Social and Behavioral Sciences (SOBE) 3

Elective 1

Maintain 3.00 GPA in Film courses.

Minimum 2.50 GPA ASU Cumulative.

Term hours subtotal: 14

- Choose focus areas for desired filmmaking skills.

Term 5 60 - 75 Credit Hours Necessary course signified by ★	Hours	Minimum Grade	Notes
---	-------	---------------	-------

★ FMP 385: Development of an Artist's Portfolio 2 C

FMP 360: The Filmmaker's Voice 3 C

FMP 380: Film Practicum OR FMP 484: Internship 1 C

Complete 2 courses:

Film Elective 6 C

Governance and Civic Engagement (CIVI) 3

Maintain 3.00 GPA in Film courses.

Minimum 2.50 GPA ASU Cumulative.

Term hours subtotal: 15

- Film Electives may be taken from any of the course lists at the bottom of the major map. Choose electives that will build skills for your desired career path.

Term 6 75 - 90 Credit Hours Necessary course signified by ★	Hours	Minimum Grade	Notes
---	-------	---------------	-------

★ FMP 398: Capstone Development 3 C

FMP 388: Application of Ethical Filmmaking 3 C

Complete 2 courses:

Film Elective 6 C

American Institutions (AMIT) 3

Maintain 3.00 GPA in Film courses.

Minimum 2.50 GPA ASU Cumulative.

Term hours subtotal: 15

- Capstone requires three semesters to complete (FMP 398, FMP 480, and FMP 481). It cannot be condensed into two semesters.

Term 7 90 - 105 Credit Hours Necessary course signified by ★	Hours	Minimum Grade	Notes
--	-------	---------------	-------

★ FMP 480: Film Lab I: Production 3 C

★ FMP 485: Portfolio Preparation and Review II 1 C

- Capstone requires three semesters to complete (FMP 398, FMP 480, and FMP 481). It cannot be condensed into two semesters.

FMP 330: Professional and Technical Writing for Film/TV Industry 3 C
 OR FMP 335: Careers in Film and Media Industry OR FMP 411:
 Welcome to Hollywood OR FMP 417: Business and Legal Practices
 in Entertainment

- Suggested semester in Los Angeles. Interested students should discuss with their advisor.
- Gather professional references.

Complete 2 courses:
 Upper Division Film Elective 6 C

Upper Division Elective 2

Maintain 3.00 GPA in Film courses.

Minimum 2.50 GPA ASU Cumulative.

Term hours subtotal: 15

Term 8 105 - 120 Credit Hours Necessary course signified by ★	Hours	Minimum Grade	Notes
★ FMP 481: Film Lab II: Post-Production	3	C	<ul style="list-style-type: none"> • Capstone requires three semesters to complete (FMP 398, FMP 480, and FMP 481). It cannot be condensed into two semesters. • Suggested semester in Los Angeles. Interested students should discuss with their advisor. • Transfer students will complete one additional hour of elective credit in Term 8 to reach the university required minimum of 120 hours, because FMP 101 in Term 1 is not required for transfer students.
Complete 3 courses:			
Upper Division Film Elective	9	C	
Upper Division Elective	3		
Maintain 3.00 GPA in Film courses.			
Minimum 2.50 GPA ASU Cumulative.			
Term hours subtotal:	15		

- Film Electives may be taken from any of the course lists below. Choose electives that will build skills for your desired career path.

General Studies credit is applied according to the designation the course carries at the time the class is taken.

2024 - 2025 Major Map

Media Arts and Sciences (Music), BA

School/College: Herberger Institute for Design and the Arts
HIDGCMBA

Term 1 0 - 16 Credit Hours Critical course signified by 	Hours	Minimum Grade	Notes
 AME 111: Introduction to Digital Culture (QTRS OR CS)	3	C	<ul style="list-style-type: none"> ASU 101 or college-specific equivalent First-Year Seminar required of all first-year students. Media Arts & Sciences students complete AME 101 to fulfill this requirement.
AME 101: ASU Media Arts and Sciences Experience	1	C	
AME 230: Programming for the Media Arts (QTRS OR CS)	3	C	
ENG 101 or ENG 102: First-Year Composition OR ENG 105: Advanced First-Year Composition OR ENG 107 or ENG 108: First-Year Composition	3	C	
MAT 117: College Algebra (MATH OR MA)	3	C	
Social and Behavioral Sciences (SOBE)	3		
 Maintain 3.00 GPA in Major Courses.			
 Minimum 2.50 GPA ASU Cumulative.			
Term hours subtotal:	16		

Term 2 16 - 31 Credit Hours Critical course signified by 	Hours	Minimum Grade	Notes
 Media Arts and Sciences Foundational Media Course	3	C	<ul style="list-style-type: none"> All Media Arts & Sciences majors must have a minimum 3.00 AME/MDC GPA at the end of Term 2 to continue in the program. If a student's AME/MDC GPA is below a 3.00, the student will be placed on a probationary status for one term. If the student is not successful in raising their AME/MDC GPA to a 3.00 after the probationary term, the student will not be able to continue in the Media Arts & Sciences program. MTC 125 is only offered in the fall term and requires a placement diagnostic exam. Please see the your advisor to prepare this term to be able to take this course in the fall semester. Join a student club or professional organization.
AME 130: Prototyping Dreams (L)	3	C	
MTC 125: Music Theory I OR MUS 100: Fundamentals of Music Notation	3	C	
ENG 101 or ENG 102: First-Year Composition OR ENG 105: Advanced First-Year Composition OR ENG 107 or ENG 108: First-Year Composition	3	C	
Global Communities, Societies and Individuals (GCSI)	3		
 Complete ENG 101 OR ENG 105 OR ENG 107 course(s).			
 Milestone: GPA First-Year Review			
Maintain 3.00 GPA in Major Courses.			
Minimum 2.50 GPA ASU Cumulative.			
Term hours subtotal:	15		

Term 3 31 - 47 Credit Hours Critical course signified by 	Hours	Minimum Grade	Notes
 Media Arts and Sciences Foundational Media Course	6	C	<ul style="list-style-type: none"> Build your skills.
Music Production Elective	3	C	
Humanities, Arts and Design (HUAD)	3		
Scientific Thinking in Natural Sciences (SCIT)	4		
 Complete Mathematics (MATH) requirement.			

Complete First-Year Composition requirement.

Maintain 3.00 GPA in Major Courses.

Minimum 2.50 GPA ASU Cumulative.

Term hours subtotal: 16

Term 4 47 - 63 Credit Hours Critical course signified by ⚠	Hours	Minimum Grade	Notes
⚠ Media Arts and Sciences Foundational Media Course	3	C	
MUS OR MUP OR MUE OR MTC Elective	3	C	
American Institutions (AMIT)	3		
Elective	3		
Scientific Thinking in Natural Sciences (SCIT)	4		
Maintain 3.00 GPA in Major Courses.			
Minimum 2.50 GPA ASU Cumulative.			
Term hours subtotal:	16		

Term 5 63 - 77 Credit Hours Necessary course signified by ★	Hours	Minimum Grade	Notes
★ Upper Division Track Focus Area Course	3	C	
MTC 436: Electronic Studio Techniques I OR MTC 437: Electronic Studio Techniques II OR MUP 319: Advanced Audio Engineering in the Arts	2	C	
Upper Division Digital Media Course	3	C	
Governance and Civic Engagement (CIVI)	3		
Elective	3		
Maintain 3.00 GPA in Major Courses.			
Minimum 2.50 GPA ASU Cumulative.			
Term hours subtotal:	14		

- If you take MTC 436, MTC 437, or MUP 319 (2 credits each) in this term, you will need to complete one additional hour (or 4 hours total) of MUS OR MUP OR MUE OR MTC Upper Division Elective in Term 7.
- Build a digital portfolio.

Term 6 77 - 92 Credit Hours Necessary course signified by ★	Hours	Minimum Grade	Notes
★ Upper Division Track Focus Area Course	3	C	
MUS 354: Popular Music OR MUS 362: Rap Music and Hip Hop Culture (HUAD OR HU & C)	3	C	
Upper Division Digital Media Course	3	C	
Sustainability (SUST)	3		
Elective	3		
Maintain 3.00 GPA in Major Courses.			
Minimum 2.50 GPA ASU Cumulative.			
Term hours subtotal:	15		

- Any MUS 354 topic can be used to fulfill the concentration requirement.
- Explore an **internship**.

Term 7 92 - 108 Credit Hours Necessary course signified by ★	Hours	Minimum Grade	Notes
★ AME 485: Media Arts and Sciences Capstone I	3	C	
MUS OR MUP OR MUE OR MTC Upper Division Elective	4	C	
Upper Division Track Focus Area Course	3	C	
Upper Division Elective	6		
Maintain 3.00 GPA in Major Courses.			
Minimum 2.50 GPA ASU Cumulative.			
Term hours subtotal:	16		

- All Media Arts & Sciences majors must have a minimum 3.00 AME/MDC GPA to meet graduation requirements. If you are not meeting this GPA requirement, please see your advisor.
- If you took MTC 436, MTC 437, or MUP 319 in Term 6, you will need to complete one additional hour (or 4 hours total) of MUS OR

MUP OR MUE OR MTC Upper Division Elective in this term.

- Gather professional references.

Term 8 108 - 120 Credit Hours Necessary course signified by ★	Hours	Minimum Grade	Notes
★ AME 486: Media Arts and Sciences Capstone II	3	C	
Upper Division Track Focus Area Course	3	C	
Upper Division Elective OR AME 484: Internship	3		
Upper Division Elective	3		
Maintain 3.00 GPA in Major Courses.			
Minimum 2.50 GPA ASU Cumulative.			
Term hours subtotal:	12

 CSE 330: Operating Systems	3	C	• CSE 330 and CSE 355 are both Session C courses (15 weeks long).
 CSE 355: Introduction to Theoretical Computer Science	3	C	
 Complete MAT 267 OR MAT 272 course(s).			
Term hours subtotal:	6		

Term 5 - B 54 - 61 Credit Hours	Hours	Minimum Grade	Notes
CSE 301: Computing Ethics	1	C	
Upper Division Technical Elective	3	C	
Social and Behavioral Sciences (SOBE)	3		
Term hours subtotal:	7		

Term 6 - A 61 - 67 Credit Hours	Hours	Minimum Grade	Notes
CSE 365: Information Assurance	3	C	• CSE 365 is a Session C course (15 weeks long). • CSE 412 / CSE 445 are in Session C (15 weeks long). • Develop a professional profile online .
CSE 412: Database Management OR CSE 445: Distributed Software Development	3	C	
Term hours subtotal:	6		

Term 6 - B 67 - 73 Credit Hours Necessary course signified by 	Hours	Minimum Grade	Notes
 CSE 340: Principles of Programming Languages	3	C	

MAT 343: Applied Linear Algebra 3 C

Term hours subtotal: 6

Term 7 - A 73 - 79 Credit Hours Necessary course signified by ★	Hours	Minimum Grade	Notes
---	-------	---------------	-------

★ IEE 380: Probability and Statistics for Engineering Problem Solving (QTRS OR CS)	3	C	• IEE 380 and the CSE 4** (400-Level) Elective are both Session C courses (15 weeks long).
CSE 4** Elective	3	C	
Term hours subtotal:	6		

Term 7 - B 79 - 85 Credit Hours	Hours	Minimum Grade	Notes
---------------------------------	-------	---------------	-------

American Institutions (AMIT)	3	
Governance and Civic Engagement (CIVI)	3	
Term hours subtotal:	6	

Term 8 - A 85 - 91 Credit Hours Necessary course signified by ★	Hours	Minimum Grade	Notes
---	-------	---------------	-------

★ CSE 485: Computer Science Capstone Project I (L)	3	C	• CSE 485 and the CSE 4** (400-Level) Elective are both Session C courses (15 weeks long).
CSE 4** Elective	3	C	
Term hours subtotal:	6		

Term 8 - B 91 - 98 Credit Hours	Hours	Minimum Grade	Notes
---------------------------------	-------	---------------	-------

Global Communities, Societies and Individuals (GCSI)	3	
Scientific Thinking in Natural Sciences (SCIT)	4	
Term hours subtotal:	7	

Term 9 - A 98 - 104 Credit Hours Necessary course signified by ★	Hours	Minimum Grade	Notes
--	-------	---------------	-------

★ CSE 486: Computer Science Capstone Project II (L)	3	C	• CSE 486 and the CSE 4** (400-Level) Elective are both Session C courses (15 weeks long).
CSE 4** Elective	3	C	
Term hours subtotal:	6		

Term 9 - B 104 - 111 Credit Hours	Hours	Minimum Grade	Notes
-----------------------------------	-------	---------------	-------

Humanities, Arts and Design (HUAD)	3	
Scientific Thinking in Natural Sciences (SCIT)	4	
Term hours subtotal:	7	

Term 10 - A 111 - 117 Credit Hours Necessary course signified by ★	Hours	Minimum Grade	Notes
--	-------	---------------	-------

★ CSE 4** Elective	3	C	• The CSE 4** (400-Level) Elective is a Session C course (15 weeks long).
Upper Division Technical Elective	3	C	
Term hours subtotal:	6		

Term 10 - B 117 - 120 Credit Hours	Hours	Minimum Grade	Notes
------------------------------------	-------	---------------	-------

Humanities, Arts and Design (HUAD)	3	
Term hours subtotal:	3	

- Maximum three hours of FSE 301 or FSE 404 can be applied towards major requirements.
- Maximum six hours of CSE 484, CSE 492, CSE 493, CSE 499, FSE 301, and FSE 404 can be applied towards major requirements.
- CSE 475 or DAT 402 can be applied towards major requirements but not both.
- Technical Electives may require additional prerequisites.
- For additional information on major curriculum, please visit the [Computer Science Degree Requirements website](#).

Term hours subtotal:	14		

- Sustainability BA students must select one of the following challenge area tracks:
 - Society and Sustainability (SOS 320)
 - Policy and Governance in Sustainable Systems (SOS 321)
 - International Development and Sustainability (SOS 322)
 - Sustainable Urban Dynamics (SOS 323 or SOS 465)
- Students must declare a track by the end of Term 4.
- Students must complete the one required course for their chosen track.
- Students must also complete any additional three track courses for a total of 12 credit hours of track courses. Select from SOS 320, SOS 321, SOS 322, SOS 323, SOS 324, SOS 325, SOS 326, SOS 327, SOS 328, or SOS 465.
- Students must complete two track elective courses from their chosen track. At least one track elective course must be upper division.

Example: If the Society and Sustainability Track is chosen, students must complete SOS 320 and any three additional track courses by the end of Term 5.

More information on BA Tracks can be found [here](#).

 Minimum 2.50 GPA ASU Cumulative.			
Term hours subtotal:	5		

- Sustainability BA students must select one of the following challenge area tracks:
 - Society & Sustainability (SOS 320)
 - Policy and Governance in Sustainable Systems (SOS 321)
 - International Development and Sustainability (SOS 322)
 - Sustainable Urban Dynamics (SOS 323 or SOS 465)
- Students must declare a track by the end of Term 4.
- Students must complete the one required track course for their chosen track.
- Students must also complete any additional three track courses for a total of 12 credit hours of track courses. Select from SOS 320, SOS 321, SOS 322, SOS 323, SOS 324, SOS 325, SOS 326, SOS 327, SOS 328, or SOS 465.
- Students must complete two track elective courses from their chosen track. At least one track elective course must be upper division.

Example: If the Society and Sustainability Track is chosen, students must complete SOS 320 and any three additional track courses by the end of Term 5.

More information on BA Tracks can be found [here](#).

- **University Undergraduate Graduation Requirements**

Notes:

Mathematics Placement Assessment score determines placement in first mathematics course.

General Studies designations listed next to courses on the major map were valid for the 2024 - 2025 academic year. Please refer to the course catalog for current General Studies designations at time of class registration. General Studies credit is applied according to the designation the course carries at the time the class is taken.

2024 - 2025 Major Map

Sustainability, BS

School/College: College of Global Futures
SUSUSTBS

Term 1 - A 0 - 7 Credit Hours Critical course signified by 	Hours	Minimum Grade	Notes
SOS 191: Introduction to ASU & SOS for First Year Students OR  SOS 201: Introduction to ASU and School of Sustainability for Transfer Students	1	C	<ul style="list-style-type: none"> • SOS 191 or college-specific equivalent First-Year Seminar is required of all first-year students • SOS 201 required of all Sustainability transfer students
ENG 101 or ENG 102: First-Year Composition OR ENG 105: Advanced First-Year Composition OR ENG 107 or ENG 108: First-Year Composition	3	C	
SOS 110: Sustainable World (SUST OR SB)	3	C	
Term hours subtotal:	7		

Term 1 - B 7 - 13 Credit Hours Critical course signified by 	Hours	Minimum Grade	Notes
 SOS 101: Introduction to Applied Mathematics for the Life and Social Sciences (MATH OR MA)	3	C	<ul style="list-style-type: none"> • View ASU Online first-year student registration information here.
ENG 101 or ENG 102: First-Year Composition OR ENG 105: Advanced First-Year Composition OR ENG 107 or ENG 108: First-Year Composition	3	C	
 Minimum 2.50 GPA in SOS and SFS.  Minimum 2.50 GPA ASU Cumulative.			
Term hours subtotal:	6		

Term 2 - A 13 - 22 Credit Hours	Hours	Minimum Grade	Notes
SOS 111: Sustainable Cities (SUST OR (HU or SB) & G)	3	C	<ul style="list-style-type: none"> • Join a student club or professional organization.

Term hours subtotal:	6		

- Sustainability BS students must select one of the following challenge area tracks:
 - Sustainable Energy, Materials, and Technology (SOS 324)
 - Economics of Sustainability (SOS 325)
 - Ecosystems Sustainability (SOS 326)
 - Students must declare a track by the end of Term 4.
 - Students must complete the one required track course for their chosen track.
 - Students must also complete any additional three track courses for a total of four (12 credit hours) track courses. Select from SOS 320, SOS 321, SOS 322, SOS 323, SOS 324, SOS 325, SOS 326, SOS 327, SOS 328, or SOS 465.
 - Students must complete two track elective courses from their chosen track. At least one track elective must be upper division.

Example: If the Economics of Sustainability Track is chosen, students must complete SOS 325 and any three additional track courses by the end of Term 5.

More information on BS Tracks can be found [here](#).

Term 8 105 - 120 Credit Hours Necessary course signified by ★	Hours	Minimum Grade	Notes
★ NTR 448: Community Nutrition (L)	3	C	<ul style="list-style-type: none"> NTR 448 fulfills the college's experiential learning requirement. Select an upper division Focus Area Course from the appropriate list at bottom of major map. Students following the Pre Dietetics Focus Area should take NTR 445 for the Focus Area Course. Apply for full-time career opportunities.
Upper Division Focus Area Course	3	C	
Upper Division Elective	2		
Complete 2 courses:	7		
Elective			
Term hours subtotal:	15		

- Students should select and follow a Focus Area to complete a total of 18 credit hours, at least nine of which must be upper division. The selected focus area will allow students to move confidently into a career or graduate program in Dietetics.
 - Students following the Pre Dietetics Focus Area will be eligible to apply to a graduate program in Dietetics which integrates the required coursework and experiential learning to prepare students for the Registered Dietitian (RD) exam. Upon passing the RD Exam, graduates can work as Registered Dietitian Nutritionists (RDN). For more information about institutions that offer a graduate program in Dietetics, please visit: <https://www.eatrightpro.org/acend/accredited-programs/program-directory> and search for *Graduate Programs* which are available in several states and online.
 - The Pre Dietetics Focus Area requires both BIO 202 and MIC 205/206. BIO 202 should be completed before MIC 205/206. Students should follow term notes with course suggestions.

Notes:

Mathematics Placement Assessment score determines placement in first mathematics course.

Effective January 1, 2024, the Commission on Dietetic Registration (CDR) will require a minimum of a master's degree in any field of study to be eligible to take the credentialing exam to become a registered dietitian nutritionist (RDN). In addition, CDR requires that individuals complete coursework and supervised practice in program(s) accredited by the Accreditation Council for Education in Nutrition and Dietetics (ACEND). In most states, graduates also must obtain licensure or certification to practice.

General Studies designations listed next to courses on the major map were valid for the 2024 - 2025 academic year. Please refer to the course catalog for current General Studies designations at time of class registration. General Studies credit is applied according to the designation the course carries at the time the class is taken.

<i>Complete 2 courses:</i>			
Upper Division Elective	6		
Elective	3		
Term hours subtotal:	12		

- Focus Areas provide students an opportunity to focus their studies in a particular area of interest or expand their knowledge in various areas. Students must select at least three courses from a single focus area list, and can then select from any combination of the focus area lists to complete a total of 15 credit hours, nine of which must be upper division.
- Students interested in applying to the Mayo School of Health Sciences Echocardiography program must complete all prerequisite courses prior to matriculation to the 21 month professional program at Mayo. Students must be accepted into the program, which has limited slots for admission. For admission criteria and application process, go [here](#). If a student is accepted for the program, completion requires the student to attend ASU to meet our remaining requirements in the summer prior to the beginning of the program. Students must work closely with their ASU academic advisor to make certain all prerequisites have been met. Upon successful completion of the Echocardiography curriculum at Mayo, the student must have the credits transferred back to ASU for acceptance as a block. At that time, the student may apply for graduation from ASU with the BS in Health Sciences.
- Students interested in the Health and Media focus area are encouraged to take at least two MCO courses offered by the Walter Cronkite School of Journalism and Mass Communication.
- Students interested in taking SPA courses to fulfill focus area requirements should plan ahead to complete prerequisites or the appropriate placement exam. Contact <https://cisa.asu.edu/advising> for more information on placement.
- CHS students are required to complete a minimum of three credits of experiential learning coursework. A list of recommended courses is below. The **CHS website** also has up to date information on opportunities to fulfill this requirement, including research and internships, that are relevant to each major. Students should contact their academic advisor with any questions.
- Students who use a Focus Area course to fulfill the experiential learning requirement will need to complete an additional three credit upper division elective.

Complete 3 courses:			
Upper Division Elective	9		
Term hours subtotal:	15		

- A course in biochemistry with lab is strongly recommended for competitive application to most professional schools.
- Students interested in applying to Physical Therapy graduate programs should major in Kinesiology.
- Students in the MD track who plan to apply to the University of Arizona Medical School in Tucson must complete upper-division coursework in Cell Biology, Histology, Microbiology, Pathology, or Immunobiology as well as an upper-division course in Molecular Biology. This means that at least one of the upper-division electives should come from the Medical Studies Breadth Electives list.
- Due to the high volume of overlap in curriculum, students enrolled in this degree are not permitted to declare a concurrent degree combination with the Biological Sciences BS, including the following concentrations: Biomedical Sciences; Genetics, Cell and Developmental Biology; and Neurobiology, Physiology and Behavior. Students should speak with their academic advisor for any further questions.

NHMEDBS

In order to complete the requirements of this program, some laboratory courses will be completed in-person at the Tempe Campus.

These laboratory courses will be offered during summer. This may impact your financial aid. Financial aid is available to those who apply and qualify, and students may receive funds to help cover costs for each semester of enrollment. The amount of financial aid that a student is eligible for varies depending on prior education experience and other individual factors. [Learn](#) more about summer financial aid and additional ways to cover summer costs.

Complete 2 courses:			
Upper Division Elective	6		
Term hours subtotal:	6		

- A course in biochemistry with a lab is strongly recommended for competitive application to most professional schools.

- Students interested in applying to Physical Therapy graduate programs should major in Kinesiology.
- Students in the MD track who plan to apply to the University of Arizona Medical School in Tucson must complete upper-division coursework in Cell Biology, Histology, Microbiology, Pathology, or Immunobiology as well as an upper-division course in Molecular Biology. This means that at least one of the upper-division electives should come from the Medical Studies Breadth Electives list.
- Due to the high volume of overlap in curriculum, students enrolled in this degree are not permitted to declare a concurrent degree combination with the Biological Sciences BS, including the following concentrations: Biomedical Sciences; Genetics, Cell and Developmental Biology; and Neurobiology, Physiology and Behavior. Students should speak with their academic advisor for any further questions.

Term hours subtotal:	15		

- Population Health students must select and follow a single track to complete a total of 18 credit hours, at least six of which must be upper division. The selected track will allow students to move confidently into a career or into a population health graduate program.
- The population health program is designed to prepare students for future career and educational opportunities through hands on experiential learning. Students are required to complete nine credits of experiential learning coursework for the program, six of which must be upper division. Three credits of experiential learning are achieved through CHS 280, which offers several topics that students can choose from including Introduction to Citizen Science and Health, Translational Team, and Health Applications and Experience. Students select the remaining six credits of upper division experiential learning from a list of major specific course options below. The [CHS website](#) also has up to date information on opportunities to fulfill this requirement, including research and internships, that are relevant to each major. Students should contact their academic advisor with any questions.

 CHS 101: The ASU Experience for Health Solutions Students	1		<ul style="list-style-type: none"> ASU 101 or college-specific equivalent First-Year Seminar required of all first-year students. College of Health Solutions students take CHS 101 to fulfill this requirement. First-year students must take CHS 100; students who enter with more than 30 hours must take CHS 300 instead. Students interested in pursuing a masters in public health program are encouraged to take MAT 117.
CHS 100: Optimizing Your Health and Performance (SOBE OR SB) OR CHS 300: An Exploration of Well-Being (SOBE OR SB)	3	C	
ENG 101 or ENG 102: First-Year Composition OR ENG 105: Advanced First-Year Composition OR ENG 107 or ENG 108: First-Year Composition	3	C	
MAT 117: College Algebra (MATH OR MA) OR MAT 142: College Mathematics (MATH OR MA)	3	C	
POP 100: Introduction to Population Health	3	C	
Humanities, Arts and Design (HUAD)	3		
Term hours subtotal:	16		
Term 2 16 - 31 Credit Hours Critical course signified by 	Hours	Minimum Grade	Notes
ENG 101 or ENG 102: First-Year Composition OR ENG 105: Advanced First-Year Composition OR ENG 107 or ENG 108: First-Year Composition	3	C	<ul style="list-style-type: none"> Visit the CHS website for current student resources including forms and policies, advising appointment scheduling, internship information, and more. Join a student club or professional organization.
HEP 102: Foundations of Health Education and Health Promotion	3	C	
HSC 210: Cultural Aspects of Health (GCSI OR C)	3	C	
Humanities, Arts and Design (HUAD)	3		
Elective	3		
 Complete ENG 101 OR ENG 105 OR ENG 107 course(s).			
Term hours subtotal:	15		
Term 3 31 - 47 Credit Hours Critical course signified by 	Hours	Minimum Grade	Notes
BIO 181: General Biology I (SCIT OR SQ)	4	C	<ul style="list-style-type: none"> Explore minors and certificates offered by the College of Health Solutions. Check your degree progress and learn to run your Graduation Audit (DARS). Develop your skills.
HEP 361: Digital Health Communication and Education	3	C	
Sustainability (SUST)	3		
Complete 2 courses: Elective (BMI 102 OR PSY 101 OR SOC 101 recommended)	6		
 Complete POP 100 with a C or better.			
 Complete Mathematics (MATH) requirement.			
Term hours subtotal:	16		
Term 4 47 - 63 Credit Hours Critical course signified by 	Hours	Minimum Grade	Notes

🚩 HCD 300: Biostatistics (QTRS OR CS)	3	C
🚩 HCD 332: Population Health Policy and Legislation	3	C
BIO 182: General Biology II (SCIT OR SG)	4	C
Complete 2 courses:		
Elective	6	
🚩 Complete BIO 181 with a C or better.		
Term hours subtotal:	16	

- Visit the [CHS website](#) to explore research and internship opportunities.
- Secure a [part-time job](#) or [volunteer experience](#).
- Consider shadowing health professionals in the field.

Term 5 63 - 78 Credit Hours Necessary course signified by ★	Hours	Minimum Grade	Notes
---	-------	---------------	-------

★ HEP 444: Epidemiology	3	C
★ PBH 435: Environmental and Occupational Health (L)	3	C
CHS 340: Health Theory	3	C
HCD 400: Evidence Odyssey: Decoding Peer-Reviewed Research for Future Practice	3	C
American Institutions (AMIT)	3	
Term hours subtotal:	15	

- Thinking about graduate school? Consider registering for a grad school [test prep course](#).
- Review focus area options at bottom of major map and run your [Graduation Audit \(DARS\)](#) prior to enrolling in term 6.

Term 6 78 - 93 Credit Hours Necessary course signified by ★	Hours	Minimum Grade	Notes
---	-------	---------------	-------

★ EXW 450: Social Determinants of Health and Health Behavior (CIVI OR (L or SB) & C)	3	C
Complete 2 courses:		
Focus Area Course	6	C
Complete 2 courses:		
Elective (CHM 101 recommended)	6	
Term hours subtotal:	15	

- Students interested in going to graduate school or becoming a [registered sanitarian](#) are encouraged to take CHM 101 as one of their electives.
- Select two focus area courses from any of the lists at bottom of major map.
- Continue gaining hands on experience.
- Explore [graduate programs](#).

Term 7 93 - 108 Credit Hours Necessary course signified by ★	Hours	Minimum Grade	Notes
--	-------	---------------	-------

★ HEP 454: Health Promotion Program Planning and Implementation (L)	3	C
POP 444: Population Health Field Experience	3	C
Upper Division Focus Area Course	3	C
Upper Division Elective	3	
Elective	3	
Term hours subtotal:	15	

- Select an upper division focus area course from any of the lists at bottom of major map.
- POP 444 fulfills the college's experiential learning requirement.
- Research [employment opportunities](#).
- Complete an in person or virtual [practice interview](#).
- Apply to [graduate programs](#).

Term 8 108 - 120 Credit Hours Necessary course signified by ★	Hours	Minimum Grade	Notes
---	-------	---------------	-------

★ Complete 2 courses:		
Upper Division Focus Area Course	6	C
Upper Division Elective	3	
Elective	3	
Term hours subtotal:	12	

- Select two upper division focus area courses from any of the lists at bottom of major map.
- Apply for [full-time career opportunities](#).

- Focus Areas provide students an opportunity to focus their studies in a particular area of interest or expand their knowledge in various areas. Students can select from any combination of the focus area lists to complete a total of 15 credit hours, nine of which must be upper division.
- Students interested in pursuing certification to become a **registered sanitarian** should follow the environmental health focus area and will need to complete 30 credits of natural science courses. Please see your advisor for a list of recommended courses.

Barrett, The Honors College overview and requirements

Barrett, The Honors College curriculum is designed to develop students' habits of mind that enable them to be lifelong learners, creative problem solvers and participatory citizens in a democratic society. Barrett emphasizes:

- small classes and seminars
- multidisciplinary team-taught courses and other engaged modes of learning
- development of critical reading, discussion and writing skills

Barrett honors faculty fellows who specialize in honors pedagogy are responsible for offering the core honors curriculum through honors signature seminars and Special Topics courses. Barrett also collaborates with all colleges at ASU to offer honors seminars and sections, honors enrichment contracts, and undergraduate research and thesis opportunities.

Admission to Barrett

Students first apply to ASU and then submit a separate application to Barrett.

[Lower-division entry](#): Students who begin with Barrett in their first year of college are required to take the [HON 171 and HON 272: The Human Event](#) course sequence, turn in a successfully defended thesis and complete 36 honors credit hours (18 of these credits must be upper-division coursework), with a cumulative GPA of 3.25 upon graduation.

Students in their first semester at ASU who are looking to join the honors college in their second semester may submit a [Barrett lower-division application](#) if they will have 3.5 academic years remaining to address the Barrett lower-division requirements.

[Upper-division entry](#): Students who begin with Barrett midway through their college careers are required to take [HON 370: History of Ideas](#), turn in a successfully defended thesis project and complete 21 upper-division honors credit hours, with a cumulative GPA of 3.25 upon graduation.

[Transfer students](#): Students who have graduated or will graduate from an Arizona community college honors program and who are joining Barrett as upper-division students complete 18 credit hours, rather than 21 hours, of an honors curriculum to graduate from Barrett. The course HON 370: History of Ideas and the thesis experience remain required components of the program.

[ASU Online students](#): Online students who have earned a minimum of 24 credits after high school graduation, including completing the [ASU first-year composition requirement](#), and have a minimum of 60 credits remaining until intended ASU graduation are invited to apply to join as a Barrett Online student. Barrett Online students are required to take HON 370: History of Ideas as a live synchronous course offered via Zoom, turn in a successfully defended thesis project and complete 21 honors credit hours, with a cumulative GPA of 3.25 upon graduation.

All ASU university degree requirements must be met and posted in order for the Barrett Honors designation to post to student transcripts.

Honors signature courses

All Barrett students are required to complete required honors signature courses and seminars taught by honors faculty fellows, which are described below.

Students entering the college as lower-division students are required to complete a two-semester sequence of HON 171 and HON 272: The Human Event. This is an interdisciplinary seminar focusing on key social and intellectual currents in the development of humanity. Students examine human thought and imagination from various disciplines, including philosophy, history, literature, religion, science, social science and art. Coursework emphasizes critical thinking, discussion and argumentative writing.

Transfer students entering the college as upper-division students complete a one-semester honors seminar titled HON 370: History of Ideas. The texts are generally selected based on a theme of the instructors' choosing. Coursework emphasizes critical thinking, discussion and argumentative writing.

Honors thesis

The Barrett [honors thesis](#) is the culmination of a student's entire honors experience and undergraduate education. The thesis provides students with the opportunity to work closely with faculty and advance knowledge in the discipline in a meaningful way. A thesis demonstrates experience with design, execution, analysis and presentation in the chosen field of study.

Students typically enroll in departmental courses numbered 492 and 493 for thesis work under the supervision of the ASU faculty thesis director. Passing credit in 492 and 493 courses count as upper-division honors credit for Barrett students.

Students may select their own thesis topic and supervising faculty member inside or outside their academic majors. Additionally, students may participate in honors thesis pathways programs. Thesis pathways are unique thesis opportunities in which students can be paired with faculty to explore interesting and engaging topics. The pathway options provide students a structured experience in completing their thesis while researching a topic that interests them.

Required thesis project elements are a thesis committee, approved thesis prospectus, thesis defense form, formal thesis defense event, and the final thesis work (approved by the thesis committee), which must be submitted to the Barrett Thesis Digital Repository.

Honors credit hours and academic opportunities

Students are responsible for earning honors credit hours outside of the HON signature courses and the thesis. They may do so by obtaining a grade of "C" or "Y" through participation in:

- honors sections
- honors enrichment contracts
- honors Special Topics courses
- internship, teaching assistant and research credit
- honors study abroad programs
- graduate-level (500+) coursework

Honors progress and support

A dedicated [honors advisor](#) is assigned to each incoming Barrett student. Barrett honors advising is mandatory for students. The honors advisor provides tools for navigating honors requirements, such as the Degree Audit Reporting System, or DARS, and connects students to campus-wide resources, extraordinary opportunities, and

programs that create a unique honors experience. Additionally, Barrett students have an assigned major advisor in the college or department of their academic major, and a faculty honors advisor.

Faculty honors advisors are disciplinary faculty members who serve as liaisons between their academic units and Barrett, The Honors College. Faculty honors advisors assist students with academic opportunities, information on graduate school, advice on the related field and profession, and assistance with the honors thesis. Barrett students are encouraged to work with these advisors throughout their undergraduate experience.

Questions should be directed to Barrettadvising@asu.edu.

Lower Division Curriculum

- 6 credits** The Human Event
- 6 credits** Honors Thesis
- 24 credits** Honors Enrichment Contracts
Honors sections

BLE 220: Foundations of Structured English Immersion (HUAD OR L)	3	C
Sustainability (SUST)	3	
Complete 2 courses: Elective	6	
Term hours subtotal:	16.5	

- Students considering graduate school or health professions should complete the PHY 111/113 and PHY 112/114 sequence, using PHY 112/114 in place of electives. All other students will complete PHY 101.
- Meet with a Teachers College advisor early in the semester to discuss enrollment in upper division education program courses and required internships in upcoming semesters. You will need to submit an IVP fingerprint clearance card to Teachers College. Upper division education courses will be taught in Tempe, OR may also be available on Zoom. They are not taught in person at Poly.
- GCU 113 is recommended as an elective since it satisfies the US and AZ constitution requirement for teacher certification.
- BLE 220 satisfies the requirement for a Structured English Immersion Endorsement (For Certified Teachers). This endorsement authorizes the holder to teach one or more English language learners in the area they are appropriately certified.

Notes:

Mathematics Placement Assessment score determines placement in first mathematics course.

General Studies designations listed next to courses on the major map were valid for the 2024 - 2025 academic year. Please refer to the course catalog for current General Studies designations at time of class registration. General Studies credit is applied according to the designation the course carries at the time the class is taken.

2024 - 2025 Major Map

Technical Communication (Data Visualization), BS

School/College: [College of Integrative Sciences and Arts](#)
LSTECDVBS
