The Katherine K. Herberger College of Fine Arts

purposes, through a myriad of art exhibitions, music and dance concerts, dramatic productions, operas, lectures, and seminars. The cultural life of the university community is further enriched by study opportunities offered at off-campus sites.

The college houses the School of Art, the Department of Dance, the School of Music, and the Department of Theatre. An average of 2,600 students per semester enroll as majors in various degree programs offered through these units. The college also includes the ASU Art Museum and the Institute for Studies in the Arts.

Admission

Students meeting the university requirements for admission may matriculate in the Katherine K. Herberger College of Fine Arts. Separate admission procedures and approvals are required for some programs within the college. Students must contact specific departments or schools for details.

Transfer of Community College Credits. The university standards for evaluation of transfer credit are listed under "Transfer Credit," page 69. Transfer students are encouraged to contact their department or school or the Katherine K. Herberger College of Fine Arts Undergraduate Student Academic Services (GHALL 116) to ensure a smooth transition to the Katherine K. Herberger College of Fine Arts.

Credits transferred from any accredited junior or community college may be accepted up to a maximum of 64 semester hours. (A community college student planning to transfer at the end of his or her first or second year should plan to take community college courses that meet the requirements of the ASU curriculum selected. Students attending Arizona community colleges are permitted to follow the degree requirements specified in the ASU General Catalog in effect at the time they began their community college work, providing their college attendance has been continuous.)

Courses transferred from community colleges are not accepted as upper-division credit at ASU. Arizona students are urged to refer to the Course Applicability System for transferability of specific courses from Arizona community colleges. For more information, access the Web site at ag.transfer.org/cag.

In choosing courses at a community college, students should be aware that a minimum of 45 hours of work taken at the university must be upper-division credits. While attending a community college, it is suggested that students select courses similar to ASU General Studies lower-division courses in the major field.

For optimal course selection, access the ASU Transfer Guides on the Web at www.asu.edu/provost/articulation.

General Transfer Credit. Direct transfer of courses from other accredited institutions to the Katherine K. Herberger College of Fine Arts are subject to (1) the existence of parallel and equal courses in the college's curriculum and (2) departmental or school evaluation of studio courses with respect to performance standards. Every candidate for the bachelor’s degree must earn a minimum of 30 semester hours in resident credit at ASU. Transfer students enrolled in the college must complete a minimum of 15 semester hours of resident credit in the major as approved by the faculty.

Advising

Undergraduate academic advising is handled as a centralized activity within the college. To offer personalized attention, each academic unit establishes its own graduation advising procedures. Students are encouraged to make appointments through the Herberger Student Academic Services central office. For more information, call 480/965-4495.

1 If a major offers concentrations, one must be selected unless noted as optional.
2 This major requires more than 120 semester hours to complete.

Baccalaureate Degrees

The three baccalaureate degrees differ in curricula with respect to the amount of specialization permitted in the major field. The BA degree provides a broad, scholarly, humanistic program, while the other two programs place greater emphasis upon the major field. See the “Katherine K. Herberger College of Fine Arts Baccalaureate Degrees and Majors” table, on this page, for more information.

The university General Studies curriculum plays an integral role within the educational mission of the university and as such constitutes an important component of all undergraduate degrees in the Katherine K. Herberger College of Fine Arts. See “General Studies,” page 92, for more information.

In cooperation with the College of Education, a K–12 endorsement for teacher certification is available in the disciplines of art, dance, and music for students preparing for a teaching career in the public schools. Students should, with the advice and counsel of their arts education advisors, fulfill the requirements for the appropriate area of specialization under the Bachelor of Fine Arts or Bachelor of Music degrees. In addition, a student wishing to be admitted to the Initial Teacher Certification (ITC) program in the College of Education (leading to teaching certification) must consult with an advisor from the Office of Student Services in the College of Education before applying for the ITC. Students must have completed 56 semester hours with a minimum GPA of 2.50. Further details on admission requirements and procedures for the ITC can be found under “Teacher Education,” page 193.

Minors

The Katherine K. Herberger College of Fine Arts provides an opportunity for students majoring in other disciplines to sustain their interest in the arts through a structured program of required courses and electives leading to a minor. The minor is not intended as a substitute for professional work in the arts, but as a complement to various liberal arts and preprofessional curricula.

Minors are offered in Art History, Dance, Music, and Theatre. The total number of semester hours required for a minor ranges from 18 to 25. Students should contact the relevant academic unit for specific requirements and guidelines regarding the minor.

Graduate Degrees

Master’s programs range from 30 to 60 semester hours, depending upon the degree chosen. Doctoral programs vary in scope and curricula. See the “Katherine K. Herberger College of Fine Arts Graduate Degrees and Majors” table, page 276, for more information. See the Graduate Catalog for specific requirements.

UNIVERSITY GRADUATION REQUIREMENTS

In addition to fulfilling college and major requirements, students must meet all university graduation requirements. For more information, see “University Graduation Requirements,” page 88.

GENERAL STUDIES REQUIREMENT

All students enrolled in a baccalaureate degree program must satisfy a university requirement of a minimum of 35 semester hours of approved course work in General Studies, as described under “General Studies,” page 92. All three General Studies awareness areas are required. Consult with an advisor for an approved list of courses. General Studies courses are listed in “General Studies,” page 94, in the course descriptions, in the Schedule of Classes, and in the Summer Sessions Bulletin.

Courses in the major or in a related field area may not be used to satisfy both the major and core area portions of the General Studies requirement. Concurrent listings in the literacy areas, numeracy (computer applications) areas, and awareness areas are an exception. Students are encouraged
to consult with an academic advisor to ensure that they comply with all necessary requirements.

**COLLEGE DEGREE REQUIREMENTS**

The Katherine K. Herberger College of Fine Arts degree requirements supplement the General Studies requirement. Descriptions of additional required courses follow. Students are encouraged to consult with an academic advisor to ensure that they comply with all necessary requirements.

Fine arts majors must take at least six semester hours of fine arts coursework in areas outside of the major school or department. These courses may be in art, dance, music, or theatre. A student may concurrently fulfill this requirement and the humanities and fine arts portion of the General Studies requirement by selecting approved courses as indicated in the Schedule of Classes. This requirement may also be met by taking any Katherine K. Herberger College of Fine Arts course outside of the student’s major.

All BA degrees require the equivalent of 16 semester hours in one foreign language except for the BA degrees in Theatre and Art with concentrations in digital art and studio art. Foreign language study is strongly recommended but not required for these degree programs. Course work may be selected in any language and must follow the sequence of language courses 101, 102, 201, and 202. This requirement may be fulfilled at the secondary school level or by examination. If acquired in secondary school, two years of instruction in one foreign language is considered the equivalent of one year of college instruction. Transfer students are placed in language study at the level above completed work.

Candidates for the BM degree in Performance with a concentration in voice have specific foreign language requirements, which are stated in the degree requirements. There is no foreign language requirement for other concentrations of the BFA or BM degrees.

**ACADEMIC STANDARDS AND RETENTION**

**Good Standing.** Students in the Katherine K. Herberger College of Fine Arts are considered in good standing for the purpose of retention if they maintain a cumulative GPA of 2.00 or higher in all courses taken at ASU. However, to gain admission into certain undergraduate degree programs in the college, students must maintain a minimum GPA within their major and/or a minimum cumulative GPA. These minimum GPAs vary according to the given program.

**Probation.** Any student who does not maintain good standing is placed on academic probation. A student on academic
probation is required to observe any limitations or rules the
college may impose as a condition for retention.

**Disqualification.** A student who is on probation becomes
disqualified if the student (1) has not returned to good stand-
ing or (2) has not met the required semester GPA.

Disqualification is exercised at the discretion of the col-
lege and becomes effective on the first day of the fall or
spring semester following college action. A disqualified stu-
dent is notified by the Office of the Registrar and/or the dean
of the college and is not allowed to register for a fall or
spring semester at the university until reinstated. A student
who is disqualified may not attend as a nondegree student.

**Reinstatement.** Students seeking reinstatement after dis-
qualification should contact the Katherine K. Herberger
College of Fine Arts Student Services Office regarding pro-
cedures and guidance for returning to good standing. When
reinstatement includes readmission, application must be
made to the Readmissions Section of the Office of the Regi-
sistrator.

All academic disciplinary action is a function of the
Katherine K. Herberger College of Fine Arts Student Ser-
vices Office, GHALL 116, under the direction of the assis-
tant dean of the college. Students having academic prob-
lems should call this office for advising at 480/965-4495.

**MAJOR REQUIREMENTS**

The minimum requirement for a baccalaureate degree is
the completion of 120 semester hours with a minimum
cumulative GPA of 2.00. Of these 120 semester hours, at
least 45 must be selected from upper-division courses.

Several professional programs within the college require
additional semester hours for graduation and a higher cumu-
lative GPA of their students. To be acceptable as degree
credit, all course work in the major discipline must show an
earned grade of “C” (2.00) or higher.

In addition to the general information given below, con-
sult the school and departmental sections that follow for
specific degree requirements.

**Bachelor of Arts (BA) Degree.** The BA degree requires
from 45 to 69 semester hours for the major. Depending on
the major, 18 to 24 hours must be selected from upper-divi-
sion (300- or 400-level) courses. The semester-hour require-
ments in the major are distributed between a field of special-
ization (30 to 53 hours) and one or more related fields. The
exact content of the major is selected by a student in consul-
tation with an advisor under the rules and regulations of the
department or school concerned. A successful entrance
audition is also required for admission to the BA degree in
Music program.

**Bachelor of Fine Arts (BFA) Degree.** The BFA degree
requires 52 to 79 semester hours for the major. At least 30 of
these hours, depending on the major, must be selected from
upper-division (300- or 400-level) courses. The curriculum
for the major is designed as preprofessional study. Auditions
are required for entrance into Dance major classes, and
auditions and/or interviews are required for admission into
the BFA program in Dance. Specific information can be
obtained through the department’s Advisement Office.

**Bachelor of Music (BM) Degree.** The BM degree requires
79 semester hours for the major. The required number of
upper-division (300- or 400-level) courses is dependent
upon the area of specialization. The curriculum is designed
to provide a broad yet concentrated preparation with a
choice of specialization among various areas. See the
“Katherine K. Herberger College of Fine Arts Baccalaureate
Degrees and Majors” table, page 275, for available majors
and concentrations. An entering undergraduate music stu-
dent, regardless of the area of specialization, must pass an
entrance audition in his or her primary performing medium
(voice or instrument).

**Academic Standards.** The terms of disqualification, rein-
statement, and appeals are consistent with those set forth by
the university under “Retention and Academic Standards;”
page 84. In addition, a student disqualified in any program
is normally not eligible for reinstatement for two semesters.

**SPECIAL PROGRAMS**

Working closely with faculty, visiting scholars, and
artists-in-residence, students in all fields of the college
participate in dynamic, innovative programs. Students
receive a great deal of individual attention to their creative
work and artistic development.

**School of Art.** The School of Art is among the highest
ranked programs in the country. The faculty are nationally
recognized and the programs offer students diverse educa-
tional opportunities in studio art (ceramics, drawing, fibers,
intermedia, metals, painting, photography, printmaking, and
sculpture), art history and museum studies, and art educa-
tion. Some of the unique offerings include bookmaking and
papermaking, digital art, film, neon, video, computer anima-
tion, and foundry. In addition, internships are available in
galleries and museums throughout the Phoenix area. The
Children’s Art Workshop is an on-campus program taught
by students in art education for school-age children in the
metropolitan area. Northlight, Harry Wood, Gallery 100,
and Step galleries host exhibitions organized and curated by
students. Visiting artists and guest lecturers enrich the basic
curriculum. Graduates of the School of Art have been
accepted to top graduate schools and many are in leadership
positions in art, education, and industry.

**Department of Dance.** The department’s strengths include
choreography and performance, dance science and somat-
ics, educational outreach and methodology, media and tech-
nology, as well as contemporary directions. Prominent and
renowned faculty and guest artists create repertory for dance
majors and for the Dance Arizona Repertory Theatre
(DART), the repertory and community partnership com-
pany. Through instructional curriculum, workshop inten-
sives, guest residencies, strong performance programs,
professional internships, and apprenticeships, students are
exposed to and trained to meet the demands of professional
preparations. An environment that encourages creative
collaboration, interdisciplinary views, and community awareness is central to the mission of the department.

School of Music. Ranked among the top programs in the United States, the School of Music offers a broad scope of degree options for the study of performance, music education, music therapy, composition, theory, history and literature, jazz, music theatre, ethnomusicology, pedagogy, interdisciplinary digital media, accompanying, and conducting. This wide spectrum of areas is supported by special programs and facilities that enrich the opportunities for professional training and musical growth. Music education and pedagogy are supplemented by the Piano and Guitar Preparatory Programs, the Music for Tots series, and special classes for certification in Orff and Kodály methods. Performance opportunities are enhanced by a wide variety of ensembles, including such groups as marimba, African drumming, and mariachi. Voice students may pursue training in opera or in Broadway musicals. Composition students work in the Electronic Music Studio, and all benefit from the Electronic Classroom, a state-of-the-art computer facility. A variety of community partnerships, including a gang intervention program, stem from the music therapy area. The scope and variety of the School of Music’s programs are made possible by the wide range of expertise of the faculty, who are performers, teachers, conductors, composers, and scholars recognized nationally and internationally.

Department of Theatre. The Department of Theatre’s BA degree features a broad liberal arts education. The program’s mission is to educate imaginative, knowledgeable, skilled, and responsible artists, teachers, scholars, audience members, and advocates for the theatre of the future. Special strengths of the department include internationally acclaimed programs in theatre for youth; an outstanding playwriting area that infuses each specialization with new script work; multicultural courses; an acting concentration that allows work with nationally acclaimed directors and acting coaches; and a design and production area that provides for further specialization in costume, lighting, scene design, and theatre technology.

Production is at the core of ASU theatre and the quality of the faculty, student body, and facilities attracts professionals to ASU. Four to six subscription series plays are produced annually in the 496-seat Galvin Playhouse and the smaller Lyceum Theatre. Additional student-directed shows are presented in the Prism Theatre and studios.

Theatre-for-youth artists, students, and scholars are attracted to ASU by the opportunities to work on national K–12 theatre curricula and research projects, participate in theatre tours to area schools, and teach on and off campus. The Child Drama Special Collection in Hayden Library, which includes rare books, plays, and personal and national association archives, is the most complete and extensive collection of its kind in the English-speaking world and also contributes to the international recognition of the theatre-for-youth faculty.

Institute for Studies in the Arts. The Institute for Studies in the Arts (ISA) is an interdisciplinary research and education center in the Katherine K. Herberger College of Fine Arts. The ISA has established the Arts, Media, and Engineering Graduate Research and Education (AME) program. The program is cosponsored by the Ira A. Fulton School of Engineering and the Katherine K. Herberger College of Fine Arts. Graduate degrees with concentrations in media and arts are offered collaboratively through AME by the Departments of Electrical Engineering, Computer Science and Engineering, Dance, and the Schools of Theatre, Art, and Music. The concentrations aim to train hybrid arts-engineering graduate students who draw their creativity from the arts and their methodology from the sciences. The concentrations focus on in-depth studies that fully integrate discipline-specific studies with development of arts and media technologies and research-oriented practices.

COLLEGE OF EXTENDED EDUCATION

The university-wide College of Extended Education provides an interactive link between ASU and the diverse communities it serves. The college assesses lifelong learning requirements and works in partnership with campuses, other colleges, and the community to serve learners, using a network of locations, programs, schedules, and technologies. For more information, see “College of Extended Education,” page 703, or access the Web site at www.asu.edu/ited.

All students registering in a School of Art degree program enroll through the Katherine K. Herberger College of Fine Arts. Each degree program and area of specialization has its own check sheet, which describes the specific course sequence and special requirements. Check sheets are available in the School of Art Undergraduate Advising Center.

Art majors seeking a second BA or BFA degree in art must petition the Katherine K. Herberger College of Fine Arts after completing 12 semester hours in the specialization of the second degree. The second degree in art requires at least 30 semester hours of courses that meet art requirements in the major. These 30 semester hours should not duplicate any of the courses taken for the first degree.

**Portfolio Reviews**

Students in the following concentrations must be accepted through portfolio review into upper-division classes (300 and 400 levels) in these programs: BA in Art with a concentration in digital art; BFA in art with a concentration in drawing, intermedia, painting, or photography. The minimum GPA required is 2.70 overall and 3.00 for art classes. Portfolio deadlines are March 15 for admission to fall semester upper-division classes and October 15 for spring classes. Transfer students are encouraged to apply a semester before attending ASU.

**Senior Exhibition**

All majors in studio BFA programs and the BA in Art with a concentration in digital art program must successfully complete ART 494 ST: Senior Exhibition and Portfolio for graduation. Graduating students in these areas must submit work for a group exhibition, a portfolio of 10 to 15 slides, and an artist’s statement that are acceptable to the faculty sponsor in their area of concentration.

**ART—BA**

The faculty in the School of Art offer four concentrations for students in the BA degree in Art program: art history, digital art, museum studies, and studio art. These concentrations are intended to give the student a broadly based general education in the field with specialized work at the upper-division level.

The major in Art consists of 45 to 79 semester hours, depending on the concentration, and includes the requirements listed on this page for each concentration. BA degree programs are especially suited for individuals pursuing interdisciplinary studies or a minor in another discipline. All courses in the major must be completed with a grade of “C” (2.00) or higher.

**Graduation Requirements.** In addition to fulfilling the major requirements, students must meet all university graduation requirements and college degree requirements.

See “University Graduation Requirements,” page 88, and “College Degree Requirements,” page 276.

**Art History**

This concentration consists of a minimum of 45 to 61 semester hours. It requires 33 semester hours of art history, 12 semester hours of related study, and 16 semester hours of foreign language (101, 102, 201, and 202) or a demonstrated proficiency in one foreign language which is equivalent to the completion of two years of language at the college level. At least 27 of the 45 semester hours must be upper-division credit. Satisfactory completion of ARS 480 Research Methods is required before the senior year.

Art History Minor

The School of Art offers a minor in Art History consisting of 18 semester hours of course work, including 12 upper-division electives. A minimum grade of “C” (2.00) is required in all classes in the minor. For those pursuing a minor, a minimum overall GPA of 2.00 is required. Courses may not be double counted in a major and the minor, and a minimum of 12 hours of resident credit at the Tempe campus is required.

ARS 100 or 300 may be used toward a minor. ARS 100 and 300 may not be used toward an Art History minor if the student is an Art major or has credit in ARS 101 and 102.

Required Courses. Select two of the following four required courses:

ARS 101 Art from Prehistory Through Middle Ages HU, H........3
ARS 102 Art from Renaissance to Present HU, H.....................3
ARS 201 Art of Asia HU, G, H ........................................3
ARS 202 Art of Africa, Oceania, and the Americas HU, G, H.....3
Total ......................................................................................18

At least 30 upper-division semester hours must be earned within the major, with a minimum of 12 semester hours within the concentration.

All course work counted in the major must be completed with a “C” (2.00) or higher. The specific requirements for each concentration are recommended by the faculty advisors of the area and are listed on School of Art check sheets.

Courses from other departments, when approved by the advisor and the School of Art, may be applied to the major if deemed appropriate to the student’s program of study. Art courses that do not have the same title and description as ASU catalog courses must have the approval of the School of Art Standards Committee.

Graduation Requirements. In addition to fulfilling the major requirements, students must meet all university graduation requirements and college degree requirements. See “University Graduation Requirements,” page 88, and “College Degree Requirements,” page 276.

The concentration in art education consists of 75 semester hours with 21 semester hours in art education and 21 semester hours in an art proficiency approved by an art education advisor. The art proficiency courses must include a minimum of 15 semester hours in a specific area of studio art or art history. Twelve of these semester hours must be upper-division credits. The art proficiency can be in art history, ceramics, drawing, fibers, intermedia, metals, painting, photography, printmaking, or sculpture. Teaching experience is provided in the Children’s Art Workshop, which is an on-campus program based in studio art and art history for children ages five to 15. Participation in the workshop is part of the requirements for ARE 486 Art Education: Strategies and Applications. ARE 486 meets the state certification requirements for the elementary methods class, and ARE 496 Methods and Assessment of Learning in Art meets the requirements for the secondary methods class in the subject area. Both of these courses have prerequisites.

**Teacher Certification.** A student pursuing a BFA degree in Art with a concentration in art education may also choose to become certified for teaching art K–12. If certification is elected while pursuing the art education undergraduate degree, additional semester hours are required in the College of Education. Students must make special application to the Initial Teacher Certification (ITC) program in the College of Education. Application deadlines for the ITC programs are February 1 for fall admission and September 1 for spring admission. Appointments with an advisor can be made in the Office of Student Services in the College of Education, or by calling 480/965-5555.

Certification is also available through the postbaccalaureate program in the College of Education. Interested students should contact an advisor in the College of Education and in art education for admission requirements to the postbaccalaureate program.

Art education courses for this program are as follows:

In addition to the art education courses, students must complete the following: education courses, field experiences, and student teaching.

The BFA degree in Art with a concentration in art education and the postbaccalaureate program for certification in art have a special art education application procedure. This procedure is separate from, and in addition to, the admission requirements of ASU. Acceptance is based on a 2.50 GPA, completion of foundations courses (ART 111, 112, 113, and 115), completion of 12 semester hours of art history courses (ARS 101 and 102 and two upper-division courses), and a “B” (3.00) or higher in ARE 440 and 450. In addition, undergraduate and postbaccalaureate students seeking K–12 certification should check requirements and deadlines for admission to the College of Education professional program.

To be accepted into student teaching, a student must be recommended in writing by the art education faculty and must have completed all art education classes. For additional student teaching requirements, see “Student Teaching,” page 198. Students who are not recommended may complete the BFA degree in Art with a concentration in art education without certification or may reapply after meeting any deficiencies in knowledge and skills related to the teaching of art.

Omnibus Courses. For an explanation of courses offered but not specifically listed in this catalog, see “Omnibus Courses,” page 63.

Graduate-Level Courses. For information about courses numbered from 500 to 799, see the Graduate Catalog, or access www.asu.edu/ and/catalogs on the Web. In some situations, undergraduate students may be eligible to take these courses; for more information, see “Graduate-Level Courses,” page 62.
Specific criteria and policies related to petition procedures for each of the concentrations are available through the Dance Advisement Office and on the Web site. Admission is highly selective. Students who fail to meet the criteria for the concentrations are not dismissed from the Bachelor of Fine Arts program and may re-petition once during the following semester. If a student still fails to meet the criteria of one of the four concentrations, he or she will not be dismissed from the university altogether; the student may transfer to another program. Students should work closely with the department advisor during the decision-making process.

Scholarship Auditions. Highly competitive scholarship auditions are conducted for incoming and transfer students during the Spring Admission Audition. For more information, contact the Dance Advisement Office.

Transfer Students, Dance Minors, and Bachelor of Interdisciplinary Studies Students. Transfer, minor, and BIS students must successfully complete the admittance audition before enrolling in Dance major courses. Additionally, transfer students who have completed music theory for dance, dance production, or choreography courses at other institutions must also take placement examinations in these areas. These examinations are offered during the August and January orientation periods.

DANCE—BFA

Transfers, who have successfully completed the admission audition, may petition into one of the four concentrations after one semester in residence. Further details may be obtained from the Department of Dance.

The School of Music strives to create an environment that enriches and enlivens the role of music in our society by providing the highest level of instruction and research for music professionals in the fields of performance, conducting, pedagogy, music education, music therapy, music history, music theory, and composition.

The following statement of basic musicianship is endorsed by the School of Music:

All musicians, whether performers, composers, scholars, or teachers, share common professional needs. Every musician must to some extent be a performer, a listener, a historian, a composer, a theorist, and a teacher. For this reason, certain subject matter areas and learning processes are common to all baccalaureate degrees in music.

Basic musicianship is developed in studies that prepare the student to function in a variety of musical roles that are supportive of his/her major concentration. All undergraduate curricula, therefore, provide the following:

1. A conceptual understanding of such musical properties as sound, rhythm, melody, harmony, texture, and form and opportunities for developing a comprehensive grasp of their interrelationships as they form the cognitive-affective basis for listening, composing and performing.

2. Repeated opportunities for enacting in a variety of ways the roles of listener (analysis), performer (interpretation), composer (creation), scholar (research), and teacher.

3. A repertory for study that embraces all cultures and historical periods.

All students registering in a School of Music major program enroll through the Katherine K. Herberger College of Fine Arts.

Audition/Admission Requirements. All students who wish to enroll in an undergraduate music degree program are required to pass an entrance audition in their primary performing medium (instrument or voice) before being admitted to the School of Music. Audition forms and specific audition requirements for each instrument or voice may be obtained upon request by contacting the School of Music, or by accessing the Web site at music.asu.edu. Official dates for these auditions are set for each academic year.

Until the audition process is finished, all students interested in majoring in Music at ASU enter the university in the preprofessional program. Upon successful completion of the audition, the student is admitted to his or her specified degree option.

Students who wish to be Music majors who do not successfully complete the audition are allowed to remain in the preprofessional program for two semesters (excluding summer and winter sessions). Students are allowed to reaudition two times in addition to the initial audition; these additional auditions may take place either during or at the end of each fall or spring semester that the student is enrolled under this program. During these semesters, students are allowed to enroll in music ensembles, concert
attendance, and general studies courses to be chosen through consultation with a School of Music academic advisor. Students are also encouraged to obtain private instruction on their major instrument through either the School of Music preparatory program or with private instructors. These private instructions are not required and do not generate university course credit hours. The reauditions are heard and evaluated by School of Music faculty.

Admission to the composition concentration is subject to the approval of the composition faculty based upon an evaluation of the student’s compositions and/or interview.

Diagnostic Examinations. All transfer students and entering freshmen with a background in piano must take a diagnostic examination in piano during orientation week of their first semester on campus. All students are required to attain a minimum level of piano proficiency.

Continuation in the composition program is subject to review in the sophomore or junior year.

All Music Education majors, including transfer and post-baccalaureate students, must perform an additional audition before being admitted to the teacher education program. Normally, this audition occurs during the sophomore year.

All students majoring in Music Therapy must pass MUE 211 Music in Recreation and a music therapy faculty review and screening interview before being passed into upper-division study.

MUSIC—BA

The Bachelor of Arts degree requires a minimum of 120 semester hours for graduation.

The Music major consists of 70 semester hours and includes the requirements that follow for each area of study.

Course work may be chosen from ethnomusicology, music education, music history, music theory, and performance. Students must select sufficient elective courses to complete the 120 hours required for graduation.

Foreign Language. Sixteen semester hours in one language are required for the Bachelor of Arts degree.

BACHELOR OF MUSIC DEGREE

All Bachelor of Music (BM) degree programs require 120 semester hours for graduation excluding Music Education (125 to 129 semester hours) and Music Therapy (128 semester hours). The BM curriculum offers majors in Music Education, Music Therapy, Performance, and Theory and Composition.

The curricula for the Music Education and Music Therapy majors require more than 120 semester hours. A student wishing to complete these programs in four years is required to take more than 15 semester hours per semester or to attend summer sessions.

The music curriculum for the BM majors on the pages that follow consists of a minimum of 79 semester hours. In addition, the Music Education major provides certification to students interested in teaching in the public schools.

In addition to fulfilling the major requirements, students must meet all university graduation requirements and college degree requirements. See “University Graduation Requirements,” page 88, and “College Degree Requirements,” page 276.

MUSIC EDUCATION—BM

Students in Music Education must complete the requirements for the Initial Teacher Certification program offered through the College of Education.

Teacher Certification. A student pursuing a degree in Music Education may also choose to become certified for teaching music K–12. If certification is selected while pursuing the music education undergraduate degree, additional semester hours are required in the College of Education.

The undergraduate music education program contains three concentrations. The instrumental concentration is designed for those interested in teaching band in the public schools. The string concentration focuses on those who wish to teach strings and orchestra. The choral/general concentration is geared towards those interested in teaching general music or choir.

Teaching music education requires a K–12 endorsement in Arizona. All students in the Initial Teacher Certification
(ITC) program take classes in elementary and secondary methods. The field experience requirement (three semesters) usually involves placements at the elementary, middle, and high school levels. Student teaching includes two experiences: elementary/middle, elementary/high, or middle/high school.

Students submit a special application to the ITC program in the College of Education. Application deadlines for the ITC program are February 1 for fall admission and September 1 for spring admission. Appointments with an advisor can be made in the Office of Student Services, College of Education, by calling 480/965-5555.

Certification is also available through the postbaccalaureate program in the College of Education. Interested students should contact an advisor in the College of Education and in music education for admission requirements to the postbaccalaureate program.

Choral-General Concentration

This degree program may include instrumental music as a minor teaching field.
