veterans Services section is located in SSV 148. For more information, call 480/965-7723.

RESIDENTIAL LIFE

Living in one of the ASU residence halls provides students the opportunity to make the most of their college experience. Special residential communities for freshmen, honors students, and students in particular academic areas offer opportunities and activities that enrich the educational experience.

The Freshman Year Experience program (see "Freshman Year Experience," page 45) provides a unique environment of classrooms, live-in tutors, academic advisors, and other support services designed to help freshmen develop skills for success.

Because the demand for campus housing tends to exceed space availability in the residence halls, students are encouraged to apply for housing early (before March 1, 2004) for the best chance to live on campus for fall semester 2004. Housing is not guaranteed. Students must be admitted to ASU before applying for housing. Requests for specially modified rooms for students with disabilities should be noted on the application.

Students will receive residence hall application information with their admission certificate. For more information, access the Web site at www.asu.edu/reslife, call 480/965-3515, or write to

STUDENT DEVELOPMENT

ASU students experience success through active involvement in learning and within their community. Student Development enhances student learning through academic support services and programs and encourages student involvement in the community through participation in cocurricular programs, clubs, employment, leadership opportunities, organizations, service, and the arts.

Freshman Year Experience

A student's freshman year is a time to learn new ideas, meet new people, and grow as an educated citizen ready to contribute to the community. Freshman Year Experience (FYE) provides a strong foundation for all freshmen that fosters the student's academic and personal success through academic support services, faculty interaction, and student involvement with the university community. FYE assists first-year students by coordinating services and programs in settings designed just for freshmen.

Tutoring support is offered at *no* cost to all freshmen by tutors who live in the residence halls, creating an academic-focused atmosphere. Tutoring centers in the residence halls are open five evenings each week.

Academic advising is available at FYE sites, with academic advisors employing a developmental approach to advising.

Computer labs at FYE sites are available 24 hours each day. Lab attendants are available during evening hours to provide assistance and answer questions.

A full complement of freshman courses is offered at FYE sites, such as First-Year Composition, history, math, political science, and the university success course for freshmen.

Academic success consulting is offered by undergraduate and graduate students who work with first-year students individually or in a group setting to assist them with transitional issues such as time management and note taking.

Personal development and support programs are available. Presentations from campus departments focus on academic expectations, freshman transition, major and career choices, and other related developmental issues.

Living and learning communities have been set up for freshmen in the following colleges:

Barrett Honors College
College of Architecture and Environmental Design
College of Education
College of Liberal Arts and Sciences
College of Nursing
College of Public Programs (for students majoring in Communication and Journalism and Mass Communication)
Katherine K. Herberger College of Fine Arts
Ira A. Fulton School of Engineering
W. P. Carey School of Business

FYE is open to all freshmen regardless of their place of residence (on- or off-campus). Designated FYE sites in 2004–2005 are located in Cholla, Manzanita, Mariposa, Ocotillo, Palo Verde Complex, Sahuaro, San Pablo, and Sonora. For more information, call 480/965-1512, or access the Web site at www.asu.edu/fye. For information regarding the ASU East FYE program, access the Web site at www.east.asu.edu/fye.

Learning Resource Center

The Learning Resource Center (LRC) provides academic support to ASU students through tutoring, peer coaching, academic skills workshops, software training, and instructional computer labs.

Tutoring is offered in approximately 100 courses, including mathematics, languages, business, physics, chemistry, and computer science. Students can participate in scheduled small-group tutoring Monday through Friday during daytime hours at two campus locations: Palo Verde West (north campus) and in MU 14. Walk-in tutoring is available Sunday through Thursday during evening hours in Palo Verde West as well as in all FYE sites. Residential and off-campus students are welcome to use tutoring services in all locations.

The peer coaching program provides structured assistance to ASU students to help improve general academic skills such as time and stress management, organizational strategies, textbook reading, and test preparation. Students can be seen on a walk-in basis or by appointment. Those who qualify can schedule weekly meetings with a peer coach throughout the semester. Peer coaches regularly present workshops on academic skills topics.

The LRC offers students two options to improve their software skills: individual instruction and group workshops. Students can walk in or schedule individual instruction sessions with software specialists or participate in group workshops in LRC instructional labs. These are located in the Memorial Union (Montgomery Lab), Palo Verde West, and SSV 392.

For more information or to register for workshops, call the LRC in Palo Verde West at 480/965-6254 or in the Memorial Union at 480/965-7728, or access the Web site at www.asu.edu/lrc.

STUDENT SERVICES

medications, certain special or surgical procedures, and certain health education services. Patients receiving medical treatment off campus, such as consultations, emergency care, and hospitalization, are responsible for any resulting charges.

Insurance. *While the Student Health and Wellness Center provides comprehensive ambulatory care, it is not a substitute for health insurance.* Medical insurance coverage is strongly recommended for all students and is required for international students. Eligible students and dependents may enroll in health insurance coverage arranged by ASU. Dependents must complete an application and may require underwriting approval by the insurance carrier. The coverage assists students in paying for laboratory and radiology procedures, off-campus consultations, hospitalization, surgery, and emergency and after-hours care. Students may purchase health insurance through SunDial, the ASU touch-tone telephone registration system, or at Student Health. For more information, call the Student Health and Wellness Center's insurance office at 480/965-2411.
