ASU-Main/College of Liberal Arts and Sciences BIS Area of Concentration Check Sheet: Psychology

Catalog Year: 2005-06

Advising Contact Information: PSY 236A; psych.advisor@asu.edu; 480-965-7258

The Concentration in Psychology focuses on appreciating and valuing the life of the mind and understanding the human condition from a scientific, psychological point of view. Students completing the concentration in psychology should possess breadth of knowledge pertaining to the major principles, theoretical approaches and findings in psychology. They should also understand and be able to use fundamental research and quantitative methods in psychology and be able to gather and synthesize psychological findings. Finally, they should be able to understand the relevance and applicability of psychological principles, approaches and findings to individual, group and social issues. In so doing, they will be prepared as educated citizens to pursue productive careers inside and outside of Psychology and engage on a daily basis their increasingly complex, information-rich world.

	Psychology				
Upper Division Hours Required		12			
Total Hours Required		22			

Requirements: 1. Minimum of 6 hours upper division residence credit at ASU Main campus

2. "C" minimum grade required for all classes in the area of concentration

Eligibility: 1. BIS and pre-BIS majors may pre-register for concentration classes if they meet course

prerequisites (see catalog for prerequisites).

Note: If an approved non-psychology statistics course is substituted for PSY 230, an additional psychology course (PGS or PSY prefix) must be taken to complete 22 hours of required psychology coursework. Internship and Teaching Assistant credit may not be used to satisfy this requirement.
