

Arizona State University East, East College
DEPARTMENT OF NUTRITION

DIETETICS

All degrees require 120 total credit hours, of which 45 must be upper division (300 and 400 level).

Degree requirements include proficiency and general requirements for the University, the Department of Nutrition, and this specific concentration of Dietetics. Note that the Major is Nutrition and the Concentration is Dietetics. For course descriptions and prerequisites, see the General Catalog

UNIVERSITY GENERAL STUDIES REQUIREMENTS

AGEC/TGECC Certification •

First-Year Composition

___ ENG 101 1styr Composition AND
___ ENG 102 1styr Composition OR
___ ENG 105 Adv English Composition

Literacy (L) – Two 2 courses, one must be upper div.

___ L (NTR 448 fulfills this.)
___ L (NTR 344 fulfills this.)

Note: ADA requires one technical writing course.

Numeracy

___ MA (Math) (MAT 114 or 117 or higher required.)
___ CS (Computers or Statistics) _____

Note: ADA requires one statistics course

Science (S)

___ S General (CHM 113 fulfills this)
___ S Quantitative (CHM 231/235 fulfills this)

Combined Requirements for two core areas: (1.) Social / Behavioral Science and (2.) Humanities / Fine Arts

- 15 hrs total
- 6 hrs from one core area and 9 hrs from the other
- At least 3 hrs must be upper division

Humanities and Fine Arts (HU)

___ () _____
___ () _____
___ () _____

Social and Behavior Sciences (SB)

___ (3) PGS 101 or equivalent (a) (rec.)
___ (3) SOC 101 or equivalent (a) (rec.)
___ () _____

Awareness Areas (All three areas must be filled. These requirements are usually met from the HU/SB course selections. Check General Studies Courses in the General Catalog.)

___ C (Cultural Diversity) _____
___ G (Global Awareness) _____
___ H (Historical Awareness) _____

NOTES:

- This degree concentration has been granted Full Accreditation by the Commission on Accreditation for Dietetics Education of the American Dietetic Association (ADA) as a Didactic Program in Dietetics (DPD).
- A grade of C or better is required for all upper division major Department and Related courses.

- An “*” indicates that the course has a prerequisite. Consult the University Catalog for this and other information.
- F = Fall S = Spring SS = Summer Session Course rotations may vary. Check current course bulletin for class schedules.

DEPARTMENT – MAJOR/CONCENTRATION REQUIREMENTS

Credit Requirement from Nutrition Department

___ 43 Total ___ 36 Upper Division

1. MAJOR REQUIREMENTS =43 Credit Hours

___ (3) NTR 142 Applied Food Principles (a) (F/S)
___ (1) NTR 150 Intro to Professions in Nutr.&Dietetics (F/S)
___ (3)*NTR 241 Human Nutrition (a) (F/S/SS)
___ (3)*NTR 340 Applications in Human Nutrition (a)(S)
___ (3)*NTR 341 Intro to Planning Therapeutic Diets (a)(F/SS)
___ (3)*NTR 343 Food Service Purchasing (a)(F)
___ (3)*NTR 344 Nutrition Services Management (a)(F/S)(L)
___ (3)*NTR 350 Nutrition Counseling (a)(S)
___ (3)*NTR 400 Nutrition and Health Promotion (F/S)
___ (3)*NTR 440 Advanced Human Nutrition I (a)(F)
___ (3)*NTR 441 Advanced Human Nutrition II (a)(S)
___ (3)*NTR 444 Medical Nutrition Therapy (a) (S/SS)
___ (3)*NTR 445 Quantity Food Production (a)(F/S)
___ (3)*NTR 446 Human Nutrition Assessment (a)(F/S)
___ (3)*NTR 448 Community Nutrition (a)(F/S)(L)

2. RELATED COURSES REQUIREMENTS =28 Credit Hours

___ (4)*MIC 205/206 Microbiology Lecture/Lab (a)
___ (4) BIO 201 Human AnatomyPhysiology I (a)
___ (4)*BIO 202 Human AnatomyPhysiology II (a)
___ (4)*CHM 113 General Chemistry I (a)
___ (4)*CHM 116 General Chemistry II (a)
___ (4)*CHM 231/235 Organic Chemistry Lecture/Lab (a)
___ (4)*BCH 361/367 Biochemistry Lecture/Lab (a)

FURTHER ADA COURSE REQUIREMENTS

___ Technical Writing, e.g. ENG 301 Writing for Prof. (L) (a)
___ Statistics (CS) (a)

ADDITIONAL COURSES TO UNIVERISTY REQUIREMENTS

Further course selection may be necessary to meet all University requirements. See advisor for help in course selection.

Further Course Selections:

___ () _____

Catalog Year 2003 - 2005

Degree Code 31

____() _____
____() _____

Major Code 8352

(a) Required for completion of the Didactic Program in Dietetics (DPD), as accredited by the Commission on Accreditation for Dietetics Education of the American Dietetic Association (2000). See back for further information regarding requirements for becoming a Registered Dietitian.

STEPS TO BECOMING A REGISTERED DIETITIAN

Eligibility for Dietitian Registration as established by The American Dietetic Association (ADA) requires completion of the following three (3) steps:

1. DIDACTIC PROGRAM

At Arizona State University East (ASU), the Didactic Program consists of the completion of a bachelor's degree in nutrition with a concentration in dietetics. This concentration provides all of the specific courses to meet the didactic/knowledge guidelines set by ADA. The Dietetic Concentration has been granted Accreditation by the Commission on Accreditation for Dietetics Education of The American Dietetic Association (ADA). If a student has completed a bachelor's degree in another area or another university, he/she must complete the following roster of DPD classes. Upon completion of this step you will receive a *Verification Statement* signed by the Didactic Program in Dietetics (DPD) Director. Note that each educational institution defines the specific courses, which constitute their "DPD Program." At ASU East, these courses are:

- Technical or Professional Writing (ENG 301 or equivalent)
- Statistics
- PGS 101 (Intro Psychology) or equivalent
- SOC 101 (Intro Sociology) or equivalent
- CHM 113 or equivalent: General Chemistry I with Lab
- CHM 116 or equivalent: General Chemistry II with Lab
- CHM 231 & 235 or equivalent: Organic Chemistry and Lab
- BCH 361 & 367 or equivalent: Biochemistry and Lab
- MIC 205 & 206 or equivalent: Microbiology and Lab
- BIO 201 or equivalent: Human Anatomy / Physiology I with Lab
- BIO 202 or equivalent: Human Anatomy / Physiology II with Lab
- NTR 142 Applied Food Principles
- NTR 241 Human Nutrition
- NTR 340 Applications in Human Nutrition
- NTR 341 Introduction to Planning Therapeutic Diets
- NTR 343 Food Service Purchasing
- NTR 344 Nutrition Services Management
- NTR 350 Nutrition Counseling
- NTR 440 Advanced Human Nutrition I (Micronutrients)
- NTR 441 Advanced Human Nutrition II (Macronutrients)
- NTR 444 Medical Nutrition Therapy
- NTR 445 Quantity Food Production
- NTR 446 Human Nutrition Assessment Lecture/Lab
- NTR 448 Community Nutrition

Note: *All of these classes must be completed with a grade of "C" or above* in order to meet the DPD standards. This requirement may exceed university graduation requirements, which may define a grade of "D" or above as passing.

Students coming to ASU from other programs must complete a minimum of 15 credits of upper division NTR courses at ASU including nine (9) credits from the following: NTR 440, 441, 444, 446.

67052784. PRACTICUM/INTERNSHIP

Completion of a professional practicum program, i.e. an internship: This step is independent of the undergraduate degree program. Students wishing to complete this step generally apply to Internships during their last semester of course work. More information about this process is available from the DPD Director.

REGISTRATION EXAMINATION

Passing a national registration examination: Students are not eligible to sit for the registration examination until they have completed both steps 1 and 2 above.

All questions regarding the DPD Program should be directed to
Dr. Linda Vaughan, DPD Director, (480) 727-1731.
