- SLC 201
- SLC 202
- SLC 498
- Related Area
- Related Area

Sub Total (V): 45

VI. Free Electives (0-5 hours)

Sub Total (VI): 0-5

Sub Total (VII): 0-5

Depending on how students share required courses with general studies, the number of elective hours varies.

Students will be recommended for a middle grade endorsement upon completion of EDP 313, SED 403 (with a “C” or better), and student teaching in grades 7-9. (The endorsement requirements are determined by the Department of Education and are subject to change.)

Initial Teacher Certification (ITC) programs in the College of Education have pre-requisite coursework and experience. A formal portfolio is required to begin ITC courses. Please refer to our website, http://coe.asu.edu/oss for more information about our programs, courses, application process, and admission criteria.

Updated: 07/07/07
BAE in Secondary Education (French)

College of Education students complete pre-professional coursework and then apply to the Initial Teacher Certification (ITC) program in the second semester of their sophomore year. Students are NOT guaranteed admission into the ITC program. Admission is based on a competitive application process.

### Academic Specialization Admission Requirements

The following courses must be completed with a "C" or higher and students must have a 3.0 French GPA before applying to the ITC program:

- FRE 205: French Conversation
- FRE 311: French Composition
- One additional upper division required French course

### Academic Advising

All newly admitted students to the ASU College of Education are admitted as pre-professional education majors. Pre-professional students are advised by a team of academic advisors whose primary focus is on preparing students for the Initial Teacher Certification (ITC) program during their junior year. Pre-professional students are strongly encouraged to meet each semester with the pre-professional team of advisors to ensure proper progression through their chosen major. It is crucial that all applicants seeking application to the ITC program gain valuable experience with the population of students they intend to teach; the Office of Student Services can provide information on various opportunities to gain such experience.

Once admitted to the ITC, students are assigned to a professional program advisor.

To schedule an appointment with a pre-professional or professional program advisor, call (480) 965-5555.
