

ASU-Tempe: School of Life Sciences, College of Liberal Arts and Sciences

BIS Area of Concentration Check Sheet: Biology

Catalog Year: 2004-2005

Advising Location and Phone Number: LSC 206, (480) 727-6277

Description: The Biology concentration is offered to students interested in the study of the living organisms and biological processes.

Course Number	Course Title	Lower Division	Upper Division	Sem./Year Taken
BIO 187	General Biology I	4		
BIO 188	General Biology II	4		
Upper Division Hours Required			12	
Total Hours Required			24	

Requirements:

A concentration in Biology consists of 24 hours in Biology, Plant Biology, or Microbiology courses. Students must take BIO 187 and BIO 188. Additional courses needed to reach the 24 hour requirement must be selected with the approval of an advisor in the School of Life Sciences. At least 12 hours must be upper division. *Courses not available for credit in life science majors cannot be used for the BIS Biology concentration (e.g., BIO 201).*

“C” minimum required for all classes in the Biology area of concentration.

A minimum of 12 hours of residence credit at ASU Main campus required.
