## PURPOSE

The summer sessions, offering more than 3,000 fully accredited courses, provide an opportunity for students to begin or continue academic work on a year-round basis. Summer courses are equivalent to fall and spring courses in terms of content, credit awarded, and the standards expected of students regarding academic performance.

There are three regular sessions, one of eight weeks and two of five weeks. The eight-week session and the first five-week session begin the same date. See the "Graduate College Calendar," page 17, for specific dates.

All ASU Main courses (except some EPE courses) are held in air-conditioned classrooms or laboratories. A number of courses are offered at off-campus locations.

During the summer, ASU also offers students the opportunity to earn graduate or undergraduate credit while studying in foreign countries through various Summer Study Programs. These programs are directed by ASU faculty and have been approved by the appropriate academic unit.

For more information, visit the Summer Sessions Web site at [www.asu.edu/ssc](http://www.asu.edu/ssc).

**Admission and Registration.** The admission and registration process for summer sessions begins when the *Summer Sessions Bulletin* is distributed during the last week of January.

**Admission.** All students must be admitted to ASU for the summer as a nondegree student before enrolling, except for continuing students attending ASU during the spring semester preceding the current summer. New ASU students admitted for the fall semester following the current summer must process the summer nondegree admission form before enrolling.

**Nondegree Graduate.** An application form is provided in the *Summer Sessions Bulletin* and is also available on the Web at [www.asu.edu/ssc/bulletin/application](http://www.asu.edu/ssc/bulletin/application). The submission of transcripts or test scores is not required for this status.

**Readmission.** ASU students not enrolled during the spring semester preceding the current summer must be readmitted. See "Readmission to the Graduate College," page 86.

**Bulletin.** The *Summer Sessions Bulletin*, which contains the class schedule, the application form, and the registration procedure, is available the last week of January at the Office of Summer Sessions, ADM B167, and at all registrar sites. The *Summer Sessions Bulletin* is also available on the Web at [www.asu.edu/ssc](http://www.asu.edu/ssc).
