| Addition | Course Prefix | | | | | | | | | | | | | | | | | | | | Sub-totals |

<u>Key</u>: C = Courses completed NC = Courses not yet completed UD = Upper division courses (300 and above at ASU)

*College Graduation Requirements Cross Listing Restrictions: You CANNOT cross-list (double count) courses from the College Graduation requirements, including the Bridge course, with the University General Studies HU, SB, SG or SQ areas. You also may not cross-list courses within the College Graduation requirements, including the bridge course.

**Major Requirements Minimum Grade Requirements: C min. required in all upper division course work. Some majors have more stringent requirements. Transfer courses subject to departmental approval

DARS = Degree Audit Reporting System. This column is for advisor's use only.

√ Check if the course is already articulated on the DARS report.

How to use this check sheet: List the course and prefix number that fulfills the corresponding requirement. In the appropriate column next to the course, write the number of semester credit hours. i.e. if you have completed the course, mark the number of hours under the C column. If it is a course that you have not earned a grade for yet, mark the number of semester credit hours under the NC column. If the course is an upper division course (Jr. or Sr. level, numbered 300-499 at ASU) also mark the number of credit hours in the UD column next to the course. Courses numbered 500 or above require special permission, ask for the petition form in graduation office in SS111. When cross listing courses (using the same class to fulfill two requirements) take extra care not to double count the credit hours. Write the number of hours under one of the requirements, and cross out the appropriate column under the cross-listed requirement.

<u>Currently* approved bridge courses</u>: * New courses are periodically added; please see the "Bridge Course" flyer in SS 111 for an updated list or on the web at http://asu.edu/clas/bridgecourses. The Bridge course requirement cannot be double counted to fill the University General Studies HU, SB, SG or SQ or other College Graduation requirements. Unless otherwise noted only the main campus courses listed below will fulfill the bridge course requirement.
