

BIS Concentration in Philosophy
2006-2007

Requirements:

1. 18 Credit hours in Philosophy
2. 12 Upper-division hours
3. Grade of "C" or higher
4. Approval from the Philosophy Undergraduate Advisor
5. No more than two courses from any sub-discipline.

Students should consult with the Philosophy Undergraduate Advisor about a proposed selection of courses before taking them. Though not mandatory, this step can prevent unpleasant surprises later, since not every selection of courses is approved.
