Arizona State University's third campus, ASU East, opened at the Williams Campus in the fall of 1996, serving more than 1,000 students in degree programs offered by the College of Technology and Applied Sciences and the School of Agribusiness and Resource Management. These unique "get down to business" programs are offered at no other Arizona campus, and they are tailored to help students develop knowledge and skills specifically needed in the businesses and industries of the 21st century. In 1997, East College was created to provide support courses for existing programs and to generate new degree programs at ASU East.

ASU East, a residential campus, is transforming the facilities inherited from Williams Air Force Base into an academic village. The campus includes excellent educational facilities: modern classrooms and laboratories, a 21st-century electronic library, and state-of-the-art computer equipment. ASU East offers unique residential opportunities. Faculty, staff, and students live, teach, work, and learn together in a growing, diverse academic community offering a choice of traditional residence halls or two- to five-bedroom homes. Other amenities include a dining hall, bookstore, campus union, free parking, and abundant recreational facilities.

ASU East is a student-centered campus that offers many of the features of a small college in a rural area while providing access to the resources of a major research university and the amenities of a large metropolitan area. A shuttle service provides transportation between ASU East and ASU West. The 600-acre ASU East campus is easily accessible via major interstate routes. See map on page 373.

For more information, check the Web site at www.east.asu.edu, e-mail eastweb@asu.edu, or call 602/727-EAST (3278).

Accreditation

The North Central Association of Colleges and Schools accreditation of ASU Main includes ASU East. In addition, ASU East programs in Aeronautical Engineering Technology, Electronics Engineering Technology, and Manufacturing Engineering Technology are accredited by the Technology Accreditation Commission of the Accreditation Board for Engineering and Technology, Inc. (TAC of ABET).

Academic Organization and Administration

The chief operating and academic officer of ASU East is the provost. There are two colleges and one school at ASU East administered by deans. These academic units develop and implement the teaching, research, and service programs of the institution. Additional support for the academic mission of the campus is provided by Library Services and Information Technology, each administered by a director. See "ASU East Administrative and Academic Personnel," page 375.

Advising

Students are encouraged to take advantage of the skill and knowledge of the advising professionals available to them in the academic units and to seek academic advising early.

For more information or to schedule an advising session, contact an academic advisor.

ASU West Photo

ASU West

Elaine P. Maimon, Ph.D.
Vice President and Provost

Arizona State University West was established in 1984 to meet the higher education needs of residents of western Maricopa County. It is a nonresidential campus of ASU that offers upper-division and graduate courses. ASU West offers baccalaureate degrees in 28 academic majors in the arts and sciences and selected professional fields. The campus also offers four certificate programs and master's degree programs in Business Administration, Educational Administration and Supervision, Elementary Education, and Secondary Education.

ASU West prepares students to be successful in the global society of the 21st century by engendering a responsiveness to change and an appreciation of intellectual, cultural, gender, and generational diversity. The campus is committed to encouraging the educational, economic, cultural, and social development of the metropolitan area.

Academic programs and support services are designed to meet the diverse needs of today's working adults, returning students, and continuing students. Academic programs, classes, and support services are innovative and focused on providing students with a high quality education. Classes are conveniently offered in the day and evening, as well as on weekends, through television (cable), the Internet, and off-campus locations.

With an enrollment of about 5,000 students, ASU West provides a small college atmosphere, yet students have the advantage of all the on- and off-campus resources of a nationally recognized Research I and Pac-10 university. The ASU West campus, consisting of seven buildings totaling about 600,000 square feet, provides state-of-the-art facilities in a beautifully landscaped environment. The 300-acre campus is easily accessible via the interstate routes of I-10 and I-17.

Accreditation

ASU West is accredited by the Commission on Institutions of Higher Education of the North Central Association of Colleges and Schools. Professional programs in various academic areas are also accredited by the following agencies.

All Business and Accountancy degree programs in the School of Management are accredited by the American Assembly of Collegiate Schools of Business (AACSB), the official accrediting agency in the field of business administration.

In the College of Human Services, the Recreation and Tourism baccalaureate program is accredited by the National Recreation and Park Association/American Association for Leisure and Recreation (NRPA/AALR), and the undergraduate Social Work program is accredited by the Council on Social Work Education (CSWE).

Academic Organization and Administration

As chief administrative and academic officer of ASU West, the vice president and provost for ASU West provides executive leadership for the continuing development and management of the campus and reports directly to the president of Arizona State University. The vice president and provost is aided in the administration of the campus by vice provosts, deans, directors, department chairs, faculty, and other officers. There are four schools and colleges at ASU West administered by deans. In addition, there is a Division of Collaborative Programs. These academic units develop and implement the teaching, research, and service programs of the institution, aided by the ASU West Library and other services.

Degree/Certificate Programs

ASU West offers the following degree or certificate programs at the graduate or postbaccalaureate level:

College of Education

- M.Ed. Educational Administration and Supervision
- M.Ed. Elementary Education
- M.Ed. Secondary Education
- Postbaccalaureate programs for teacher certification
 - Elementary Education
 - Secondary Education

College of Human Services

- Postbaccalaureate certificate in Gerontology

School of Management

- M.B.A. Master of Business Administration
- Postbaccalaureate certificate in Accountancy

Campus Facilities and Services

The campus of ASU West is located between 43rd and 51st Avenues on West Thunderbird Road in Phoenix. Immediately west of the campus is the city of Glendale. The core campus was completed in March 1991 and includes the following facilities: the Fletcher Library, Sands Classroom Building, Classroom Laboratory/Computer Building, Faculty and Administration Building, Kiva Lecture Hall, and University Center Building.

Fletcher Library. With a seating capacity of 900 and space for 300,000 volumes, the 106,000-square-foot facility is a state-of-the-art information access center designed to take full advantage of electronic technology.

Sands Classroom Building. Containing 38 rooms for classes and seminars, the building provides an intimate atmosphere in which to exchange ideas.

Kiva Lecture Hall. The Kiva seats 200 and serves as an auditorium for a variety of programs, faculty lectures, and public forums.

Classroom Laboratory/Computer Building. This building contains science laboratories; studios for art, dance, and music; computer classrooms; and an astronomy platform located on the roof.

Faculty and Administration Building. Most faculty and administrative offices are located in this building. Classrooms are located in the basement of the east wing.

University Center. This facility houses admissions and records, an array of student assistance programs, health services, a preschool, and student activities. Other building facilities include food service, a bookstore, cashier and fee payment services, student lounges, an art gallery, a wellness/fitness facility, a black box theater, meeting rooms, a branch office of the Arizona State Savings and Credit Union, and a divisible, multipurpose auditorium.

Library Services. The Fletcher Library collection includes 260,000 volumes, 1.3 million microforms, and more than 3,000 serial titles. Additionally, students have access to the 3 million-volume collection on the main campus, which is provided through the ASU Library Online System and a document delivery service.

The library is open seven days a week. Library staff members are on duty when the library is open to provide instruction in using the online catalog, the CD-ROM databases, and other library resources. Individual consultations by appointment are also available.

Computing Facilities and Services. Information Technology at ASU West offers a full range of computing facilities for use by students, faculty, and staff through a combination of local microcomputer facilities and a pervasive high-speed communications network that provides access to mainframe computer facilities located at ASU Main and to the Internet. Dial-in access to university mainframes and the Internet is available.

Technopolis, a student computing access center located on the lower level of Fletcher Library, contains networked IBM-compatible and Macintosh microcomputers, and high-quality peripherals such as laser printers and scanners. Software needed by ASU West students is provided on Technopolis computers and servers. Information and

help for computer users, computer accounts services, adaptive technology for students with disabilities, and manuals for equipment and software are available at the center.

ASU West also has five electronic classrooms and a multimedia presentation facility that provide for the easy use of computers and audiovisual equipment during instruction. They are located in the Classroom Laboratory/Computer Building.

Student Affairs

Student Affairs is responsible for the delivery of a variety of services and developmental programs in support of students' extracurricular needs and educational pursuits. Special attention is given to the recruitment and retention of a culturally diverse student population. Student Affairs' stated purpose is to identify and respond to the support and student development needs of ASU West's diverse student population for the purpose of enhancing each student's social, cultural, personal, intellectual, and professional growth. The offices of Student Affairs are located in the University Center Building and currently offer programs for

1. admissions information and services,
2. career services and personal counseling,
3. disability support services,
4. financial aid,
5. learning enrichment/tutorial,
6. multicultural student services,
7. registration services,
8. student employment,
9. student health services,
10. student life, and
11. veterans services.
