ASU has transfer partnerships in Arizona and across the country to create a simplified transfer experience for students. These pathway programs include exclusive benefits, tools and resources, and help students save time and money in their college journey. Students may learn more about these programs by visiting the admission site: https://admission.asu.edu/transfer/pathway-programs.

Global Opportunities:
Global Experience:
Future educators must learn to create inclusive and inspiring learning environments, and they can do this by expanding their horizons through study abroad.

Students can learn how schooling works in countries that are leaders in education, and they can conduct comparative research, make a difference in a community by volunteering at schools, and engage in local educational programs through service-learning opportunities.

To explore available programs, students should visit ASU's Global Education website at https://goglobal.asu.edu (https://goglobal.asu.edu).

Career Opportunities:
Graduates of Mary Lou Fulton Teachers College are highly sought out teachers in public, charter and private education institutions. Many graduates with degrees in physical education also work as coaches, fitness instructors or with organizations dedicated to improving health and wellness.
Secondary Education, BAE (TESEDBAE)

Campus: Polytechnic, Tempe, West, ASU Sync

Program Description:
The BAE in secondary education is offered in two formats:

ASU Sync: This program is also offered via ASU Sync for transfer students who reside in Arizona. These students must either have a completed associate degree or will have completed an associate degree by the time they are enrolled at ASU. ASU Sync enables students to attend live classes remotely via Zoom. Classes are designed to foster active collaboration and discussion in real-time with faculty and peers. Students can learn more about ASU Sync for undergraduates at Mary Lou Fulton Teachers College on the college's website at https://education.asu.edu/degree-programs/undergraduate-programs/asu-sync-statewide. Students on I-20 visas are not permitted to complete courses via Sync and should speak with an advisor about other options to complete this program.

Students seeking to use GI Bill® benefits for ASU Sync programs should contact the Pat Tillman Veterans Center regarding certain limitations. GI Bill® is a registered trademark of the U.S. Department of Veterans Affairs. More information about education benefits offered by VA is available on the official U.S. government website at https://www.benefits.va.gov/gibill.

Concurrent degree --- ASU students at the Tempe, Polytechnic and West campuses can add the Bachelor of Arts in education in secondary education to their primary degree in any secondary education content area. With this option, students can graduate with two degrees, a greater understanding of the field of education and certification to teach. More information is available on the Mary Lou Fulton Teachers College website.

Additional degree programs in secondary education are offered at the ASU Tempe, Polytechnic and West campuses. Students can view a complete list of programs here: https://education.asu.edu/degree-programs/undergraduate-programs.

The Bachelor of Arts in education in secondary education prepares individuals to teach youth enrolled in grades 6-12. While teacher candidates develop a strong theoretical background in their specific content areas, the education program courses focus on developing the skills and teaching abilities required to be successful in the classroom. This program offers a Structured English Immersion endorsement for working with English language learners and also provides extensive experiences integrating technology into teaching.

Specializations are typically available in the following content areas, depending on campus location: biology, business, chemistry, earth and space sciences, economics, English, general science, geography, history, math, physics, political science and some foreign languages.

The program's professional experience component provides students with an opportunity to work directly with children and make an immediate impact on classroom achievement. The primary goal of all professional experiences is to provide students with multiple opportunities to apply knowledge learned in coursework to practice in the classroom.

The culminating experience is a residency which requires working alongside a highly qualified certified lead teacher, full-time, for the entire semester. Mary Lou Fulton Teachers College faculty and highly qualified certified lead teachers from partner school districts and charter schools collaboratively coach interns and residents during required professional experiences. This intensive, hands-on model of teacher preparation creates highly sought-after graduates.

Additional Program Fee: N
Second Language Requirement: N
First Required Math Course: MAT 142 - College Mathematics
Program Math Intensity: Moderate

Concurrent Program Options:
Students pursuing concurrent degrees (also known as a "double major") earn two distinct degrees and receive two diplomas. Working with their academic advisors, students can create their own concurrent degree combination. Some combinations are not possible due to high levels of overlap in curriculum.
Admission Requirements:
General University Admission Requirements:
All students are required to meet general university admission requirements.
Freshman (https://admission.asu.edu/freshman/apply)
Transfer (https://admission.asu.edu/transfer/apply)
International (https://admission.asu.edu/international/undergrad-apply)
Readmission (https://admission.asu.edu/undergrad/readmission)

Additional Requirements:
The ASU Sync option is only available to transfer students residing in Arizona due to state regulations and student teaching placement requirements. Students should have a completed associate degree or will have completed an associate degree by the time they are enrolled at ASU. Students on I-20 visas are not allowed to complete courses via Sync.

Change of Major Requirements:
This program is only available as a concurrent degree at ASU's Tempe, Polytechnic and West campuses. Students should contact the advising office to add this program as a concurrent degree.

A current ASU student at ASU@The Gila Valley or ASU@Yuma must have completed all lower-division requirements and hold a 2.50 GPA in order to change majors to this program.

Students should refer to https://changemajor.apps.asu.edu for information about how to change a major to this program.

Transfer Options:
ASU is committed to helping students thrive by offering tools that allow personalization of the transfer path to ASU. Students may use MyPath2ASU (https://webapp4.asu.edu/transfercreditguide/app/transfermap?major=TESEDBAE~null + &college=CTE) to outline a list of recommended courses to take prior to transfer.

ASU has transfer partnerships in Arizona and across the country to create a simplified transfer experience for students. These pathway programs include exclusive benefits, tools and resources, and help students save time and money in their college journey. Students may learn more about these programs by visiting the admission site: https://admission.asu.edu/transfer/pathway-programs.

Career Opportunities:
Graduates from secondary education are recommended for certification in an approved area for grades 6-12. The demand for well-prepared secondary teachers is strong, particularly in the areas of math and science. Job opportunities in a fast growing state such as Arizona are numerous. Graduates with a degree in secondary education work in:

- charter schools
- private school settings
- public schools
- online schools

Professional Licensure:
ASU programs that may lead to professional licensure or certification are intended to prepare students for potential licensure or certification in Arizona. Completion of an ASU program may not meet educational requirements for licensure or certification in another state. For more information, students should visit the ASU professional licensure webpage: https://admission.asu.edu/academics/licensure (https://admission.asu.edu/academics/licensure).

Secondary Education (Chemistry), BAE (TECHMBAE)

Campus: Polytechnic, Tempe, West

ASU is no longer accepting new students to this program. Please explore Degree Search for other similar program options.

Program Description:

BAE programs in secondary education prepare educators to teach youth enrolled in grades 6-12. While teacher candidates develop a strong theoretical background in their specific content areas, education program courses focus on developing the skills and teaching abilities required to be successful in the classroom. This program offers the Structured English Immersion instruction that qualifies them to receive the endorsement that enables them to work with English language learners, and also provides extensive experiences throughout the program in integrating technology into teaching.

Secondary education professional pathway programs are clinically embedded during the junior and senior years. The primary goal of all professional experiences is to provide students with multiple opportunities to apply knowledge learned in ASU coursework to classroom practice in grades 6-12. Mary Lou Fulton Teachers College students complete internships one day a week during the junior year and first semester of the senior year. In the final semester, students complete a full-time teaching residency. Mary Lou Fulton Teachers College faculty and highly qualified lead teachers from partner school districts and charter schools collaboratively coach interns and residents during required professional experiences. The professional experience provided by the program provides students an opportunity to work directly with youth and make an immediate impact on classroom achievement. Students are also given the opportunity to work collaboratively with fellow interns in content area and interdisciplinary teams. This intensive, hands-on model of teacher preparation creates highly sought-after graduates.

Graduates of the program desiring to teach in a public school must pass the appropriate Arizona educator exam to be certified to teach in the state of Arizona.

Additional Program Fee: N
Second Language Requirement: N
First Required Math Course: MAT 270 - Calculus w/Analytic Geometry I
Program Math Intensity: Substantial

Concurrent Program Options:

Students pursuing concurrent degrees (also known as a "double major") earn two distinct degrees and receive two diplomas. Secondary Education (Physical Education), BAE (ECPPEBAE)
Campus: Polytechnic

ASU is no longer accepting new students to this program. A new program for students interested in teaching physical education will be available soon. Interested students should contact the Mary Lou Fulton Teachers College for more information.

Program Description:
The BAE program in secondary education with a concentration in physical education prepares students to successfully teach quality physical education programs to learners in preK-12.

The curriculum directly aligns with national beginning teacher standards of The Society of Health and Physical Education Teachers of America (SHAPE America). Students take foundational coursework in the areas of growth and motor development, movement activities and lifelong physical fitness. The coursework covers elementary, secondary and adaptive physical education methods, including topics such as instructional design, lesson planning and modifications and accommodations for preK-12 learners. Students will build skills in cultivating a positive and productive learning environment, assessing, monitoring and reporting progress, as well as conducting themselves as responsible and ethical professionals.

Extensive professional experiences are built into this program to prepare candidates to enter the teaching profession after graduation. Students complete internships prior to a full-time teaching residency that takes place senior year. Mary Lou Fulton Teachers College has developed a team-based approach to teacher-preparation, allowing students to participate in internships and residencies with a team of peers while receiving guidance and support from faculty members and highly qualified certified teachers. Team-based professional experiences are designed to prepare students to work with mutually supportive colleagues to address the academic and social-emotional needs of learners.

Graduates earn an institutional recommendation from ASU for Arizona teacher certification in Secondary Education, and an endorsement in physical education, PreK-12, from the Arizona Department of Education. To be eligible for secondary certification in Arizona, students must receive a passing score on the professional knowledge exam offered through the National Evaluation Series or Arizona Educator Proficiency Assessments.
Additional Program Fee: N
Second Language Requirement: N
First Required Math Course: MAT 117 - College Algebra
or MAT 142 College Mathematics
Program Math Intensity: Moderate

Concurrent Program Options:
Students pursuing concurrent degrees (also known as a “double major”) earn two distinct degrees and receive two diplomas. Working with their academic advisors, students can create their own concurrent degree combination. Some combinations are not possible due to high levels of overlap in curriculum.

Admission Requirements:
General University Admission Requirements:
All students are required to meet general university admission requirements.
Freshman (https://admission.asu.edu/freshman/apply)
Transfer (https://admission.asu.edu/transfer/apply)
International (https://admission.asu.edu/international/undergrad-apply)
Readmission (https://admission.asu.edu/undergrad/readmission)

Additional Requirements:
Students are admitted to the preprofessional status and must complete additional requirements for entrance to the professional status. Students should see the department website for more information.

Transfer Options:
ASU is committed to helping students thrive by offering tools that allow personalization of the transfer path to ASU. Students may use MyPath2ASU (https://webapp4.asu.edu/transfercreditguide/app/transfermap?major=ECPPEBAE~null + &college=CTE) to outline a list of recommended courses to take prior to transfer.

ASU has transfer partnerships in Arizona and across the country to create a simplified transfer experience for students. These pathway programs include exclusive benefits, tools and resources, and help students save time and money in their college journey. Students may learn more about these programs by visiting the admission site: https://admission.asu.edu/transfer/pathway-programs.

Global Opportunities:
Global Experience:
As health and wellness become a priority in society, future physical education teachers can enhance their degree by seeing how nutrition and exercise are experienced in different cultures around the world. Students can complete an internship overseas, study abroad for a summer or spend academic breaks on a program in another country. Students should visit https://goglobal.asu.edu/ (https://goglobal.asu.edu/) to explore programs.

Career Opportunities:
Graduates of Mary Lou Fulton Teachers College are highly sought out teachers in public, charter and private education institutions. Many graduates with degrees in physical education also work as coaches, fitness instructors or with organizations dedicated to improving health and wellness.

Professional Licensure:
ASU programs that may lead to professional licensure or certification are intended to prepare students for potential licensure or certification in Arizona. Completion of an ASU program may not meet educational requirements for licensure or certification in another state. For more information, students should visit the ASU professional licensure webpage: https://admission.asu.edu/academics/licensure (https://admission.asu.edu/academics/licensure).

Secondary Education (Physics), BAE (EDPHYBAE)
Campus: Polytechnic, Tempe, West
ASU is no longer accepting new students to this program. Please explore Degree Search for other similar program options.

Program Description:
The BAE in secondary education with a concentration in physics prepares students to educate learners in grades 6-12. Aligned with strong content knowledge of physics, this program also focuses on integrating technology into teaching and provides the professional experience needed to develop teaching skills that lead to success in the classroom.

Extensive professional experiences are built into this program to prepare students to enter the teaching profession after graduation. Graduates will complete internships prior to a full-time teaching residency. Mary Lou Fulton Teachers College has developed a distinctive approach to teacher-preparation, which includes student participation in internships and residencies while receiving guidance and support from faculty members and highly qualified certified teachers. Professional experiences are designed to prepare graduates to work with mutually supportive colleagues to address the academic and social-emotional needs of learners.

Graduates from this program earn a bachelor's degree in their content area and will receive an institutional recommendation from ASU that is recognized by the Arizona Department of Education for teacher certification in Secondary Education, 6-12. To be eligible for secondary certification in Arizona, students must also earn a passing score on the professional knowledge exam offered through the National Evaluation Series or Arizona Educator Proficiency Assessments.

Additional Program Fee: N
Second Language Requirement: N
First Required Math Course: MAT 270 - Calculus w/Analytic Geometry I
Program Math Intensity: Substantial

Concurrent Program Options:
Students pursuing concurrent degrees (also known as a "double major") earn two distinct degrees and receive two diplomas. Special Education, BAE (TESPCEDBAE)
Campus: Tempe, ASU Sync

Program Description:
Special educators make a difference in the lives of children and families. They are curious about how people learn and develop throughout their lifespan. A special education degree prepares students to understand human diversity, communicate effectively and develop problem-solving skills that support their success and that of others.

The BAE in special education prepares graduates to work with K-12 students with disabilities in inclusive settings. Teacher candidates learn to use evidence-based practices that promote students’ success with general education content, including high leverage practices in literacy, math, sciences and social studies. They develop adaptive techniques for students with disabilities and learn to use instructional and assistive technologies to facilitate success.

Students participate in professional experiences designed to expose them to numerous ways of teaching and learning. These internships and residencies are embedded during the junior and senior years to provide teacher candidates with multiple opportunities to work directly with children and youth. With the support of a certified lead teacher and an ASU faculty member called a site lead, students are able to practice what is learned during coursework in authentic settings.

Format option: This program is also offered via ASU Sync for transfer students who reside in Arizona. These students must either have a completed associate degree or will have completed an associate degree by the time they are enrolled at ASU. ASU Sync enables students to attend live classes remotely via Zoom. Classes are designed to foster active collaboration and discussion in real-time with faculty and peers. Students can

Students on I-20 visas are not permitted to complete courses via Sync and should speak with an advisor about other options to complete this program.

Students seeking to use GI Bill® benefits for ASU Sync programs should contact the Pat Tillman Veterans Center regarding certain limitations.

GI Bill® is a registered trademark of the U.S. Department of Veterans Affairs. More information about education benefits offered by VA is available on the official U.S. government website at https://www.benefits.va.gov/gibill.

**Additional Program Fee:** N
**Second Language Requirement:** N
**First Required Math Course:** MAT 142 - College Mathematics
**Program Math Intensity:** General

**Concurrent Program Options:**
Students pursuing concurrent degrees (also known as a "double major") earn two distinct degrees and receive two diplomas. Working with their academic advisors, students can create their own concurrent degree combination. Some combinations are not possible due to high levels of overlap in curriculum.

**Admission Requirements:**
General University Admission Requirements:
All students are required to meet general university admission requirements.
Freshman (https://admission.asu.edu/freshman/apply)
Transfer (https://admission.asu.edu/transfer/apply)
International (https://admission.asu.edu/international/undergrad-apply)
Readmission (https://admission.asu.edu/undergrad/readmission)

Additional Requirements:
The ASU Sync option is only available to transfer students residing in Arizona due to state regulations and student teaching placement requirements. Students should have a completed associate degree or will have completed an associate degree by the time they are enrolled at ASU. Students on I-20 visas are not allowed to complete courses via Sync.

**Change of Major Requirements:**
A current ASU student has no additional requirements for changing majors. Students should refer to https://students.asu.edu/changingmajors (https://students.asu.edu/changingmajors) for information about how to change a major to one of the concentrations of this program.

Students should refer to https://changemajor.app.asu.edu for information about how to change a major to this program.

**Transfer Options:**
ASU is committed to helping students thrive by offering tools that allow personalization of the transfer path to ASU. Students may use MyPath2ASU (https://webapp4.asu.edu/transfercreditguide/app/transfermap?major=TESPCEDBAE~null + &college=CTE) to outline a list of recommended courses to take prior to transfer.

ASU has transfer partnerships in Arizona and across the country to create a simplified transfer experience for students. Students may learn more about these programs by visiting the admission site: https://admission.asu.edu/transfer/pathway-programs.

**Global Opportunities:**
**Global Experience:**
With over 250 programs in more than 65 countries (programs vary in length, from one week to one year), study abroad is possible for all ASU students who wish to acquire global skills and knowledge in preparation for a 21st century career. Students earn ASU credit for completed courses, while staying on track for graduation, and they may apply financial aid and scholarships toward program costs. https://goglobal.asu.edu (https://goglobal.asu.edu)

**Career Opportunities:**
The Bachelor of Arts education in special education leads to teacher certification in order to support a critical market demand for special education teachers in Arizona and beyond. Graduates of the program are poised to find employment in any career that supports learners with disabilities. This includes careers with community- and youth-serving organizations, higher education institutions and health-related organizations. Advanced degrees or certifications may be required for academic or clinical positions.
Special Education (Visual Impairment), BAE (TESPEVIBAE)

Campus: Tempe, West

Program Description:
The BAE program in special education with a concentration in visual impairment provides a strong foundation in evidence-based, high-leverage practices in special education. The visual impairment concentration focuses on diagnostic assessment, orientation and mobility skills, and specific teaching methodologies for students with visual impairments. It includes a strong focus on assistive technology to advance learning in the classroom and in daily life.

Students are taught to collaborate with parents, classroom teachers and related service personnel to meet the needs of learners with visual impairments. The curriculum is aligned with Arizona and national standards consistent with the Council for Exceptional Children.

Starting in Term 5, the program is delivered in partnership with the Foundation for Blind Children in Phoenix, Arizona. Courses are taught by faculty associates from FBC and full-time ASU faculty to provide candidates with theoretical and practical perspectives on teaching and learning for individuals with visual impairments.

Professional experiences take place at the Foundation for Blind Children and within a local school district, providing experiences that prepare students to teach in both self-contained and inclusive settings.

Graduates earn an institutional recommendation from ASU for Arizona teacher certification in Visually Impaired Special Education, birth-grade 12 and Mild-Moderate Disabilities Special Education, K-12, and an endorsement in Structured English Immersion, preK-12, from the Arizona Department of Education. In order to teach in an Arizona public school, graduates must pass the appropriate professional knowledge and/or subject knowledge educator exams: National Evaluation Series or Arizona Educator Proficiency Assessments.

Additional Program Fee: N
Second Language Requirement: N
First Required Math Course: MAT 142 - College Mathematics
OR MAT 117 College Algebra
Program Math Intensity: General

Concurrent Program Options:
Students pursuing concurrent degrees (also known as a "double major") earn two distinct degrees and receive two diplomas. Special Education and Elementary Education, BAE (TESPEBAE)
Campus: Polytechnic, Tempe, West, ASU@Northeastern Arizona, ASU@The Gila Valley, ASU@Yuma

ASU is not currently accepting applications to this program. Please see other options in the Mary Lou Fulton Teachers College.

Program Description:
The BAE program in special education and elementary education prepares students to work with all learners in inclusive settings.

Since the general education classroom is a viable placement option for many students with mild and moderate learning and behavioral disabilities, students in this program learn to use evidence-based practices that promote success with general education content, including high leverage practices in literacy, math, sciences and social studies. They develop adaptive techniques for learners with disabilities and use instructional and assistive technologies to facilitate success in the general education curriculum.

Extensive professional experiences are built into this program to prepare students to enter the teaching profession after graduation. Graduates will complete internships prior to a full-time teaching residency. Mary Lou Fulton Teachers College has developed a distinctive approach to teacher-preparation, which includes student participation in internships and residencies while receiving guidance and support from faculty members and highly qualified certified teachers. Professional experiences are designed to prepare graduates to work with mutually supportive colleagues to address the academic and social-emotional needs of learners.

Graduates earn an institutional recommendation from ASU for Arizona teacher certification in Mild/Moderate Disabilities Special Education, K-12, Elementary Education, K-8, and an endorsement in Structured English Immersion, preK-12, through the Arizona Department of Education. In order to teach in an Arizona public school, graduates must pass the appropriate professional knowledge or subject knowledge educator exams: National Evaluation Series or Arizona Educator Proficiency Assessments.

Format option: Transfer students who live in Arizona and outside of Maricopa County may be eligible to take regularly scheduled classes remotely via ASU Sync. Students can learn more on the college's website: https://education.asu.edu/degree-programs/undergraduate-programs/asu-sync-statewide (https://education.asu.edu/degree-programs/undergraduate-programs/asu-sync-statewide).

University College

Exploratory Health and Life Sciences, (UCHSCIEXPL)

Campus: Downtown Phoenix, Polytechnic, Tempe, ASU@Lake Havasu, Online

Program Description:
The exploratory health and life sciences track offers students an opportunity to explore a variety of majors related to the health and life science professions.

ASU recognizes that many students are not ready to choose a specific academic program of study when first entering the university. Allowing students the option to declare exploratory status permits them to begin meeting General Studies requirements that all ASU graduates must fulfill while affording them some time to explore a variety of academic courses that may lead to a potential major interest.

All University College exploratory students are required to enroll in the following major and career exploration courses, which must be taken sequentially:

UNI 150 Major and Career Exploration
UNI 250 Choosing a Major
UNI 270 Career Direction for a Successful Future

Additional Program Fee: Y
Second Language Requirement: N
First Required Math Course: Math courses needed are determined by potential major choice.
Program Math Intensity: General

Concurrent Program Options:
Students pursuing concurrent degrees (also known as a "double major") earn two distinct degrees and receive two diplomas. Working with their academic advisors, students can create their own concurrent degree combination. Some combinations are not possible due to high levels of overlap in curriculum.

Admission Requirements:
General University Admission Requirements:
All students are required to meet general university admission requirements.
Freshman (https://admission.asu.edu/freshman/apply)
Transfer (https://admission.asu.edu/transfer/apply)
International (https://admission.asu.edu/international/undergrad-apply)
Readmission (https://admission.asu.edu/undergrad/readmission)

Change of Major Requirements:
Students who have completed fewer than 45 college credit hours may change to exploratory status.
Details for declaring an exploratory major is available on the University College website at https://universitycollege.asu.edu/explore/advising (https://universitycollege.asu.edu/explore/advising).
Students should refer to https://changemajor.apps.asu.edu for information about how to change a major to this program.

Attend Online:
ASU Online: ASU offers this program in an online format with multiple enrollment sessions throughout the year. Applicants may view the program description and request more information here. (https://asuonline.asu.edu/)

ASU Local: It is now possible to earn an ASU degree with ASU Local, an integrated college experience in which students take advantage of in-person success coaching and programming experiences on site while completing one of 130+ undergraduate online degree programs, all of which come with online faculty interaction and tutoring support. Those interested may learn more about ASU Local here. (https://asulocal.asu.edu)

Transfer Options:
ASU is committed to helping students thrive by offering tools that allow personalization of the transfer path to ASU. Students may use MyPath2ASU (https://webapp4.asu.edu/transfercreditguide/app/transfermap?major=UCHSCIEXPL~null + &college=CUC) to outline a list of recommended courses to take prior to transfer.
ASU has transfer partnerships in Arizona and across the country to create a simplified transfer experience for students. These pathway programs include exclusive benefits, tools and resources, and help students save time and money in their college journey. Students may learn more about these programs by visiting the admission site: https://admission.asu.edu/transfer/pathway-programs.

Global Opportunities:
Global Experience:
Exploring health and life sciences on the global scale can be beneficial to students in narrowing down their focus of study. While taking courses abroad, students are able learn more about themselves and what career path they want to pursue. Students earn ASU credit for completed courses, while staying on track for graduation, and they may apply financial aid and scholarships toward program costs. More information is available on the Global Education website: https://goglobal.asu.edu/.

Career Opportunities:
Career opportunities are specific to the ultimate major of choice.

Allowing students the option to declare exploratory status permits them to begin meeting General Studies requirements that all ASU graduates must fulfill while affording them some time to explore a variety of academic courses that may lead to a potential major interest.

All University College exploratory students are required to enroll in the following major and career exploration courses, which must be taken sequentially:

UNI 150 Major and Career Exploration
UNI 250 Choosing a Major
UNI 270 Career Direction for a Successful Future

Additional Program Fee: Y
Second Language Requirement: N
First Required Math Course: Math courses needed are determined by potential major choice.
Program Math Intensity: General

Concurrent Program Options:
Students pursuing concurrent degrees (also known as a "double major") earn two distinct degrees and receive two diplomas. Working with their academic advisors, students can create their own concurrent degree combination. Some combinations are not possible due to high levels of overlap in curriculum.

Admission Requirements:
General University Admission Requirements:
All students are required to meet general university admission requirements.
Freshman (https://admission.asu.edu/freshman/apply)
Transfer (https://admission.asu.edu/transfer/apply)
International (https://admission.asu.edu/international/undergrad-apply)
Readmission (https://admission.asu.edu/undergrad/readmission)

Change of Major Requirements:
Students who have completed fewer than 45 college credit hours may change to exploratory status.

Details for declaring an exploratory major is available on the University College website at https://universitycollege.asu.edu/explore/advising (https://universitycollege.asu.edu/explore/advising).

Students should refer to https://changemajor.app.asu.edu for information about how to change a major to this program.

**Attend Online:**

ASU Online: ASU offers this program in an online format with multiple enrollment sessions throughout the year. Applicants may view the program description and request more information here. (https://asuonline.asu.edu/)

ASU Local: It is now possible to earn an ASU degree with ASU Local, an integrated college experience in which students take advantage of in-person success coaching and programming experiences on site while completing one of 130+ undergraduate online degree programs, all of which come with online faculty interaction and tutoring support. Those interested may learn more about ASU Local here. (https://asulocal.asu.edu)

**Transfer Options:**

ASU is committed to helping students thrive by offering tools that allow personalization of the transfer path to ASU. Students may use MyPath2ASU (https://webapp4.asu.edu/transfercreditguide/app/transfermap?major=UCHUFAEXPL~null + &college=CUC) to outline a list of recommended courses to take prior to transfer.

ASU has transfer partnerships in Arizona and across the country to create a simplified transfer experience for students. These pathway programs include exclusive benefits, tools and resources, and help students save time and money in their college journey. Students may learn more about these programs by visiting the admission site: https://admission.asu.edu/transfer/pathway-programs.

**Global Opportunities:**

Global Experience:
Exploring humanities on the global scale can be beneficial to students in narrowing down their focus of study. While taking courses abroad, students are able learn more about themselves and what career path they want to pursue. Students earn ASU credit for completed courses, while gaining global skills applicable to many careers, and they may apply financial aid and scholarships toward program costs. More information on available programs can be found on the Global Education website: https://goglobal.asu.edu/ (https://goglobal.asu.edu/).

**Career Opportunities:**

Career opportunities are specific to the ultimate major of choice.

**Exploratory Math, Physical Sciences, Engineering and Technology, (UCEMTPEXPL)**

**Campus:** Downtown Phoenix, Polytechnic, Tempe, Online

**Program Description:**
The exploratory mathematics, physical sciences, engineering and technology track offers students an opportunity to explore a variety of majors related to the mathematics, physical sciences, engineering and technology professions.

ASU recognizes that many students are not ready to choose a specific academic program of study when first entering the university. Allowing students the option to declare exploratory status permits them to begin meeting General Studies requirements that all ASU graduates must fulfill while taking some time to explore a variety of academic courses that may lead to a potential major interest.

All University College exploratory students are required to enroll in the following major and career exploration courses, which must be taken sequentially:

Prelaw (LALAWPRE)

Campus: Downtown Phoenix, Polytechnic, Tempe, West

Program Description:
The prelaw program at Arizona State University is not a degree program. There is no single major that prepares students for becoming a lawyer and there are no specific courses required for law school. Rather, students are encouraged to take a variety of courses --- classes that challenge students intellectually through heavy amounts of reading, writing, critical thinking and analysis. It is also recommended that students engage with more practical experiences in fields related to law (e.g., through internships, job shadowing and so forth).

Challenging courses and real-world experiences, in conjunction with the requirements for a student's major, constitute a prelaw program that prepares students for the next steps in pursuing a career in the legal field.

Additional Program Fee: No
Second Language Requirement: No

• All upper-division Business Core classes (including International Business course) must be completed before enrolling in WPC 480
• Apply for full-time career opportunities

Meet with your academic advisor to discuss your internship course options
Notes:
- First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU’s first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
- Mathematics Placement Assessment score determines placement in first mathematics course.

- For the Upper Division Track Course requirement, students should choose one of the tracks below: Business Administration, Healthy Lifestyles Coaching, Human Resources (offered only at the Poly campus), or Procurement (offered only at the West campus). Students must complete three courses (nine credit hours) from the same track.
- W. P. Carey School of Business students may not use courses with the following prefixes to satisfy General Education course requirements: ACC, AGB, BUA, BUS, CIS, ECN, FIN, LES, MGT, MKT, QBA, REA, SCM, WPC.
- Courses that qualify as meeting the General Education course requirements can be any non-business university General Studies course (C, CS, G, H, HU, L, MA, SB, SG, SQ) or any course from the additional lists below. Please consult the Schedule of Classes for prerequisite requirements before registration to determine if you are eligible to take the course.
- ASU Language Placement: Only true beginners are eligible for 101-level courses. All other students are required to take a placement exam, regardless of prior credit earned.

**Notes:**

- First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: [https://cisa.asu.edu/DSP](https://cisa.asu.edu/DSP)
- Mathematics Placement Assessment score determines placement in first mathematics course.

**Total Hours:** 120
**Upper Division Hours:** 50 minimum
**Major GPA:** 2.00 minimum
**Cumulative GPA:** 2.00 minimum
**Total hrs at ASU:** 30 minimum
**Hrs Resident Credit for Academic Recognition:** 56 minimum
**Total Community College Hrs:** 64 maximum

• ASU 101 or college-specific equivalent First-Year Seminar required of all first-year students. WPC 101 is the W. P. Carey School course that meets this requirement
• Students must complete two math courses. Students will complete either MAT 117 and MAT 210 (MAT 117 Track) OR MAT 210 and MAT 211 or a quantitative course (MAT 210 Track)
• Students will be completing MAT 117 (MAT 117 Track) or MAT 210 (MAT 210 Track) in term 1
• Join a student club or organization
• Create your first college resume

• Failure to successfully complete business skills courses in specified term may lead to a delay in graduation. See your academic advisor for more information and options.
• Students will be completing MAT 210 (MAT 117 Track) OR MAT 211 or a quantitative course (MAT 210 Track) in term 2
• WPC 150 is required of all first-year business students. Transfer students will not be required to complete WPC 150 and will instead complete three hours of elective credit.
• Join the W. P. Carey mentorship programs
• Explore student leadership opportunities in W. P. Carey
• Research study abroad opportunities recommended for your major

Academic Catalog Archive 2022-2023

2630
Courses that qualify as meeting the General Studies course requirements can be any non-business university General Studies course (C, CS, G, H, HU, L, MA, SB, SG, SQ) or any course from the additional lists below. Please consult the Schedule of Classes for prerequisite requirements before registration to determine if you are eligible to take the course.

Students cannot share Upper Division International Business Elective with concentration course requirements.
First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP

Mathematics Placement Assessment score determines placement in first mathematics course.

General Studies Awareness Requirements:
- Cultural Diversity in the U.S. (C)
- Global Awareness (G)
- Historical Awareness (H)

First-Year Composition

General Studies designations listed on the major map are current for the 2022 - 2023 academic year.
# 2022 - 2023 Major Map

Notes:

- First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
- Mathematics Placement Assessment score determines placement in first mathematics course.

Notes:

- First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
- Mathematics Placement Assessment score determines placement in first mathematics course.

**Total Hours:** 120

**Upper Division Hours:** 50 minimum

**Major GPA:** 2.00 minimum

**Cumulative GPA:** 2.00 minimum

First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP

Mathematics Placement Assessment score determines placement in first mathematics course.

General Studies Awareness Requirements:
- Cultural Diversity in the U.S. (C)
- Global Awareness (G)
- Historical Awareness (H)

First-Year Composition

General Studies designations listed on the major map are current for the 2022 - 2023 academic year.
### 2022 - 2023 Major Map

**Business (Global Politics), BA**

**School/College:** W. P. Carey School of Business

Academic Catalog Archive 2022-2023
Notes:

- First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
- Mathematics Placement Assessment score determines placement in first mathematics course.

General University Requirements Legend

General Studies Core Requirements:

- Literacy and Critical Inquiry (L)
- Mathematical Studies (MA)
- Computer/Statistics/Quantitative Applications (CS)
- Humanities, Arts and Design (HU)
- Social-Behavioral Sciences (SB)
- Natural Science - Quantitative (SQ)
- Natural Science - General (SG)

Total Hours: 120
Upper Division Hours: 50 minimum
Major GPA: 2.00 minimum
Cumulative GPA: 2.00 minimum
Total hrs at ASU: 30 minimum
Hrs Resident Credit for Academic Recognition: 56 minimum
Total Community College Hrs: 64 maximum

General Studies Awareness Requirements:

- Cultural Diversity in the U.S. (C)
- Global Awareness (G)
- Historical Awareness (H)

First-Year Composition

General Studies designations listed on the major map are current for the 2022 - 2023 academic year.

- ASU 101 or college-specific equivalent First-Year Seminar required of all first-year students. WPC 101 is the W. P. Carey School course that meets this requirement.  
- Join a student club or organization.

- View ASU Online first-year student registration information here.

- Students must complete two math courses. Students will complete either MAT 117 and MAT 210 (MAT 117 Track) OR MAT 210 and MAT 211 or a quantitative course (MAT 210 Track).  
- Students will complete MAT 117 (MAT 117 Track) or MAT 210 (MAT 210 Track) in Term 1.  

- Students will complete MAT 210 (MAT 117 Track) OR MAT 211 or a quantitative course (MAT 210 Track) in Term 2.  
- WPC 150 is required of all first-year business students. Transfer students will not be required to complete WPC 150 and will instead complete three hours of elective credit.  
- Join the W. P. Carey mentorship programs.  
- Research study abroad opportunities recommended for your major.
COM 100: Introduction to Human Communication (SB) OR COM 225: Public Speaking (L) OR COM 230: Small Group Communication (SB) OR COM 259: Communication in Business and the Professions

ECN 211: Macroeconomic Principles (SB) 3 C

Business Skills Courses: No Grades of D or E

Complete ENG 101 OR ENG 105 OR ENG 107 course(s).

Minimum 2.00 GPA ASU Cumulative.

Term hours subtotal: 6

Courses that qualify as meeting the General Studies course requirements can be any non-business university General Studies course (C, CS, G, H, HU, L, MA, SB, SG, SQ) or any course from the additional lists below. Please consult the Schedule of Classes for prerequisite requirements before registration to determine if you are eligible to take the course.
Notes:

• First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU’s first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
• Mathematics Placement Assessment score determines placement in first mathematics course.

Term 8 - B 114.00 - 120.00 Credit Hours
### MAT 117 Track (dependent on the student's math placement)
- MAT 117: College Algebra (MA)

### MAT 210 Track (dependent on the student's math placement)
- MAT 210: Brief Calculus (MA)

### Upper Division International Business Course
- Select one course (3 credit hours)
  - AGB 302: International Management and Agribusiness (G)
  - ECN 306: Survey of International Economics (SB & G)
  - MGT 302: Principles of International Business (G)
  - MKT 425: Global Marketing Management (G)
  - SCM 463: Global Supply Chain Management (G)

### General Studies Electives
- ASL 101: American Sign Language I
- ASL 102: American Sign Language II
- ASL 201: American Sign Language III
- ASL 202: American Sign Language IV
- BIO 320: Fundamentals of Ecology
- COM 207: Introduction to Communication Inquiry
- COM 259: Communication in Business and the Professions
- COM 312: Communication, Conflict, and Negotiation
- COM 414: Crisis Communication
- COM 430: Leadership in Group Communication
- COM 453: Communication Training and Development
- ENG 210: Introduction to Creative Writing

### Business Skills Courses - No Grades of D or E
- ACC 241: Uses of Accounting Information II or ACC 242: Managerial Accounting I or ACC 271: Honors Fundamentals of Managerial Accounting
- CIS 105: Computer Applications and Information Technology (CS) or CIS 236: Honors Introduction to Information Systems (CS)
- ECN 211: Macroeconomic Principles (SB) or ECN 213: Honors Macroeconomics (SB)
- ECN 212: Microeconomic Principles (SB) or ECN 214: Honors Microeconomics (SB)
- ECN 221: Business Statistics (CS) or ECN 231: Honors Business Statistics (CS)
- MAT 210: Brief Calculus (MA) or MAT 270: Calculus with Analytic Geometry I (MA)

Courses that qualify as meeting the General Studies course requirements can be any non-business university General Studies course (C, CS, G, H, HU, L, MA, SB, SG, SQ) or any course from the additional lists below. Please consult the Schedule of Classes for prerequisite requirements before registration to determine if you are eligible to take the course.

Students cannot share Upper Division International Business Elective with concentration course requirements.
First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU’s first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP

Mathematics Placement Assessment score determines placement in first mathematics course.

Calculus with Analytic Geometry II (MA)

MAT 211: Mathematics for Business Analysis
or Quantitative Course

Notes:

- First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT,
  Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU’s
  first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and
  West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year
  composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
- Mathematics Placement Assessment score determines placement in first mathematics course.

MAT 117 Track (dependent on the student's math placement)
MAT 117: College Algebra (MA)
MAT 210 Track (dependent on the student's math placement)
MAT 210: Brief Calculus (MA)
MAT 211: Mathematics for Business Analysis or ACO 100: All About Data: Design, Query, and Visualization (CS) or EDT 180: Technology Literacy: Problem Solving using Digital Technology Applications (CS)

Law Concentration Electives - select four courses (12 credit hours)
ENG 216: Persuasive Writing on Public Issues (L)
LAW 394: Special Topics
LAW 494: Special Topics
MGT 420: Human Resource Management
MGT 430: Negotiations
PHI 103: Principles of Sound Reasoning (L or HU)
PHI 307: Philosophy of Law (HU)
POS 325: Public Policy Development (SB)
POS 484: Internship
TWC 451: Copyright and Intellectual Property in the Electronic Age

Upper Division International Business Elective - select one course (3 credit hours)
AGB 302: International Management and Agribusiness (G)
ECN 306: Survey of International Economics (SB & G)
MGT 302: Principles of International Business (G)
MKT 425: Global Marketing Management (G)
SCM 463: Global Supply Chain Management (G)

General Studies Electives
ASL 101: American Sign Language I
ASL 102: American Sign Language II
ASL 201: American Sign Language III
ASL 202: American Sign Language IV
BIO 320: Fundamentals of Ecology
COM 207: Introduction to Communication Inquiry
COM 259: Communication in Business and the Professions
COM 312: Communication, Conflict, and Negotiation

Business Skills Courses - No Grades of D or E
ACC 241: Uses of Accounting Information II or ACC 242: Managerial Accounting I or ACC 271: Honors Fundamentals of Managerial Accounting
CIS 105: Computer Applications and Information Technology (CS) or CIS 236: Honors Introduction to Information Systems (CS)
ECN 211: Macroeconomic Principles (SB) or ECN 213: Honors Macroeconomics (SB)

Courses that qualify as meeting the General Studies course requirements can be any non-business university General Studies course (C, CS, G, H, HU, L, MA, SB, SG, SQ) or any course from the additional lists below. Please consult the Schedule of Classes for prerequisite requirements before registration to determine if you are eligible to take the course.

Students cannot share Upper Division International Business Elective with concentration course requirements.

LAW 394 "Law School Foundation" is not accepted as a Law Concentration Elective

Upper Division Elective OR WPC 484: Internship 3

Term hours subtotal: 6
Notes:

- First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
- Mathematics Placement Assessment score determines placement in first mathematics course.

Courses that qualify as meeting the General Studies course requirements can be any non-business university General Studies course (C, CS, G, H, HU, L, MA, SB, SG, SQ) or any course from the additional lists below. Please consult the Schedule of Classes for prerequisite requirements before registration to determine if you are eligible to take the course.
### First-Year Composition

All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: [https://cisa.asu.edu/DSP](https://cisa.asu.edu/DSP)

- Mathematics Placement Assessment score determines placement in first mathematics course.

### Notes:

- First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. - ASU 101 or college-specific equivalent First-Year Seminar required of all first-year students. WPC 101 is the W. P. Carey School course that meets this requirement
- Create your first college resume
- View ASU Online first-time freshmen registration information here.
- Students must complete two math courses. Students will complete either MAT 117 and MAT 210 (MAT 117 Track) OR MAT 210 and MAT 211 or a quantitative course (MAT 210 Track)
- Students will be completing MAT 117 (MAT 117 Track) OR MAT 210 (MAT 210 Track) in term 1
- Join a student club or organization
- Students will be completing MAT 210 (MAT 117 Track) OR MAT 211 or a quantitative course (MAT 210 Track) in term 2
- WPC 150 is required of all first-year business students. Transfer students will not be required to complete WPC 150 and will instead complete three hours of elective credit.
- Join the W. P. Carey mentorship programs
- Research study abroad opportunities recommended for your major

*Academic Catalog Archive 2022-2023*
Notes:

- First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
- Mathematics Placement Assessment score determines placement in first mathematics course.

Total Hours: 120  
Upper Division Hours: 45 minimum  
Major GPA: 2.00 minimum  
Cumulative GPA: 2.00 minimum  
Total hrs at ASU: 30 minimum  
Hrs Resident Credit for Academic Recognition: 56 minimum  
Total Community College Hrs: 64 maximum

General University Requirements Legend

General Studies Core Requirements:
- Literacy and Critical Inquiry (L)  
- Mathematical Studies (MA)  
- Computer/Statistics/Quantitative Applications (CS)  
- Humanities, Arts and Design (HU)  
- Social-Behavioral Sciences (SB)  
- Natural Science - Quantitative (SQ)  
- Natural Science - General (SG)

General Studies Awareness Requirements:
- Cultural Diversity in the U.S. (C)  
- Global Awareness (G)  
- Historical Awareness (H)

First-Year Composition

General Studies designations listed on the major map are current for the 2022 - 2023 academic year.

*ASU 101 or college-specific equivalent  
First-Year Seminar required of all first-year students. WPC 101 is the W. P. Carey School course that meets this requirement  
Students must complete two math courses. Students will complete either MAT 117 and MAT 210 (MAT 117 Track) OR MAT 210 and MAT 211 or a quantitative course (MAT 210 Track)  
Students will be completing MAT 117 (MAT 117 Track) or MAT 210 (MAT 210 Track) in term 1  
Join a student club or organization  
Create your first college resume

*Failure to successfully complete business skills courses in specified term may lead to a delay in graduation. See your academic advisor for more information and options.  
Students will be completing MAT 210 (MAT 117 Track) OR MAT 211 or a quantitative course (MAT 210 Track) in term 2  
WPC 150 is required of all first-year business students. Transfer students will not be required to complete WPC 150 and will instead complete three hours of elective credit.  
Join the W. P. Carey mentorship programs

- Courses that qualify as meeting the General Studies course requirements can be any non-business university General Studies course (C, CS, G, H, HU, L, MA, SB, SG, SQ) or any course from the additional lists below. Please consult the Schedule of Classes for prerequisite requirements before registration to determine if you are eligible to take the course.
- SOS 492 is not accepted as a Upper Division Sustainability Elective.
First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP

Mathematics Placement Assessment score determines placement in first mathematics course.

### Upper Division International Business Course
- AGB 302: International Management and Agribusiness (G)
- ECN 306: Survey of International Economics (SB & G)
- MGT 302: Principles of International Business (G)
- MKT 425: Global Marketing Management (G)
- SCM 463: Global Supply Chain Management (G)

### Business Skills Courses - No Grades of D or E
- ACC 241: Uses of Accounting Information II or ACC 242: Managerial Accounting I or ACC 271: Honors Fundamentals of Managerial Accounting
- CIS 105: Computer Applications and Information Technology (CS) or CIS 236: Honors Introduction to Information Systems (CS)
- ECN 211: Macroeconomic Principles (SB) or ECN 213: Honors Macroeconomics (SB)
- ECN 212: Microeconomic Principles (SB) or ECN 214: Honors Microeconomics (SB)
- ECN 221: Business Statistics (CS) or ECN 231: Honors Business Statistics (CS)
- MAT 210: Brief Calculus (MA) or MAT 270: Calculus with Analytic Geometry I (MA)
- MAT 211: Mathematics for Business Analysis or Quantitative Course

### General University Requirements Legend

#### General Studies Core Requirements:
- Literacy and Critical Inquiry (L)
- Mathematical Studies (MA)
- Computer/Statistics/Quantitative Applications (CS)
- Humanities, Arts and Design (HU)
- Social-Behavioral Sciences (SB)
- Natural Science - Quantitative (SQ)
- Natural Science - General (SG)

### General Studies Awareness Requirements:
- Cultural Diversity in the U.S. (C)
- Global Awareness (G)
- Historical Awareness (H)

**Notes:**
- First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU’s first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. ### Notes:

- First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU’s first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: [https://cisa.asu.edu/DSP](https://cisa.asu.edu/DSP)

- Mathematics Placement Assessment score determines placement in first mathematics course.

Upper Division International Business Course - select one course (3 credit hours)

- AGB 302: International Management and Agribusiness (G)
- ECN 306: Survey of International Economics (SB & G)

General Studies Electives

- ASL 101: American Sign Language I
- ASL 102: American Sign Language II
- ASL 201: American Sign Language III
- ASL 202: American Sign Language IV
- LAT 101: Elementary Latin
- LAT 102: Elementary Latin
- MAT 242: Elementary Linear Algebra
- MAT 243: Discrete Mathematical Structures

Courses that qualify as meeting the General Studies course requirements can be any non-business university General Studies course (C, CS, G, H, HU, L, MA, SB, SG, SQ) or any course from the additional lists below. Please consult the Schedule of Classes for prerequisite requirements before registration to determine if you are eligible to take the course.

Term 7 90.75 – 105.75 Credit Hours Necessary course signified by ⭐

- CIS 375: Business Data Mining
- CIS 415: Big Data Analytics in Business
- FIN 300: Fundamentals of Finance
- LES 305: Business Law and Ethics for Managers
- MGT 300: Organization and Management Leadership

Complete FIN 300 AND LES 305 AND MGT 300 AND International Business Course (G) AND MKT 300 AND SCM 300 AND WPC 300 course(s).

Term hours subtotal: 15

Term 8 105.75 – 120.00 Credit Hours Necessary course signified by ⭐

- CIS 450: Enterprise Analytics
- WPC 480: W. P. Carey Capstone Course (L)
- WPC 448: Senior Career Transition Management
- Upper Division Humanities, Arts and Design (HU) OR Upper Division Social-Behavioral Sciences (SB)
- General Studies Elective

Elective OR CIS 484: Internship OR WPC 484: Internships & Applied Academics

Term hours subtotal: 14.25

- Complete informational interviews
- Complete an in person or virtual practice interview with your W. P. Carey Career Coach
- All upper-division Business Core classes (including International Business course) must be completed before enrolling in WPC 480
- Attend W. P. Carey and ASU Career Fairs
- Gather professional references
- Update your resume
- Apply for full-time career opportunities

Courses that qualify as meeting the General Studies course requirements can be any non-business university General Studies course (C, CS, G, H, HU, L, MA, SB, SG, SQ) or any course from the additional lists below. Please consult the Schedule of Classes for prerequisite requirements before registration to determine if you are eligible to take the course.

Business Skills Courses - No Grades of D or E
### Notes:

- First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: [https://cisa.asu.edu/DSP](https://cisa.asu.edu/DSP)
- Mathematics Placement Assessment score determines placement in first mathematics course.

### General University Requirements Legend

**General Studies Core Requirements:**

- Literacy and Critical Inquiry (L)
- Mathematical Studies (MA)

- Courses that qualify as meeting the General Studies course requirements can be any non-business university General Studies course (C, CS, G, H, HU, L, MA, SB, SG, SQ) or any course from the additional lists below. Please consult the Schedule of Classes for prerequisite requirements before registration to determine if you are eligible to take the course.

### General Studies Electives

- ASL 101: American Sign Language I
- ASL 102: American Sign Language II
- ASL 201: American Sign Language III
- ASL 202: American Sign Language IV
- BIO 320: Fundamentals of Ecology
- COM 207: Introduction to Communication Inquiry
- COM 259: Communication in Business and the Professions
- COM 312: Communication, Conflict, and Negotiation
- COM 414: Crisis Communication
- COM 430: Leadership in Group Communication
- COM 453: Communication Training and Development
- ENG 210: Introduction to Creative Writing
- ENG 310: Intermediate Creative Writing
- ENG 345: Selected Authors or Issues
- FAS 301: Introduction to Parenting
- MAT 242: Elementary Linear Algebra
- MAT 243: Discrete Mathematical Structures
- ROM 101: Elementary Romanian Language and Culture I
- SPA 101: Elementary Spanish I
- SPA 102: Elementary Spanish II
- SPA 111: Fundamentals of Spanish
- WPC 150: Business and Society

### Business Skills Courses - No Grades of D or E

- ACC 241: Uses of Accounting Information II or ACC 242: Managerial Accounting I or ACC 271: Honors Fundamentals of Managerial Accounting
- CIS 105: Computer Applications and Information Technology (CS) or CIS 236: Honors Introduction to Information Systems (CS)
- ECN 211: Macroeconomic Principles (SB) or ECN 213: Honors Macroeconomics (SB)
- ECN 212: Microeconomic Principles (SB) or ECN 214: Honors Microeconomics (SB)
- ECN 221: Business Statistics (CS) or ECN 231: Honors Business Statistics (CS)
- MAT 210: Brief Calculus (MA) or MAT 270: Calculus with Analytic Geometry I (MA)
- MAT 211: Mathematics for Business Analysis or MAT 271: Calculus with Analytic Geometry II (MA)
Notes:

• First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
• Mathematics Placement Assessment score determines placement in first mathematics course.

Total Hours: 120
Upper Division Hours: 50 minimum
Major GPA: 2.00 minimum
Cumulative GPA: 2.00 minimum
Total hrs at ASU: 30 minimum
Hrs Resident Credit for Academic Recognition: 56 minimum
Total Community College Hrs: 64 maximum

General University Requirements Legend

General Studies Core Requirements:
• Literacy and Critical Inquiry (L)
• Mathematical Studies (MA)

- **ASU 101** or college-specific equivalent First-Year Seminar required of all first-year students. WPC 101 is the W. P. Carey School course that meets this requirement.
- Complete the me3 career interest tool
- Join a student club or organization
- Create your first college resume
- Failure to successfully complete business skills courses in specified term may lead to a delay in graduation. See your academic advisor for more information and options.
- Join the W. P. Carey mentorship programs
- Explore student leadership opportunities in W. P. Carey
- Research study abroad opportunities recommended for your major
- WPC 150 is required of all first-year business students. Transfer students will not be required to complete WPC 150 and will instead complete three hours of elective credit.
COM 100: Introduction to Human Communication (SB) OR COM 225:
Public Speaking (L) OR COM 230: Small Group Communication (SB) 3

OR COM 259: Communication in Business and the Professions

ECN 212: Microeconomic Principles (SB) 3 C

ECN 221: Business Statistics (CS) 3 C

WPC 248: Sophomore Career Narrative Design OR WPC 347:
Intermediate Career Management 0.25 C

Natural Science - Quantitative (SQ) 4

Business Skills Courses: No Grades of D or E

Complete ECN 211 or ECN 212 with a grade of "C" or better.

Complete MAT 211 with a grade of "C" or better.

Milestone: Selection of a major.

Minimum 2.00 GPA ASU Cumulative.

Complete Mathematics (MA) requirement.

Term hours subtotal: 16.25

- Must declare major by the end of Term 3.
- Changes of major into this program are not allowed.

Courses that qualify as meeting the General Studies course requirements can be any non-business university General Studies course (C, CS, G, H, HU, L, MA, SB, SG, SQ) or any course from the additional lists below. Please consult the Schedule of Classes for prerequisite requirements before registration to determine if you are eligible to take the course.
MGT 302: Principles of International Business (G)

MKT 425: Global Marketing Management (G)

SCM 463: Global Supply Chain Management (G)

BIO 320: Fundamentals of Ecology

CHI 110: Intensive Chinese I

CHI 205: Chinese Calligraphy

COM 207: Introduction to Communication Inquiry

COM 259: Communication in Business and the Professions

COM 281: Communication Activities

COM 312: Communication, Conflict, and Negotiation

COM 341: Social Contexts for Performance

COM 414: Crisis Communication

COM 430: Leadership in Group Communication

COM 453: Communication Training and Development

COM 465: Intercultural Communication Workshop

ENG 210: Introduction to Creative Writing

ENG 213: Introduction to the Study of Language

ENG 310: Intermediate Creative Writing

ENG 314: Modern Grammar

ENG 345: Selected Authors or Issues

FAS 301: Introduction to Parenting

GCU 433: Geography of Southeast Asia

GRK 101: Elementary Ancient Greek

GRK 201: Intermediate Ancient Greek

HST 389: Japan Society and Values/Premod

IDN 101: Elementary Indonesian I

IDN 102: Elementary Indonesian II

JPN 110: Intensive Japanese I

JPN 206: Japanese Calligraphy

JPN 414: Introduction to Classical Japanese

KOR 101: First-Year Korean I

KOR 102: First-Year Korean II

MAT 310: Introduction to Geometry

MAT 342: Linear Algebra

MAT 370: Intermediate Calculus

MAT 371: Advanced Calculus I

MAT 372: Advanced Calculus II

MAT 410: Introduction to General Topology

MAT 415: Introduction to Combinatorics

MAT 210: Brief Calculus (MA) or MAT 270: Calculus with Analytic Geometry I (MA)
MAT 211: Mathematics for Business Analysis or MAT 271: Calculus with Analytic Geometry II (MA)

- Courses that qualify as meeting the General Studies course requirements can be any non-business university General Studies course (C, CS, G, H, HU, L, MA, SB, SG, SQ) or any course from the additional lists below. Please consult the Schedule of Classes for prerequisite requirements before registration to determine if you are eligible to take the course.

Hide Course List(s)/Track Group(s)
Notes:

- First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
- Mathematics Placement Assessment score determines placement in first mathematics course.

Total Hours: 120
Upper Division Hours: 50 minimum
Major GPA: 2.00 minimum
Cumulative GPA: 2.00 minimum
Total hrs at ASU: 30 minimum
Hrs Resident Credit for Academic Recognition: 56 minimum
Total Community College Hrs: 64 maximum

General University Requirements Legend
General Studies Core Requirements:
- Literacy and Critical Inquiry (L)
- Mathematical Studies (MA)
- Computer/Statistics/Quantitative Applications (CS)
- Humanities, Arts and Design (HU)
- Social-Behavioral Sciences (SB)
- Natural Science - Quantitative (SQ)
- Natural Science - General (SG)

General Studies Awareness Requirements:
- Cultural Diversity in the U.S. (C)
- Global Awareness (G)
- Historical Awareness (H)

First-Year Composition

General Studies designations listed on the major map are current for the 2022 - 2023 academic year.

MAT 410: Introduction to General Topology

MAT 415: Introduction to Combinatorics

MAT 416: Graph Theory
Notes:

- First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU’s first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
- Mathematics Placement Assessment score determines placement in first mathematics course.

- SCM 463: Global Supply Chain Management (G)

### General Studies Electives

- ASL 101: American Sign Language I
- ASL 102: American Sign Language II
- ASL 201: American Sign Language III
- ASL 202: American Sign Language IV
- BIO 320: Fundamentals of Ecology
- COM 207: Introduction to Communication Inquiry
- COM 259: Communication in Business and the Professions
- COM 312: Communication, Conflict, and Negotiation
- COM 414: Crisis Communication
- COM 430: Leadership in Group Communication
- COM 453: Communication Training and Development
- ENG 210: Introduction to Creative Writing
- ENG 310: Intermediate Creative Writing
- ENG 345: Selected Authors or Issues
- FAS 301: Introduction to Parenting
- MAT 242: Elementary Linear Algebra
- MAT 243: Discrete Mathematical Structures
- ROM 101: Elementary Romanian Language and Culture I
- SPA 101: Elementary Spanish I
- SPA 102: Elementary Spanish II

Courses that qualify as meeting the General Studies course requirements can be any non-business university General Studies course (C, CS, G, H, HU, L, MA, SB, SG, SQ) or any course from the additional lists below. Please consult the Schedule of Classes for prerequisite requirements before registration to determine if you are eligible to take the course.

Maximum 3 hours of MKT 484 and MKT 499 can be applied to Upper Division Marketing Elective.
Notes:

First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP

Mathematics Placement Assessment score determines placement in first mathematics course.

**Notes:**

- First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU’s first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and
West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP

- Mathematics Placement Assessment score determines placement in first mathematics course.

**Total Hours**: 120  
**Upper Division Hours**: 50 minimum  
**Major GPA**: 2.00 minimum

Complete 2 courses:

• Build your professional connections -- join the ASU Mentor Network
• Create a first draft resume
• Explore an internship
• Art Elective course cannot be ARA 311, ARS 100 or ARS 300.
• Work with academic advisor to develop performing arts and history of performance and related studies coursework plan.
• Use Handshake to research employment opportunities.
• Art Upper Division Elective course cannot be ARA 311 or ARS 300.
• Elective can be replaced with an internship (ART 484).
• Students may take ARA 396 in a different term if needed.
• Gather professional references.
First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP

- Art Upper Division Elective course cannot be ARA 311 or ARS 300.
- Apply for full-time career opportunities.

**Academic Catalog Archive 2022-2023**

2896
Notes:
- First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU’s first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
- Mathematics Placement Assessment score determines placement in first mathematics course.

General University Requirements Legend

General Studies Core Requirements:
- Literacy and Critical Inquiry (L)
- Mathematical Studies (MA)
- Computer/Statistics/Quantitative Applications (CS)
- Humanities, Arts and Design (HU)
- Social-Behavioral Sciences (SB)
- Natural Science - Quantitative (SQ)
- Natural Science - General (SG)

General Studies Awareness Requirements:
- Cultural Diversity in the U.S. (C)
- Global Awareness (G)
- Historical Awareness (H)

Students must complete 9 hours of ARS coursework (not from ARS 100 or 300); these must include 6 upper division hours, one Asian/African/Native Am./Latin Am. Focus course, and one 20th Century Focus course. If students take a lower division Asian/African/Native Am./Latin Am. Focus course, the 20th Century Focus course and elective must be upper division and one must include an HU general studies designation.
First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP

Mathematics Placement Assessment score determines placement in first mathematics course.

Art Elective courses cannot be ARA 311, ARS 100 or ARS 300.
Complete ART 482: Senior Exhibitions/Portfolio and finalize portfolio.
Students must complete 9 hours of ARS coursework (not from ARS 100 or 300); must include 6 hours upper division, one Asian/African/Native Am./Latin Am. Focus course, and 2 upper division ARS electives. If students take a lower division Asian/African/Native Am./Latin Am. Focus course, both ARS electives must be upper division and one must include an HU general studies designation.

### 2D Art Course
- ART 121: Introduction to Photography I
- ART 122: Introduction to Photography II
- ART 123: Introduction to Photography for Nonmajors (HU)
- ART 211: Drawing
- ART 214: Figure Drawing
- ART 223: Painting
- ART 227: Watercolor
- FSH 203: Fashion Illustration I

### 3D Art Course
- ART 216: Contemporary Art in Practice: Methods, Making, Meaning
- ART 217: Introduction to Computer Animation
- ART 218: 3D Tools
- ART 231: Sculpture I
- ART 261: Ceramic Survey
- ART 272: Introduction to Metals and Jewelry
- ART 274: Wood I
- ART 276: Introduction to Textiles
- FSH 202: Fashion Construction

### 2D or 3D Art Course
- ART 121: Introduction to Photography I
- ART 122: Introduction to Photography II
- ART 123: Introduction to Photography for Nonmajors (HU)
- ART 211: Drawing
- ART 214: Figure Drawing
- ART 216: Contemporary Art in Practice: Methods, Making, Meaning

- ART 261: Ceramic Survey
- ART 272: Introduction to Metals and Jewelry
- ART 274: Wood I
- ART 276: Introduction to Textiles
- FSH 202: Fashion Construction

### Upper Division Printmaking Elective
- ART 352: Lithography I
- ART 445: Digital Processes for Printmaking
- ART 451: Advanced Intaglio
- ART 452: Advanced Lithography
- ART 453: Experimental Printmaking: Expanding the Matrix

### Upper Division Art History
- ARS 362: Survey of Aztec, Maya and Inka Art (HU)
- ARS 369: Mexican Art (HU)
- ARS 394: Anime
- ARS 394: Egyptian Art and Culture
- ARS 394: Islamic Art
- ARS 394: Modern and Contemporary Chinese Art
First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP

Mathematics Placement Assessment score determines placement in first mathematics course.

Notes:

**Notes:***
- ARA 240: Encounters with Contemporary Art is required for BFA majors.
- Gather documentation of past works for your future portfolio.
- Explore an internship.
- Students must complete six hours of upper-division ARS coursework (not from ARS 300). One course must have the HU designation.
- Art Elective course cannot be ARA 311, ARS 100 or ARS 300.
- Students may use their Upper Division Sculpture Electives to concentrate on Metals or Wood. Recommend ART 372 for Metals emphasis or ART 374 for Woods emphasis.
- Faculty recommend at least one of the following art history courses: ARS 438 or ARS 439.
- Use Handshake to research employment opportunities.
- Art Upper Division Elective courses cannot be ARA 311 or ARS 300.
- Upper Division Sculpture Elective: Recommend ART 473 for Metals emphasis or ART 474 for Woods emphasis.
- Gather professional references.
## First-Year Composition

All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP

## Mathematics Placement Assessment

Score determines placement in first mathematics course.

Notes:

- First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU’s first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
- Mathematics Placement Assessment score determines placement in first mathematics course.

Total Hours: 120

**Notes:**
- AME 111 or college-specific equivalent First-Year Seminar required of all first-year students
- View ASU Online first-year student registration information here.
- Select your Career Interest Communities and play me3@ASU.
- All Digital Culture majors must have a minimum 3.00 Digital Culture GPA at the end of Term 2 to continue in the program. If a student's Digital Culture GPA is below a 3.00, the student will be placed on a probationary status for one term. If the student is not successful in raising their Digital Culture GPA to a 3.00 after the probationary term, the student will not be able to continue in the Digital Culture program.
- Join a student club or professional organization.
Complete ENG 101 OR ENG 105 OR ENG 107 course(s).

### Hours Grade Notes

| Term hours subtotal:                       | 3     |       |                              |
## Notes:

- First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU’s first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: [https://cisa.asu.edu/DSP](https://cisa.asu.edu/DSP)
- Mathematics Placement Assessment score determines placement in first mathematics course.

Notes:

- First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and
West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP

- Mathematics Placement Assessment score determines placement in first mathematics course.

General University Requirements Legend

- **Build your skills.**

**Term hours subtotal:** 15

**Notes:**
- ASU 101 or college-specific equivalent First-Year Seminar required of all first-year students. Digital Culture students complete AME 101 to fulfill this requirement.
- Only students with posted credit for ENG 101 may enroll in AME 101 in Term 1.
- All Digital Culture majors must have a minimum 3.00 Digital Culture GPA at the end of Term 2 to continue in the program. If a student’s Digital Culture GPA is below a 3.00, the student will be placed on a probationary status for one term. If the student is not successful in raising their Digital Culture GPA to a 3.00 after the probationary term, the student will not be able to continue in the Digital Culture program.
- Join a student club or professional organization.

First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU’s first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP

Mathematics Placement Assessment score determines placement in first mathematics course.

General University Requirements Legend

General Studies Core Requirements:
- Literacy and Critical Inquiry (L)
- Mathematical Studies (MA)
- Computer/Statistics/Quantitative Applications (CS)
- Humanities, Arts and Design (HU)
- Social-Behavioral Sciences (SB)
- Natural Science - Quantitative (SQ)
- Natural Science - General (SG)

General Studies Awareness Requirements:
- Cultural Diversity in the U.S. (C)
- Global Awareness (G)
- Historical Awareness (H)

- Students interested in the Web focus should take GIT 215.
- Build your skills.

- Digital Media courses include digital media projects within a trans-disciplinary area of study. See course list or talk to your advisor for specific course options.
- Students interested in the Animation focus should take GIT 312.
- Students interested in the Web focus should take GIT 337.

- Students interested in the Animation focus should take GIT 411.
- Students interested in the Web focus should take GIT 414.
- Build a digital portfolio.

- Students interested in the Animation focus should take GIT 314.
- Students interested in the Web focus should take GIT 402 or GIT 417.
- Explore an internship.

- All Digital Culture majors must have a minimum 3.00 Digital Culture GPA to meet graduation requirements. If you are not meeting this GPA requirement, please see your advisor.
- Gather professional references.

**Notes:**
- ASU 101 or college-specific equivalent  
  First-Year Seminar required of all first-year students. Digital Culture students complete AME 101 to fulfill this requirement.  
- Only students with posted credit for ENG 101 may enroll in AME 101 in Term 1.

- All Digital Culture majors must have a minimum 3.00 Digital Culture GPA at the end of Term 2 to continue in the program. If a student's Digital Culture GPA is below a 3.00, the student will be placed on a probationary status for one term. If the student is not successful in raising their Digital Culture GPA to a 3.00 after the probationary term, the student will not be able to continue in the Digital Culture program.  
- Join a student club or professional organization.
Natural Science - Quantitative (SQ) (PHY 101 recommended) 4
Social-Behavioral Sciences (SB) AND Global Awareness (G) 3
Elective 3
Complete Mathematics (MA) requirement.
Complete First-Year Composition requirement.

All Digital Culture majors must have a minimum 3.00 Digital Culture GPA to meet graduation requirements. If you are not meeting this GPA requirement, please see your advisor.

Gather professional references.

Digital Media courses include digital media projects within a trans-disciplinary area of study. See course list or talk to your advisor for specific course options.

Build your skills.

Build a digital portfolio.

Explore an internship.

- ASU 101 or college-specific equivalent
- First-Year Seminar required of all first-year students. Digital Culture students complete AME 101 to fulfill this requirement.
- Only students with posted credit for ENG 101 may enroll in AME 130 in Term 1.
- All Digital Culture majors must have a minimum 3.00 Digital Culture GPA at the end of Term 2 to continue in the program. If a student's Digital Culture GPA is below a 3.00, the student will be placed on a probationary status for one term. If the student is not successful in raising their Digital Culture GPA to a 3.00 after the probationary term, the student will not be able to continue in the Digital Culture program.
- Join a student club or professional organization.

• Related Digital Culture courses are selective electives that allow students to take courses in an area of interest that connects to their study of Digital Culture and personal career interests.

• Build a digital portfolio.

• If you take MTC 436, MTC 437, or MUP 319 (2 credits each) in this term, you will need to complete one additional hour (or 4 hours total) of MUS OR MUP OR MUE OR MTC Upper Division Elective in Term 8.

• Explore an internship.

• All Digital Culture majors must have a minimum 3.00 Digital Culture GPA to meet graduation requirements. If you are not meeting this GPA requirement, please see your advisor.

Notes:

- First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suit their needs. Visit: https://cisa.asu.edu/DSP
- Mathematics Placement Assessment score determines placement in first mathematics course.

Total Hours: 120

**General University Requirements Legend**

- **General Studies Core Requirements:**
  - Literacy and Critical Inquiry (L)
  - Mathematical Studies (MA)
  - Computer/Statistics/Quantitative Applications (CS)
  - Humanities, Arts and Design (HU)
  - Social-Behavioral Sciences (SB)
  - Natural Science - Quantitative (SQ)
  - Natural Science - General (SG)

General Studies Awareness Requirements:

- Cultural Diversity in the U.S. (C)
- Global Awareness (G)
- Historical Awareness (H)

**First-Year Composition**

General Studies designations listed on the major map are current for the 2022 - 2023 academic year.
# 2022 - 2023 Major Map

## Environmental Design, BS

**School/College:** Herberger Institute for Design and the Arts  
**Location:** Tempe campus

**Term hours subtotal:** 15-16

- ASU 101 or college-specific equivalent First-Year Seminar required of all first-year students. DSC 100 fulfills this requirement.
- Join a student club or professional organization.
- Please work with your academic advisor for Social-Behavioral Sciences (SB) General Studies course options related to your focus area.
- Students choose one Focus Area from below and complete seven courses (21 credit hours) from that course list.
- Develop your professional online presence.
- The following courses are recommended to fulfill the Natural Science - Quantitative (SQ) requirement: BIO 100, OR PHY 101, OR PHY 111 and 113, OR GPH 111 and 112.
### Term 4 47 - 63 Credit Hours

**Notes:**
- First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's
first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: [https://cisa.asu.edu/DSP](https://cisa.asu.edu/DSP)

- Mathematics Placement Assessment score determines placement in first mathematics course.

* ASU 101 or college-specific equivalent First-Year Seminar required of all first-year students. Design School majors take DSC 100 to fulfill this requirement.
* Join a student club or professional organization.

• Industrial Design majors must successfully pass a degree milestone at the end of their first year to continue in the degree program. Applying to pass the degree milestone requirement is competitive and limited by available resources. Selection is awarded to those applicants demonstrating the highest promise for professional success. Students who do not pass the degree milestone should meet with their academic advisor. For more information on the degree milestone application process, visit this website.

- Applicability of transfer credit for ensemble requirements and studio instruction is determined based on successful completion of audition and review of transcripts.
- Complete Popular Music Specialization sheet with a faculty mentor or advisor to guide your degree work. Review specialization prerequisites to ensure you've fulfilled or are in progress of fulfilling them. If fulfilled by this point, begin taking Popular Music Specialization coursework.
- Performance track can choose between continuing their instrumental studies via MUP 111, or to continue taking Popular Music Foundation courses.
- Students can choose between MSC 221: Popular Music Lab (offered on the Downtown campus) or MTC 225: Music Theory: 20th Century (offered on the Tempe campus).
- Courses offered in spring semester only: MTC 223, MTC 225.
Select a faculty mentor to guide your degree work.

- **Gather a list of professional references.**
- **Refer to course list and consult with faculty mentor regarding The Art of Teaching course selection.**
- **Please see Upper Division MHL HU Course list for options.**
- **Courses offered in spring semester only: MUE 480, MUE 482.**
- **Courses offered in rotations: MUE 413 (every fall and even springs), MUE 415 (every fall and odd springs).**
- **Complete internships at two different schools.**

**Term 6 78 - 94 Credit Hours Necessary course signified by ⭐**

- **Take the AEPA/NES Professional Knowledge Test in Term 8 (secondary recommended; necessary for teacher certification).**
- **Your student teaching residency requires a full-time commitment in the K-12th grade classroom for the semester.**
**First-Year Composition:** All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU’s first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: [https://cisa.asu.edu/DSP](https://cisa.asu.edu/DSP)

**Mathematics Placement Assessment score determines placement in first mathematics course.**

### Upper Division MHL (HU) Courses
- MHL 341: Music History I (HU)
- MHL 342: Music History II (HU)
- MHL 344: Music in World Cultures (HU & G)
- MHL 365: Popular Music and Race (L or HU & C)
- MHL 394: Music in the Middle East
- MHL 440: Topics in 20th-Century Music (L or HU)
- MHL 441: Concerts in the 20th Century (HU)
- MHL 447: Music and Healing (HU & H & G)
- MHL 494: Music and Film
- MHL 494: Recycled Music: Medieval to Modern

### Notes:
- First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. - ASU 101 or college-specific equivalent First-Year Seminar required of all first-year students. MUP 101 The ASU School of Music Experience is required of all first-year music majors.
- Applicability of transfer credit for ensemble requirements and studio instruction is determined based on successful completion of audition and review of transcripts.
- Courses offered fall semester only: MTC 125, MUP 101.
- Complete a resume in MUP 101.
- Applicability of transfer credit for ensemble requirements and studio instruction is determined based on successful completion of audition and review of transcripts.
- Courses offered in spring semester only: MTC 221.
- Familiarize yourself with information about musicians' health.
- Applicability of transfer credit for studio instruction is determined based on successful completion of audition and review of transcripts.
MUP 479: Piano Ensemble 1 C
MTC 222: Music Theory: 19th Century 3 C
Computer/Statistics/Quantitative Applications (CS) (MHL 201 recommended) 3 C
Natural Science - Quantitative (SQ) 4 C
Complete Mathematics (MA) requirement.
Complete MTC 125 by end of term 3.
Complete First-Year Composition requirement.

Term hours subtotal: 16

Due to sequence of music theory courses, failure to successfully complete MTC 125 by end of Term 3 will negatively impact ability to complete degree in four years.

MUP 250 Italian Diction is offered in odd numbered fall semesters only.
MUP 250 German Diction is offered in even numbered spring semesters only.
MUP 250 French Diction is offered in even numbered fall semesters only.
Courses offered in fall semester only: MTC 222.
Talk to your studio instructor about ways to enhance your performance skills, and about appropriate ensemble and performance experiences.

- Certain studios may require an additional semester of repertoire; please check with your studio professor.
- Gather a list of professional references.
- Prepare, publicize, and present a public performance.
- MUP 453 offered in odd spring semesters only.
Notes:
- First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU’s first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
- Mathematics Placement Assessment score determines placement in first mathematics course.

- **MUP 101** The ASU School of Music Experience required of all first-year music majors.  
- Completion of Piano Diagnostic Exam determines placement into Class Piano courses.  
- Applicability of transfer credit for ensemble requirements and studio instruction is determined based on successful completion of audition and review of transcripts.  
- Courses offered fall semester only: MTC 125, MUP 101, MUP 131.  
- Complete a resume in MUP 101.  
- Applicability of transfer credit for ensemble requirements and studio instruction is determined based on successful completion of audition and review of transcripts.  
- Courses offered in spring semester only: MTC 221, MUP 132.  
- Familiarize yourself with information about musicians' health.
MTC 222: Music Theory: 19th Century 3 C
MUP 231: Class Piano 1 C
Computer/Statistics/Quantitative Applications (CS) (MHL 201 recommended) 3 C
Social-Behavioral Sciences (SB) AND Cultural Diversity in the U.S. (C) 3 C

Complete Mathematics (MA) requirement.
Complete MTC 125 AND MUP 131 course(s).
Complete First-Year Composition requirement.

Term hours subtotal: 15

Applicability of transfer credit for ensemble requirements and studio instruction is determined based on successful completion of audition and review of transcripts.
Due to sequence of music theory courses, failure to successfully complete MTC 125 by end of Term 3 will negatively impact ability to complete degree in four years.
Courses offered in fall semester only: MTC 222, MUP 231.
Talk to your studio instructor about ways to enhance your performance skills, and about appropriate ensemble and performance experiences.

First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU’s first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP

Mathematics Placement Assessment score determines placement in first mathematics course.

Notes:

- Prepare, publicize, and present a public performance.
- Apply for full-time career opportunities.

| | Computer/Statistics/Quantitative Applications (CS) ( DCE 240 OR EMP 255 recommended) | 3 | | |
| | Elective | 2-3 | | |
| | Complete ENG 101 OR ENG 105 OR ENG 107 course(s). | | | |
| | Term hours subtotal: | | 15-16 | | |

Term 3 | 31 - 46 | DCE 201: Dance, Culture, and Global Contexts (HU) OR DCE 202: Dance in U.S. Popular Culture (HU & C) OR THF 220: Principles of Dramatic Analysis (L or HU) | 3 | C | |
| | DCE 233: Hip Hop II | 2 | C | |
| | Creative Practice Course | 3-4 | C | |

• ASU 101 or college-specific equivalent
First-Year Seminar required of all first-year students. THF 125/DCE 170 fulfills this requirement.

• Students are expected to reach the advanced level (300-level) of at least one of the Physical Practices. Plan your Physical Practices courses to be able to do that in Term 6.
• Join a student club or organization and/or participate in an off-campus performance project.
Natural Science - Quantitative (SQ) & 4  
Social-Behavioral Sciences (SB) AND Cultural Diversity in the U.S. & 3  

Complete Mathematics (MA) requirement.  
Complete First-Year Composition requirement.

**Notes:**

- First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU’s first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: [https://cisa.asu.edu/DSP](https://cisa.asu.edu/DSP)
- Mathematics Placement Assessment score determines placement in first mathematics course.

Term 8 108 - 120 Credit Hours Necessary course signified by ★

Hours Minimum Grade Notes

THF 497: Senior Project OR THP 428: Theatre Capstone/Senior Project 1-6 C

Upper Division THP Acting Elective 3 C

Complete 2 courses:

Elective 5-6

Minimum 2.50 GPA ASU Cumulative.

Term hours subtotal: 12-18

requirements for General Studies are complete, then choose any course from the Dramatic Literature track group.
• Enroll with your faculty mentor in THF 397 to begin the development of your senior project.

• Plan and implement your capstone. Continue building a body of work and materials that are industry standard and that will launch you into your career and/or next project.

• Transfer students complete one additional hour of elective credit in Term 8 to reach 120 hours because THF 125 Orientation to Film, Dance and Theatre (Term 1) is not required for transfer students.
Notes:

- First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU’s first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
- Mathematics Placement Assessment score determines placement in first mathematics course.

Academic Catalog Archive 2022-2023
Notes:

- First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
- Mathematics Placement Assessment score determines placement in first mathematics course.

Total Hours: 120
Upper Division Hours: 45 minimum
Major GPA: 2.00 minimum
Cumulative GPA: 2.00 minimum

* Pursue an undergraduate research experience.
* Apply for internships.
* Attend career fairs and events.

* Plan for success using the Junior Guide.
* Network at student organization competitions or professional societies.

* Research and prepare for graduate school.
* Apply for a Fulton Schools 4+1 program.
* Develop a professional profile online.

* Plan for success using the Senior Guide.
* Use Handshake to apply for full-time positions.
* Complete an in-person or virtual practice interview.
Notes:

- First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU’s first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP

- Mathematics Placement Assessment score determines placement in first mathematics course.

Notes:

- First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU’s first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
- Mathematics Placement Assessment score determines placement in first mathematics course.

**Total Hours:** 120  
**Upper Division Hours:** 45 minimum  
**Major GPA:** 2.00 minimum  
**Cumulative GPA:** 2.00 minimum  
**Total hrs at ASU:** 30 minimum  
**Hrs Resident Credit for Academic Recognition:** 56 minimum  
**Total Community College Hrs:** 64 maximum

- ASU 101 or college-specific equivalent First-Year Seminar required of all first-year students.
- FSE 100 required for first-year students and should be completed first semester. Non-first-year students: see advisor for petitioning replacement electives.
- If ENG 105 is taken, a 3 hour applicable elective must also be taken prior to graduation. See advisor.
- Prep for success using the First-Year Student Guide.
- Join a Fulton community.
- Explore engineering and technical professions.
- Create a Handshake profile.
- Get involved with EPICS, the Generator Labs, and the Fulton Start-Up Center.

**Upper Division Technical Electives**

- AEE 426: Design of Aerospace Structures
- AEE 465: Rocket Propulsion
- AEE 466: Rotary Wing Aerodynamics and Performance
- AEE 471: Computational Fluid Dynamics
- EEE 350: Random Signal Analysis
- EEE 407: Digital Signal Processing
- EEE 480: Feedback Systems
- EEE 481: Computer-Controlled Systems
- EEE 498: Foundations Machine Learning: From Theory to Pract
- MAE 341: Mechanism Analysis and Design
- MAE 404: Finite Elements in Engineering
- MAE 417: System Dynamics and Control II
- MAE 436: Combustion
- MAE 455: Polymers and Composites
- MAE 460: Applied Computational Fluid Dynamics
- MAE 494: Design Optimization
- MAE 494: Quantum Mech Eng; SW and HW of Quantum Computers or MSE 494: Quantum Mech Eng; SW and HW of Quantum Computers

---

• Use Handshake to apply for full-time positions.
• Complete an in person or virtual practice interview.
MAE 494: Theories and Techniques of Direct CAD Modeling
MEE 323: Computer-Aided Engineering II
MEE 340: Heat Transfer
MEE 351: Manufacturing Processes
MEE 434: Internal Combustion Engines
MEE 440: Renewable Energy: Mechanical Systems
MEE 441: Wind Energy
MEE 472: Intermediate Fluid Mechanics
MEE 482: Intermediate Thermodynamics
SES 494: Modeling and Analysis of Space Thermal Systems

Students may choose no more than one course from the following:

AST 321: Introduction to Planetary and Stellar Astrophysics
AST 322: Introduction to Galactic and Extragalactic Astrophysics
BME 350: Signals and Systems for Bioengineers
CEE 440: Hydrology
CHE 468: Polymer Principles and Processing
CHE 478: Biomass Energy Conversion Technology
CHE 494: Quantum Mechanical Simulations of Chemical Process or MSE 494: Quantum Mechanical Simulations of Chemical Process
CHE 494: Six Sigma Methodology/Engineering Experimentation
CHM 325: Analytical Chemistry
EEE 304: Signals and Systems II
EEE 333: Hardware Design Languages and Programmable Logic
EEE 334: Circuits II
EGR 317: Humanitarian Engineering Project II
EGR 433: Transforms and Systems Modeling
FSE 301: Entrepreneurship and Value Creation
FSE 394: Engineering in Global Context
FSE 404: EPICS Gold: EPICS in Action
**Notes:**

Notes:
- First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
- Mathematics Placement Assessment score determines placement in first mathematics course.

MEE 472: Intermediate Fluid Mechanics
MEE 482: Intermediate Thermodynamics
MSE 330: Thermodynamics of Materials
MSE 494: Quantum Mech Eng: SW and HW of Quantum Computers or MAE 494: Quantum Mech Eng: SW and HW of Quantum Computers
PHY 310: Classical Particles, Fields, and Matter I
PHY 361: Introductory Modern Physics
SES 311: Essentials of Astrobiology: Exploration for Life in the Universe
SES 350: Engineering Systems and Experimental Problem Solving
SES 405: Exploration Systems Engineering
SES 407: Space Works II
SES 410: Senior Exploration Project I
SES 494: Modeling and Analysis of Space Thermal Systems

By approval only:
MAE 484: Internship
MAE 492: Honors Directed Study
MAE 493: Honors Thesis (L)
MAE 499: Individualized Instruction

*Students who do not meet the enrollment requirements for these courses may be allowed to enroll with instructor consent. Courses not listed here require a program petition prior to enrollment. Please check with your advisor.

First-Year Composition

General Studies designations listed on the major map are current for the 2022 - 2023 academic year.
This program allows students who have earned an AAS from an accredited institution to transfer 60 credit hours toward a BAS at ASU. Students pursuing this degree may have more than 60 credit hours to complete in order to obtain their Bachelor of Applied Science upon transfer to ASU. Students transferring from a regionally accredited Arizona public community college may be able to transfer up to 15 additional credit hours of transferable general studies courses (75 credit hours total). Students should work with their academic advisor to ensure their courses will meet degree requirements.

Term hours subtotal: 15

**Notes:**

- Students in this program select a focus area consisting of 15 hours of focused courses (minimum of 12 hours upper-division). Focus areas are listed below. Please note that all focus area courses must come from a single area. If you have questions about your options, please contact your academic advisor.

**Process Innovation**

- OMT 343: Occupational Safety and Ergonomics
- OMT 402: Legal Issues for Technologists
- TEM 230: Creativity and Business Innovation
- TEM 250: Design Methodology
- TEM 481: Consulting Project
- TEM 494: Special Topics
- TMC 331: Quality Assurance

**Technology Entrepreneurship**

- FSE 301: Entrepreneurship and Value Creation
- OMT 343: Occupational Safety and Ergonomics
- OMT 402: Legal Issues for Technologists
- TEM 200: My Technology Venture
- TEM 230: Creativity and Business Innovation
- TEM 250: Design Methodology
- TEM 311: Opportunity Analysis
- TEM 400: Technology Entrepreneurship
- TEM 481: Consulting Project
- TEM 494: Special Topics

**Notes:**

- First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU’s first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
Mathematics Placement Assessment score determines placement in first mathematics course.

General Studies designations listed on the major map are current for the 2022 - 2023 academic year.

General Studies Awareness Requirements:
- Cultural Diversity in the U.S. (C)
- Global Awareness (G)
- Historical Awareness (H)

First-Year Composition

General Studies designations listed on the major map are current for the 2022 - 2023 academic year.
2022 - 2023 Major Map  
Applied Science (Operations Management), BAS  
School/College:  Ira A. Fulton Schools of Engineering  
Location:  ASU Local  
TSIMCOBAS

This program allows students who have earned an AAS from an accredited institution to transfer 60 credit hours toward a BAS at ASU. Students pursuing this degree may have more than 60 credit hours to complete in order to obtain their Bachelor of Applied Science upon transfer to ASU. Students transferring from a regionally accredited Arizona public community college may be able to transfer up to 15 additional credit hours of transferable general studies courses (75 credit hours total). Students should work with their academic advisor to ensure their courses will meet degree requirements.

* Students may meet lower division general studies requirements with the AAS degree.  
* Students must complete all ASU general studies requirements in order to earn ASU BAS degree.  
* Students should work with their academic advisor to run DARS graduation audit to determine needed general studies requirements.  

- Plan for success using the Junior Guide.  
- Network at student organization competitions or professional societies.
Students in this program select a focus area consisting of 15 hours of focused courses (minimum 12 hours of upper-division). Focus areas are listed below. Please note that all focus area courses must come from a single area. If you have questions about your options, please contact your academic advisor.

- Select a focus area consisting of 15 hours of focused courses (minimum 12 hours of upper-division). Focus areas are listed below.
- Research and prepare for graduate school.
- Apply for a Fulton Schools 4+1 program.
- Develop a professional profile online.

General University Requirements Legend

General Studies Core Requirements:
- Literacy and Critical Inquiry (L)
- Mathematical Studies (MA)
- Computer/Statistics/Quantitative Applications (CS)
- Humanities, Arts and Design (HU)
- Social-Behavioral Sciences (SB)
- Natural Science - Quantitative (SQ)
- Natural Science - General (SG)

General Studies Awareness Requirements:
- Cultural Diversity in the U.S. (C)
- Global Awareness (G)
- Historical Awareness (H)

First-Year Composition

General Studies designations listed on the major map are current for the 2022 - 2023 academic year.
# 2022 - 2023 Major Map
## Biomedical Engineering, BSE

**School/College:** [Ira A. Fulton Schools of Engineering](https://fulton.asu.edu)
**Location:** [Tempe campus](https://www.asu.edu/locations/tempe)

ASU is not currently accepting applications for this program. Students are advised to apply directly to either the [biological devices](https://www.asu.edu/scholars/biomedical-engineering) or the [biomedical devices](https://www.asu.edu/scholars/biomedical-engineering) concentration.

### Term 1
**0 - 15 Credit Hours**

<table>
<thead>
<tr>

Use Handshake to apply for full-time positions.

Complete an in person or virtual practice interview.
BIO 440: Functional Genomics or MBB 440: Functional Genomics

BIO 451: Cell Biotechnology: Cell Culture, Immunocytochemistry and Bioimaging

BIO 467: Neurobiology

BME 394: Honors Research

BME 394: SBHSE Research Projects

BME 492: Honors Directed Study

BME 493: Honors Thesis (L)

BMI 311: Modeling Biomedical Knowledge

BMI 465: Introduction to Comparative Genomics

BUA 380: Small Business Leadership

BUA 381: Small Business Accounting and Finance

BUA 383: Small Business Working Relationships

BUS 384: Business Operations and Planning

CEE 384: Numerical Methods for Engineers (CS) or MAE 384: Advanced Mathematical Methods for Engineers (CS)

CHE 475: Biochemical Engineering

CHM 302: Environmental Chemistry

CHM 325: Analytical Chemistry

CHM 326: Advanced Analytical Chemistry Laboratory

CHM 341: Elementary Physical Chemistry or BCH 341: Physical Chemistry with a Biological Focus

CIS 300: Web Design and Development

COM 312: Communication, Conflict, and Negotiation

CSE 310: Data Structures and Algorithms

CSE 340: Principles of Programming Languages

CSE 412: Database Management

DAT 301: Exploring Data in R and Python

ECN 306: Survey of International Economics (SB & G)

HCR 350: Introduction to Clinical Research

IEE 300: Economic Analysis for Engineers

IEE 320: Extreme Excel

IEE 369: Work Analysis and Design (L)

IEE 381: Lean Six Sigma Methodology

IEE 431: Engineering Administration (L)

IND 464: Collaborative Design Development I (L)

IND 465: Collaborative Design Development II (L)

KIN 334: Functional Anatomy and Kinesiology

KIN 340: Physiology of Exercise

KIN 412: Biomechanics of the Skeletal System

KIN 413: Qualitative Analysis in Sport Biomechanics

KIN 414: Electromyographic Kinesiology (L)

KIN 440: Exercise Biochemistry

LES 305: Business Law and Ethics for Managers

LES 380: Consumer Perspective of Business Law

LSC 347: Fundamentals of Genetics

MAE 318: System Dynamics and Control I

MAE 341: Mechanism Analysis and Design

MAE 417: System Dynamics and Control II

MAT 300: Mathematical Structures (L)

MAT 310: Introduction to Geometry

MAT 342: Linear Algebra or MAT 343: Applied Linear Algebra

MAT 451: Mathematical Modeling (CS)

MAT 460: Vector Calculus

MAT 462: Applied Partial Differential Equations

MBB 343: Genetic Engineering and Society (L) or BIO 343: Genetic Engineering and Society (L)

MSE 330: Thermodynamics of Materials

MSE 335: Materials Kinetics

MSE 355: Structure and Defects

MSE 356: Thin Film and Microelectronic Devices Lab

MSE 415: Mathematical and Computer Methods in Materials (CS)

MSE 420: Advanced Metallurgical Alloys and Processes

MSE 421: Physical Metallurgy Laboratory

MSE 440: Mechanical Behavior of Materials

MSE 442: Fatigue, Fracture, and Creep of Materials

MSE 450: Introduction to Materials Characterization

MSE 451: Nanomaterials and Electronics Characterization Lab

MSE 458: Electronic, Magnetic, and Optical Properties

MSE 460: Nanomaterials in Energy Production and Storage

MSE 470: Polymers and Composites

MSE 471: Introduction to Ceramics

MSE 482: Materials Engineering Design (L)

NTR 457: Sports Nutrition

PAF 301: Applied Statistics (CS)

PAF 410: Building Leadership Skills (SB)

PHI 306: Applied Ethics (HU)

PHI 313: Probability, Evidence, and Decision

PHY 361: Introductory Modern Physics

PSY 325: Physiological Psychology

PSY 470: Psychopharmacology

SCM 300: Global Supply Operations

SOC 334: Technology and Society (L or SB)

STP 420: Introductory Applied Statistics (CS)

STP 421: Probability

STP 429: Applied Regression (CS)

STS 304: Science, Technology and Society (SB)
Notes:

- First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU’s first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
- Mathematics Placement Assessment score determines placement in first mathematics course.

Total Hours: 120
Upper Division Hours: 45 minimum
Major GPA: 2.00 minimum
Cumulative GPA: 2.00 minimum
Total hrs at ASU: 30 minimum
Hrs Resident Credit for Academic Recognition: 56 minimum
Total Community College Hrs: 64 maximum

General University Requirements Legend

General Studies Core Requirements:
- Literacy and Critical Inquiry (L)
- Mathematical Studies (MA)
- Computer/Statistics/Quantitative Applications (CS)
- Humanities, Arts and Design (HU)
- Social-Behavioral Sciences (SB)
- Natural Science - Quantitative (SQ)
- Natural Science - General (SG)

General Studies Awareness Requirements:
- Cultural Diversity in the U.S. (C)
- Global Awareness (G)
- Historical Awareness (H)

First-Year Composition

General Studies designations listed on the major map are current for the 2022 - 2023 academic year.
2022 - 2023 Major Map
Chemical Engineering, BSE

School/College: Ira A. Fulton Schools of Engineering
Location: Tempe campus

EGR 494: Engineering in Semiconductors and Microelectronics

FSE 301: Entrepreneurship and Value Creation

FSE 394: Engineering in Global Context

FSE 494: Nuclear Prolif Secur & Safegrd

IEE 380: Probability and Statistics for Engineering Problem Solving (CS)

IEE 385: Engineering Statistics: Probability

MAE 494: Quantum Mech Eng: SW and HW of Quantum Computers or MSE 494: Quantum Mech Eng: SW and HW of Quantum Computers

MSE 250: Structure and Properties of Materials

MSE 435: Computational Materials Science and Engineering

MSE 460: Nanomaterials in Energy Production and Storage

MSE 466: Electrochemical Energy Storage and Conversion

MSE 494: Bioinspired Materials and Biomaterials

MSE 494: Electrochemical Materials Science

MSE 494: Failure Analysis of Metallic Materials

MSE 494: Manufacturing Processes for Structural Materials

Note: MSE 208, 301, or 308 cannot be used.

Note: Students taking IEE 380 or IEE 385 cannot take STP 420 or STP 421 for Natural Science/Materials Elective.

Upper Division Advanced Chemistry/Biochemistry Technical Elective

BCH 341: Physical Chemistry with a Biological Focus or CHM 341: Elementary Physical Chemistry or CHM 345: Physical Chemistry I

BCH 361: Advanced Principles of Biochemistry

BCH 461: General Biochemistry

BCH 463: Biophysical Chemistry

BCH 494: Chemical Biology

Upper Division Natural Science or Materials Science Technical Electives

BCH 494: Bioenergy and Microbial Biotechnology

BCH 494: Chemical Biology

BCH 494: Protein Biochemistry

BIO 302: Cancer--Mother of All Diseases (L)

BIO 320: Fundamentals of Ecology

BIO 325: Oceanography

BIO 340: General Genetics

General University Requirements Legend

General Studies Core Requirements:
• Literacy and Critical Inquiry (L)
• Mathematical Studies (MA)
• Computer/Statistics/Quantitative Applications (CS)
• Humanities, Arts and Design (HU)
• Social-Behavioral Sciences (SB)
• Natural Science - Quantitative (SQ)
• Natural Science - General (SG)

General Studies Awareness Requirements:
• Cultural Diversity in the U.S. (C)
• Global Awareness (G)
• Historical Awareness (H)

First-Year Composition

General Studies designations listed on the major map are current for the 2022 - 2023 academic year.

### Technical Electives

- AEE 415: Vibration Analysis
- AEE 426: Design of Aerospace Structures
- AEE 462: Space Vehicle Dynamics and Control
- AEE 463: Aircraft Propulsion
- AEE 465: Rocket Propulsion
- AEE 468: Aircraft Systems Design
- AEE 471: Computational Fluid Dynamics
- AME 430: Mac Development for Media Arts
- AME 435: Mobile Development
- BCH 361: Advanced Principles of Biochemistry
- BCH 461: General Biochemistry
- BCH 462: General Biochemistry
- BIO 340: General Genetics
- EEE 360: Energy Systems and Power Electronics
- EEE 404: Real-Time DSP Systems
- EEE 407: Digital Signal Processing
- EEE 425: Digital Systems and Circuits
- EEE 433: Analog Integrated Circuits
- EEE 434: Quantum Mechanics for Engineers
- EEE 435: Fundamentals of CMOS and MEMS
- EEE 436: Fundamentals of Solid-State Devices
- EEE 437: Optoelectronics
- EEE 439: Semiconductor Facilities and Cleanroom Practices
- EEE 443: Antennas for Wireless Communications
- EEE 445: Microwaves

Academic Catalog Archive 2022-2023 3234
First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP

Mathematics Placement Assessment score determines placement in first mathematics course.

Notes:

• Complete First-Year Composition requirement.

• Minimum 2.00 GPA ASU Cumulative.

• Pursue an undergraduate research experience.

• Apply for internships.

• Attend career fairs and events.

• Three total (SQ) lab science courses are required. Two (SQ) courses must be from the same subject area and one (SQ) course must be from a different subject area.

• Plan for success using the Junior Guide.

• Network at student organization competitions or professional societies.

• CSE 434 is a prerequisite for CSE 468 which is an option for the Cybersecurity Focus Courses requirement.

• Research and prepare for graduate school.

• Apply for an engineering 4+1 program.

• Develop a professional profile online.

• CSE 434 is a prerequisite for CSE 468 which is an option for the Cybersecurity Focus Courses requirement.

• Apply for an engineering 4+1 program.

• Develop a professional profile online.

• Plan for success using the Senior Guide.
Cybersecurity Focus Courses

CSE 466: Computer Systems Security
CSE 468: Computer Network Security  or (CSE 468 requires CSE 434 as a prerequisite)
CSE 469: Computer and Network Forensics
CSE 494: Artificial Intelligence for Cyber Security

Cybersecurity Electives

CSE 445: Distributed Software Development
CSE 460: Software Analysis and Design
CSE 463: Introduction to Human Computer Interaction
CSE 464: Software Quality Assurance and Testing
CSE 466: Computer Systems Security
CSE 468: Computer Network Security
CSE 469: Computer and Network Forensics
CSE 471: Introduction to Artificial Intelligence
CSE 494: Artificial Intelligence for Cyber Security

Technical Electives

AEE 415: Vibration Analysis
AEE 426: Design of Aerospace Structures
AEE 462: Space Vehicle Dynamics and Control
AEE 463: Aircraft Propulsion
AEE 465: Rocket Propulsion
AEE 468: Aircraft Systems Design
AEE 471: Computational Fluid Dynamics
AME 430: Mac Development for Media Arts
AME 435: Mobile Development
BCH 361: Advanced Principles of Biochemistry
BCH 461: General Biochemistry
BCH 462: General Biochemistry
BIO 340: General Genetics
BIO 343: Genetic Engineering and Society (L)
BIO 345: Evolution
BME 350: Signals and Systems for Bioengineers
BME 413: Biomedical Instrumentation (L)

Term 8: 108 - 120 Credit Hours

Necessary course signified by 💫

CSE 486: Computer Science Capstone Project II (L) 3 C
Upper Division Cybersecurity Elective 3 C
Upper Division Cybersecurity Focus Courses 3 C
Upper Division Technical Elective 3 C

Term hours subtotal: 12

Use Handshake to apply for full-time positions.
Complete an in person or virtual practice interview.

Technical Electives may require additional prerequisites.
For additional information on major curriculum, please visit the Computer Science Degree Requirements website and the Concentration Requirements website.

Hide Course List(s)/Track Group(s)
BME 416: Advanced Biomechanics
BME 494: Applied Computational Behavioral Science
CEE 412: Pavement Analysis and Design
CEE 432: Developing Software for Engineering Applications
CEE 440: Hydrology
CEE 441: Water Resources Engineering
CEE 452: Foundations
CEE 462: Unit Operations in Environmental Engineering
CEE 466: Urban Water System Design
CEE 467: Environmental Microbiology
CEE 474: Transportation Systems Planning
CEE 475: Highway Geometric Design
CEE 481: Civil Engineering Project Management
CEE 483: Highway Materials, Construction, and Quality
CEE 486: Integrated Civil Engineering Design (L)
CHE 342: Introduction to Applied Chemical Thermodynamics
CHE 343: Principles of Chemical Engineering Design
CHE 442: Introduction to Chemical Reactor Design
CHE 461: Process Dynamic Control (CS)
CHE 462: Process Design (L)
CHE 469: Air Quality Engineering
CHE 475: Biochemical Engineering
CIS 415: Big Data Analytics in Business
CPI 311: Game Engine Development
CPI 350: Evaluation of Informatics Systems
CPI 360: Decision Making and Problem Solving
CPI 411: Graphics for Games
CPI 460: Intelligent Interactive Instructional Systems
CPI 462: Design for Learning in Virtual Worlds

### Notes
- Students should take CSE 434 as the Upper Division Technical Elective in Term 7 if they plan taking CSE 468 in Term 8. CSE 434 is a prerequisite for CSE 468.
- Plan for success using the [Senior Guide](#). Use [Handshake](#) to apply for full-time positions.
- Complete an in person or virtual practice interview.
Notes:

- First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU’s first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
- Mathematics Placement Assessment score determines placement in first mathematics course.

**Biology or Chemistry Courses**

| BIOS 181: General Biology I (SQ) | BIOS 182: General Biology II (SG) | CHM 113: General Chemistry I (SQ) | CHM 114: General Chemistry for Engineers (SQ) | CHM 116: General Chemistry II (SQ) |

**Upper Division CSE Technical Electives**

|-------------------------------------------------|------------------------------------------|-------------------------------|-----------------------------------------------|-----------------------------------------------|

Maximum 6 hours at the 300-level.
EEE 350: Random Signal Analysis
EEE 404: Real-Time DSP Systems
EEE 407: Digital Signal Processing
EEE 425: Digital Systems and Circuits
EEE 455: Communication Systems
EEE 480: Feedback Systems
EEE 481: Computer-Controlled Systems
FSE 301: Entrepreneurship and Value Creation
FSE 394: Engineering for Humanity
FSE 404: EPICS Gold: EPICS in Action
IEE 385: Engineering Statistics: Probability
MAT 416: Graph Theory
MAT 421: Applied Computational Methods (CS)
MAT 447: Cryptography I
MAT 448: Cryptography II
PHY 302: Mathematical Methods in Physics II
PHY 333: Electronic Circuits and Measurements
PHY 441: Statistical and Thermal Physics

Notes:

- First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
- Mathematics Placement Assessment score determines placement in first mathematics course.

**Notes:**

- First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU's first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: [https://cisa.asu.edu/DSP](https://cisa.asu.edu/DSP)
- Mathematics Placement Assessment score determines placement in first mathematics course.

Term hours subtotal: 15
Notes:

- First-Year Composition: All students are placed in ENG 101 unless submission of SAT, ACT, Accuplacer, IELTS, or TOEFL score, or college-level transfer credit or test credit equivalent to ASU’s first-year composition course(s), determine otherwise. Students on Polytechnic, Downtown Phoenix and West Campuses are encouraged to complete the Directed Self-Placement survey to choose the first-year composition option they believe best suits their needs. Visit: https://cisa.asu.edu/DSP
- Mathematics Placement Assessment score determines placement in first mathematics course.

General University Requirements Legend

General Studies Core Requirements:
- Literacy and Critical Inquiry (L)
- Mathematical Studies (MA)
- Computer/Statistics/Quantitative Applications (CS)
- Humanities, Arts and Design (HU)
- Social-Behavioral Sciences (SB)
- Natural Science - Quantitative (SQ)
- Natural Science - General (SG)

General Studies Awareness Requirements:
- Cultural Diversity in the U.S. (C)
- Global Awareness (G)
- Historical Awareness (H)

First-Year Composition

General Studies designations listed on the major map are current for the 2022 - 2023 academic year.
