*Depending on how students share required courses with general studies, the number of elective hours varies.

Students will be recommended for a middle grade endorsement upon completion of EDP 313, SED 403 (with a “C” or better), and student teaching in grades 7-9. (The endorsement requirements are determined by the Department of Education and are subject to change.)

Initial Teacher Certification (ITC) programs in the College of Education have pre-requisite coursework and experience. A formal portfolio is required to being ITC courses. Please refer to our website, http://coe.asu.edu/oss for more information about our programs, courses, application process, and admission criteria.

**Academic Advising**

All newly admitted students to the ASU College of Education are admitted as pre-professional education majors. Pre-professional students are advised by a team of academic advisors whose primary focus is on preparing students for the Initial Teacher Certification (ITC) program during their junior year. Pre-professional students are strongly encouraged to meet each semester with the pre-professional team of advisors to ensure proper progression through their chosen major. It is crucial that all applicants seeking application to the ITC program gain valuable experience with the population of students they intend to teach; the Office of Student Services can provide information on various opportunities to gain such experience.

Once admitted to the ITC, students are assigned to a professional program advisor. To schedule an appointment with a pre-professional or professional program advisor, call (480) 965-5555.

**Additional Information**

- Registration in field experience is required for each semester in the program.
- All specialization courses, general studies, and ITC courses must be completed prior to student teaching.
- A “C” grade minimum is required in academic specialization and ITC courses.

**Academic Specialization Admission Requirements**

The following courses must be completed with a “C” or higher before applying to the ITC program:

- At least **four (4)** required courses in academic specialization.
- It is suggested that most of the Social Studies Core be completed in order to complete the ITC program within 4 semesters.
