The mission of the Division of Student Affairs is to provide the highest quality programs and services that support undergraduate and graduate education of ASU students. In fostering student success, Student Affairs provides access for every student to a holistic living and learning environment in collaboration with the broader university community. To fulfill this mission, the Division of Student Affairs is fully committed to enhancing student persistence and graduation. The Office of the Vice President for Student Affairs is located in FOUND 210. For more information, call 480/965-7293, or access the Web site at www.asu.edu/studentaffairs.

The university is committed to the belief that an education involves more than attending class. While the acquisition of knowledge is a central part of the university experience, learning about others, about independence and leadership, and about living in a complex society are equally important. Student Affairs' services and developmental programs reflect this philosophy.

RESIDENTIAL LIFE

Living in one of the ASU residence halls provides students the opportunity to make the most of their university experience. Special residential communities for freshmen, honors students, students in particular academic areas, and students interested in a healthy living community offer opportunities and activities that enrich the educational experience.

The Freshman Year Experience program (see "Freshman Year Experience," page 282) provides a unique environment of classrooms, live-in tutors, academic advisors, and other support services designed to help freshmen develop skills for success.

Because the demand for campus housing is high, students are encouraged to apply for housing early (before February 1) for the best chance to live on campus for fall semester. Housing is not guaranteed. Students must be admitted to ASU before applying for housing. Requests for specially modified rooms for students with disabilities should be noted on the application.

Students will receive residence hall application information with their admission certificate. For more information, access the Web site at www.asu.edu/studentaffairs/reslife, call 480/965-3515, or write to

LRC services are designed to support student retention and improve academic performance and graduation rates. Recent research shows that ASU freshmen who engage in weekly tutoring at the LRC have a 0.50 higher cumulative GPA than nonusers at the end of freshman year.

The LRC offers tutoring in a variety of locations and formats to serve different student needs. This includes free, scheduled, and drop-in small group tutoring; test review sessions; online tutoring (through the LRC Web site); and individual, fee-based tutoring by appointment. Tutoring is offered in approximately 100 courses, including mathematics, first-year composition, languages, business, chemistry, biology, engineering, and computer science. Daytime tutoring is offered Monday through Friday in two locations: MU 14 and Palo Verde West. Evening tutoring is offered Sunday through Thursday in the MU location and in tutoring sites located in Freshman Year Experience residence halls. Residential and off-campus students are welcome to use tutoring in any of these locations.

The academic coaching program provides individual assistance to help students improve general academic skills, including time and stress management, organizational strategies, textbook reading, and test preparation. Counseling and Consultation staff members have a strong commitment to meeting the needs of students of color and nontraditional students. Counseling and Consultation staff consists of both male and female mental health professionals, including psychologists, counselors, psychiatric providers, and social workers. Students are initially seen by an individual counselor for assessment. Other services available to the ASU community include consultation and outreach programming.

During normal working hours, students may call and request same day appointments to discuss urgent situations. After office hours, EMPACT Suicide Prevention Center, Inc., is available for crisis consultation by calling 480/921-1006.

Confidentiality. Confidentiality is of utmost importance. Information about a student is not released without that student's written permission, except in the case of imminent danger to self or others, child/adult abuse, court order, or where otherwise required by law. Notations of counseling and psychiatric services are not a part of a student's academic record.

Appointments. ASU students may schedule an initial counseling appointment by phone (480/965-6146) or in person at SSV 334. There is no cost for the initial personal consultation. Fees are charged for additional sessions, career testing, and psychiatric services. Fee reductions and waivers are available. Office hours are 8 A.M. to 5 P.M. Monday through Friday. Counseling and Consultation is located at SSV 334. Additional information is available on the Counseling and Consultation Web site at www.asu.edu/studentaffairs/counseling.

The Personal Styles Exploration Workshop focuses on personal style evaluation and uses the Myers Briggs Type Indicator to help individuals understand their personality preferences. Career testing is available to students and nonstudents.

For more information about career testing workshop schedules and fees, call CTS at 480/965-6777, or access the Web site at www.asu.edu/studentaffairs/counseling/personaldev.html.

CAMPUS HEALTH SERVICE

Services. Campus Health Service offers fully accredited outpatient health care to all students enrolled at ASU. The professional staff, consisting of physicians, nurse practitioners, registered nurses, dietitians, and health educators, has special interest and training in college health care. Consultant physicians in dermatology, orthopedics, and other specialties are on-site and are available by referral from a member of the Campus Health Service professional staff.

Additional services include comprehensive women's health care, immunizations, a travel clinic, and an allergy clinic for students needing periodic injections. The pharmacy at the Campus Health Service provides many prescription and over-the-counter medications at reasonable costs. Radiology and laboratory services are also available.

A parental "consent to treat" form is required before a student under 18 can receive treatment at Campus Health Service. A copy of the parental consent form may be obtained from the Campus Health Service Web site at www.asu.edu/studentaffairs/health.

Hours. Students are strongly encouraged to schedule appointments to minimize waiting time and to allow students the opportunity to establish a relationship with one clinician. Appointments are available by calling 480/965-3349. Patients with urgent health care problems may be seen at the Campus Health Service Acute Care Clinic on a same-day basis. The clinic is open weekdays from 9 A.M. to 5:30 P.M.

Fees. Full-time students are charged for primary care visits at Campus Health Service and for consultant visits, radiological procedures, laboratory procedures, medications, certain special or surgical procedures, and certain health education services. Patients receiving medical treatment off campus, such as consultations, emergency care, and hospitalization, are responsible for any resulting charges.

Insurance. While *Campus Health Service provides comprehensive ambulatory care, it is not a substitute for health insurance.* Medical insurance coverage is strongly recommended for all students and is required for international students. Eligible students and dependents may enroll in health insurance coverage arranged by ASU. Dependents must complete an application and may require underwriting approval by the insurance carrier. The coverage assists students in paying for laboratory and radiology procedures, off-campus consultations, hospitalization, surgery, and emergency and after-hours care. Students may purchase health insurance through SunDial, the ASU touch-tone telephone registration system, or at Student Health.

For more information, call the Campus Health Service insurance office at 480/965-2411.

Bridge Discount Program. This discount program reduces the total health care costs for certain services rendered at Campus Health Service. Students enrolled in this program are charged co-payments for specialist visits, basic x rays, and laboratory tests.

For more information, call 480/965-2411, or access the Web site at www.asu.edu/studentaffairs/health.
