Academic Catalog Archive Addendum

2021-2022

This document, published in March 2022, is a supplement to the Academic Catalog Archive 2021-2022 published in November 2021. It is the record of policies and programs that experienced changes since the publication of the Academic Catalog Archive 2021-2022. It also contains additional policies that were not provided within the Academic Catalog Archive 2021-2022 because information was unavailable at the time of publication.

This addendum is a printable publication for accreditation organizations, agencies and university offices for data collection, evaluation purposes and referencing. Academic advisors, faculty and current students should refer to the online version of the academic catalog.

To navigate this document version of the Academic Catalog Addendum 2021-2022, refer to the table of contents and the bookmarks provided.

⁽¹⁾ Undergraduate students with total credit hours in excess of the threshold established by the Arizona Legislature are required to pay tuition on these excess hours. For resident students, the excess hours tuition is \$89 per credit hour. Students should see students.asu.edu/tuition-surcharge [1] for additional information regarding the Undergraduate Excess Hours Tuition.

⁽²⁾ Students admitted to Barrett, the Honors College are assessed a \$1,000 honors fee each fall and spring semester in addition to the tuition and fees presented above.

⁽³⁾ The College of Nursing and Health Innovation post-bac BSN, the Ira A. Fulton Schools of Engineering Professional Flight program, and the ASU-Draper University Entrepreneurship Incubator Program will continue to maintain a separate program or class fee.

⁽⁴⁾ All amounts shown in the Tuition and Fees Schedules or in other University publications or webpages represent tuition and fees as currently approved for the 2021-2022 academic year. Arizona State University reserves the right to increase

or modify tuition and fees without prior notice, upon approval by the Arizona Board of Regents. Students should note that all tuition amounts and fees are subject to change at any time for correction of errors and may be adjusted at a future date.

⁽⁵⁾ ASU's student government leaders, on behalf of the students they represent, have sought and received ABOR approval for the Health and Wellness fee, Student Athletics fee, Student Programs fee, Student Services Facility fee and Recreation fee. Funding from these fees will be used to enrich the student experience. Included with the Student-initiated fee is the Financial Aid Trust fee as authorized by the Arizona Legislature to create a Financial Aid Trust Fund.

⁽⁶⁾ Summer tuition is billed per credit hour with no cap. The rates presented above are per session and if more than nine credits are taken in a session, tuition will be greater. To calculate the increase in tuition, add the tuition cost per credit hour for each additional hour taken to the tuition and fee total for nine hours.

(1) Students admitted to Barrett, the Honors College are assessed a \$1,000 honors fee each fall and spring semester in addition to the tuition and fees presented above.

(2) Undergraduate students with total credit hours in excess of the threshold established by the Arizona Legislature are required to pay tuition on these excess hours. For online students, the excess hours tuition is \$108 per credit hour up to a maximum of \$1,296 for enrollment in 12 or more hours. Students should see Undergraduate Excess Hours [1] for additional information.

(3) All amounts shown in the Tuition and Fees Schedules or in other University publications or webpages represent tuition and fees as currently approved for the 2021-2022 academic year. Arizona State University reserves the right to increase or modify tuition and fees without prior notice, upon approval by the Arizona Board of Regents. Students should note that all tuition amounts and fees are subject to change at any time for correction of errors and may be adjusted at a future date.

(4) The College of Nursing and Health Innovation post-bac BSN, the Ira A. Fulton Schools of Engineering Professional Flight program, and the ASU-Draper University Entrepreneurship Incubator Program will continue to maintain a separate program or class fee.

(5) ASU's student government leaders, on behalf of the students they represent, have sought and received ABOR approval for the Health and Wellness fee, Student Athletics fee, Student Programs fee, Student Services Facility fee and Recreation fee. Funding from these fees will be used to enrich the student experience. Included with the Student-initiated fee is the Financial Aid Trust fee as authorized by the Arizona Legislature to create a Financial Aid Trust Fund.

(6) Summer tuition is billed per credit hour with no cap. The rates presented above are per session and if more than 18 credits are taken in a session, tuition will be greater. To calculate the increase in tuition, add the tuition cost per credit hour for each additional hour taken to the tuition and fee total.

⁽¹⁾ All amounts shown in the Tuition and Fees Schedules or in other University publications or webpages represent tuition and fees as currently approved for the 2021-2022 academic year. Arizona State University reserves the right to increase or modify tuition and fees without prior notice, upon approval by the Arizona Board of Regents. Please note all tuition amounts and fees are subject to change at any time for correction of errors and may be adjusted at a future date.

⁽²⁾ Certain graduate programs are assessed differential tuition or program fees, depending on the college or program. Use the Tuition and Cost of Attendance Estimator [1] to review program specific tuition and fees.

⁽³⁾ ASU's government leaders, on behalf of the students they represent, have sought and received ABOR approval for the Health and Wellness fee, Student Athletics fee, Student Programs fee, Student Services fee and Recreation fee. Funding from these fees will be used to enrich the student experience. Included with the Student-initiated fee is the Financial Aid Trust fee as authorized by the Arizona Legislature to create a Financial Aid Trust Fund.

(4) The Graduate Student Support fee helps fund resources and services that support graduate students, including technology resources and services, instructional and laboratory expenses in departments and schools, and graduate student services. Students enrolled in one continuing registration course credit will be charged a reduced rate of \$50.00.

(5) Summer tuition is billed per credit hour with no cap. The rates presented above are per session and if more than nine credit hours are taken in a session, tuition will be greater. To calculate the increase in tuition, add the tuition cost per credit hour for each additional hour taken to the tuition and fees total for nine hours.

- (1) Special Class fees are dependent on specific class enrollment and are not included here. Fees are available online through Class Search [1].
- (2) Students with total credit hours in excess of the threshold established by the Arizona Legislature are required to pay tuition on the excess hours. For resident and non-resident students, the excess hours tuition rate is \$109 per credit hour. Students should see students.asu.edu/tuition-surcharge [2] for additional information regarding the Excess Hours Tuition.
- (3) Students admitted to Barrett, the Honors College are assessed a \$1,000 honors fee each fall and spring semester in addition to the tuition and fees presented above.
- (4) All amounts shown in the Tuition and Fees Schedules or in other University publications or webpages represent tuition and fees as currently approved. Arizona State University reserves the right to increase or modify tuition and fees without prior notice, upon approval by the Arizona Board of Regents. Students should note that all tuition amounts and fees are subject to change at any time for correction of errors and may be adjusted at a future date.
- (5) Certain graduate and undergraduate programs are assessed differential tuition or program fees, depending on the college or program. Students should use the Tuition and Cost of Attendance Estimator [3] to review program-specific tuition and fees.
- (6) Summer tuition is billed per credit hour with no cap. The rates presented above are per session and if more than 18 credit hours are taken in a session, tuition will be greater. To calculate the increase in tuition, add the tuition cost per credit hour for each additional hour taken to the tuition and fee total.
- *Graduate online programs with differential tuition [4] for use by Department of Defense students using tuition assistance.

Undergraduate policies and procedures

Financial Aid Refund Policy for Students using Chapter 31 and Chapter 33 VA Benefits

Students electing to use VA educational benefits at ASU under Veteran Readiness and Employment (Chapter 31) or the Post-9/11 GI Bill® (Chapter 33) must first establish their benefits eligibility, then verify their intent each semester. In accordance with 38 U.S.C 3679 (e), students who successfully establish their eligibility and elect to use benefits in any given semester are automatically given a tuition deferment that will prevent any late fees or penalties from being incurred during that semester. The deferred tuition due dates are as follows:

- Fall Semesters – December 25
- Spring Semesters – May 25
- Summer Semesters – September 25

Additionally, Chapter 31 and Chapter 33 students who have accepted financial aid may elect to receive a credit for the anticipated amount of their VA benefit towards tuition. This credit will allow any excess financial aid to disburse in advance of the VA's actual payment to the school. Students should understand that ASU's "anticipated VA payment" is an estimate, and that settling their student account balances can only take place once all VA payments for the semester are received. It will be the student's responsibility to return any money that had been refunded in excess. For more information on the steps required, please contact the Pat Tillman Veterans Center at 480-965-7723 or PTVC@asu.edu [1]. For questions about your individual student account, please contact Student Business Services at 855-278-5080 or SBS@asu.edu [2].

Military Activation Withdrawal

Current Policy

A student who is a member (or the spouse of a member) of the National Guard, Reserve, or other U.S. Armed Forces branch and is unable to complete classes because of military activation, may request complete withdrawal or course withdrawals, incompletes, or grades, depending on the timing of the activation and the individual student's needs. Absences resulting from military activation will not adversely affect a student's catalog year.

To receive consideration under the military activation policy, a student should complete a Military Activation Form [1] and return the completed form, along with a copy of the military activation order, to the Pat Tillman Veterans Center. The Pat Tillman Veterans Center staff will coordinate the processing of the form for the student, including verification of orders, counseling on available options, referrals to academic departments, referrals or notification to offices regarding potential refunds, and initiation of processing administrative withdrawals or incomplete grades.

Previous Policy

If you are activated for military duty and therefore will not be able to successfully complete your classes, you may request a military activation withdrawal. Approved military activation withdrawals will result in some regulatory relief in the recalculation of financial aid and the calculation of tuition and fee charges. To request a military activation withdrawal, please submit a Military Activation form [1] to the Veteran Benefits & Certification at the Tempe campus (480-965-7723) or at the West campus (602-543-8820).

Veteran Tuition Assistance Return Policy

ASU recognizes that active duty members may not always be able to complete their classes, due to unforeseen military commitments. Department of Defense (DoD) policy requires a return of TA funds, when a class is withdrawn, prior to completing at least 60% of the course. Returns of tuition assistance are prorated based on the percentage of completed class time, as noted in the schedules below. Students will be responsible for reimbursing ASU for the amount of TA that ASU refunds to the DoD.

For additional questions, please contact sponsorbilling@asu.edu [1] or call 855-278-5080 and ask to be connected to a Sponsored Billing Specialist.

Academic programs (descriptions and requirements)

The following degree programs experienced a change for the 2021-2022 academic year. This change occurred after publication of the 2021-2022 academic catalog archive.

Graduate certificates and degree programs

Community-Engaged Practices in Design and the Arts, Certificate – formerly Socially Engaged Practice in Design and the Arts, Certificate. Name Change. Fall 2021.

Complex Systems Science, MS (GFCMPXSSMS). Established. Fall 2021.

Online Degree Search Title: Complex Systems Science, MS

Campus: Tempe, Online

Program Description:

Most systems are complex. This means that through the interaction between their parts these systems exhibit emergent properties and unintended consequences.

The curriculum in the MS program in complex systems science focuses on developing skills in theoretical foundations, modeling, problem solving, critical thinking, and the importance of direct experience through research or related activities. Complex systems science students cultivate the ability to approach complex problems through analysis and modeling and by identifying issues, asking questions and collaborating with others to create effective solutions.

Graduates in complex systems science can apply their skills to a large number of areas and in many professions where they can make a difference through innovative and creative methods.

Degree Requirements:

30 credit hours including the applied project course (CAS 593)

Required Core (15 credit hours)

CAS 501 Fundamentals of Complex Systems Science: Evolution (3)

CAS 502 Fundamentals of Complex Systems Science: Computation (3)

CAS 503 Fundamentals of Complex Systems Science: Collectives (3)

Choose two from the following:

CAS 520 Agent Based Modeling (3)

CAS 521 Methods for Complex Systems Science: Network Analysis (3)

CAS 522 Methods for Complex Systems Science: Dynamical Systems (3)

CAS 523 Methods for Complex Systems Science: Statistics and Dimensionality Reduction (3)

Electives (9 credit hours)

Culminating Experience (6 credit hours)

CAS 593 Applied Project (6)

Additional Curriculum Information

The applied project is a modeling and research project in any of the applied or foundational areas of complex systems science. Students define this project with a faculty mentor and apply a selection of methods covered in the methods courses to a dataset. The applied project also involves the creation of a portfolio of student accomplishments.

Admission Requirements:

Applicants must fulfill the requirements of both the Graduate College and the College of Global Futures.

Applicants are eligible to apply to the program if they have earned a bachelor's or master's degree in a STEM field, economics, social sciences, humanities or a related field from a regionally accredited institution.

Applicants must have a minimum cumulative GPA of 3.00 (scale is 4.00 = "A") in the last 60 hours of their first bachelor's degree program, or applicants must have a minimum cumulative GPA of 3.00 (scale is 4.00 = "A") in an applicable master's degree program.

All applicants must submit:

- graduate admission application and application fee
- official transcripts
- two letters of recommendation
- written statement
- professional resume
- proof of English proficiency

Additional Application Information

An applicant whose native language is not English must provide proof of English proficiency regardless of current residency.

Corrections Leadership and Management, Certificate – formerly Corrections Management, Certificate. Name Change. Fall 2021.

Elementary Education, MEd (TEELEMED). Reinstatement. Fall 2021.

Online Degree Search Title: Elementary Education, MEd

Campus: Tempe, Online

Program Description:

The MEd program in elementary education prepares students to start a career teaching grades K-8. It is designed for individuals who do not need to obtain teacher certification. The program builds on connections between educational design and decision-making and is designed to foster strong professional growth and leadership development.

All courses are offered remotely, and students select one of two modalities:

- ASU Sync offers regularly scheduled evening classes via synchronous learning over Zoom. Instructors and students are not in the same physical space but do meet at the same time, offering a live learning experience with peers and faculty. Students completing the program through ASU Sync must be admitted to the ASU Tempe

campus even though classes do not meet on campus. ASU Sync students need to reside in Arizona throughout the duration of the program.

- ASU Online offers classes via asynchronous instruction. Instructors and students are not in the same physical space and do not meet at the same time, allowing students to complete coursework on their own schedules. Students completing their program through ASU Online must be admitted to the online campus.

This program can be taken in three continuous semesters, allowing students to complete the program in one year. Students can also enroll part-time over additional semesters.

Mary Lou Fulton Teachers College faculty actively engage in the educational research community, bringing new and relevant knowledge into the program. Students engage in their own research through applied project coursework, deepening their knowledge and improving their practice through research, critical evaluation and application of education concepts. The program culminates in an action research project in which students apply what they've learned to address a challenge in education.

The master's degree program does not lead to teacher certification. Students interested in certification should enroll in the Master of Education program in elementary education with a concentration in teacher certification or in the teacher certification graduate certificate program.

Special Education, MEd (ECSPEDMED). Reinstatement. Fall 2021.

Online Degree Search Title: Special Education, MEd

Campus: Tempe, Online

Program Description:

The MEd in special education is intended for students who have a bachelor's degree in any field and want to further their knowledge in mild-moderate disabilities special education for grades K-12. The program connects theory and practice through quality classroom instruction.

Students gain a foundation in teaching and content knowledge from experts in the field who are actively engaged in the educational research community. Students embed their knowledge throughout the program, empowering them to engage in research through coursework.

The culminating experience engages students' research by critically evaluating education research related to an action research problem, applying education concepts to classroom experience and reflecting on practice.

This master's degree alone does not provide the clinical professional experience needed to obtain an institutional recommendation that is required for teacher certification. Students who enroll in the degree and later determine they want or need an institutional recommendation for certification or they need the clinical professional experience portion of the certification requirements can formally request to change to the MEd in special education with a concentration in teacher certification and would submit a petition requesting for coursework completed in this standalone program to apply towards the certification program.

Applicants must fulfill the requirements of both the Graduate College and the Mary Lou Fulton Teachers College.

Applicants are eligible to apply to the program if they have earned a bachelor's or master's degree in any field from a regionally accredited institution.

Applicants must have a minimum cumulative GPA of 3.00 (scale is 4.00 = "A") in the last 60 hours of their first bachelor's degree program, or applicants must have a minimum cumulative GPA of 3.00 (scale is 4.00 = "A") in an applicable master's degree program.

All applicants must submit:

- graduate admission application and application fee
- official transcripts
- professional resume
- personal statement
- proof of English proficiency

Additional Application Information

An applicant whose native language is not English must provide proof of English proficiency regardless of current residency. The following are accepted to meet this requirement:

- TOEFL: score of at least 90 on the internet-based test (iBT), with scores on the speaking and writing portions in the high "fair" - "good" range (22-30). ASU's institutional code is 4007. Only electronic copies of scores are accepted.
- IELTS: overall band score of at least 5 with speaking and writing portions needing to be at least 6.5 (6 = Competent User, 7 = Good User). No institutional code is needed.

The personal statement should describe the personal and professional goals that motivated applicant to apply to the graduate certificate, and explain what led the applicant to this career path and how they will excel as an educator. The admission committee pays particular attention to the quality of writing and ideas expressed in the personal statement. The statement should be prepared in an MS Word (.doc), Rich Text (.rtf), Portable Document Format (.pdf), or Text (.txt) file format.

The professional resume should be one to two pages and include relevant personal, professional, educational and community activities. The resume should be prepared in an MS Word (.doc), Rich Text (.rtf), Portable Document Format (.pdf), or Text (.txt) file format.

Fingerprint clearance is required for enrollment in the first term of placement. A copy of the applicant's IVP fingerprint clearance card (front and back) should be included or a copy of the Arizona DPS fingerprint card application if the IVP card has not yet been acquired at the time of program application. Students should visit the DPS site for information on applying for and receiving an IVP fingerprint clearance card. For out-of-state students, confirmation of fingerprint clearance or a background check in the host state is equivalent to IVP fingerprint clearance.

Undergraduate Degree Programs

Clinical Exercise Science, BS – formerly Exercise and Wellness, BS (ECEXERBS).
Name Change. Fall 2021.

Film and Media Production, BFA (HIFMPBFA). Establishment. Fall 2021.

Campus: Tempe

Program Description:

The BFA program in film and media production connects students with creative experiences and pre-professional training, focusing on ethical practices and interdisciplinary collaboration. Students are empowered to master digital technologies to create stories that reflect their unique vision and voice.

Beginning with foundational courses that situate the film and media artist as an active citizen-storyteller with a responsibility to their community, students work through a series of structured milestones and projects that culminate in the presentation of a professional digital portfolio. The curriculum also includes interdisciplinary requirements and elective options from across ASU to ensure that students experience connections between the arts, cultures and the creative process.

Graduates are prepared for success in the growing media industry, to pursue a graduate degree, or to pioneer new careers that will require advanced media production skills, a professional work ethic and a strong creative voice.
