ASU West currently offers four master’s degree programs plus specialized programs leading to professional certificates. Degree programs are offered through four academic units:

1. College of Arts and Sciences
2. College of Education
3. College of Human Services
4. School of Management

Established in 1984 as a nonresidential campus, ASU West serves the diverse needs of approximately 5,000 working adults, returning students, and continuing students, many of whom balance academic demands with work and family. Students enjoy a small college atmosphere on a conveniently located, full-service neighborhood campus, while having access to the resources of a Research I, PAC-10 university.

Academic programs, classes, and support services (including child care) are innovative and provide students with a high quality education. Classes are offered in the day and evening, as well as on weekends, through television (cable), on the Internet, and at off-campus locations.

The ASU West campus occupies more than 300 acres and is easily accessed via the interstate routes of I-10 and I-17. Facilities are state-of-the-art and consist of seven major buildings (600,000 square feet) surrounded by a beautifully landscaped, natural environment.

Accreditation
ASU West is accredited by the Commission on Institutions of Higher Education of the North Central Association of Colleges and Schools. Professional programs in various academic areas are also accredited by the following agencies.

All Business and Accountancy degree programs in the School of Management are accredited by the American Assembly of Collegiate Schools of Business (AACSB), the official accrediting agency in the field of business administration.

Academic Organization and Administration
As chief operating and academic officer of ASU West, the vice president and provost for ASU West provides executive leadership for the continuing development and management of the campus and reports directly to the president of Arizona State University. The vice president and provost is aided in the administration of the campus by vice provosts, deans, directors, department chairs, faculty, and other officers. There are four schools and colleges at ASU West administered by deans. These academic units develop and implement the teaching, research, and service programs of the institution, aided by the ASU West Library, Division of Collaborative Programs, and other services.

Degree and Certificate Programs
ASU West offers degree and certificate programs as shown in the “ASU West Graduate Degrees and Majors,” page 385. ASU West also offers postbaccalaureate programs for teacher certification in Elementary Education and Secondary Education.

At the graduate or postbaccalaureate level, three certificates are available: The Certificate in Gerontology, administered by the College of Human Services; and the Postbaccalaureate Certificate in Accountancy, administered by the School of Management

Campus Facilities and Services
The campus of ASU West is located between 43rd and 51st Avenues on West Thunderbird Road in Phoenix. Immediately west of the campus is the city of Glendale. The core campus was completed in March 1991 and includes the following facilities: the Fletcher Library, Sands Classroom Building, Classroom Laboratory/Computer Building, Faculty and Administration Building, Kiva Lecture Hall, and University Center Building.

Fletcher Library. With a seating capacity of 900 and space for 300,000 volumes, the 106,000-square-foot facility is a state-of-the-art information access center designed to take full advantage of electronic technology.

Sands Classroom Building. Containing 38 rooms for classes and seminars, the building provides an intimate atmosphere in which to exchange ideas.

Kiva Lecture Hall. The Kiva seats 200 and serves as an auditorium for a variety of programs, faculty lectures, and public forums.
Classroom Laboratory/Computer Building. This building contains science laboratories; studios for art, dance, and music; computer classrooms; and an astronomy platform located on the roof.

Faculty and Administration Building. Most faculty and administrative offices are located in this building. Classrooms are located in the basement of the east wing.

University Center. This facility houses admissions and records, an array of student assistance programs, health services, a preschool, and student activities. Other building facilities include food service, a bookstore, cashier and fee payment services, student lounges, an art gallery, a wellness/fitness facility, a black box theater, meeting rooms, a branch office of the Arizona State Savings and Credit Union, and a divisible, multipurpose auditorium.

Library Services. The Fletcher Library collection includes 310,000 volumes, 1.4 million microforms, and more than 3,000 serial titles. Additionally, students have access to the 3 million-volume collection on the main campus, which is provided through the ASU Library Online System and a document delivery service.

The library is open seven days a week. Library staff members are on duty when the library is open to provide instruction in using the online catalog, the full-text databases, and other library resources. For library hours, call 602/543-8500. For information and reference services, call 602/543-8501.

Information Technology at ASU West offers a full range of computing facilities for use by students, faculty, and staff through a combination of local microcomputer facilities and a pervasive high-speed communications network that provides access to server computer facilities located at ASU Main and to the Internet. Students may access ASU servers from home through their Internet service provider connections.

Technopolis, a student computing access center located on the lower level of Fletcher Library, contains networked IBM-compatible and Macintosh microcomputers, and high-quality peripherals such as laser printers and scanners. Software needed by ASU West students is provided on Technopolis computers and servers. Information and help for computer users, computer accounts services, adaptive technology for students with disabilities, and manuals for equipment and software are available at the center.

ASU West also has several classrooms and a multimedia presentation facility that facilitate the use of computers and audiovisual equipment during instruction. They are located in the Classroom Laboratory/Computer Classroom Building.
