Arizona State University

2004–2005 General Catalog

All colleges, schools, divisions, and departments establish certain academic requirements that must be met before a degree is granted. Advisors, directors, department chairs, and deans are available to help the student understand these requirements, but the student is responsible for fulfilling them. At the end of a student's course of study, if requirements for graduation have not been satisfied, the degree is not granted. For this reason, it is important for all students to acquaint themselves with all regulations, to be informed throughout their college careers, and to be responsible for completing requirements. Courses, programs, and requirements described in the catalog may be suspended, deleted, restricted, supplemented, or changed in any other manner, at any time, at the sole discretion of the university and the Arizona Board of Regents. The catalog does not establish a contractual relationship but summarizes the total requirements the student must currently meet before qualifying for a faculty recommendation to the Arizona Board of Regents to award a degree.

Arizona State University reserves the right to add, amend, or revoke, without notice, any of the materials—information, requirements, regulations—published in this catalog.

The catalog is also available on the Web at www.asu.edu/aad/catalogs. Admissions information is available at www.asu.edu/admissions. Address requests for additional information to

Dear ASU Students and Prospective Students:

Welcome to Arizona State University! I am very glad to introduce the 2004–2005 *General Catalog*. ASU offers a wide range and depth of academic study, research opportunities, and resources as well as an enthusiastic and engaged faculty to provide you with a high quality education that will be both challenging and rewarding.

The catalog is organized so that you can effectively find the information most applicable to you and your course of studies. All of the information included is intended to help guide you through your university experience. However, nothing will replace the guidance an academic advisor can provide. I strongly encourage you to work closely with an advisor to plan your academic program.

I am tremendously excited to welcome you to ASU and to wish you a productive and fulfilling collegiate experience here.

Sincerely,

A handwritten signature in black ink that reads "Michael Crow". The signature is written in a cursive, flowing style.
