Notes:															

Key: √ = Course has been completed UD = Upper division courses (300 and above at ASU)
Please see the instructions on the back of this check sheet.

How to use this check sheet: List the course and prefix number that fulfills the corresponding requirement. In the appropriate column next to the course, write the number of semester credit hours. If you have credit for a course, place a √ mark beside the course. If the course is an upper division course (Jr. or Sr. level, numbered 300-499 at ASU) also mark the number of credit hours in the UD column next to the course. Courses numbered 500 or above require special permission, ask for the petition form in the Graduation Office in SS111. When double counting courses (using the same class to fulfill two requirements) take extra care not to double count the credit hours. Write the number of hours under one of the requirements, and cross out the appropriate column under the double counted requirement.

Double Counting Restrictions: You CANNOT double count courses from the College Graduation requirements, including the Bridge course, with the University General Studies HU, SB, SG or SQ areas. You also may not double count courses within the College Graduation requirements, including the bridge course.

University General Studies Requirements: Please see the current catalog or schedule of classes for a listing of courses that qualify for General Studies credit (i.e., L, MA, CS, HU, SB, SQ/SG, C, G, H). Note: University General Studies HU and SB courses are not the same as CLAS Humanities and Social and Behavioral Science credits. See below.

****Major Requirements Minimum Grade Requirements:** C min. required in all major course work. Transfer courses subject to departmental approval

CLAS Graduation Requirements:

CLAS Humanities credits come only from the following departmental prefixes: AFH, CSH, ENG (Literature courses only), HUM, PHI, HPS, REL, WSH, Department of Languages and Literatures – any upper division literature or civilization course (e.g., SPA 325). They all must be Upper Division.

CLAS Social/Behavioral Sciences credits come only from the following departmental prefixes: AFS, ASB, CSS, ECN, GCU, HIS, POS, PGS, SOC, WST (not WST 413, 464, 470). They all must be Upper Division.

CLAS Bridge courses: * New courses are periodically added; please see the “Bridge Course” flyer in Foundation 1120 for an updated list or on the web at <http://asu.edu/clas/bridgecourses>. The Bridge course requirement cannot be double counted to fill the University General Studies HU, SB, SG or SQ or other College Graduation requirements. Unless otherwise noted only the main campus courses listed below will fulfill the bridge course requirement. Courses in **bold** may count toward the major.
