

Biology Minor Sheet

Required courses:

1. ____ BIO 187 (4) General Biology I (previously BIO 182)
2. ____ BIO 188 (4) General Biology II (previously BIO 181)

Plus 16 additional hours (12 of which must be upper division) to bring the total to 24 credit hours. Courses may come from BIO, MIC, and PLB, or approved courses in related departments. Courses that are not available for credit in the Biology major **cannot** be used for the minor (e.g., BIO 100 *The Living World*, BIO 201 & BIO 202 *Human Anatomy and Physiology*, PLB 108 *Concepts in Plant Biology*, etc.) See an advisor to discuss course options and to have the Biology Minor approved.

Optional lower division course (100 or 200 level):

3. _____ () _____

Upper division courses (300 or 400 level):

4. _____ () _____

5. _____ () _____

6. _____ () _____

7. _____ () _____

8. _____ () _____

Total hours: _____ (minimum 24)

Notes:

1. This minor is not available to students majoring in the life sciences.
2. Once you register for the last approved classes to fill these requirements, type all your courses on a Minor Verification Form (available in the UBEP office, LSC 206, or on the CLAS website) and have a Biology department advisor sign the form.
