Building Abbreviations

ADM A........................................Administration A-Wing
ADM B........................................Administration B-Wing
AED ...........................................College of Architecture and
                                            Environmental Design/North
AG .............................................Agriculture Building
AGBI ..........................................Agribusiness Quads 1–4
AGBFS .........................................Agribusiness Food Service Lab
ANTH (Wings A–C) .........................Anthropology Building
AQUAT (Wings A and B) .................Mona Plummer
                                            Aquatics Center
ARCH ...........................................College of Architecture and
                                            Environmental Design/South
ARCV ..........................................Art Archives
ART .............................................Art University
ARWH ..........................................Art Warehouse
ASUDC ......................................Downtown Center
BA ..............................................Business Administration Building
BAC .............................................Business Administration C-Wing
BKSTR .......................................ASU Bookstore
CERA (Wings A and B) ....................Ceramics Annex
CFS ..........................................Center for Family Studies
CHAPL .......................................Danforth Chapel
CLCC ........................................Classroom Laboratory/Computer Building
CLRB ..........................................Classroom Building
CMPIN ......................................Campus Inn
CMSC .......................................Community Services Center
CNTR .........................................Academic Center Building
COWDN (Wings A and B) ...............Cowden Family
                                            Resources Building
CP ..............................................Central Plant
CPCOM ......................................Computing Commons Building
CRI ............................................Cancer Research Institute
CRNX ............................................Classroom Annex
CTRSV ......................................Central Services Complex
EC (Wings A–G) ............................Engineering Center
ECANX ......................................Engineering Center Annex
ED ..............................................Hiram B. Farmer Education Building
EDB ............................................Ira D. Payne Education Hall
EDC ...........................................G. D. McGrath Education Lecture Hall
ELAB .........................................Electronics Laboratory Building
ENGRC .......................................Engineering Research Center
FAB ............................................Faculty and Administration Building
FAC ............................................Nelson Fine Arts Center
FIELD ........................................University Field Lab
FLHLB .......................................Fletcher Library
GGMA ......................................Grady Gammage Memorial Auditorium
GHALL .......................................Dixie Gammage Hall
GWC ..........................................Barry M. Goldwater Center
IAPNX ......................................Interdisciplinary Arts and Performance Annex
ICA ............................................Intercollegiate Athletics
IRISH ........................................Frederick M. Irish Hall
JWS (Wings A and B) .....................John W. Schwada Classroom
                                      Office Building
LAW ..........................................John S. Armstrong Hall
LAWLB .....................................John J. Ross-William C. Blakely Law Library
LIB ...........................................Charles T. Hayden Library
LL (Wings A–C) ............................G. Homer Durham Language
                                      and Literature Building
LS (Wings A–C) ............................Life Sciences Center
LSE ...........................................Life Sciences E-Wing
LYC .............................................Lyceum Theatre
MAIN ...........................................Old Main
MCENT .......................................A.J. Matthews Center
MCL ............................................James H. McClintock Hall
MHALL .......................................Carrie Matthews Hall
MOEUR ......................................B.B. Moeur Administration
MTCHL ......................................Mitchell School (Tempe)
MU ..............................................Memorial Union
MUR .............................................John Murdock Lecture Hall
MUSIC .......................................Music Building
NEEB ..........................................L.S. Neeb Hall
NOBLE ......................................Daniel E. Noble Science and
                                      Engineering Library
NUR ...........................................Nursing Building
PBS ..........................................Packard Baseball Stadium
