**INITIAL TEACHER CERTIFICATION PROGRAM (ITC):**

For specific College of Education ITC courses, consult with a College of Education advisor. Students should wait to apply to the ITC program until they have taken Japanese courses on the 300-level. It is strongly recommended that the requirements in JAPANESE be fully met before student teaching (SED 478) is undertaken. Exceptions will be permitted only upon the express recommendation of the supervising professor in Japanese.

Two methods courses, required as part of the ITC, are offered through the Department of Languages and Literatures: **FLA 394 (Introduction to Teaching Foreign Languages)**, usually offered in Fall, and **FLA 480 (Methods of Teaching Foreign Languages)**, usually offered in Spring.
