Student Services

The university is committed to the belief that an education involves more than attending class. While the assimilation of information is a central part of the university experience, learning about others, about independence and leadership, and about living in a complex society are equally important. Student Affairs’ services and developmental programs reflect this philosophy.

UNDERGRADUATE ADMISSIONS

For many undergraduates, the first introduction to ASU is through the recruitment and admission programs of Undergraduate Admissions. Personal contact with prospective students through high school and community college visits and through student visits on campus are some of the approaches that provide information about the academic programs and support services available at ASU. A primary goal of Undergraduate Admissions is to identify, inform, motivate, recruit, and enroll students from ethnic groups underrepresented at ASU. Orientation programs ease the students’ (and parents’) transition to the ASU campus. Undergraduate Admissions also coordinates and supports the ASU Parents Association. For more information about undergraduate admissions, call 480/965-7788, or visit the Web site at www.asu.edu/admissions. For more information about the ASU Parents Association, call 480/965-2602.

STUDENT FINANCIAL ASSISTANCE

Pursuing a college education is an important life decision as well as a major financial investment. The cost of a college education can be a major concern for many students and their families. The ASU Student Financial Assistance Office is committed to helping students, within the limits of available funds, meet college costs. Options range from merit scholarships to financial aid awards—grants, loans, and employment.

Approximately two-thirds of ASU students rely on some form of financial assistance to meet their educational expenses. For more information, call 480/965-3355, or visit the Web site at www.asu.edu/financialaid.

REGISTRAR

Management of the registration system and maintenance of academic records are the primary responsibilities of the Office of the Registrar. Registration is available through SunDial, the ASU touch-tone registration and fee payment system, or in person at the ASUSB Registrar site, OASIS General Information site at ASU East, or Registration Services at ASU West. The Student Information System stores academic records and improves the quality of data used in academic advising. The Office of the Registrar coordinates applications for graduation and undergraduate readmission, course changes and scheduling, transcript services, applications for residency, and verification of enrollment. For more information, call 480/965-4747, or visit the Web site at www.asu.edu/registrar.

Veterans Services

This office offers complete educational services for U.S. veterans and their eligible dependents. Counseling about admissions, registration, and veterans benefits is available. Veterans programs provide service by advising all interested veterans and dependents about educational benefits and their optimum use. Students must apply each semester to receive veterans benefits. The program also assists veteran students in obtaining suitable paid tutors, when needed, using their federal benefits. Students receiving veterans educational benefits are not eligible to receive pay for audited courses. Veterans must achieve satisfactory GPAs and semester hours progress toward their academic programs for continued educational benefits, as stated under “Satisfactory Academic Progress,” page 76. The university must report this progress to the Department of Veterans Affairs each term. Failure to maintain the minimum GPA established by the university and/or the veteran’s college may result in academic probation or disqualification. Although veterans may be eligible for educational benefits while on academic probation, benefits could be affected by a continuing probation status. The Veterans Services Section is located in SSV 148.

For more information, call 480/965-7723.

RESIDENTIAL LIFE

Living in one of the ASU residence halls provides students the opportunity to make the most of their college experience. Special residential communities for freshmen, honors students, and students in particular academic areas offer opportunities and activities that enrich the educational experience.

The Freshman Year Experience program (see “Freshman Year Experience,” page 40) provides a unique environment of classrooms, live-in tutors, academic advisors, and other support services designed to help freshmen develop skills for success.

Because the demand for campus housing tends to exceed space availability in the residence halls, students are encouraged to apply for housing early (before March 1, 2002) for the best chance to live on campus for fall semester 2002. Housing is not guaranteed. Students must be admitted to ASU before applying for housing. Requests for specially modified rooms for students with disabilities should be noted on the application.

Students will receive residence hall application information with their admission certificate. For more information, visit the Web site at www.asu.edu/reslife, call 480/965-3515, or write to...

STUDENT DEVELOPMENT

ASU students experience success through active involvement in learning and within their community. Student Development enhances student learning through academic support services and programs and encourages student involvement in the community through participation in cocurricular programs, clubs, employment, leadership opportunities, organizations, and service.

Freshman Year Experience
A student’s freshman year is a time to learn new ideas, meet new people, and grow as an educated citizen ready to contribute to the community. The Freshman Year Experience (FYE) helps freshmen achieve academic success by coordinating services and programs in settings designed just for freshmen. Services provided include freshman-level classes and academic advisors in the halls, computer labs, live-in tutors with tutoring offered five nights a week, staff trained to support students in achieving academic success, and special floors for freshmen majoring in Engineering; Architecture and Environmental Design; Business; Education; and Broadcasting, Communication, and Journalism (within the College of Public Programs).

ASU has designated several residence halls as FYE service sites: Manzanita, Mariposa, McClintock, Palo Verde complex, Sahuaro, and Sonora. A freshman can choose to live in one of the halls and have direct access to FYE programs or opt to live off-campus or in another residence hall and still use FYE services. For more information, call 480/965-1512, or access the Web site at www.asu.edu/vpsa/fye.

Learning Resource Center
The Learning Resource Center (LRC) provides academic support to ASU students through tutoring in most disciplines. Supplemental Instruction™ (SI), peer coaching, academic success workshops, and computer-assisted instruction. The LRC provides scheduled small-group tutoring to ASU students in all grade levels in approximately 100 courses, including math, languages, business, physics, chemistry, and computer science. SI provides students in traditionally challenging courses with the opportunity to meet with an SI leader, a student who has successfully completed the course, for collaborative study-skills sessions that focus on the course material.

The peer coaching program assists ASU students on or at risk of academic probation by providing a structured learning environment that focuses on helping students develop time- and stress-management skills. The academic success workshops offer the opportunity to develop general academic skills and college adjustment/survival skills such as coping with test anxiety, organizational skills, and critical thinking. Computer-assisted instruction is open to all ASU students, staff, and faculty, and addresses learning software applications, Internet use and research, and e-mail.

For more information, call the LRC at 480/965-6254, or access the Web site at www.asu.edu/vpsa/lrc.

Co-Curricular Programs

Co-Curricular Programs (CCP) works to enhance the ASU undergraduate educational experience by maximizing faculty and student interaction outside the traditional classroom setting. This is accomplished through the following program components:

Campus Wide Programming. CCP brings students and faculty together for a variety of events that facilitate informal dialogue, lead to the exchange of ideas, and provide out-of-classroom learning experiences. The annual Last Lecture Series offers students the opportunity to recognize and honor excellent teaching by nominating outstanding faculty to present a lecture to the ASU community as though this would be their “last lecture.”

Residential Programming. CCP supports Residential Assistants in the development of programs that promote learning outside the classroom. Programs like the Classic Film Colloquia bring students and faculty together to explore ideas and topics that supplement and enhance their classroom learning.

Seminar Courses. CCP coordinates a number of small group seminar courses each semester, entitled CED 394: Special Topics in Leadership. These one-semester-hour, discussion-format courses bring together a faculty or staff member and up to 12 students to discuss and learn about a specific interest or topic. CED 394 courses are open to students of all academic levels and majors.

Faculty Fellows. Faculty take an active role in the planning and development of CCP programs. Faculty Fellows serve as liaisons with their academic departments and their colleagues, further enhancing the learning experiences of students outside the traditional classroom.

Student Advisory Board. Students work collaboratively with Faculty Fellows and CCP staff to develop and promote programs for the campus community.

For more information on upcoming programs or seminar courses, call CCP at 480/965-9600, or access the Web site at www.asu.edu/vpsa/partnerships.

Other services available to the ASU community include consultation and outreach programming. Career interest testing is offered to both students and non-students.

Counseling and Consultation provides training for psychologists through its internship training program for doctoral trainees in clinical and counseling psychology. This program is accredited by the American Psychological Association. In addition, counseling practicum training is provided to master’s and doctoral students enrolled in ASU graduate programs.

Confidentiality in counseling is of utmost importance. Information about a student is not released without that student’s written permission, except in the case of imminent danger to self or others, child/adult abuse, court order, or where otherwise required by law. Notations of counseling are not a part of a student’s academic record.

ASU students may schedule an initial counseling appointment either by phone (480/965-6146 or 480/965-4726) or in person. There is no cost for the initial personal consultation. Students may receive up to three counseling sessions for no fee. Fees are charged for additional sessions although fee reductions and waivers are available. Office hours are 8 A.M. to 5 P.M. Monday through Friday. Counseling and Consultation is located at two sites on campus, SSV 334 and SHW A168.

Patients receiving medical treatment off campus, such as consultations, emergency care, and hospitalization, are responsible for any resulting charges.

Insurance. While the Student Health and Wellness Center provides comprehensive ambulatory care, it is not a substitute for health insurance. Medical insurance coverage is strongly recommended for all students and is required for international students. Eligible students and dependents may enroll in health insurance coverage arranged by ASU. Dependents must complete an application and may require underwriting approval by the insurance carrier. The coverage assists students in paying for laboratory and radiology procedures, off-campus consultations, hospitalization, surgery, and emergency and after-hours care. Students may purchase health insurance through SunDial, the ASU touch-tone telephone registration system, or at any registrar site. For more information, call the Student Health and Wellness Center’s insurance office at 480/965-2411.
