Dear Students:

It is with pride that we introduce the Arizona State University West 2003-2004 Catalog. As a vital component of ASU’s multi-campus vision, ASU West continues to expand its academic offerings and student services. This catalog is intended to provide information about the programs, facilities, and services available at ASU West during the 2003-2004 academic year.

This catalog is organized in a manner that will help you easily find the information you need. Although the catalog will answer many of your questions, we urge all students to seek guidance from an advisor when planning a program of study. Please feel free to call any of the offices or individuals listed in the catalog whenever you have a question.

Our goal is to provide you with a challenging and meaningful educational experience.

Welcome to ASU West.

Sincerely,

Michael Crow  Elaine P. Maimon
President, ASU  Provost, ASU West; Vice President, ASU
