PURPOSE

The Katherine K. Herberger College of Fine Arts at ASU provides both preprofessional and professional education in the arts disciplines and an opportunity for nonmajors to become culturally literate through participation in the creative and performing arts.

The college, through its programs in art, dance, music, and theatre, reflects a wide range of challenges facing the contemporary artist and scholar. The arts, as an integral part of the curriculum, offer the student a rewarding educational experience balanced and strengthened by studies in related fine arts areas, the humanities, social sciences, and the natural sciences.

In addition to professional curricula offered in each department and school, the college provides courses designed to meet the specific educational needs of students pursuing majors in other colleges throughout the university. The cultural life of the university community is further enriched by study opportunities offered at off-campus sites. The Katherine K. Herberger College of Fine Arts also offers community audiences many hours of cultural enjoyment through a myriad of art exhibitions, music and dance concerts, dramatic productions, operas, lectures, and seminars.

ORGANIZATION

The college houses the School of Art, the Department of Dance, the School of Music, and the School of Theatre and Film. An average of 2,600 students per semester enroll as majors in various degree programs offered through these units. The college also includes the ASU Art Museum and the Institute for Studies in the Arts.

ADMISSION

Students meeting the university requirements for admission may matriculate in the Katherine K. Herberger College of Fine Arts. Separate admission procedures and approvals are required for some programs within the college. Students must contact specific departments or schools for details.

Transfer of Community College Credits. The university standards for evaluation of transfer credit are listed under

“Transfer Credit,” page 71. Transfer students are encouraged to contact their department or school or the Katherine K. Herberger College of Fine Arts Student Academic Services (GHALL 116) to ensure a smooth transition to the Katherine K. Herberger College of Fine Arts. Credits transferred from any accredited junior or community college may be accepted up to a maximum of 64 semester hours. (A community college student planning to transfer at the end of his or her first or second year should plan to take community college courses that meet the requirements of the ASU curriculum selected. Students attending Arizona community colleges are permitted to follow the degree requirements specified in the ASU *General Catalog* in effect at the time they began their community college work, providing their college attendance has been continuous.)

Courses transferred from community colleges are not accepted as upper-division credit at ASU. Arizona students are urged to refer to the *Course Applicability System* for transferability of specific courses from Arizona community colleges. For more information, access the Web site at az.transfer.org/cas.

In choosing courses at a community college, students should be aware that a minimum of 45 semester hours of work taken at the university must be upper-division credits. While attending a community college, it is suggested that students select courses similar to ASU General Studies lower-division courses in the major field.

For optimal course selection, access the ASU Transfer Guides on the Web at www.asu.edu/provost/articulation.

General Transfer Credit. Direct transfer of courses from other accredited institutions to the Katherine K. Herberger College of Fine Arts are subject to (1) the existence of parallel and equal courses in the college’s curriculum and (2) departmental or school evaluation of studio courses with respect to performance standards. Every candidate for the bachelor’s degree must earn a minimum of 30 semester hours in resident credit at ASU. Transfer students enrolled in the college must complete a minimum of 15 semester hours of resident credit in the major as approved by the faculty.

Baccalaureate Degrees

The three baccalaureate degrees differ in curricula with respect to the amount of specialization permitted in the major field. The BA degree provides a broad, scholarly, humanistic program, while the other two programs place greater emphasis upon the major field. See the “Katherine K. Herberger College of Fine Arts Baccalaureate Degrees and Majors” table, on this page, for more information.

The university General Studies curriculum plays an integral role within the educational mission of the university and as such constitutes an important component of all undergraduate degrees in the Katherine K. Herberger College of Fine Arts. See “General Studies,” page 93, for more information.

In cooperation with the College of Education, a K–12 endorsement for teacher certification is available in the disciplines of art, dance, and music for students preparing for a teaching career in the public schools. Students should, with the advice and counsel of their arts education advisors, fulfill the requirements for the appropriate area of specialization under the Bachelor of Fine Arts or Bachelor of Music degrees. In addition, a student wishing to be admitted to the Initial Teacher Certification (ITC) program in the College of Education (leading to teaching certification) must consult with an advisor from the Office of Student Services in the College of Education before applying for the ITC. Students must have completed 56 semester hours with a minimum GPA of 2.50. Further details on admission requirements and procedures for the ITC can be found under “Teacher Education,” page 350.

Minors

The Katherine K. Herberger College of Fine Arts provides an opportunity for students majoring in other disciplines to sustain their interest in the arts through a structured program of required courses and electives leading to a minor. The minor is not intended as a substitute for professional work in the arts, but as a complement to various liberal arts and preprofessional curricula.

Minors are offered in Art History, Dance, Music, and Theatre. The total number of semester hours required for a minor ranges from 18 to 25. Students should contact the relevant academic unit for specific requirements and guidelines regarding the minor.

Graduate Degrees

Master’s programs range from 30 to 60 semester hours, depending upon the degree chosen. Doctoral programs vary in scope and curricula. See the “Katherine K. Herberger College of Fine Arts Graduate Degrees and Majors” table, page 439, for more information. See the *Graduate Catalog* for specific requirements.

UNIVERSITY GRADUATION REQUIREMENTS

In addition to fulfilling college and major requirements, students must meet all university graduation requirements. For more information, see “University Graduation Requirements,” page 89.

GENERAL STUDIES REQUIREMENT

All students enrolled in a baccalaureate degree program must satisfy a university requirement of a minimum of 35 semester hours of approved course work in General Studies, as described under “General Studies,” page 93. All three General Studies awareness areas are required. Consult with an advisor for an approved list of courses. General Studies courses are listed in the “General Studies Courses” table,

page 96, in the course descriptions, in the *Schedule of Classes*, and in the *Summer Sessions Bulletin*.

Courses in the major or in a related field area may not be used to satisfy both the major and core area portions of the General Studies requirement. Concurrent listings in the literacy areas, numeracy (computer applications) areas, and awareness areas are an exception. Students are encouraged to consult with an academic advisor to ensure that they comply with all necessary requirements.

COLLEGE DEGREE REQUIREMENTS

The Katherine K. Herberger College of Fine Arts degree requirements supplement the General Studies requirement. Descriptions of additional required courses follow. Students are encouraged to consult with an academic advisor to ensure that they comply with all necessary requirements.

Fine arts majors must take at least six semester hours of fine arts course work in areas outside of the major school or department. These courses may be in art, dance, music, or theatre. A student may concurrently fulfill this requirement and the humanities and fine arts portion of the General Stud-

ies requirement by selecting approved courses as indicated in the *Schedule of Classes*. This requirement may also be met by taking any Katherine K. Herberger College of Fine Arts course outside of the student’s major.

All BA degrees require the equivalent of 16 semester hours in one foreign language except for the BA degrees in Theatre and Art with concentrations in digital art and studio art. Foreign language study is strongly recommended but not required for these degree programs. Course work may be selected in any language and must follow the sequence of language courses 101, 102, 201, and 202. This requirement may be fulfilled at the secondary school level or by examination. If acquired in secondary school, two years of instruction in one foreign language is considered the equivalent of one year of college instruction. Transfer students are placed in language study at the level above completed work.

Candidates for the BM degree in Performance with a concentration in voice have specific foreign language requirements, which are stated in the degree requirements. There is no foreign language requirement for other concentrations of the BFA or BM degrees.

ACADEMIC STANDARDS AND RETENTION

Good Standing. Students in the Katherine K. Herberger College of Fine Arts are considered in good standing for the purpose of retention if they maintain a cumulative GPA of 2.00 or higher in all courses taken at ASU. However, to gain admission into certain undergraduate degree programs in the college, students must maintain a minimum GPA within their major and/or a minimum cumulative GPA. These minimum GPAs vary according to the given program.

Probation. Any student who does not maintain good standing is placed on academic probation. A student on academic probation is required to observe any limitations or rules the college may impose as a condition for retention.

Students are encouraged to seek advising from their major academic advisor, in an effort to improve academic standing. All Herberger College of Fine Arts students who are placed on academic probation and continuing probation are required to submit completed student progress reports to the office of the assistant dean of the college. The student progress report is a means to monitor the academic performance that a probation/continuing probation student is achieving in each of his or her courses, during the semester.

Completed student progress reports must be returned to the Herberger College of Fine Arts Office, GHALL 116, every second Friday. The assistant dean will then review each report. Progress reports are required until the student earns a cumulative GPA of 2.00 or higher.

Disqualification. A student who is on probation becomes disqualified if the student (1) has not returned to good standing or (2) has not met the required semester GPA.

Disqualification is exercised at the discretion of the college and becomes effective on the first day of the fall or spring semester following college action. A disqualified student is notified by the Office of the Registrar and/or the dean of the college and is not allowed to register for a fall or spring semester at the university until reinstated. A student who is disqualified may not attend as a nondegree student.

Reinstatement. Students seeking reinstatement after disqualification should contact the Katherine K. Herberger College of Fine Arts Student Services Office regarding procedures and guidance for returning to good standing. When reinstatement includes readmission, application must be made to the Readmissions Section of the Office of the Registrar.

All academic disciplinary action is a function of the Katherine K. Herberger College of Fine Arts Student Services Office, GHALL 116, under the direction of the assistant dean of the college. Students having academic problems should call this office for advising at 480/965-4495.

MAJOR REQUIREMENTS

The minimum requirement for a baccalaureate degree is the completion of 120 semester hours with a minimum cumulative GPA of 2.00. Of these 120 semester hours, at least 45 must be selected from upper-division courses.

Several professional programs within the college require additional semester hours for graduation and a higher cumulative GPA of their students. To be acceptable as degree credit, all course work in the major discipline must show an earned grade of "C" (2.00) or higher.

In addition to the general information given below, consult the school and departmental sections that follow for specific degree requirements.

Bachelor of Arts (BA) Degree. The BA degree requires from 45 to 69 semester hours for the major. Depending on the major, 18 to 24 semester hours must be selected from upper-division (300- or 400-level) courses. The semester-hour requirements in the major are distributed between a field of specialization (30 to 53 semester hours) and one or more related fields. The exact content of the major is selected by a student in consultation with an advisor under the rules and regulations of the department or school concerned. A successful entrance audition is also required for admission to the BA degree in Music or Theatre programs.

Bachelor of Fine Arts (BFA) Degree. The BFA degree requires 79 semester hours for the major. At least 30 of these hours, depending on the major, must be selected from upper-division (300- or 400-level) courses. The curriculum for the major is designed as preprofessional study. Auditions are required for entrance into Dance major classes, and auditions and/or interviews are required for admission into the BFA program in Dance with specialization. Specific information can be obtained through the HCFA Advisement Office.

Bachelor of Music (BM) Degree. The BM degree requires a minimum of 79 semester hours for the major (depending on the area of specialization). The required number of upper-division (300- or 400-level) courses is dependent upon the area of specialization. The curriculum is designed to provide a broad yet concentrated preparation with a choice of specialization among various areas. See the "Katherine K. Herberger College of Fine Arts Baccalaureate Degrees and Majors" table, page 438, for available majors and concentrations. An entering undergraduate music student, regardless of the area of specialization, must pass an entrance audition in his or her primary performing medium (voice or instrument).

Academic Standards. The terms of disqualification, reinstatement, and appeals are consistent with those set forth by the university under "Retention and Academic Standards," page 86. In addition, a student disqualified in any program is normally not eligible for reinstatement for two semesters.

SPECIAL PROGRAMS

Working closely with faculty, visiting scholars, and artists-in-residence, students in all fields of the college participate in dynamic, innovative programs. Students

receive a great deal of individual attention to their creative work and artistic development.

School of Art. The School of Art is among the highest ranked programs in the country. The faculty are nationally recognized and the programs offer students diverse educational opportunities in studio art (ceramics, digital, drawing, fibers, intermedia, metals, painting, photography, printmaking, and sculpture), art history and museum studies, and art education. Some of the unique offerings include bookmaking and papermaking, film, neon, digital video, computer animation, and foundry. In addition, internships are available in galleries and museums throughout the Phoenix area. The Eleanor A. Robb Children's Art Workshop is an on-campus program taught by students in art education for school-age children in the metropolitan area. Northlight, Harry Wood, Gallery 100, and Step galleries host exhibitions of student art work. Visiting artists and guest lecturers enrich the basic curriculum. Graduates of the School of Art have been accepted to top graduate schools and many are in leadership positions in art, education, and industry.

Department of Dance. The department's strengths include choreography and performance, dance science and somatics, educational outreach and methodology, media and technology, as well as contemporary directions. Prominent and renowned faculty and guest artists create repertory for dance majors and for the Dance Arizona Repertory Theatre (DART), the repertory and community partnership company. Through instructional curriculum, workshop intensives, guest residencies, strong performance programs, professional internships, and apprenticeships, students are exposed to and trained to meet the demands of professional preparations. An environment that encourages creative collaboration, interdisciplinary views, and community awareness is central to the mission of the department.

School of Music. Ranked among the top programs in the United States, the School of Music offers a broad scope of degree options for the study of performance, music education, music therapy, composition, theory, history and literature, jazz, music theatre, ethnomusicology, pedagogy, interdisciplinary digital media, accompanying, and conducting. This wide spectrum of areas is supported by special programs and facilities that enrich the opportunities for professional training and musical growth. Music education and pedagogy are supplemented by the Piano and Guitar Preparatory Programs, the Music for Tots series, and special classes for certification in Orff and Kodály methods. Performance opportunities are enhanced by a wide variety of ensembles, including such groups as marimba, African drumming, gamelan, and mariachi. Voice students may pursue training in opera or in Broadway musicals. Composition students work in the Electronic Music Studio, and all benefit from the Electronic Classroom, a state-of-the-art computer facility. A variety of community partnerships, including a gang intervention program, stem from the music therapy area. The scope and variety of the School of Music's programs are made possible by the wide range of expertise of the faculty, who are performers, teachers, conductors, composers, and scholars recognized nationally and internationally.

School of Theatre and Film. Offering the BA in Theatre and the BA in Film (with a concentration in film and media production), the school provides a comprehensive liberal arts approach to the study and practice of the theatre and film arts. Students have opportunities to study across the range of curricular areas: performance and directing, design and production, theatre and performance studies, playwriting and dramaturgy, theatre for youth, and film. Students pursuing the BA in Theatre may choose to specialize by seeking admission to acting or design and production concentrations. The BA in Film is a joint program of the Herberger College of Fine Arts and the College of Liberal Arts and Sciences, with the film and media production concentration housed in the School of Theatre and Film. The breadth of curricular offerings is made possible by faculty nationally and internationally recognized for their expertise and excellence.

An active production program is integral to the theatre curriculum. Productions are mounted in the 496-seat Galvin Playhouse and the 162-seat Lyceum Theatre; student-generated projects take place in the Prism Theatre Lab. With special emphasis on creating new work and original interpretations, the school is devoted to moving the art of the theatre into the future.

Of special note are the departments' highly ranked programs in playwriting, which feature a Mainstage Festival of New Work each year and multiple readings and workshop series; the Performance in the Borderlands Project, which provides opportunities for performance and scholarship of and about the southwest borderlands region; and Theatre for Youth, which attracts artists and scholars from around the world. The Child Drama Special Collections in Hayden Library supports their endeavors.

Arts, Media, and Engineering. The Arts, Media, and Engineering Graduate Research and Education (AME) program is cosponsored by the Katherine K. Herberger College of Fine Arts and the Ira A. Fulton School of Engineering. Graduate degrees with concentrations in media and arts are offered collaboratively through AME by the Departments of Computer Science and Engineering, Dance, and Electrical Engineering and the Schools of Art, Music, and Theatre and Film. The concentrations aim to train hybrid arts-engineering graduate students who draw their creativity from the arts and their methodology from the sciences. The concentrations focus on in-depth studies that fully integrate discipline-specific studies with development of arts and media technologies and research-oriented practices.

SCHOOL OF EXTENDED EDUCATION

The university-wide School of Extended Education provides an interactive link between ASU and the diverse communities it serves. The college assesses lifelong learning requirements and works in partnership with campuses, other colleges, and the community to serve learners, using a network of locations, programs, schedules, and technologies.

Each degree program and area of specialization has its own check sheet, which describes the specific course sequence and special requirements. Check sheets are available online at art.asu.edu.

Art majors seeking a second BA or BFA degree in art must petition the Katherine K. Herberger College of Fine Arts after completing 12 semester hours in the specialization of the second degree. The second degree in art requires at least 30 semester hours of courses that meet art requirements in the major. These 30 semester hours should not duplicate any of the courses taken for the first degree.

Portfolio Reviews

Students who have been admitted to the School of Art before the fall semester of 2006 need to submit application materials, including a portfolio, for acceptance into upper division classes (300 and 400 levels) in the following programs: BA in Art with a concentration in digital art; BFA in art with concentrations in drawing, intermedia, painting, and photography. Eligibility for these programs requires a GPA of at least 2.70 overall and 3.00 for art classes. Portfolio deadlines are March 1 for acceptance into fall semester upper-division classes and October 1 for spring classes. Transfer students are encouraged to apply a semester before attending ASU. Students who have been admitted before the fall of 2006 must follow the course prerequisites and program requirements appropriate for their catalog year.

Preprofessional Programs

Effective fall semester 2006, all students applying to degree programs in the School of Art will be admitted to the preprofessional program without a concentration classification. Choices of concentrations include: art education, art history, ceramics, digital art, drawing, fibers,

intermedia, metals, museum studies, painting, photography, printmaking, sculpture, and studio art. Students remain in the preprofessional program until they have been accepted into a professional program concentration; eligibility is determined through a performance review.

Students pursuing studio concentrations must complete the following classes to prepare for acceptance into the professional program: ARS 101 and 102, ART 111, 112, 113, and 115. In addition, students must successfully complete 12 semester hours of the following 200-level studio classes: 2-D class, 3-D class, a course related to the concentration in which they are applying, and a studio elective class (3-D or 2-D). Students must complete the 200-level concentration class in the semester before the application is submitted. The application for acceptance into the professional program is submitted during the semester in which the 30 semester hours of preprofessional study is being completed. Students must maintain an overall GPA of 2.70 and an art GPA of 3.00. For deadlines and application procedures, access the Web site at art.asu.edu/undergraduate.

Students pursuing the art education concentration must complete the following classes to prepare for acceptance into the professional program: ARS 101 and 102, ART 111, 112, 113, and 115. In addition, students must successfully complete 12 semester hours of the following 200-level classes: 2-D class, 3-D class, ARE 250 (formerly ARE 450) with a grade of 3.00 or higher, and a studio elective class (3-D or 2-D). Students must complete ARE 250 the semester before the application is submitted. The application for acceptance into the professional program is submitted during the semester in which the 30 semester hours of preprofessional study is being completed. Students must maintain an overall GPA of 2.70 and an art of GPA 3.00. For deadlines and application procedures, access the Web site at art.asu.edu/undergraduate.

Students pursuing the art history or museum studies concentration must complete the following classes with grades of 3.00 or higher for acceptance into the professional program: ENG 101 and 102, ARS 101 and 102. Students must maintain a GPA of 3.00 for a minimum of 30 semester hours to be eligible for the professional program. Applicants should submit materials during the semester in which they are completing 30 semester hours.

It is recommended that transfer students who meet the above requirements apply the semester before they plan to attend the School of Art and by the March 1 or October 1 deadline. For specifics regarding application materials and criteria for acceptance into upper division professional programs, access the Web site at art.asu.edu/undergraduate.

Students will be notified by mail and e-mail of their acceptance status. For students applying in the semester during which they are completing preprofessional requirements, the acceptance status of students will not be final until grades are posted.

Once students majoring in art have been accepted into the professional program for a concentration, the School of Art will add the concentration designation to the major, and they will be able to register for upper-division classes in the concentration to which they were admitted and into related upper-division classes within other concentrations in the major.

Denial of Acceptance into a Professional Program

Students who are not accepted through portfolio review will remain in the preprofessional program for a maximum of one year (two semesters following their first application to the professional program) with the following conditions:

1. they will continue to work with school of art advisors,
2. they will continue to take 100- or 200-level art courses appropriate for acceptance into a concentration,
3. they may reapply to the same concentration no more than two times, once during each of the following semesters, and
4. students who have not been accepted within a year of the first unsuccessful portfolio review will work with School of Art advisors to choose another major suited to their interests.

Appeals by applicants who are denied must be submitted as a petition to the School of Art Standards Committee within 30 days of the date of the e-mail and/or letter notifying students of their status regarding acceptance into the professional program.

Studio and Art History Foundations

Students must complete 18 semester hours of studio and art history foundations requirements to be eligible for acceptance into upper division professional BA and BFA programs in studio art.

All majors in studio BFA programs and the BA in Art with a concentration in digital art program must successfully complete ART 494 ST: Senior Exhibition and Portfolio for graduation. Graduating students in these areas must submit acceptable work to a faculty sponsor in their area of concentration for a group exhibition, a portfolio of 10 to 15 images, and an artist's statement.

Art—BA

The faculty in the School of Art offer four concentrations for students in the BA degree in Art program: art history, digital art, museum studies, and studio art. These concentrations are intended to give the student a broadly based general education in the field with specialized work at the upper-division level.

The major in Art consists of 45 to 79 semester hours, depending on the concentration. BA degree programs are especially suited for individuals pursuing interdisciplinary studies or a minor in another discipline. All courses in the major must be completed with a grade of "C" (2.00) or higher.

Graduation Requirements. In addition to fulfilling the major requirements, students must meet all university graduation requirements and college degree requirements.

See "University Graduation Requirements," page 89, and "College Degree Requirements," page 439.

ART HISTORY CONCENTRATION

The art history concentration consists of a minimum of 61 semester hours of preprofessional and professional program requirements. The preprofessional program requirements include 12 semester hours of a related subject field, six semester hours of art history, six semester hours of ENG 101 and 102 or ENG 105, and six semester hours of General Studies.

Application for acceptance into the professional program occurs during the semester in which the 30 semester hours of preprofessional study is being completed. For deadlines and application procedures, access the Web site at art.asu.edu/undergraduate. The professional program

requirements include 27 semester hours of art history courses, including a minimum of 18 semester hours of upper-division courses.

Additional requirements include 16 semester hours of foreign language or a demonstrated language proficiency (not American sign language). If the foreign language proficiency is demonstrated, 16 semester hours of related study is required, which must be approved by the department. Satisfactory completion of ARS 480 Research Methods is required before the senior year.

Preprofessional Art History Requirements. A minimum of 30 semester hours is required. Students who enter the university in fall semester 2006 or later will be admitted to the preprofessional program without a concentration classification (i.e., art history). Students interested in the Art History BA program will pursue the preprofessional courses below.

The faculty in the School of Art offer ten concentrations for students in the BFA in Art program: art education, ceramics, drawing, fibers, intermedia, metals, painting, photography, printmaking, and sculpture. With the exception of art education, which focuses on preparing students as instructors of art, each concentration is designed to prepare students as artists. The major in Art consists of 75 semester hours of course work in each concentration. At least 30 upper-division semester hours must be earned within the major. All courses in the major must be completed with a grade of “C” (2.00) or higher. Specific requirements for each concentration are recommended by the faculty advisors of the area and are listed on School of Art check sheets.

Graduation Requirements. In addition to fulfilling the major requirements, students must meet all university graduation requirements and college degree requirements. See “University Graduation Requirements,” page 89, and “College Degree Requirements,” page 439.

Teacher Certification. A student pursuing a BFA degree in Art with a concentration in art education may also choose to become certified for teaching art K–12. If certification is elected while pursuing the art education undergraduate degree, additional semester hours are required in the College of Education. Students must make special application to the Initial Teacher Certification (ITC) program in the College of Education. Application deadlines for the ITC programs are February 1 for fall admission and September 1 for spring admission. Appointments with an advisor can be made in the Office of Student Services in the College of Education, or by calling 480/965-5555.

Certification is also available through the postbaccalaureate program in the College of Education. Interested students should contact an advisor in the College of Education and in art education for admission requirements to the postbaccalaureate program.

In addition to the art education courses, students must complete the following: education courses, field experiences, and student teaching.

The BFA degree in Art with a concentration in art education and the postbaccalaureate program for certification in art have a special art education application procedure. This procedure is separate from, and in addition to, the admission requirements of ASU. This procedure is separate from, and in addition to, the admission requirements of ASU and acceptance into the Art Education professional upper-division program. Acceptance is based on acceptance into the Art Education professional undergraduate program or a GPA of 2.50 for the post baccalaureate program, six semester hours of upper-division art history, and a B (3.00) or higher in ARE 250 and 440.

In addition, undergraduate and postbaccalaureate students seeking K–12 certification should check requirements and deadlines for admission to the College of Education professional program. To be accepted into student teaching, a student must be recommended in writing by the art education faculty and must have completed all art education classes. For additional student teaching requirements, see “Student Teaching,” page 355. Students who are not recommended may complete the BFA degree in Art with a concen-

tration in art education without certification or may reapply after meeting any deficiencies in knowledge and skills related to the teaching of art.

The preprofessional program requirements include 18 semester hours of foundations requirements and 12 semester hours of 200 level classes which must include a minimum of three semester hours of 2-D courses and three semester hours of 3-D courses. In addition, six semester hours of upper division art history is required. The upper-division professional program requirements include 12 semester hours of ceramics core classes, 10 to 12 semester hours of elective ceramics courses, including ART 494 ST: Senior Exhibition and Portfolio, and 15 to 17 semester hours of School of Art courses outside of ceramics (ARA, ARE, ARS, ART).

Department of Dance

480/965-5029

PEBE 107A

Professors: Kaplan, Murphey

Associate Professors: Jackson, Ma, Mooney

Clinical Associate Professor: Vissicaro

Assistant Professors: Dyer, Fitzgerald, Parrish, Tsukayama

Associate Research Professional: Mitchell

Senior Lecturer: Schupp

Lecturer: Valentin-Martinez

The Department of Dance is committed to providing a stimulating and diverse environment where students develop as scholars, educators, and artists through participation in innovative programs, residencies, performances, and partnerships. All students registering in a degree program enroll through the Katherine K. Herberger College of Fine Arts. Admission policies and procedures and the specific requirements of each Bachelor of Fine Arts degree concentration are available from the Department of Dance Advisement Office.

Audition/Admission. Students applying to the university as freshmen or transfer students who are interested in becoming dance majors are granted preprofessional status. Individuals intending to enroll in the undergraduate dance degree program and participate in dance major classes are required to pass an entrance audition before being admitted to the department's dance major classes. These auditions take place in the fall and spring of each academic year. Auditions, conducted by the Dance faculty, determine technical proficiency, placement, and scholarship awards. Criteria for placement in dance technique classes are published in the department's student handbook. The handbook is available through the Dance Advisement Office and on the department's Web site. Students who do not successfully

complete the audition are allowed to remain in preprofessional status for two semesters. At the end of that term they are allowed to re-audition.

By the second semester of their sophomore year all dance preprofessional students who have passed the audition must petition for admission into one of the four concentrations: choreography, dance education, dance studies, or performance. Depending upon the concentration selected, the petition process may include a technique audition, and the submission of video tapes of choreographed works, an artistic portfolio, a writing sample, and a written statement of intent and/or research interests. All students are interviewed and must have a 3.00 GPA before being accepted into an area of concentration.

Specific criteria and policies related to petition procedures for each of the concentrations are available through the Herberger College of Fine Arts (HCFA) Advisement Office and on the Web site. Admission is highly selective. Students who fail to meet the criteria for the concentrations are not dismissed from the Bachelor of Fine Arts program and may re-petition once during the following semester. If a student still fails to meet the criteria of one of the four concentrations, he or she will not be dismissed from the university altogether; the student may transfer to another program. Students should work closely with the department advisor during the decision-making process.

Scholarship Auditions. Highly competitive scholarship auditions are conducted for incoming and transfer students during the Spring Admission Audition. For more information, contact the HCFA Advisement Office.

Transfer Students, Dance Minors, and Bachelor of Interdisciplinary Studies Students. Transfer, minor, and BIS students must successfully complete the admittance audition before enrolling in Dance major courses. Additionally, transfer students who have completed music theory for dance, dance production, or choreography courses at other institutions must also take placement examinations in these areas. These examinations are offered during the August and January orientation periods.

DANCE—BFA

The faculty in the Department of Dance offer a Bachelor of Fine Arts (BFA) degree at the undergraduate level with four areas of concentration: choreography, dance education, dance studies, and performance. All new students are admitted into the preprofessional program and petition for admission into one of the concentrations during the sophomore year of study. Transfers, who have successfully completed the admission audition, may petition into one of the four concentrations after one semester in residence. Further details may be obtained from the HCFA Advisement Office.

Graduation Requirements. In addition to fulfilling the major requirements, students must meet all university graduation requirements and college degree requirements. At least 45 semester hours must be upper-division courses. See “University Graduation Requirements,” page 89, and “College Degree Requirements,” page 439.

In addition to the dance concentration courses, students must complete education courses, two semesters of field experience, and one semester of student teaching. Students should apply to the College of Education in the middle of the sophomore year. To be considered for admission to the Initial Teacher Certification (ITC) program, students must complete an application portfolio specified by the College of Education. Application deadlines for the ITC programs are February 1 for fall admission and September 1 for spring admission. Students should be advised that additional semester hours are required to complete certification requirements. For more information, contact the College of Education Office of Student Services, or phone 480/965-5555.

For specific information related to the ITC application deadlines and eligibility for admission, see “Initial Teacher Certification Professional Program Admission,” page 350.

BIS CONCENTRATION

A concentration in dance is available under the Bachelor of Interdisciplinary Studies (BIS) degree, a program intended for the student who has academic interests that might not be satisfied with existing majors. Building on two academic concentrations (or one double concentration) and an interdisciplinary core, students in the BIS program take active roles in creating their educational plans and defining their career goals. For more information, see “School of Interdisciplinary Studies,” page 139.

All students interested in the dance concentration must successfully complete the Audition/Admission. For more information, see “Audition/Admission,” page 464.

GRADUATE PROGRAM

Dance—MFA

The MFA degree in Dance is a 60-semester-hour program designed to provide opportunities for the student to continue to develop in areas of dance technique, choreography, performance, and production; to gain further understanding of the philosophy, history, theory, education, and science and somatics of dance; and to begin to chart the direction of the future through technology, media opportunities, outreach, and community partnerships.

The School of Music in the Katherine K. Herberger College of Fine Arts at ASU is an accredited institutional member of the National Association of Schools of Music. The requirements for entrance and graduation set forth in this catalog are in accordance with the published regulations of the association.

The School of Music strives to create an environment that enriches and enlivens the role of music in our society by providing the highest level of instruction and research for music professionals in the fields of performance, conducting, pedagogy, music education, music therapy, music history, music theory, and composition.

The following statement of basic musicianship is endorsed by the School of Music:

All musicians, whether performers, composers, scholars, or teachers, share common professional needs. Every musician must to some extent be a performer, a listener, a historian, a composer, a theorist, and a teacher. For this reason, certain subject matter areas and learning processes are common to all baccalaureate degrees in music.

Basic musicianship is developed in studies that prepare the student to function in a variety of musical roles that are supportive of his/her major concentration. All undergraduate curricula, therefore, provide the following:

1. A conceptual understanding of such musical properties as *sound, rhythm, melody, harmony, texture, and form* and opportunities for developing a comprehensive grasp of their interrelationships as they form the cognitive-affective basis for listening, composing and performing.
2. Repeated opportunities for enacting in a variety of ways the roles of listener (analysis), performer (interpretation), composer (creation), scholar (research), and teacher.
3. A repertory for study that embraces all cultures and historical periods.

All students registering in a School of Music major program enroll through the Katherine K. Herberger College of Fine Arts.

Audition/Admission Requirements. *All students who wish to enroll in an undergraduate music degree program are required to pass an entrance audition in their primary performing medium (instrument or voice) before being admitted to the School of Music.* Audition forms and specific audition requirements for each instrument or voice may be obtained upon request by contacting the School of Music, or by accessing the Web site at music.asu.edu. Official dates for these auditions are set for each academic year.

Until the audition process is finished, all students interested in majoring in Music at ASU enter the university in the preprofessional program. Upon successful completion of the audition, the student is admitted to his or her specified degree option.

Students may audition up to three times for admission. Students may enroll in music ensembles, concert attendance, and general studies until the audition is successfully completed. Students are encouraged to obtain additional instruction on their major instrument with a private instructor. These private instructions are not required and do not generate university course semester hours. The reauditions are heard and evaluated by School of Music faculty.

Admission to the composition concentration is subject to the approval of the composition faculty based upon an evaluation of the student's compositions and/or interview.

Diagnostic Examinations. All freshmen must take a theory diagnostic exam. If the student scores less than 70 percent, they must take an online fundamentals course before enrolling in MTC 125. All transfer students and entering freshmen with a background in piano must take a diagnostic examination in piano during orientation week of their first semester on campus. All students are required to attain a minimum level of piano proficiency.

Continuation in the composition program is subject to review in the sophomore or junior year.

All Music Education majors, including transfer and post-baccalaureate students, must perform an additional audition before being admitted to the teacher education program.

Normally, this audition occurs during the sophomore year.

All students majoring in Music Therapy must pass MUE 211 Music in Recreation and a music therapy faculty review and screening interview before being passed into upper-division study.

MUSIC—BA

The Bachelor of Arts degree requires a minimum of 120 semester hours for graduation.

The Music major consists of 70 semester hours and includes the requirements that follow for each area of study.

Students must select sufficient elective courses to complete the 120 semester hours required for graduation.

Foreign Language. Sixteen semester hours in one language are required for the Bachelor of Arts degree.

BACHELOR OF MUSIC DEGREE

All Bachelor of Music (BM) degree programs require 120 semester hours for graduation excluding Music Education (125 to 129 semester hours) and Music Therapy (128 semester hours). The BM curriculum offers majors in Music Education, Music Therapy, Performance, and Theory and Composition.

The curricula for the Music Education and Music Therapy majors require more than 120 semester hours. A student wishing to complete these programs in four years is required to take more than 15 semester hours per semester or to attend summer sessions.

The music curriculum for the BM majors on the pages that follow consists of a minimum of 79 semester hours. In addition, the Music Education major provides certification to students interested in teaching in the public schools.

In addition to fulfilling the major requirements, students must meet all university graduation requirements and college degree requirements. See “University Graduation Requirements,” page 89, and “College Degree Requirements,” page 439.

MUSIC EDUCATION—BM

Students in Music Education must complete the requirements for the Initial Teacher Certification program offered through the College of Education.

Teacher Certification. The Music Education program leads to K–12 certification in music for the State of Arizona.

The undergraduate music education program contains three concentrations. The instrumental concentration is designed for those interested in teaching band in the public schools. The string concentration focuses on those who wish to teach strings and orchestra. The choral/general concentration is geared toward those interested in teaching general music or choir.

Teaching music education requires a K–12 endorsement in Arizona. All students in the Initial Teacher Certification (ITC) program take classes in elementary and secondary methods. The field experience requirement (three semesters) usually involves placements at the elementary, middle, and high school levels. Student teaching includes two experiences: elementary/middle, elementary/high, or middle/high school.

Students submit a special application to the ITC program in the College of Education. Application deadlines for the ITC program are February 1 for fall admission and September 1 for spring admission. Appointments with an advisor can be made in the Office of Student Services, College of Education, by calling 480/965-5555.

Certification is also available through the postbaccalaureate program in the College of Education. Interested students should contact an advisor in the College of Education and in music education for admission requirements to the postbaccalaureate program.

Choral-General Concentration

This degree program may include instrumental music as a minor teaching field.

Music Theory. The following music theory courses are required:

**PREMAJOR PROGRAM AND INTERVIEWS/
AUDITIONS FOR THE BA IN THEATRE**

Effective fall 2006, all undergraduate students applying for and gaining admission to ASU as a potential Theatre major will be first admitted to the premajor program in Theatre. This classification will remain in effect until the student has passed an entry interview or audition to the BA Theatre program.

Entry interviews or auditions will be held three times per year: early April for entering freshman who have not yet begun their course work, late October for currently enrolled students and transfer students who will begin in the spring semester, and mid-February for students starting in spring

L literacy and critical inquiry / MA mathematics / CS computer/statistics/ quantitative applications / HU humanities and fine arts / SB social and behavioral sciences / SG natural science—general core courses / SQ natural science—quantitative / C cultural diversity in the United States / G global / H historical / See "General Studies," page 93.

semester or who fail to meet entry criteria the first time. Once entry criteria have been met, the student's major code will be changed to Theatre and he or she will be able to register for majors-only courses.

Incoming freshman and transfer students who are unable to travel to the Tempe campus in April can be admitted into the premajor program and interview or audition in late October for formal admission as a Theatre major. Specific dates for interviews or auditions can be obtained from the Herberger College of Fine Arts and the School of Theatre and Film.

If a student fails to pass the entry criteria, he or she will remain in the premajor program for a maximum of one year with the following provisos: (1) continued advising through the Herberger College of Fine Arts; (2) placement in General Studies courses appropriate to the planned major, including THE 125 Orientation to Theatre to better prepare for subsequent admission interview or auditions. The student can seek formal entry (no more than two times), once in each of the following semesters (excluding winter and summer sessions). If a student fails to pass the entry criteria after three attempts, he or she will work with the School of Theatre and Film and Herberger College of Fine Arts advisors to choose another major suited to his or her interests.

Transfer students should seek formal entry through successful passage of the interview or audition process before the start of their first semester so that they can transfer in as Theatre majors. If they are unable to meet entry criteria, then the provisos listed in the above paragraph will apply. Transfer students who do not meet entry criteria on their first attempt will be required to take THE 125 Orientation to Theatre to better prepare them for a subsequent successful interview/audition process.

Criteria for Formal Admission to the BA in Theatre Program

In addition to the scheduled interview or audition with faculty, premajors in Theatre must submit the following application materials to be considered for admission as a Theatre major in the Herberger College of Fine Arts:

1. a three-page, double-spaced essay answering the question: "Why are the theatre and the performing arts important, and how will their study further your own goals?";
2. a short (no more than two-pages, double spaced) critical essay about a theatrical production or film the student has seen;
3. at least one and no more than three letters of reference from a teacher or someone with whom the student has had professional and/or artistic interaction. (Do not submit letters from relatives or close friends. These letters may be mailed directly to the Herberger College of Fine Arts [see the address below] or included with your application materials); and
4. one item of the students's choosing from among the following:
 - a. an additional writing sample of any length on a theatre or film topic of the student's choice;
 - b. two one-minute audition monologues (one contemporary, one not);
 - c. a portfolio of at least ten images of theatrical design, visual arts, or production activity that may include scene or costume sketches, lighting storyboards, drafting, artwork, or audio material;
 - d. an original ten-minute play;
 - e. a two to three page essay answering the question, "How does theatre benefit children and adolescents?";
 - f. an original screenplay of any length; or
 - g. an original video (no more than ten minutes in length).

The admissions committee will be composed of a cross-disciplinary group of theatre faculty appointed on staggered terms. The committee provides students with written feedback on their materials submitted for admission.

All admissions materials should be mailed to:

STUDENT ACADEMIC SERVICES
HERBERGER COLLEGE OF FINE ARTS
ARIZONA STATE UNIVERSITY
PO BOX 872102
TEMPE AZ 85287-2102

Admissions materials should be received by January 15 for mid-February interviews or auditions; by March 1 for early April interviews or auditions; and by September 15 for October interviews or auditions. Students can call 480/965-4495 with any questions about the application process or to schedule an interview or audition.

Freshmen and sophomores who meet university and departmental standards must receive a grade of "C" (2.00) or higher in all major courses and a 2.50 cumulative GPA during their first semester to continue in the BA Theatre program. Students failing to meet these requirements have one semester of departmental probation to receive a "C" (2.00) or higher in major courses and raise their cumulative GPA to 2.50. Students failing to meet the above requirements by the end of the first year (two semesters) are asked to seek advising regarding other majors.

THEATRE—BA

The major in Theatre consists of 57 or 58 semester hours. The following 33 or 34 semester hours of core courses are required of all BA degree candidates:

| | |
|--|----|
| THE 125 Orientation to Theatre | 1 |
| THE 220 Principles of Dramatic Analysis <i>L</i> | 3 |
| THE 320 History of the Theatre I <i>HU, H</i> | 3 |
| THE 321 History of the Theatre II <i>HU, H</i> | 3 |
| THE 440 Experimental Theatre and Performance..... | 3 |
| THP 102 Acting: Fundamentals | 3 |
| THP 218 The Director's Vision | 3 |
| THP 301 Theatre Production..... | 1 |
| THP 301 Theatre Production*..... | 1 |
| THP 313 Fundamentals of Design | 3 |
| THP 428 Theatre and the Future | 3 |
| Total | 27 |

* One semester hour must involve running a production.

One of the following two courses (three or four semester hours) is required:

| | |
|---|---|
| THP 213 Introduction to Technical Theatre | 4 |
| THP 214 Introduction to Costuming | 3 |

Three semester hours of departmental approved course work in dramatic literature are also required. Check the department advising office for a list of eligible courses.

Twenty-four semester hours of THE and THP electives are selected by the student and advisor to complete the 57 or 58 semester hours required in the major. These 24 semester hours can constitute an optional focus area for the student, which involves enrolling in related course work from one of six subject areas in Theatre: (1) theatre and performance studies; (2) directing and performance; (3) design and production; (4) playwriting and dramaturgy; (5) theatre for youth; and (6) film. A list of recommended courses appropriate to each area is available from the department advising office. Undergraduate students interested in pursuing Arizona teacher certification or endorsement for Theatre are encouraged to pursue the focus area in theatre for youth, then obtain postbaccalaureate teacher certification through the ASU College of Education or another Arizona educational institution. General Studies courses make up 35 semester hours of the total courses required. Additional elective courses are selected with an advisor to meet the total 120 semester hours required for the degree.

Within the major, only courses with a grade of “C” (2.00) or higher may be applied toward graduation.

Students who transfer 55 semester hours or more are required to enter with and retain a 2.50 GPA in theatre courses and a 2.00 cumulative GPA.

Acting Concentration

The major in Theatre with a concentration in acting prepares students for both advanced graduate study in the field and independent career pursuits in performance. In addition to required core courses, the acting concentration consists of 23 or 24 semester hours. The following nine semester hours are required:

| | |
|--|---|
| THP 272 Acting: Introduction to Movement | 3 |
| THP 277 Acting: Introduction to Voice | 3 |
| THP 285 Acting: Beginning Scene Study | 3 |

One of the following two courses (two or three semester hours) is also required toward the end of the program of study:

| | |
|---|---|
| THP 388 Acting: Audition Techniques | 3 |
| THP 489 Acting: Career Development | 2 |

Twelve semester hours in acting elective course work completes the concentration.

Students are strongly encouraged to apply for admission to the concentration at the end of the freshman year to allow for three academic years of supervision. Transfer students should apply for the concentration at the end of their first semester at ASU. Admission requirements include an audition with a committee of acting faculty members (conducted at the end of each semester) plus the submission of a one-page letter of intent, a résumé, and an unofficial transcript (minimum 2.50 overall GPA and a 3.00 Theatre GPA required). Retention in the concentration is based on satis-

factory artistic work and growth, production participation, evidence of a strong work ethic, and maintenance of a minimum 2.50 overall GPA and a 3.00 Theatre GPA.

Eligible students denied admission into the acting concentration can reapply the following year.

Scenography Concentration

The major in Theatre with a concentration in scenography prepares students for advanced graduate study in the field and entry-level careers in performance design and technology. In addition to core course requirements, the concentration in scenography consists of 24 or 25 semester hours. Twelve semester hours from among the following are required:

| | |
|--|---|
| THP 317 Stage Management | 3 |
| THP 340 Scene Design | 3 |
| THP 345 Lighting Design | 3 |
| THP 350 Sound Design | 3 |
| THP 430 Costume Design | 3 |
| THP 442 Drawing | 3 |
| THP 494 ST: Technical Direction | 3 |
| THP 494 ST: Multimedia Design in Theatre | 3 |

One of the following two courses (three or four semester hours), not taken as part of the core, is also required:

| | |
|---|---|
| THP 213 Introduction to Technical Theatre | 4 |
| THP 214 Introduction to Costuming | 3 |

Nine semester hours in theatre design or theatre technology elective course work, which may be accomplished through production courses, completes the concentration.

Application for admission into the concentration is suggested at the end of the freshman year to allow three years of academic supervision. Transfer students should apply for the concentration during their first semester at ASU. Admission requirements include an interview with design and production faculty (conducted at the end of each semester) and submission of a letter of intent, a portfolio, and an unofficial transcript (a minimum GPA of 2.50 is required). A résumé is optional. Design and production faculty will meet monthly with students as a group to monitor personal progress, to assess portfolio development, and to develop a community. Retention in the program is based on satisfactory artistic growth (as evidenced in a mandatory portfolio reflecting work completed during each semester), production participation, and maintenance of a 2.50 GPA. For more information, see the *BA in Scenography Concentration Handbook*.

Eligible students denied admission into the scenography concentration can appeal in writing to the director of the undergraduate scenography program.

BIS CONCENTRATION

A concentration in theatre is available under the Bachelor of Interdisciplinary Studies (BIS) degree, a program intended for the student who has academic interests that might not be satisfied with existing majors. Building on two academic concentrations (or one double concentration) and an interdisciplinary core, students in the BIS program take active roles in creating their educational plans and defining their career goals. For more information, see “School of Interdisciplinary Studies,” page 139.

GRADUATE PROGRAMS

The faculty in the School of Theatre and Film offer programs leading to the MA degree in Theatre; the Master of Fine Arts degree in Theatre with concentrations in directing, integrated digital media, performance, performance design, and theatre for youth; the PhD degree in Theatre with concentrations in theatre and performance of the Americas and theatre for youth; and, in conjunction with the Department of English, an interdisciplinary Master of Fine Arts degree in Creative Writing (playwriting).
