Upper Division Humanities, Arts and Design (HU) OR Upper Division Social-Behavioral Sciences (SB)

Term hours subtotal: 15
**Notes:**

- First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU’s first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
- Mathematics Placement Assessment score determines placement in first mathematics course.

**Total Hours:** 120

Notes:

- First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU’s first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
- Mathematics Placement Assessment score determines placement in first mathematics course.

Hide Course List(s)/Track Group(s)

Science Elective

- AST 111: Introduction to Solar Systems
- Astronomy (SQ)

- BIO 181: General Biology I (SQ)

- CHM 116: General Chemistry II (SQ)

- GLG 101: Introduction to Geology I (Physical) (SQ)

- PHY 131: University Physics II: Electricity and Magnetism (SQ)

Notes:
- A secondary focus area is a group of courses comprising of 12 or more credit hours (at least six credit hours must be at the upper-division level) which form a coherent theme. For example, all courses may share a common subject prefix. Students work with an academic advisor to identify their secondary focus area.

General University Requirements Legend

General Studies Core Requirements:
- Literacy and Critical Inquiry (L)
- Mathematical Studies (MA)
- Computer/Statistics/Quantitative Applications (CS)
- Humanities, Arts and Design (HU)
- Social-Behavioral Sciences (SB)
- Natural Science - Quantitative (SQ)
- Natural Science - General (SG)

General Studies Awareness Requirements:
- Cultural Diversity in the U.S. (C)
General Studies designations listed on the major map are current for the 2022 - 2023 academic year.

- Global Awareness (G)
- Historical Awareness (H)

First-Year Composition

Academic Catalog Archive 2022-2023 3307
EE 455: Communication Systems
EE 459: Communication Networks
Math or Science Elective (Communication and Networks industry)
MAT 275: Modern Differential Equations (MA)
PHY 131: University Physics II: Electricity and Magnetism (SQ)

Industry Focus Area Elective (Power Systems Industry)
EE 202: Circuits I
EE 241: Fundamentals of Electromagnetics
EE 360: Energy Systems and Power Electronics
EE 463: Electrical Power Plants
EE 470: Electric Power Devices
EE 472: Power Electronics and Power Management
Math or Science Elective (Power Systems Industry)
MAT 275: Modern Differential Equations (MA)
PHY 131: University Physics II: Electricity and Magnetism (SQ)

Industry Focus Area Elective (Software Industry)
CSE 240: Introduction to Programming Languages or CSE 220: Programming for Computer Engineering
CSE 310: Data Structures and Algorithms
CSE 360: Introduction to Software Engineering
CSE 3** Elective
CSE 4** Elective
Math or Science Elective (Software Industry)
MAT 243: Discrete Mathematical Structures (required)
General Math or Science Course Approved by SCAI Advisor

Industry Focus Area Elective (Sustainable and Environmentally Benign Industry)
CEE 213: Introduction to Deformable Solids
CEE 361: Introduction to Environmental Engineering
CEE 384: Numerical Methods for Engineers (CS) or MAE 384: Advanced Mathematical Methods for Engineers (CS)
CEE 400: Earth Systems Engineering and Management ((L or HU) & H)
CEE 467: Environmental Microbiology
CEE 470: Sustainable Environmental Biotechnologies
Math or Science Elective (Sustainable and Environmentally Benign Industry)
MAT 275: Modern Differential Equations (MA)

Notes:
- First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU’s
first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP

- Mathematics Placement Assessment score determines placement in first mathematics course.

**Total Hours:** 120  
**Upper Division Hours:** 45 minimum  
**Major GPA:** 2.00 minimum  
**Cumulative GPA:** 2.00 minimum  
**Total hrs at ASU:** 30 minimum  
**Hrs Resident Credit for Academic Recognition:** 56 minimum  
**Total Community College Hrs:** 64 maximum

General Studies Awareness Requirements:

- Cultural Diversity in the U.S. (C)  
- Global Awareness (G)  
- Historical Awareness (H)

First-Year Composition

General Studies designations listed on the major map are current for the 2022 - 2023 academic year.

First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU’s first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP

Mathematics Placement Assessment score determines placement in first mathematics course.

Notes:

- First-Year Composition:
- Mathematics Placement Assessment score determines placement in first mathematics course.

General University Requirements Legend

General Studies Core Requirements:
- Literacy and Critical Inquiry (L)
- Mathematical Studies (MA)
- Computer/Statistics/Quantitative Applications (CS)
- Humanities, Arts and Design (HU)
- Social-Behavioral Sciences (SB)
- Natural Science - Quantitative (SQ)
- Natural Science - General (SG)

Total Hours: 120
Upper Division Hours: 45 minimum
Major GPA: 2.00 minimum
Cumulative GPA: 2.00 minimum
Total hrs at ASU: 30 minimum
Hrs Resident Credit for Academic Recognition: 56 minimum
Total Community College Hrs: 64 maximum

General Studies Awareness Requirements:
- Cultural Diversity in the U.S. (C)
- Global Awareness (G)
- Historical Awareness (H)

Academic Catalog Archive 2022-2023
Students in the BS Graphic Information Technology program select a primary focus area consisting of 12 hours of focused courses (minimum six hours of upper-division). Focus areas are listed below.

Digital Design, Print, and Publishing
- GIT 333: Printing Technology
- GIT 334: Image Editing and Manipulation
- GIT 437: Color Reproduction Systems
- GIT 494: Special Topics
- TWC 411: Principles of Visual Communication (L)

Front-End Web Development
- GIT 337: Web Content Design
- GIT 414: Web Site Design and Internet/Web Technologies
- GIT 417: Advanced Web Markup and Scripting
- GIT 418: Multimedia Authoring, Scripting and Production

Motion Graphics/Visual Effects
- GIT 211: Introduction to Video Game Art
- GIT 312: 3-D Computer Graphics Modeling and Representation (CS)
- GIT 334: Image Editing and Manipulation
- GIT 411: Computer Animation
- GIT 494: Special Topics

Commercial Photography and Video
- GIT 334: Image Editing and Manipulation
- GIT 415: Advanced Digital Video Techniques
- GIT 445: 360 Production
- GIT 490: Advanced Commercial Photography
- GIT 494: Special Topics

Interaction Design
- GIT 340: Information Design and Usability
- GIT 402: New Media Internet Technologies
- GIT 435: Website and E-Commerce Strategies
- GIT 494: Cross-Media Design Solutions
- GIT 494: Special Topics

Notes:
- First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU’s first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: [https://cisa.asu.edu/DSP](https://cisa.asu.edu/DSP)
- Mathematics Placement Assessment score determines placement in first mathematics course.
• Cultural Diversity in the U.S. (C)
• Global Awareness (G)
• Historical Awareness (H)

First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP

Mathematics Placement Assessment score determines placement in first mathematics course.

General University Requirements Legend

- Literacy and Critical Inquiry (L)
- Mathematical Studies (MA)
- Computer/Statistics/Quantitative Applications (CS)
- Humanities, Arts and Design (HU)
- Social-Behavioral Sciences (SB)
- Natural Science - Quantitative (SQ)
- Natural Science - General (SG)
General Studies Awareness Requirements:

- Cultural Diversity in the U.S. (C)
- Global Awareness (G)
- Historical Awareness (H)

Notes:
- First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
- Mathematics Placement Assessment score determines placement in first mathematics course.
Hrs Resident Credit for Academic Recognition: 56 minimum
Total Community College Hrs: 64 maximum

General Studies Awareness Requirements:
• Cultural Diversity in the U.S. (C)
• Global Awareness (G)
• Historical Awareness (H)

First-Year Composition

**Informatics Focus Area (Data Science)**

- CSE 450: Design and Analysis of Algorithms
- CSE 467: Data and Information Security
- CSE 471: Introduction to Artificial Intelligence
- CSE 475: Foundations of Machine Learning
- DAT 250: Data Science and Society
- DAT 300: Mathematical Tools for Data Science
- DAT 301: Exploring Data in R and Python
- DAT 401: Statistical Modeling and Inference for Data Science
- DAT 402: Machine Learning for Data Science

**Informatics Focus Area (Digital Culture Studies)**

- AME 111: Introduction to Digital Culture (CS)
- AME 112: Computational Thinking for Digital Culture
- AME 130: Prototyping Dreams (L)
- AME 220: Programming for the Web
- AME 230: Programming for the Media Arts (CS)
- AME 240: Introduction to Physical Computing
- AME 3** Elective
- AME 4** Elective
- ART 116: Introduction to Digital Media
- ART 206: Digital Photography I
- ART 217: Introduction to Computer Animation
- ART 218: 3D Tools
- ART 308: 2D Digital Animation
- ART 345: Visualization and Prototyping
- ART 346: 3-D Computer Imaging and Animation (CS)
- ART 348: Animation Motion Studies
- ART 394: Digital Photography for Non-Majors
- ART 424: Stop Motion Animation
- ART 440: Experimental Video Art
- ART 494: Visual Prototyping
- CIS 300: Web Design and Development
- Complete 3 courses:
  - Upper Division Informatics Elective
  - Recommended first course is AME 111.

**Informatics Focus Area (Enterprise Informatics)**

- IEE 376: Operations Research Deterministic Techniques/Applications
- IEE 385: Engineering Statistics: Probability
- IEE 421: Urban Operations Research
- IEE 426: Operations Research in Healthcare
- IEE 461: Production Control
- IEE 474: Quality Control
- IEE 475: Simulating Stochastic Systems (CS)
- IEE 477: System Dynamics and Thinking
- SCM 300: Global Supply Operations

**Upper-Division Coursework**

- A minimum of 21 hours of upper-division coursework is required across the Informatics Focus Area and Informatics Elective requirements.
- All Focus Area coursework must be completed from the same Focus Area.
- It is recommended that you work with your academic advisor when making course selections.
- For additional information on major curriculum, including Informatics Focus Area courses, please visit the Informatics Degree Requirements website.

**Informatics Electives**: It is recommended that you work with your academic advisor when making course selections.

First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU’s first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP

Mathematics Placement Assessment score determines placement in first mathematics course.

Students choose one primary focus area (12 credit hours). Students must take primary focus area courses sequentially in order to meet the prerequisites of subsequent upper-division courses.

**Total Hours:** 120
**Upper Division Hours:** 45 minimum
**Major GPA:** 2.00 minimum
**Cumulative GPA:** 2.00 minimum
**Total hrs at ASU:** 30 minimum
**Hrs Resident Credit for Academic Recognition:** 56 minimum
**Total Community College Hrs:** 64 maximum

• ASU 101 or college-specific equivalent First-Year Seminar required of all first-year students.  
• FSE 100 is required for first-year students and should be completed in the first semester. Non-first year students: see advisor for petitioning replacement electives.  
• If students take ENG 105, a 3 credit hour applicable elective must also be taken prior to graduation. See advisor.  
• Prep for success using the First-Year Student Guide.  
• Join a Fulton community.  
• Explore engineering and technical professions.

CHM 302: Environmental Chemistry
CHM 325: Analytical Chemistry
CHM 341: Elementary Physical Chemistry
CHM 345: Physical Chemistry I
CHM 346: Physical Chemistry II
CHM 433: Advanced Organic Chemistry I
ENV 410: Soil Science
GLG 404: Fundamentals of Planetary Geology
GLG 418: Geophysics
PHY 201: Mathematical Methods in Physics I (CS)
PHY 334: Advanced Laboratory I (L)
PHY 361: Introductory Modern Physics

Technical Electives

Advanced Science Elective

CEE 294: AutoCAD Civil 3-D
CEE 353: Civil Engineering Materials
CHE 211: Introduction to Chemical Processing
CHE 494: Fundamentals of Scaleup
CHE 494: Quantum Mechanical Simulations of Chemical Process
CIS 310: Business Data Visualization
EEE 202: Circuits I
EEE 241: Fundamentals of Electromagnetics
EEE 352: Properties of Electronic Materials
EEE 435: Fundamentals of CMOS and MEMS
EEE 436: Fundamentals of Solid-State Devices
EEE 460: Nuclear Power Engineering
EEE 465: Photovoltaic Energy Conversion
EGR 219: Computational Modeling of Engineering Systems
FSE 301: Entrepreneurship and Value Creation
FSE 404: EPICS Gold: EPICS in Action
IEE 300: Economic Analysis for Engineers
IEE 369: Work Analysis and Design (L)
IEE 385: Engineering Statistics: Probability
IEE 437: Human Factors Engineering
IEE 474: Quality Control
MAT 300: Mathematical Structures (L)
MEE 322: Structural Mechanics
MEE 342: Principles of Mechanical Design
PUP 442: Environmental Planning
SES 311: Essentials of Astrobiology: Exploration for Life in the Universe
By approval only:
MSE 484: Internship
MSE 492: Honors Directed Study
MSE 493: Honors Thesis (L)
MSE 499: Individualized Instruction

*Students who do not meet the enrollment requirements for these courses may be allowed to enroll with instructor consent. Courses not listed here require a program petition prior to enrollment. Please check with your advisor.

### Notes:
- First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: [https://cisa.asu.edu/DSP](https://cisa.asu.edu/DSP)
- Mathematics Placement Assessment score determines placement in first mathematics course.

### Total Hours: 120
- Upper Division Hours: 45 minimum
- Major GPA: 2.00 minimum
- Cumulative GPA: 2.00 minimum
- Total hrs at ASU: 30 minimum
- Hrs Resident Credit for Academic Recognition: 56 minimum
- Total Community College Hrs: 64 maximum

### General University Requirements Legend

**General Studies Core Requirements:**
- Literacy and Critical Inquiry (L)
- Mathematical Studies (MA)
- Computer/Statistics/Quantitative Applications (CS)
- Humanities, Arts and Design (HU)
- Social-Behavioral Sciences (SB)
- Natural Science - Quantitative (SQ)
- Natural Science - General (SG)

**General Studies Awareness Requirements:**
- Cultural Diversity in the U.S. (C)
- Global Awareness (G)
- Historical Awareness (H)

**First-Year Composition**
General Studies designations listed on the major map are current for the 2022 - 2023 academic year.
## 2022 - 2023 Major Map
### Mechanical Engineering, BSE

**School/College:** Ira A. Fulton Schools of Engineering  
**Location:** Tempe campus  
**ESMAEBSE**

Notes:

- First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
- Mathematics Placement Assessment score determines placement in first mathematics course.

Total Hours: 120
Upper Division Hours: 45 minimum
Major GPA: 2.00 minimum
Cumulative GPA: 2.00 minimum
Total hrs at ASU: 30 minimum
Hrs Resident Credit for Academic Recognition: 56 minimum
Total Community College Hrs: 64 maximum

Electives, please go to: Upper Division Computational Mechanics Technical Electives.

• Plan for success using the Senior Guide.
• Use Handshake to apply for full-time positions.
• Complete an in person or virtual practice interview.
First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP

Mathematics Placement Assessment score determines placement in first mathematics course.

Notes:

* Students who do not meet the enrollment requirements for these courses may be allowed to enroll with instructor consent. Courses not listed here require a program petition prior to enrollment. Please check with your advisor. A max of 3 credits from MAE 484/499 can be applied toward the TE requirements.

Notes:

- First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU’s first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
- Mathematics Placement Assessment score determines placement in first mathematics course.

Term hours subtotal: 13

- Sustainability BA students must select one of the following challenge area tracks:
  - Society and Sustainability (SOS 320)
  - Policy and Governance in Sustainable Systems (SOS 321)
  - International Development and Sustainability (SOS 322)
  - Sustainable Urban Dynamics (SOS 323 or SOS 465)
- Students must declare a track by the end of Term 4.
- Students must complete the one required course for their chosen track.
- Students must also complete any additional three track courses for a total of 12 credit hours of track courses. Select from SOS 320, SOS 321, SOS 322, SOS 323, SOS 324, SOS 325, SOS 326, SOS 327, SOS 328, or SOS 465.
- Students must complete two track elective courses from their chosen track. At least one track elective course must be upper division.

Example: If the Society and Sustainability Track is chosen, students must complete SOS 320 and any three additional track courses by the end of Term 5.

More information on BA Tracks can be found here.

Sustainability BA students must select one of the following challenge area tracks:

- Society & Sustainability (SOS 320)
- Policy and Governance in Sustainable Systems (SOS 321)
- International Development and Sustainability (SOS 322)
- Sustainable Urban Dynamics (SOS 323 or SOS 465)

Students must declare a track by the end of Term 4.

Students must complete the one required track course for their chosen track.

Students must also complete any additional three track courses for a total of 12 credit hours of track courses. Select from SOS 320, SOS 321, SOS 322, SOS 323, SOS 324, SOS 325, SOS 326, SOS 327, SOS 328, or SOS 465.

Students must complete two track elective courses from their chosen track. At least one track elective course must be upper division.

- All students must complete 12 hours of approved Related Discipline courses. A Related Discipline is a concentration outside of Sustainability that augments the student's Sustainability education. Must see advisor for approval.

- Minimum 2.50 GPA in SOS and SFS.
- Minimum 2.50 GPA ASU Cumulative.
Example: If the Society and Sustainability Track is chosen, students must complete SOS 320 and any three additional track courses by the end of Term 5.

More information on BA Tracks can be found [here](#).

**Sustainable Urban Dynamics Track**

---

| Hide Course List(s)/Track Group(s) | Example: If the Society and Sustainability Track is chosen, students must complete SOS 320 and any three additional track courses by the end of Term 5. | More information on BA Tracks can be found [here](#). |
Required Course:
- SOS 323: Sustainable Urban Dynamics
- SOS 465: Sustainable Urbanism

Electives:
- ALA 100: Introduction to Environmental Design (HU & H & G)
- GCU 361: Urban Geography (SB)
- GCU 442: Geographical Analysis of Transportation (SB)
- PUP 200: Cities in Cinema (HU & H & G)
- PUP 301: Introduction to Urban Planning (L)
- PUP 363: History of Planning
- PUP 410: Public Participation in Planning
- PUP 430: Transportation Planning and the Environment
- SOS 315: Energy Policy
- SOS 327: Sustainable Food and Farms
- SOS 414: Urban and Environmental Health (SB)

Notes:
- First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
- Mathematics Placement Assessment score determines placement in first mathematics course.

Required Course:

Economics of Sustainability Track
Ecosystems Sustainability Track

Sustainability BS students must select one of the following challenge area tracks:

- Sustainable Energy, Materials, and Technology (SOS 324)
- Economics of Sustainability (SOS 325)
- Ecosystems Sustainability (SOS 326)

Students must declare a track by the end of Term 4.

Students must complete the one required track course for their chosen track, and at least two additional three track courses for a total of four (12 credit hours) track courses. Select from SOS 320, SOS 321, SOS 322, SOS 323, SOS 324, SOS 325, SOS 326, SOS 327, SOS 328, or SOS 465.

Minimum 2.50 GPA in SOS and SFS.

Minimum 2.50 GPA ASU Cumulative.

More information on BS Tracks can be found here.
Notes:

- First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU’s first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
- Mathematics Placement Assessment score determines placement in first mathematics course.

• First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU’s first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
• Mathematics Placement Assessment score determines placement in first mathematics course.

General University Requirements Legend

General Studies Core Requirements:
• Literacy and Critical Inquiry (L)
• Mathematical Studies (MA)
• Computer/Statistics/Quantitative Applications (CS)
• Humanities, Arts and Design (HU)
• Social-Behavioral Sciences (SB)
• Natural Science - Quantitative (SQ)
• Natural Science - General (SG)

Total Hours: 120
Upper Division Hours: 45 minimum
Major GPA: 2.00 minimum
Cumulative GPA: 2.00 minimum
Total hrs at ASU: 30 minimum
Hrs Resident Credit for Academic Recognition: 56 minimum
Total Community College Hrs: 64 maximum

General Studies Awareness Requirements:
• Cultural Diversity in the U.S. (C)
• Global Awareness (G)
• Historical Awareness (H)

First-Year Composition

General Studies designations listed on the major map are current for the 2022 - 2023 academic year.
### 2022 - 2023 Major Map

**Sustainable Food Systems, BS**

**School/College:** College of Global Futures  
**Location:** ASU Local  
**SUSFOSYSBS**

#### Term 1 - A 0 - 7 Credit Hours

Notes:

- First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
• Mathematics Placement Assessment score determines placement in first mathematics course.

Notes:

- First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
- Mathematics Placement Assessment score determines placement in first mathematics course.
Total Hours: 120
Upper Division Hours: 45 minimum
Major GPA: 2.00 minimum
Cumulative GPA: 2.00 minimum
Total hrs at ASU: 30 minimum
Hrs Resident Credit for Academic Recognition: 56 minimum
Total Community College Hrs: 64 maximum

General Studies Awareness Requirements:
- Cultural Diversity in the U.S. (C)
- Global Awareness (G)
- Historical Awareness (H)

First-Year Composition

General Studies designations listed on the major map are current for the 2022 - 2023 academic year.
This program's name has changed effective Fall 2022. The previous name was Science of Health Care Delivery.

Academic Catalog Archive 2022-2023
3548
CHS students are required to complete a minimum of three credits of experiential learning coursework. A list of recommended courses is below. The CHS student website also has up to date information on opportunities to fulfill this requirement, including research and internships, that are relevant to each major. Students should contact their academic advisor with any questions.

- Students should continue to follow the same track list.
- Courses used to count toward a track cannot be used as an HEHP major elective.
- Students who use an HEHP major elective or track course to fulfill the experiential learning requirement will need to complete an additional three credit upper division elective.

### Term 10 - A 114 - 120 Credit Hours

**Upper Division Track Course**

First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU’s first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP

Mathematics Placement Assessment score determines placement in first mathematics course.

Experiential Learning Course

The following courses are the most relevant for your major, but other options may be possible. See your advisor.

- CHS 280: Experiential Community Health and Research
- CHS 484: Applied Health Experience
- CHS 484: Citizen Science in Health
- CHS 484: Translational Research
- CHS 494: Advanced Undergraduate Teaching Assistant
- CHS 494: Sexual Health in European Culture
- CHS 494: Undergraduate Research
- HEP 394: Health and Climate Change
- HEP 486: Applied Projects in Health Education and Health Promotion

Notes:

Term hours subtotal: 15

Students must select at least three courses from a single focus area list below, and then select from any combination of the focus area lists to complete a total of 15 credit hours. Select an experiential learning course from the list below and visit the CHS student website for more information on opportunities specific to your major. Students who plan to take MED 484 as their experiential learning course in term 7 must have a minimum cumulative 3.00 GPA. Use Handshake to research employment opportunities. Gather professional references.
Focus Areas provide students an opportunity to focus their studies in a particular area of interest or expand their knowledge in various areas. Students must select at least three courses from a single focus area list, and can then select from any combination of the focus area lists to complete a total of 15 credit hours, nine of which must be upper division.

Students interested in applying to the Mayo School of Health Sciences Echocardiography program must complete all prerequisite courses prior to matriculation to the 21 month professional program at Mayo. Students must be accepted into the program, which has limited slots for admission. For admission criteria and application process, go [here](#). If a student is accepted for the program, completion requires the student to attend ASU to meet our remaining requirements in the summer prior to the beginning of the program. Students must work closely with their ASU academic advisor to make certain all prerequisites have been met. Upon successful completion of the Echocardiography curriculum at Mayo, the student must have the credits transferred back to ASU for acceptance as a block. At that time, the student may apply for graduation from ASU with the BS in Health Sciences.

Students interested in taking SPA courses to fulfill focus area requirements should plan ahead to complete prerequisites or the appropriate placement exam. Contact [placement](https://cisa.asu.edu/advising) for more information on placement.

CHS students are required to complete a minimum of three credits of experiential learning coursework. A list of recommended courses is below. The [CHS student website](#) also has up to date information on opportunities to fulfill this requirement, including research and internships, that are relevant to each major. Students should contact their academic advisor with any questions.

Focus Areas provide students an opportunity to focus their studies in a particular area of interest or expand their knowledge in various areas. Students must select at least three courses from a single focus area list, and can then select from any combination of the focus area lists to complete a total of 15 credit hours, nine of which must be upper division.

CHS students are required to complete a minimum of three credits of experiential learning coursework. A list of recommended courses is below. The CHS student website also has up to date information on opportunities to fulfill this requirement, including research and internships, that are relevant to each major. Students should contact their academic advisor with any questions.

### Community-based Health Outcomes Focus Area
- HCD 420: Population Health Management
- HEP 361: Social Media and Marketing for Health
- HEP 466: Health Promotion Program Management and Administration
- MED 417: Impact of Violence on Health
- PBH 422: Health Disparities and Access to Health

### Health Legislation and Regulation Focus Area
- HCD 201: Economics for Health Majors
- HCD 302: Health Care Management
- HCD 304: Health Care Finance
- HCD 332: Population Health Policy and Legislation
- HCD 400: Interpreting the Scientific Literature
- HCD 402: Health Economics
- HEP 452: Health Advocacy in Health Education
- HSC 432: Legal Issues in Health Care
- PAF 340: Contemporary Policy Challenges

### Integrated Care Focus Area
- CHS 340: Health Theory
- HEP 251: Preventing HIV and Substance Abuse
- HEP 350: Substance Abuse and Addictive Behavior
- HEP 380: Body Image and Wellness
- HSC 300: Complementary Health Care
- HSC 355: Eating for Lifelong Health (SB)
- HSC 410: Supporting the Health of Older Adults
- HSC 412: Health Issues in Later Life
- HSC 440: Health Coaching Concepts and Skills
- MED 445: Prevention and Management of Chronic Disease

### Language, Speech and Communication Focus Area
- SHS 205: Exploring Communication Disorders in Children and Adults AND SHS 250: Introduction to Phonetics
- SHS 310: Anatomical and Physiological Bases of Speech
- SHS 311: Hearing Science
- SHS 367: Language Science (SB)
- SHS 375: Speech Science
- SHS 401: Principles of Audiology
- SHS 465: Speech and Language Acquisition (SB)
- SHS 496: Aural Rehabilitation

### Experiential Learning Course
The following courses are the most relevant for your major, but other options may be possible. See your advisor.
- CHS 280: Experiential Community Health and Research
- CHS 484: Applied Health Experience
- CHS 484: Citizen Science in Health
- CHS 484: Translational Research
- CHS 494: Undergraduate Research
- CHS 494: Advanced Undergraduate Teaching Assistant
- HSC 484: Internship
- HSC 494: Undergraduate Research
Notes:

- First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU’s first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
- Mathematics Placement Assessment score determines placement in first mathematics course.

**Academic Catalog Archive 2022-2023**

3563
Students may select courses from any combination of the focus area lists to expand their knowledge in different areas. The lists are separated into several categories that span the field of healthy lifestyles and health sciences. A total of 12 credit hours of focus area courses must be completed, nine of which must be upper division.

CHS students are required to complete a minimum of three credits of experiential learning coursework. A list of recommended courses is below. The CHS student website also has up to date information on opportunities to fulfill this requirement, including research and internships, that are relevant to each major. Students should contact their academic advisor with any questions.
SOC 427: Sociology of Health and Illness (SB)

Health Psychology Focus Area
HEP 443: Emotional Health and Interpersonal Relationships
PBH 410: Public Mental Health
PSY 290: Research Methods (L or SG)
PSY 304: Effective Thinking (L)
PSY 315: Personality Theory and Research (SB)
PSY 341: Developmental Psychology (SB)
PSY 350: Social Psychology (SB)
PSY 366: Abnormal Psychology (SB)
PSY 462: Health Psychology

Healthy Nutrition Focus Area
MCO 494: Food and Media
NTR 142: Applied Food Principles
NTR 345: Development of Healthy Cuisines
NTR 348: Cultural Aspects of Food (SB & C & G)
NTR 351: Nutrition Communication (L)
NTR 353: Perspectives on the Western Diet: Food, Health, and Sustainability
NTR 448: Community Nutrition (L)
NTR 453: Nutrition and the Media

Integrative Health Focus Area
HCR 240: Human Pathophysiology
HCR 241: Foundations of Integrative Health
HCR 245: Sleep, Sleep Disorders and Behavior (SB)
HCR 341: Biological, Manipulative, and Body-Based Therapies
HCR 342: Mind-Body and Energy Therapies and Modalities
HCR 472: Interprofessional Education and Complex Health
HSC 410: Supporting the Health of Older Adults
MED 300: Historical and Contemporary Issues in Health (L)
MED 445: Prevention and Management of Chronic Disease
MED 475: Palliative Care: Managing Complex Serious Illness

Experiential Learning Course
The following courses are the most relevant for your major, but other options may be possible. See your advisor.

CHS 280: Experiential Community Health and Research
CHS 394: CHS Peer Instructional Facilitator
CHS 400: Adaptive Exercise Program Practical Experience
CHS 484: Applied Health Experience
CHS 484: Citizen Science in Health
CHS 484: Translational Research
CHS 493: Honors Thesis (L)
CHS 494: Advanced Undergraduate Teaching Assistant
CHS 494: Undergraduate Research
HCR 471: Interprofessional Education and Community Health
HSC 441: Applied Health Coaching Techniques
HSC 484: Internship
Notes:

- First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU’s first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
- Mathematics Placement Assessment score determines placement in first mathematics course.

General University Requirements Legend

- General Studies Core Requirements:
  - Literacy and Critical Inquiry (L)
  - Mathematical Studies (MA)
  - Computer/Statistics/Quantitative Applications (CS)
  - Humanities, Arts and Design (HU)
  - Social-Behavioral Sciences (SB)
  - Natural Science - Quantitative (SQ)
  - Natural Science - General (SG)

General Studies Awareness Requirements:

- Cultural Diversity in the U.S. (C)
- Global Awareness (G)
- Historical Awareness (H)

First-Year Composition

General Studies designations listed on the major map are current for the 2022 - 2023 academic year.
2022 - 2023 Major Map
Health Sciences (Healthy Lifestyles and Fitness Science), BS

School/College: College of Health Solutions
Location: ASU Local
NUHSCHLCBS

**FT** Fast Track Options: 3 Year

A student must speak with an advisor in order to be added to a fast track plan.

### Notes:

- First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: [https://cisa.asu.edu/DSP](https://cisa.asu.edu/DSP)

- Mathematics Placement Assessment score determines placement in first mathematics course.

explore an internship.
review scholarship renewal criteria to ensure adequate enrollment.

• Develop your professional online presence.
• Thinking about graduate school? Consider registering for a grad school test prep course.
• All CHS students must complete a minimum of three credits of experiential learning. Select a course from the list below to take in Term 6 and visit the CHS student website for more information on opportunities, including research and internships, specific to your major.

• Select an experiential learning course from the list below and visit the CHS student website for more information on opportunities specific to your major.
• Select Upper Division KIN Major Elective from the list below.
• Students who use an Upper Division KIN Major Elective to fulfill the experiential learning requirement will need to complete an additional three credit upper division elective.
• Gather professional references.

• Select an upper division KIN course with the (L) Literacy & Critical Inquiry designation, as well as two Upper Division KIN Major Electives from the list below.
Complete 3 courses:
Upper Division KIN Major Elective

CHS 394: CHS Peer Instructional Facilitator
CHS 400: Adaptive Exercise Program
CHS 492: Honors Directed Study
CHS 493: Honors Thesis (L)
CHS 494: Advanced Undergraduate Teaching Assistant
CHS 494: Undergraduate Research
CHS 499: Individualized Instruction
EXW 426: Exercise for Neuromuscular Conditions (L)
HCR 471: Interprofessional Education and Community Health
HCR 472: Interprofessional Education and Complex Health
HCR 473: Interprofessional Education and Comprehensive Systems Health
KIN 348: Psychological Skills for Optimal Performance (SB)
KIN 412: Biomechanics of the Skeletal System

Complete 2 courses:
Upper Division Elective

KIN 483: Internship
KIN 484: Internship
KIN 484: Internship
KIN 484: Internship
KIN 484: Internship
KIN 484: Internship

Term hours subtotal: 15

Select Upper Division KIN Major Electives from the list below.

- Students can apply the CHS 394 CHS Peer Instructional Facilitator and CHS 494 Advanced Undergraduate Teaching Assistant courses toward the KIN Major Elective requirement once each for a maximum of six credits total. Additional completions beyond six credits will apply as upper division electives.
- Students can apply internship, honors study/thesis, and individualized instruction courses toward the KIN Major Elective requirement for a maximum of six credits total. Additional completions beyond six credits will apply as upper division electives.
- CHS students are required to complete a minimum of three credits of experiential learning coursework. A list of recommended courses is below. The CHS student website also has up to date information on opportunities to fulfill this requirement, including research and internships, that are relevant to each major. Students should contact their academic advisor with any questions.
- Students who use an upper division KIN Major Elective to fulfill the experiential learning requirement will need to complete an additional three credit upper division elective.

Study for the professional school entrance exam and register to take it in the spring or summer of your junior year.

Update your resume.

Visit the CHS student website to explore experiential learning opportunities, including research and internships, specific to your major.

Students must have a minimum ASU cumulative GPA of 3.00 or higher to apply for the MED 484 internship.

- A course in biochemistry with lab is strongly recommended for competitive application to most professional schools.
- Students in the MD track who plan to apply to the University of Arizona Medical School in Tucson must complete upper-division coursework in Cell Biology, Histology, Microbiology, Pathology, or Immunobiology as well as an upper-division course in Molecular Biology. This means that at least one of the upper-division electives should come from the Medical Studies Breadth Electives list.

</tr>
</tbody>
</table>
West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP

- Mathematics Placement Assessment score determines placement in first mathematics course.
- Students interested in applying to Physical Therapy graduate programs should major in Kinesiology.
- Due to the high volume of overlap in curriculum, students enrolled in this degree are not permitted to declare a concurrent degree combination with the Biological Sciences BS, including the following concentrations: Biomedical Sciences; Genetics, Cell and Developmental Biology; and Neurobiology, Physiology and Behavior. Students should speak with their academic advisor for any further questions.

**General University Requirements Legend**

General Studies Core Requirements:

- Literacy and Critical Inquiry (L)
- Mathematical Studies (MA)
- Computer/Statistics/Quantitative Applications (CS)
- Humanities, Arts and Design (HU)
- Social-Behavioral Sciences (SB)
- Natural Science - Quantitative (SQ)
- Natural Science - General (SG)

**General Studies Awareness Requirements:**

- Cultural Diversity in the U.S. (C)
- Global Awareness (G)
- Historical Awareness (H)

**First-Year Composition**

General Studies designations listed on the major map are current for the 2022 - 2023 academic year.

- Explore an internship.
- MED 394 Topic: Healthcare and Humanities is recommended for the elective.
- Gather professional references.
- Develop your professional online presence.
- Review the list below and visit the CHS student website to explore experiential learning opportunities to take in Terms 7 and 8 that are specific to your major.
- Students must select and follow a single track below to complete a total of 18 credit hours, at least six of which must be upper division.
- Select an experiential learning course from the list below and visit the CHS student website for more information on opportunities specific to your major.
- Students must select and follow a single track below to complete a total of 18 credit hours, at least six of which must be upper division.
- Select an experiential learning course from the list below and visit the CHS student website for more information on opportunities specific to your major.
• Population Health students must select and follow a single track to complete a total of 18 credit hours, at least six of which must be upper division. The selected track will allow students to move confidently into a career or into a population health graduate program.
• The population health program is designed to prepare students for future career and educational opportunities through hands on experiential learning. Students are required to complete nine credits of experiential learning coursework for the program, six of which must be upper division. Three credits of experiential learning are achieved through CHS 280, which offers several topics that students can choose from including Introduction to Citizen Science and Health, Translational Team, and Health Applications and Experience. Students select the remaining six credits of upper division experiential learning from a list of major specific course options below. The CHS student website also has up to date information on opportunities to fulfill this requirement, including research and internships, that are relevant to each major. Students should contact their academic advisor with any questions.

- Visit the CHS student website to explore research and internship opportunities.
- Secure a part-time job or volunteer experience.
- Continue volunteering and shadowing in health organizations.
- Thinking about graduate school? Consider registering for a grad school test prep course.
- Continue gaining hands on experience.
- HEP 394: Health and Climate Change is the recommended elective.
- Research employment opportunities.
- Complete an in person or virtual practice interview.
- Study for the health education specialist exam.
- Apply for full-time career opportunities.
- POP 444 fulfills the college's experiential learning requirement.
First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU’s first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP

Mathematics Placement Assessment score determines placement in first mathematics course.

*Complete an in-person or virtual practice interview.*

*A minimum GPA of 3.50 is typically required for admission to graduate programs.*

*All CHS students must complete a minimum of three credits of experiential learning. Select a course from the list below to take in Term 10-A and visit the CHS student website for more information on opportunities, including research and internships, specific to your major.*

*Gather professional references.*

*Select an experiential learning course from the list below and visit the CHS student*
First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP

Mathematics Placement Assessment score determines placement in first mathematics course.

Experiential Learning Course

The following courses are the most relevant for your major, but other options may be possible. See your advisor.

- CHS 280: Experiential Community Health and Research
- CHS 484: Applied Health Experience
- CHS 484: Citizen Science in Health
- CHS 484: Translational Research
- CHS 494: Advanced Undergraduate Teaching Assistant
- CHS 494: Undergraduate Research

CHS students are required to complete a minimum of three credits of experiential learning coursework. A list of recommended courses is below. The CHS student website also has up to date information on opportunities to fulfill this requirement, including research and internships, that are relevant to each major. Students should contact their academic advisor with any questions.

Notes:

- First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. ### General University Requirements Legend

**General Studies Core Requirements:**
- Literacy and Critical Inquiry (L)
- Mathematical Studies (MA)
General Studies designations listed on the major map are current for the 2022 - 2023 academic year.

General Studies Awareness Requirements:
- Cultural Diversity in the U.S. (C)
- Global Awareness (G)
- Historical Awareness (H)

First-Year Composition

General Studies designations listed on the major map are current for the 2022 - 2023 academic year.
Barrett, The Honors College Overview and Requirements

Barrett curriculum is designed to develop students’ habits of mind that enable them to be lifelong learners, creative problem solvers, and participatory citizens in a democratic society. Barrett emphasizes:

- small classes and seminars
- multidisciplinary team-taught courses and other engaged modes of learning
- development of critical reading, discussion, and writing skills

Barrett appoints honors faculty fellows who are responsible for offering the core honors curriculum through honors signature courses. Barrett also collaborates with all colleges at ASU to offer honors seminars and sections, honors enrichment contracts, and undergraduate research, thesis, and creative project opportunities.

Admission to Barrett

Students first apply to ASU and then submit a separate application to Barrett, The Honors College.

**Lower division entry:** Students who begin with Barrett in their first year of college are required to take the HON 171 and HON 272: The Human Event course sequence, turn in either a successfully defended thesis or creative project, and complete 36 honors credit hours (18 of these credits must be upper-division coursework, and six of the upper-division credits must be outside of the major) with a cumulative GPA of 3.25 upon graduation.

**Upper division entry:** Students who begin with Barrett midway through their college careers are required to take HON 370: History of Ideas, turn in either a successfully defended thesis or creative project, and complete 21 upper-division honors credit hours (six of the credits must be outside of the major) with a cumulative GPA of 3.25 upon graduation.

**Transfer students:** Students who have graduated or will graduate from an Arizona Community College honors program and who are joining Barrett as upper-division students complete 18 credit hours of an honors curriculum to graduate from Barrett, rather than 21 hours. The course HON 370: History of Ideas and the thesis experience remain required components of the program.

Honors Signature Courses

All Barrett students are required to complete the Barrett signature courses taught by honors faculty fellows.

Students entering the college at the lower division are required to complete a two-semester sequence of HON 171 and HON 272: The Human Event. This is an interdisciplinary seminar focusing on key social and intellectual currents in the development of humanity in its diversity. Students examine human thought and imagination from various disciplines, including philosophy, history, literature, religion, science, social science, and art. Coursework emphasizes critical thinking, discussion, and argumentative writing.

Transfer students entering at the upper division complete a one-semester seminar, reserved for them, titled HON 370: History of Ideas. The texts are generally selected based on a theme of the instructors’ choosing. Coursework emphasizes critical thinking, discussion, and argumentative writing.
Honors Thesis or Creative Project

The Barrett honors thesis or creative project is the culmination of a student’s entire honors experience and undergraduate education. The thesis provides students with the opportunity to work closely with faculty and advance knowledge in the discipline in a meaningful way. A thesis or creative project demonstrates experience with design, execution, analysis, and presentation in the chosen field of study.

Students typically enroll in departmental courses numbered 492 and 493 for thesis work under the supervision of the ASU faculty thesis director. Passing credit in 493 will result in fulfillment of the student’s upper division Literacy and Critical Inquiry (L) General Studies requirement.

Students may select their own thesis topic and supervising faculty member inside or outside their academic majors. Additionally, students may participate in honors thesis pathways programs. Thesis pathways are unique thesis opportunities in which students can be paired with faculty on interesting and engaging topics. The pathway options provide students a structured experience in completing their thesis while researching a topic that interests them.

Required thesis or creative project elements include a thesis committee, approved thesis prospectus, thesis defense form, formal thesis defense event, and the final thesis work (approved by the thesis committee), which must be submitted to the Barrett Thesis Digital Repository.

Honors Credit Hours and Academic Opportunities

Students are responsible for earning honors credit hours outside of the HON signature courses and the thesis or creative project. They may do so by obtaining a grade of “C” or “Y” through participation in:

- honors sections
- honors enrichment contracts
- honors Special Topics courses
- internship, teaching assistant, and research credit
- honors study abroad programs
- T.W. Lewis honors coursework
- graduate-level (500+) coursework

Honors Progress and Support

A dedicated honors advisor is assigned to each incoming Barrett student. Barrett honors advising is mandatory and required each year. The honors advisor provides tools for navigating honors requirements, such as the Degree Audit Reporting System, or DARS, and connects students to campus-wide resources, extraordinary opportunities, and programs that create a unique honors experience. Additionally, Barrett students have an assigned major advisor in the college or department of their academic major and a faculty honors advisor.

Faculty honors advisors are disciplinary faculty members who serve as liaisons between their academic units and Barrett, The Honors College. Faculty honors advisors assist students with academic opportunities, information on graduate school, advice on the related field and profession, and assistance with the honors thesis or creative project. Barrett students are encouraged to work with these advisors throughout their undergraduate experience.

Questions should be directed to Barrettadvising@asu.edu.
Lower Division Curriculum

6 credits
The Human Event

6 credits
Thesis/Creative Project

24 credits
- Honors Sections
- Enrichment Contracts
- Special Topics Courses
- Internships/Research
- Barrett Study Abroad
- T.W. Lewis Center
- Graduate courses (500+ level)

Remaining credits
Degree requirements

36 honors credits are part of the
120 total credits needed to graduate from ASU

Advisors recommend earning 9 honors credits per year

Upper Division Curriculum

3 credits
History of Ideas

6 credits
Thesis/Creative Project

12 credits
- Honors Sections
- Enrichment Contracts
- Special Topics Courses
- Internships/Research
- Barrett Study Abroad
- T.W. Lewis Center
- Graduate courses (500+ level)

Remaining credits
Degree requirements

21 honors credits are part of the
120 total credits needed to graduate from ASU

Advisors recommend earning 9 honors credits per year

Elective

Term hours subtotal: 16

**Notes**

- Students considering graduate school or health professions should complete the following: CHM 233 and CHM 237, and CHM 234 and CHM 238 (instead of CHM 231 and CHM 235).
- Students considering graduate school or health professions should complete PHY 112 and 114 in term 4 as part of their electives.

- Build your professional connections -- join the ASU Mentor Network.
- Students considering graduate school or health professions should complete CHM 234 and CHM 238 as part of their electives in this term.
- Connect with faculty to seek opportunities for research.

- Use Handshake to research employment opportunities.

- Gather professional references.
- Apply for full-time career opportunities.
Students select one of two Applied Biological Sciences Tracks and complete 18 hours from within that track.

**Notes:**

- First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU’s first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: [https://cisa.asu.edu/DSP](https://cisa.asu.edu/DSP)
- Mathematics Placement Assessment score determines placement in first mathematics course.
- Students must complete a minimum of 12 credit hours of science courses offered by the College of Integrative Sciences and Arts. Select from ABS, CHM, BIO, PHY, and MIC prefixes.
General Studies designations listed on the major map are current for the 2022 - 2023 academic year.

General Studies Awareness Requirements:

- Cultural Diversity in the U.S. (C)
- Global Awareness (G)
- Historical Awareness (H)

In order to complete the requirements of this program, some laboratory courses will be completed in-person at the Tempe Campus.

These laboratory courses will be offered during summer. This may impact your financial aid. Financial aid is available to those who apply and qualify, and students may receive funds to help cover costs for each semester of enrollment. The amount of financial aid that a student is eligible for varies depending on prior education experience and other individual factors. Learn more about summer financial aid and additional ways to cover summer costs.

### Notes:
- First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: [https://cisa.asu.edu/DSP](https://cisa.asu.edu/DSP)
- Mathematics Placement Assessment score determines placement in first mathematics course.
- Students must complete a minimum of 12 credit hours of science courses offered by the College of Integrative Sciences and Arts. Select from ABS, CHM, BIO, PHY, and MIC prefixes.

Mathematics Placement Assessment score determines placement in first mathematics course.

- Upper Division STEM Electives should be selected in consultation with a College of Integrative Sciences and Arts advisor. Credit may not come from STP 420.
- Students must complete a minimum of 12 credit hours of MAT courses offered by the College of Integrative Sciences and Arts. Six of these 12 credits must be upper division.

Notes:

- **Notes:**
  - Join the ASU Mentor Network.
  - Connect with faculty to seek opportunities for research.

* Hide Course List(s)/Track Group(s)
Notes:

- First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
- Mathematics Placement Assessment score determines placement in first mathematics course.
- Students must complete a minimum of 12 credit hours of PHY courses offered by the College of Integrative Sciences and Arts. At least six of these 12 credits must be upper-division.

Upper Division Applied Physics Electives
(Complete 9 Credit Hours)

- MAT 343: Applied Linear Algebra
- PHY 321: Vector Mechanics and Vibration
- PHY 333: Electronic Circuits and Measurements
- PHY 416: Quantum Physics III
- PHY 456: Laser Optics
- PHY 495: Project Research
- STP 420: Introductory Applied Statistics (CS)

Total Hours: 120

Upper Division Hours: 45 minimum
Major GPA: 2.00 minimum
Cumulative GPA: 2.00 minimum
Total hrs at ASU: 30 minimum
Hrs Resident Credit for Academic Recognition: 56 minimum
Total Community College Hrs: 64 maximum

First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU’s first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP

Mathematics Placement Assessment score determines placement in first mathematics course.

**Total Hours:** 120  
**Upper Division Hours:** 45 minimum  
**Major GPA:** 2.00 minimum  
**Cumulative GPA:** 2.00 minimum  
**Total hrs at ASU:** 30 minimum  
**Hrs Resident Credit for Academic Recognition:** 56 minimum  
**Total Community College Hrs:** 64 maximum

**General University Requirements Legend**

- **General Studies Core Requirements:**
  - Literacy and Critical Inquiry (L)
  - Mathematical Studies (MA)
  - Computer/Statistics/Quantitative Applications (CS)

**Notes:**

- First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU’s first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: [https://cisa.asu.edu/DSP](https://cisa.asu.edu/DSP)
- Mathematics Placement Assessment score determines placement in first mathematics course.
- A minimum of 12 upper division ENG credits must be completed through the College of Integrative Sciences and Arts.

**Total Hours: 120**

**Upper Division Hours:** 45 minimum  
**Major GPA:** 2.00 minimum  
**Cumulative GPA:** 2.00 minimum  
**Total hrs at ASU:** 30 minimum  
**Hrs Resident Credit for Academic Recognition:** 56 minimum  
**Total Community College Hrs:** 64 maximum

**General University Requirements Legend**

General Studies Core Requirements:

- Literacy and Critical Inquiry (L)
- Mathematical Studies (MA)
- Computer/Statistics/Quantitative Applications (CS)
- Humanities, Arts and Design (HU)
- Social-Behavioral Sciences (SB)
- Natural Science - Quantitative (SQ)
- Natural Science - General (SG)

**General Studies Awareness Requirements:**

- Cultural Diversity in the U.S. (C)
- Global Awareness (G)
- Historical Awareness (H)

**First-Year Composition**

General Studies designations listed on the major map are current for the 2022 - 2023 academic year.
2022 - 2023 Major Map
General Studies, BA
School/College: College of Integrative Sciences and Arts
Location: Downtown Phoenix campus, Polytechnic campus, ASU at Lake Havasu

Elective 3

Term hours subtotal: 3
First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU’s first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP

• Mathematics Placement Assessment score determines placement in first mathematics course.

Notes:

- First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
- Mathematics Placement Assessment score determines placement in first mathematics course.
- Students must complete a minimum of 12 credit hours of POS courses offered by the College of Integrative Sciences and Arts.

### Social-Behavioral Sciences (SB) Core courses from the tracks listed below.

- Students will select Upper Division Psychology Electives courses from the track list below.

### Notes:

- First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU’s first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: [https://cisa.asu.edu/DSP](https://cisa.asu.edu/DSP)
- Mathematics Placement Assessment score determines placement in first mathematics course.
- Students must complete a minimum of 12 credit hours of PSY courses offered by the College of Integrative Sciences and Arts.

**Total Hours:** 120  
**Upper Division Hours:** 45 minimum  
**Major GPA:** 2.00 minimum
General Studies designations listed on the major map are current for the 2022 - 2023 academic year.

General Studies Awareness Requirements:
- Cultural Diversity in the U.S. (C)
- Global Awareness (G)
- Historical Awareness (H)

TWC Upper Division Elective: any TWC 300/400 course will fulfill this area. Students are strongly encouraged to participate in an internship (TWC 484) or a supervised work experience in their final academic year.
Notes:

- First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU’s first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
- Mathematics Placement Assessment score determines placement in first mathematics course.

Students must take 12 credits in a related area (minimum of 9 credits upper division). Select courses that will provide you with additional technical expertise in an area related to your career interest. For example: Software industry - courses in software engineering; Web authoring - courses in internet and web development; Design-related fields - courses in graphic information technology. Related area courses should be selected in consultation with a Technical Communication advisor.

Upper Division Language and Cultures: Requirement satisfied through the following:
* Completion of six semester hours of upper-division courses that have a Global Awareness (G) or Cultural Diversity (C) designation, in addition to the courses used to meet the University General Studies requirements or four (4) sequential semesters of one foreign language or two (2) semesters of a current computer language. Adjustment to upper division hours is required if lower division courses are used.

|        | Upper Division Elective | | 3 | C | |
|        | Global Awareness (G) | | 3 | | |

Complete Cultural Diversity in the U.S. (C) AND Global Awareness (G) AND Historical Awareness (H) course(s).

Term hours subtotal: 15

Students will complete remaining option in chosen set of Cognate coursework.
• If students plan to apply to a graduate school in a health profession and completed CHM 233 and CHM 237 in Term 3, then they should take CHM 234 and CHM 238 in Term 4 (C or better required) instead of electives.
• Students who elected to take CHM 231 and CHM 235 in Term 3 should take four credit hours of electives in Term 4.
• Explore an internship, an IGLE international experience, or ASU study abroad.

</table>

**Term hours subtotal:** 15

- MAT 210 or higher-level (MA) accepted. MAT 251 (MA) recommended. Students considering research or graduate/medical/professional school may consider the MAT 270 and MAT 271 calculus sequence as an alternative (this may require more than 120 credits to complete degree).  
- ASU 101 or college-specific First-Year Seminar required of all first-year students. NEW 101-M satisfies this requirement.  
- IAS 300 (3 credit hours) is required for all transfer students in place of NEW 101-M.  
- Select your Career Interest Communities and play me3@ASU.  
- Activate your Handshake account and build out your profile.

### Term 2 15 - 30 Credit Hours

<table>
<thead>
<tr>

</tbody>
</table>

**Term hours subtotal:** 15

- Students taking MAT 270 AND MAT 271 in place of MAT 210 still must complete a Statistics course. Students wishing to take STP 226 can take MAT 271 in place of STP 226 in Term 2, and then take STP 226 in a later term.  
- Students considering medical school, graduate school, or research are encouraged to enroll in STP 280 (and 281 the following semester) in place of STP 226 so that they have a full year of statistics. Note that MAT 270 and 271 are pre-requisites for STP 280 and 281 respectively. This may require more than 120 hours to complete the degree.  
- Create a first draft resume.  
- Join a student club or professional organization.  
- Secure a part-time job or volunteer experience.

</tbody>
</table>

Students must select a minimum of one lecture or lecture/lab combined course from each one of the three Biology Distribution Areas: Cellular, Molecular and Physiological Biology; Integrative Systems Ecology; and Organismal Biology.

Upper Division Related Area Electives limited to courses designated for Biology (or related) majors in BCH, BIO, ENV, LSC, MIC, PLB or PTX courses with BIO 182 as a prerequisite. Courses taken that do not require BIO 182 as a prerequisite will be used towards General University Elective requirements. Not from BIO 305, 310, 312, 365. Special Topics 394/494 may be taken with prior approval. Up to three credit hours of LSC 388, LSC 484, LSC/BIO 493, LSC/BIO 499 and BIO 495 may be applied to this requirement.
First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP

Mathematics Placement Assessment score determines placement in first mathematics course.

General Studies Awareness Requirements:
- Cultural Diversity in the U.S. (C)
- Global Awareness (G)
- Historical Awareness (H)

- Gather professional references.
### General University Requirements Legend

**General Studies Core Requirements:**

- **Literacy and Critical Inquiry (L)**
- **Mathematical Studies (MA)**
- **Computer/Statistics/Quantitative Applications (CS)**
- **Humanities, Arts and Design (HU)**
- **Social-Behavioral Sciences (SB)**
- **Natural Science - Quantitative (SQ)**
- **Natural Science - General (SG)**

### General Studies Awareness Requirements:

- Cultural Diversity in the U.S. (C)
- Global Awareness (G)
- Historical Awareness (H)

### First-Year Composition

General Studies designations listed on the major map are current for the 2022 - 2023 academic year.

---

**Notes:**

- **First-Year Composition:** All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: [https://cisa.asu.edu/DSP](https://cisa.asu.edu/DSP)
- Mathematics Placement Assessment score determines placement in first mathematics course.

### Total Hours: 120

**Upper Division Hours:** 45 minimum

**Major GPA:** 2.00 minimum

**Cumulative GPA:** 2.00 minimum

- BLE 220 satisfies the requirement for a Structured English Immersion Endorsement (For Certified Teachers). This Endorsement authorizes the holder to teach one or more English language learners in the area they are appropriately certified.
- Apply for an identity verified print (IVP) fingerprint clearance card. Your IVP fingerprint card will be needed prior to enrolling in Term 6 education courses and internship.
- Explore an internship, an IGLE international experience, or ASU study abroad.

**Academic Catalog Archive 2022-2023**

3842
Notes:

- First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU’s first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
- Mathematics Placement Assessment score determines placement in first mathematics course.

Total Hours: 120
Upper Division Hours: 45 minimum
Major GPA: 2.00 minimum
Cumulative GPA: 2.00 minimum
Total hrs at ASU: 30 minimum
Hrs Resident Credit for Academic Recognition: 56 minimum
Total Community College Hrs: 64 maximum

- IAS 340: Bioethics (HU) or PHI 320: Bioethics (HU)
- IAS 406: Moral Dilemmas (L or HU) or PHI 406: Moral Dilemmas (L or HU)
- IAS 407: Environmental Philosophy and Policy (L or HU) or PHI 407: Environmental Philosophy and Policy (L or HU)
- IAS 409: Eco-Community Ethics (HU) or PHI 409: Eco-Community Ethics (HU)
- PHI 306: Applied Ethics (HU)
- PHI 360: Business and Professional Ethics (HU)
**First-Year Composition**

All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU’s first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: [https://cisa.asu.edu/DSP](https://cisa.asu.edu/DSP)

**Mathematics Placement Assessment score determines placement in first mathematics course.**

---

The program electives are grouped by track focus areas. Students can take electives from any of the track focus areas. Some students may choose to specialize in a particular area, and therefore take all of their electives from within one group. Other students may choose a broad approach and take electives from each group.

• Students must complete a total of at least 11 hours of track focus elective courses and at least three hours of upper-division track focus elective courses.

• Explore an internship, an IGLE international experience, or ASU Study Abroad.

Term 5 58 - 73 Credit Hours Necessary course signified by ★

| ★ CHM 302: Environmental Chemistry | 3 | C | | |

Environmental Science Track Focus Electives
Electives listed below are grouped by focus areas. Students can complete electives from any of the focus areas. Some students may choose to specialize in a particular area, and therefore take all of their electives from within one group. Other students may choose a broad approach and take electives from each group. Courses taken to fulfill core requirements cannot also be used to fulfill track focus electives. Up to 6 credit hours (two completions) of 499 Individualized Instruction can be used towards Capstone and/or Environmental Science Track Focus Electives. However, to be applied each completion of 499 must be a unique experience with a different instructor.

Term hours subtotal: 16-17

- Complete an in person or virtual practice interview.
- The electives listed at the bottom are grouped by focus areas. Students can take electives from any of the focus areas. Some students may choose to specialize in a particular area, and therefore take all of their electives from within one group. Other students may choose a broad approach and take electives from each group.
- Gather professional references.
- The electives listed at the bottom are grouped by focus areas. Students can take electives from any of the focus areas. Some students may choose to specialize in a particular area, and therefore take all of their electives from within one group. Other students may choose a broad approach and take electives from each group.
- Apply for full-time career opportunities.

Complete First-Year Composition requirement.

Complete Mathematics (MA) requirement.

Milestone: Selection of a major.

Term hours subtotal: 16

**Notes:**

- First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU’s first-year composition course(s), determines otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: [https://cisa.asu.edu/DSP](https://cisa.asu.edu/DSP)
- Mathematics Placement Assessment score determines placement in first mathematics course.
- Students considering ASU majors requiring a second language may consult with an academic advisor to consider a second language course for any term.

<td></td>
</tr>
</tbody>
</table>
See Track/Group Notes at the bottom of the major map for additional rules and course options.

- Gather professional references.

Upper-Division Forensic Science Distribution/Elective Requirements. Students must complete each of the following:

- At least 4-credit hours of Upper Division Forensic Science Biology coursework
- At least 6-credit hours of Upper Division Forensic Science Chemistry coursework
- At least 10-credit hours of Upper Division Forensic Science Elective coursework

Students must participate in a culminating experience, choosing from FOR 388, FOR 484, FOR 492, FOR 493 or FOR 499. Each of these courses requires prior faculty approval and mentorship. FOR 499 must consist of an approved, faculty-mentored research project to be used as the culminating, senior-level experience. See academic advisor for questions.

- Apply for full-time career opportunities.

Review the Career Guide for ASU Online students to learn about available career planning resources.
Plan ahead for in-person laboratory attendance in Summer Term 4 and Summer Term 8 on ASU's campus in Arizona.

ASU Online Forensic Science BS students will complete experiments for the Organic Chemistry labs (CHM 237 and CHM 238) and Biochemistry lab (BCH 372) during a 2-week, immersive, in-person experience on ASU's campuses in Arizona during Summer Term 4. Experiments will be conducted and completed during the 2-week on-campus residency, and lab reports will be completed in subsequent weeks during the same summer term.

- Develop your professional online presence.
- During Summer Term 4, ASU Online Forensic Science BS students will complete experiments for the Organic Chemistry labs (CHM 237 and CHM 238) at the ASU Tempe campus during a one-week session, followed immediately by another one-week session at the ASU West campus to complete all experiments for the Biochemistry lab (BCH 372). Lab reports will be completed in subsequent weeks during the same summer term.

- IAS 300 (three credit hours) is required for all transfer students.

Barrett Honors students may choose FOR 492 or 493 as their culminating experience. However, it is strongly recommended that all online Forensic Science BS students participate in the forensics residency experience, FOR 494 Fundamental Skills in Forensic Science.  
  • FOR 494 Fundamentals of Forensic Science requires an immersive, 2-week residency in the crime scene lab and other labs at ASU’s West campus in Glendale, AZ.  
  • Alternatively, students may seek a local internship (FOR 484). Forensic Science internships are not guaranteed. Forensic science internships are competitive and the application process takes time. All internships require prior faculty approval. Please contact your academic advisor for questions. |

First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU’s first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP

Mathematics Placement Assessment score determines placement in first mathematics course.

General Studies Awareness Requirements:
- Cultural Diversity in the U.S. (C)
- Global Awareness (G)
- Historical Awareness (H)

First-Year Composition

Notes:
- Consult your academic advisor in selecting IAP Electives. Some IAP courses may not apply.
- Gather professional references.

Total Hours: 120

- Explore an internship, IGLE international experience, or ASU Study Abroad.
- The course taken to fulfill the Upper Division Social and Cultural Representation requirement cannot also be used to fulfill the Upper Division Latin American Studies Elective requirement.
- IAS 300 (3 credit hours) is required for all transfer students.
- Thinking about graduate school? Consider registering for a grad school test prep course.
- Develop your professional online presence.
- Use Handshake to research employment opportunities.
- Complete an in person or virtual practice interview.
- Gather professional references.
- Apply for full-time employment opportunities.
### Upper Division Latin American Studies Electives

- ETH 430: Gender on the Borderlands (SB & G) or LAS 430: Gender on the Borderlands (SB & G) or WST 430: Gender on the Borderlands (SB & G)
- FMS 475: Latin American Film ((L or HU) & G)
- GCU 323: Geography of Latin America (SB & G)
- HST 404: Conquest and Encounters in Colonial Latin America (L & G) or LAS 404: Conquest and Encounters in Colonial Latin America (L & G)
- HST 438: Modern Spain ((HU or SB) & G & H)
- HST 441: Latin America and the World Economy (L & G & H)
- HST 443: The United States and Latin America (SB & G & H)
- HST 444: Latin American Independence ((L or HU) & G)
- LAS 330: From the Inside: The Latin American Journey (HU)
- LAS 340: Latin American Women Writers (HU & G) or WST 341: Latin American Women Writers (HU & G)
- LAS 350: The Construction of a Nation: Chile in the 20th/21st Century
- LAS 351: Cityscapes: Urban Mexican Literature and Culture
- LAS 355: Contemporary Mexican Cinema: Changing Cartographies
- LAS 375: Colonial Latin America (SB & H) or HST 375: Colonial Latin America (SB & H)
- LAS 376: Modern Latin America (SB & G & H) or HST 376: Modern Latin America (SB & G & H)

### Upper Division Social and Cultural Representation Elective

- JUS 475: Law, Societies and Justice in Latino-America (SB & G) or SPA 470: Law, Societies and Justice in Latino-America (SB & G)
- LAS 449: Latin American Cinema: The Dead and the Disappeared (G & H) or SPA 449: Latin American Cinema: The Dead and the Disappeared (G & H)
- LAS 480: Current Trends in Theatre and New Media in Latin America and Spain (HU)
- LAS 481: Dictatorships and Dirty Wars: Latin American Cinema from Resistance to Reconciliation (HU & G) or SPA 481: Dictatorships and Dirty Wars: Latin American Cinema from Resistance to Reconciliation (HU & G)

### Term hours subtotal: 15
LAS 419: 20th Century Chicano/a History (C) or HST 419: 20th Century Chicano/a History (C)

LAS 430: Gender on the Borderlands (SB & G)

LAS 449: Latin American Cinema: The Dead and the Disappeared (G & H) or SPA 449: Latin American Cinema: The Dead and the Disappeared (G & H)

### Upper Division Tracks

Choose two courses (6 credit hours) from each of the three tracks, Applied Ethics; Race, Decoloniality, & Continental Philosophy; and World Religions. Courses taken elsewhere for the major cannot be used to also fulfill the track requirements.

**Related Area Electives:** Complete two courses (6 credits) from any of the following subject areas: AMS, DST, ENG, ETH, HRC, HST, IAP, IAS, JHR, LAS, PAX, PHI, REL, SPA, or WST, and offered by the School of Humanities, Arts and Cultural Studies (SHArCS). To determine if a course is offered by SHArCS: Locate the class in Class Search, expand the course information and click on Full Class Details.

---

**Complete 2 courses:**

Gather professional references.

Apply for full-time career opportunities.
Notes:

- First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
- Mathematics Placement Assessment score determines placement in first mathematics course.

Upper Division Language and Cultures: Requirement satisfied through the following:
- Completion of six semester hours of upper-division courses that have a Global Awareness (G) or Cultural Diversity (C) designation, in addition to the courses used to meet the University General Studies Awareness Areas (C) and (G) requirements.

• Additional subjects may be used to fulfill the Related Coursework requirement with academic advisor approval.
• Create a first draft resume.

• Build your professional skills.

• PSY 230 may not be used to fulfill the Interdisciplinary Computer Science requirement in the major. ACO 100, CIS 105, CSE 180 or EDT 180 are required.
• Build your professional connections -- join the ASU Mentor Network.

• PSY 290 may be used to fulfill the General Studies Natural Science (SG) requirement.
• Explore an IGLE international experience or ASU Study Abroad.

• SBS 300 (3 credit hours) is required for all transfer students in place of NEW 101.
requirements or four (4) sequential semesters of one foreign language or two (2) semesters of a current computer language. Adjustment to upper division hours is required if lower division courses are used.

Term hours subtotal: 6

* Use Handshake to research employment opportunities.
* Complete an in person or virtual practice interview.

Psychology (Forensic) BS majors are required to complete one Life Science lecture/lab course (BCH, BIO, FOR, LSC, or MIC - four credit hours) in addition to the General Studies Natural Science (SQ) and (SG) requirements (eight credit hours). PSY 290 may be used to fulfill the SG requirement.

Gather professional references.
First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU’s first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP

Mathematics Placement Assessment score determines placement in first mathematics course.

- Thinking about graduate school? Consider registering for a grad school test prep course.
- Create your professional online presence.
- Use Handshake to research employment opportunities.
- Complete an in person or virtual practice interview.
- Gather professional references.
- Apply for full-time career opportunities.
Notes:

- First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU’s first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
- Mathematics Placement Assessment score determines placement in first mathematics course.

First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP

Mathematics Placement Assessment score determines placement in first mathematics course.

- Program Electives: A minimum of 12 credit hours must be taken from courses offered by the New College of Interdisciplinary Arts and Sciences. Working with an advisor, select and complete courses from at least three prefixes offered by the School of Social and Behavioral Sciences: ASB, COM, JHR, POS, PSY or SOC. Up to nine credit hours of 484 Internship, 499 Supervised Research and 499 Individualized Instruction may be applied toward the major. Program elective requirements may be partially fulfilled by completion of a Certificate in Applied Social Sciences, Diversity and Equity Studies, or Power and Society.

- First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU’s first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suit their needs. Visit: https://cisa.asu.edu/DSP
- Mathematics Placement Assessment score determines placement in first mathematics course.

Gather professional references
First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's Queer and Sexuality Studies Concentration requirements.

AMS 276: U.S. Women's Movements (H & C) or WST 276: U.S. Women's Movements (H & C)
ENG 443: Gender, Culture and Literacy or WST 415: Gender, Culture and Literacy
ETH 433: Race and Sexualities in Social Justice Movements or WST 433: Race and Sexualities in Social Justice Movements
SWU 180: Introduction to Lesbian, Gay, Bisexual and Transgender (LGBT) Studies (SB & C)
WST 100: Women, Gender, and Society (SB & C) or WST 300: Women and Gender in Contemporary Society (SB & C)
WST 333: Critical Perspectives on Sexuality (SB & C)
WST 376: Feminist Theory (H & C)
WST 380: Race, Gender, and Class (SB & C)
WST 428: Gender, Madness and Justice (SB)
WST 444: Gender, Health, and Bodies (SB)
WST 449: Hate Speech, Manifestos, and Radical Writings (SB & C)
WST 457: Women, Cultures, and Societies (SB & G)
WST 469: Abject Bodies and the Politics of Trash (SB & C)

For the Queer and Sexuality Studies Concentration requirement, choose 24 credit hours (eight courses) from the course list below; 21 credit hours must be upper division.

If WST 100 is taken in Term 2, WST 100 and WST 300 may not be taken as Concentration Courses.

**Notes:**
- First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU’s first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
- Mathematics Placement Assessment score determines placement in first mathematics course.
General Studies designations listed on the major map are current for the 2022 - 2023 academic year.

General Studies Awareness Requirements:
- Cultural Diversity in the U.S. (C)
- Global Awareness (G)
- Historical Awareness (H)

- **MCO 465**: Sports and Media
- **MCO 470**: Exploring the Business of Journalism
- **MCO 473**: Sex, Love, and Romance in the Mass Media (SB)
- **MCO 494**: Special Topics

### Notes:
- First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: [https://cisa.asu.edu/DSP](https://cisa.asu.edu/DSP)
- Mathematics Placement Assessment score determines placement in first mathematics course.

### General University Requirements Legend

- **Major GPA**: 2.00 minimum
- **Cumulative GPA**: 2.00 minimum

### General Studies Core Requirements:
- **Literacy and Critical Inquiry (L)**
General Studies designations listed on the major map are current for the 2022 - 2023 academic year.

General Studies Awareness Requirements:
• Cultural Diversity in the U.S. (C)
• Global Awareness (G)
• Historical Awareness (H)

Notes:
-
• First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU’s first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
• Mathematics Placement Assessment score determines placement in first mathematics course.

Total Hours: 120
Upper Division Hours: 45 minimum
Major GPA: 2.00 minimum
Cumulative GPA: 2.00 minimum
Total hrs at ASU: 30 minimum
Hrs Resident Credit for Academic Recognition: 56 minimum
Total Community College Hrs: 64 maximum

**Hidden Course List(s)/Track Group(s)**

**Statistics (CS)**
- ECN 221: Business Statistics (CS)
- JUS 302: Statistical Analysis for Justice Studies (CS)
- PSY 230: Introduction to Statistics (CS)
- SOC 390: Social Statistics I (CS)
- STP 226: Elements of Statistics (CS)
- SWU 321: Statistics for Social Workers (CS)

**Philosophy**
- HON 171: The Human Event (L or HU)
- PHI 101: Introduction to Philosophy (HU)
- PHI 103: Principles of Sound Reasoning (L or HU)
- PHI 105: Intro to Ethics (HU)
- PHI 306: Applied Ethics (HU)

**U.S. History**
- HST 109: United States to 1865 ((HU or SB) & H)
- HST 314: American Cultural History Since 1865 ((HU or SB) & H)
- HST 327: Women in U.S. History, 1600 to 1880 ((HU or SB) & C & H)
- HST 328: Women in U.S. History, 1880-1980 ((HU or SB) & C & H)
- HST 334: African American History Since 1865 ((HU or SB) & C & H)
- HST 337: American Indian History to 1900 ((HU or SB) & C & H)
Advanced Skills Courses

JMC 320: Newscast Producing
JMC 331: Television Sports Reporting
JMC 333: Advanced Bilingual Broadcast Reporting
JMC 352: Sports Photojournalism
JMC 412: Opinion Writing
JMC 413: Advanced Editing
JMC 414: Digital Graphic Design
JMC 415: Writing for Public Relations
JMC 421: Advanced Digital Storytelling
JMC 430: Sports Marketing and Campaigns
JMC 434: Advanced Bilingual Reporting
JMC 436: Public Relations Research
JMC 437: Documentary Production
JMC 440: Magazine Writing
JMC 441: Narrative Writing and Reporting
JMC 442: Sports and Culture Commentary
JMC 451: Photojournalism II
JMC 455: Digital Media Entrepreneurship
JMC 457: Advanced Radio Reporting
JMC 460: Advanced Online Media
JMC 465: Telling Stories with Data
JMC 470: Depth Reporting
JMC 476: Public Relations Laboratory
JMC 477: New Media Innovation and Entrepreneurship Lab
JMC 478: Cronkite News: Los Angeles
JMC 478: Cronkite News: Phoenix Bureau
JMC 479: Cronkite News: Washington Bureau
JMC 480: Cronkite News: Phoenix Sports Bureau
JMC 481: Cronkite News: Los Angeles Sports Bureau
JMC 486: Digital Audiences Lab
Notes:

- First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU’s first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
- Mathematics Placement Assessment score determines placement in first mathematics course.

General University Requirements Legend

General Studies Core Requirements:

- Literacy and Critical Inquiry (L)
- Mathematical Studies (MA)
- Computer/Statistics/Quantitative Applications (CS)
- Humanities, Arts and Design (HU)
- Social-Behavioral Sciences (SB)
- Natural Science - Quantitative (SQ)
- Natural Science - General (SG)

General Studies Awareness Requirements:

- Cultural Diversity in the U.S. (C)
- Global Awareness (G)
- Historical Awareness (H)

First-Year Composition

General Studies designations listed on the major map are current for the 2022 - 2023 academic year.

Meet with your academic advisor to discuss options for adding a minor, certificate or concurrent major to your degree program.

Upper-division MAT/STP courses should be taken through the Tempe campus, unless approved by a SoMSS advisor.

Students seeking VEE accreditation should select an elective from the course list in the note at the bottom of the major map. For this term, ACC 231 counts towards the VEE requirement for Accounting and Finance.

Upper-division MAT/STP courses should be taken through the Tempe campus, unless approved by a SoMSS advisor.

STP 421 may be taken in place of ACT 415.

Students seeking VEE accreditation should select an elective from the course list in the note at the bottom of the major map. For this term, ACC 241 counts towards the VEE requirement for Accounting and Finance.

Options for the Science and Society electives are found at this website.

STP 427 satisfies the VEE requirement for Mathematical Statistics by the Society of Actuaries (SOA), Casualty Actuarial Society (CAS), and Canadian Institute of Actuaries (CIA).

DAT 301 may be used in place of ACT 370.

All students pursuing a BS or BSP degree in The College of Liberal Arts and Sciences must complete two courses from the Science and Society list found at https://thecollege.asu.edu/student-resources/science-society. At least one of the two courses must be upper division and students must earn a C or better in the courses. Both Science and Society courses (i.e., all six credits) may count towards any major, minor, related fields, and ASU General Studies requirements.

The object of the degree is to prepare students to sit for exams to gain certification as an actuary. One of the optional certifications that individuals may pursue is completion of the VEE requirements from the Society of Actuaries or the Casualty Actuarial Society. This certification requires additional experience not covered in the maximum credits allowed for the degree.

However, students may decide to include these additional courses in their 12 hours of elective credit. ASU courses that meet VEE requirements include:

- STP 427 - requirement for Mathematical Statistics (Prerequisite(s): ACT 415 or STP 421 with C or better; STP 281 or 420 with C or better). This class is required for the degree and will not satisfy an elective. However, it is still a part of the overall VEE curriculum for the purposes of this list.
- ECN 211 and ECN 212 - sequence requirement for Economics
- FIN 300 - requirement for Fundamentals of Finance (Prerequisite(s) with C or better: ACC 231, 232 or 261; ECN 221; ECN 231, IEE 380 or STP 280; MAT 210, 251, 265 or 270; Non-Business: min 2.50 GPA; min 56 hours; Pre- or corequisite(s): ACC 241, 242 or 271; Credit allowed for only FIN 300, 302 or 303)
Notes:

- First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU’s first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
- Mathematics Placement Assessment score determines placement in first mathematics course.
