				<ul style="list-style-type: none"> 120 semester hours minimum are needed for the degree. At least 45 semester hours must be upper division. Courses numbered 300 - 499 are upper division. If the semester hours of a course are enclosed in parentheses, e.g., (3), the course satisfies more than one degree requirement. While a course may satisfy more than one requirement, the semester hours for the course are only counted once. To determine community college course transferability, go to http://az.transfer.org/cas and click Course Equivalency Guide (CEG). This checksheet is an unofficial guide and does not constitute a contract between the university and the student.
